## INSTRUCTIONS

**BASE YEAR VALUATION** – Complete this form and return it to the municipal clerk, **only include** property within the TID or ER TID. No split parcels are allowed. The portion above the signature line and Area ‘A’ **must** be completed. Area ‘B’ should be used if there is more than one school district or any special districts.

**SPECIAL DISTRICT SUPPLEMENT** – Contains valuation areas for School, Sanitary, Sewerage, and Public Inland Lake Protection and Rehabilitation Districts. To complete, follow the instructions below:

- In Area A enter the School District name, number, and total assessed value of the general taxable property of the School District that is located within the TID or ER TID boundaries. If the area within the TID or ER TID contains territory of two or more School Districts, determine the assessed value of each School District and complete Area B (if more than two school districts, photocopy form). Make certain Area B is identified by School District name and number.
- If all or a portion of the TID or ER TID contains territory in a Sanitary or Sewerage District, enter only the total assessed value of Sanitary or Sewerage District property which is located within the TID or ER TID. Enter the name and number of the district in the space provided in Area B (check the appropriate box). If the TID or ER TID contains territory in more than one Sanitary or Sewerage District, make a copy of this form and complete the Sanitary or Sewerage District portion (Area B) relabeling it as Area C.
- Completion of Area B for a Public Lake Protection and Rehabilitation District is the same as for item 2 above.
- If both a Sanitary, Sewerage and Public Inland Lake Protection and Rehabilitation District occur in the same TID or ER TID (or multiple combinations thereof), photocopy the number of forms (Area ‘B’) necessary and clearly indicate what district is being valued, including the name and number.
