RE : TAX INCREMENTAL DISTRICT NUMBER 001
VILLAGE OF FRIENDSHIP

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$5,834,500 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$2,696,300 January 1, 1997	This figure represents the **tax incremental base value** as of the indicated date.
$3,138,200	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 011
CITY OF GREEN BAY

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$38,830,400 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$41,558,200 January 1, 2005	This figure represents the **tax incremental base value** as of the indicated date.
$0	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 001
VILLAGE OF HILBERT

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$5,818,700 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$1,772,900 January 1, 1996	This figure represents the **tax incremental base value** as of the indicated date.
$4,045,800	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 006
CITY OF THORP

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$4,234,400 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$1,582,000 January 1, 2000	This figure represents the **tax incremental base value** as of the indicated date.
$2,652,400	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 001
VILLAGE OF DE SOTO

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$438,600 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$161,700 January 1, 2001	This figure represents the **tax incremental base value** as of the indicated date.
$276,900	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 004
VILLAGE OF DEFOREST

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$331,200 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$345,700 January 1, 2009	This figure represents the **tax incremental base value** as of the indicated date.
$0	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 005
VILLAGE OF WAUNAKEE

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$29,941,600 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$27,543,200 January 1, 2005	This figure represents the **tax incremental base value** as of the indicated date.
$2,398,400	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 001T
TOWN OF ELBA

As provided in s.60.85(5) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$1,640,300 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$1,575,500 January 1, 2010	This figure represents the **tax incremental base value** as of the indicated date.
$64,800	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.60.85(6)(c).

RE : TAX INCREMENTAL DISTRICT NUMBER 001
VILLAGE OF ELK MOUND

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$3,262,200 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$2,499,700 January 1, 2007	This figure represents the **tax incremental base value** as of the indicated date.
$762,500	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 007
CITY OF RIPON

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$1,944,200 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$845,600 January 1, 2007	This figure represents the **tax incremental base value** as of the indicated date.
$1,098,600	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 005
CITY OF MONROE

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$16,881,700 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$6,404,200 January 1, 1996	This figure represents the **tax incremental base value** as of the indicated date.
$10,477,500	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 002
VILLAGE OF HIGHLAND

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$3,232,900 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$973,600 January 1, 1999	This figure represents the **tax incremental base value** as of the indicated date.
$2,259,300	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 004
CITY OF WHITEWATER

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$25,897,000 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$968,200 January 1, 1990	This figure represents the **tax incremental base value** as of the indicated date.
$24,928,800	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 014
CITY OF LA CROSSE

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$95,355,500 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$57,863,800 January 1, 2006	This figure represents the **tax incremental base value** as of the indicated date.
$37,491,700	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 002
VILLAGE OF ATHENS

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$2,353,200 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$1,889,500 January 1, 2007	This figure represents the **tax incremental base value** as of the indicated date.
$463,700	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 001E
CITY OF CUDAHY

As provided in s.66.1106(6) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$11,705,700 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$972,600 January 1, 2003	This figure represents the **tax incremental base value** as of the indicated date.
$10,733,100	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1106(8).

RE : TAX INCREMENTAL DISTRICT NUMBER 056
CITY OF MILWAUKEE

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$113,154,400 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$8,958,600 January 1, 2004	This figure represents the **tax incremental base value** as of the indicated date.
$104,195,800	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 002
VILLAGE OF WILTON

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$9,692,600 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$2,261,500 January 1, 1998	This figure represents the **tax incremental base value** as of the indicated date.
$7,431,100	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 001
VILLAGE OF PEPIN

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$7,734,400 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$4,451,100 January 1, 1990	This figure represents the **tax incremental base value** as of the indicated date.
$3,283,300	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 003
VILLAGE OF BALSAM LAKE

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$1,103,100 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$22,300 January 1, 2004	This figure represents the **tax incremental base value** as of the indicated date.
$1,080,800	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 003
CITY OF PHILLIPS

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$3,883,500 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$2,177,100 January 1, 1995	This figure represents the **tax incremental base value** as of the indicated date.
$1,706,400	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 006
CITY OF BELOIT

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$46,458,600 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$14,073,100 January 1, 1991	This figure represents the **tax incremental base value** as of the indicated date.
$32,385,500	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 006
VILLAGE OF HAMMOND

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$10,705,700 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$16,000 January 1, 1999	This figure represents the **tax incremental base value** as of the indicated date.
$10,689,700	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 005
CITY OF REEDSBURG

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$1,618,300 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$1,309,000 January 1, 2000	This figure represents the **tax incremental base value** as of the indicated date.
$309,300	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 013
CITY OF SHEBOYGAN

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$9,775,200 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$294,400 January 1, 2006	This figure represents the **tax incremental base value** as of the indicated date.
$9,480,800	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 005
CITY OF VIROQUA

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$1,893,100 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$279,600 January 1, 2006	This figure represents the **tax incremental base value** as of the indicated date.
$1,613,500	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 009
CITY OF WHITEWATER

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$50,000 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$38,700 January 1, 2007	This figure represents the **tax incremental base value** as of the indicated date.
$11,300	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 004
VILLAGE OF MENOMONEE FALLS

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$105,434,500 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$13,904,500 January 1, 1996	This figure represents the **tax incremental base value** as of the indicated date.
$91,530,000	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 011
CITY OF WAUKESHA

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$70,747,300 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$37,524,600 January 1, 1997	This figure represents the **tax incremental base value** as of the indicated date.
$33,222,700	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 002
VILLAGE OF WILD ROSE

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$2,149,000 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$1,005,000 January 1, 2000	This figure represents the **tax incremental base value** as of the indicated date.
$1,144,000	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).

RE : TAX INCREMENTAL DISTRICT NUMBER 015
CITY OF OSHKOSH

As provided in s.66.1105(5)(g) of the Wisconsin Statutes, "... the department of revenue shall annually give notice to the designated finance officer of all governmental entities having the power to levy taxes on property within each district as to the equalized value of such property and the equalized value of the tax increment base."

Pursuant to this authority, allocation of the following values is authorized:

$8,441,800 January 1, 2011	This figure represents the **current equalized value** of all taxable property in the above mentioned Tax Incremental District as of the indicated date.
$564,900 January 1, 2001	This figure represents the **tax incremental base value** as of the indicated date.
$7,876,900	This figure represents the **Tax Incremental District equalized value increase** between the tax incremental base value and the current equalized value of all taxable property in the Tax Incremental District.

Please be advised that the taxes generated by the value increase will be paid to the above municipality for deposit into its tax incremental fund as provided in s.66.1105(6)(b).
