

Looking for Answers to Wisconsin Tax Questions?

If you are not already a subscriber, consider subscribing to the following:

• TOPICAL AND COURT CASE INDEX

For an annual fee of \$18, the *Topical and Court Case Index* provides you with an easy way to research Wisconsin tax questions. This index will help you find a particular Wisconsin statute, administrative rule, *Wisconsin Tax Bulletin* tax release or private letter ruling, Attorney General opinion, or court decision that deals with your particular Wisconsin tax question.

The index is published each January, and an addendum to that index is provided each June. You will be sent the most recent index that is available when your order is received. To order, use the order blank below.

• WISCONSIN ADMINISTRATIVE CODE

For an initial fee of \$20*, you will receive the "Tax" section of the Wisconsin Administrative Code. It contains administrative rules that interpret Wisconsin tax laws administered by the Department of Revenue.

For an additional fee of \$20* per year, you will receive updates to the Tax section of the Code as changes occur. A binder to hold the Code is available for \$8*. To order, use the order blank below.

* These prices are subject to change without notice.

FREE PUBLICATIONS

Publications are available, free of charge, from the Department of Revenue's website at www.revenue.wi.gov. Click on "Publications" and then "Tax Publications" to either download publications or request them using the online order form.
