 - b. Enter the collections of special charges (include delinquent utility charges) on line 2.
 - c. Enter the collections of special assessments on line 3.

 - a. Enter your percentage in Column 3 of Part I.

Pay this amount to taxing jurisdictions by January 15.

4. Distribute the collections of special assessments, special charges and drainage taxes under Chapter 88, if they are collected for a taxing jurisdiction other than your tax district (town, village, city).
5. You must pay a proportionate share of the 'other state special charges' and 'county special charges' shown in Section C of your Statement of Taxes to the County. These amounts are paid from your tax district's proportionate share of general property taxes (see NOTE).

NOTE FOR STATE AND COUNTY SPECIAL CHARGES:

If you have 'Other State Special Charges,' (Line C.4) and/or 'County Special Charges' (Line C.5), you must pay the proportionate share of these amounts to the county **in addition to** the proportionate share of the state and county tax levy. Therefore, your payment to the county will be the amount you calculate for the proportionate share of 'Other State Special Charges' on line C.4, column 5 **plus** County taxes line A.4, column 4 **plus** the proportionate share of 'County Special Charges' on line C.5, column 4 **plus** County Environmental Tax Increment on line C.3, column 4.
