3. OVERVIEW OF UNCLAIMED PROPERTY

The Wisconsin Department of Revenue (DOR) is the administrator of Wisconsin's unclaimed property program. Holders of unclaimed property are required to remit the property to the department, who acts as the custodian for the property. The program works to reunite citizens with lost property.

A. What Is Unclaimed Property?

Unclaimed property is generally any financial asset that belongs to an individual, business, or governmental entity that hasn't had owner activity for the dormancy period applicable to the property type and the holder is unable to contact the owner.

B. Who Must Report Unclaimed Property?

Wisconsin law requires holders to review their financial records each year to determine whether they hold any tangible or intangible property that has had no owner activity for the required dormancy period for the property type. See Appendix 1 for a list of property codes and dormancy periods. Any holder of unclaimed property is required to report and remit the unclaimed property to the department. Financial institutions, utility companies, and life insurance companies, with a physical presence in Wisconsin, must file a holder report even if no unclaimed property is reported (also known as a negative report).

C. Reporting and Remitting Unclaimed Property to the Wisconsin Department of Revenue

Holder reports and remittance of payment and securities are due by November 1 following the close of each fiscal year July 1 through June 30. The report details the items that became unclaimed during the fiscal period. Safe deposit box contents are to be delivered by December 1; however, the report is due by November 1.

D. Extension of Time to File

Holders may request up to a 60-day extension to file their annual report and remit unclaimed property by submitting [Form UCP-135](#), *Holder Request for 60 Day Extension of Due Date for Holder Report* to the department prior to the November 1 due date.

4. UNCLAIMED PROPERTY REPORTING PROCESS

A. Step 1: Identify Abandoned Properties

Holders must perform an annual review of finances to determine if they hold properties that are considered abandoned. Property is considered abandoned if there has been no activity on the property within its dormancy period. A complete list of property types, property codes, and dormancy periods can be found in [Appendix 1](#).

(1) Determine which properties have reached their dormancy period

Using [Appendix 1](#) as a reference, identify the properties that have reached their dormancy period and are required to be reported to the department. Here is a sample of properties with their dormancy period and reporting due dates.

SAMPLE PROPERTY TYPES – IMPORTANT DATES AND DEADLINES				
Property Type	Dormancy Period	Date of Check or Last Contact	Completes Dormancy Period	Report and Remit Due
Unclaimed Wages	1 Year	7/1/16 - 6/30/17	7/1/17 - 6/30/18	11/1/18
Matured Policy Benefits	5 Years	7/1/12 - 6/30/13	7/1/17 - 6/30/18	11/1/18
Dormant Account	5 Years	7/1/12 - 6/30/13	7/1/17 - 6/30/18	11/1/18
Uncashed Traveler's Check	15 Years	7/1/02 - 6/30/03	7/1/17 - 6/30/18	11/1/18

(2) Required information for holder reports

The following owner information is required to be included on the holder report, if known.

- Full name
- Last known address
- Social Security Number (SSN) or Federal Employer Identification Number (FEIN)
- Date of birth

B. Step 2: Attempt to Locate the Owners

You must make a good faith effort to locate the owners of the properties identified in Step 1 (also known as due diligence). A notification letter must be sent to owners of properties valued at \$50 or more, unless the owner's last known address is recorded as invalid. Letters must be sent between July 1 and September 1. You are required to keep a copy of the letter for 5 years and provide the letter upon request by the department. A sample owner notification letter is shown in [Appendix 3](#).

Note: UPEXchange products and Holder Reporting System (HRS) software will automatically generate this letter and it can be customized to meet your needs.

Do not include the department's contact information on due diligence letters as we will not be able to assist until the property has been reported and paid to us.

C. Step 3: Prepare and File Your Report

(1) Reporting and Filing

If the owner does not respond to the due diligence letter and owner activity does not occur, the property must be reported and remitted to the department. Additionally, if no due diligence letter was sent because the property is valued under \$50, and no owner activity has occurred, the property must also be remitted to the department. All holder reports must be filed electronically. The electronic filing option for your holder report is based on how you prepare your report. The following table shows the preparation and report filing options.

Note: All filing options are secured methods of transmitting data.

Preparation Method	Filing Option
UPEXchange	<ol style="list-style-type: none"> 1. Holders may file report online via UPEXchange software. No further action is needed. 2. Holders may also choose the “Manual Submission” option. If “Manual Submission” is used, holders must go to My Tax Account and attach a standard NAUPA Report file (option 1). You must convert the file into .TXT format. You will not be able to upload an HDE file.
HRS Pro	Holders must go to My Tax Account and attach a standard NAUPA Report file (option 1). You must convert the file into .TXT format. You will not be able to upload an HDE file.
My Tax Account	<p>Holders have two free options for filing their report via My Tax Account:</p> <ol style="list-style-type: none"> 1. Attach a standard NAUPA Report file. To attach the file, use the Add button on the left side of the screen. You must convert the file into .TXT format. You will not be able to upload an HDE file. 2. Manually enter and file a holder report or file a negative report.

(2) Important Reporting Information

- **Provide complete and accurate owner information.** As provided in [Part 4.A.\(2\)](#), always include the owner’s full name, last known address (even if the Post Office has returned mail as undeliverable), SSN, and date of birth. Use caution to enter confidential information, such as SSNs, date of births, and account numbers, in the correct fields in the report, as this information is used to automatically reunite the rightful owner with their property.

Note: Holder reports that do not comply with reporting requirements may be rejected.

- Do **not** submit paper copies of your report after electronic filing. A notarized affidavit is no longer required.
- Do **not** submit reports via paper, CD, or other electronic storage device. These reports are rejected and securely destroyed.
- Do **not** submit negative reports if there is no physical presence in the State of Wisconsin.
- Do **not** aggregate funds if the owners are known. The department cannot identify the owners of aggregate properties. If you aggregate funds, the department will direct claimants to you for proof of ownership and value confirmation.
- Reports and remittances must be submitted timely to avoid any interest or penalties.

- Refer to Appendix [1](#) and [2](#) for the correct codes and relationship types to use when filing your report
- **Important:** Reports filed using [My Tax Account](#) will have the option to print and save a PDF copy of the report. Your only opportunity to print or save a copy of the report is immediately after you file the report. Do not leave the page until you have filed and printed or saved a copy of the report for your records.
- Save the confirmation page after you file your report. You will need the confirmation number if you require assistance from us.

Note: It is very important to report complete and accurate information. The department may advertise properties within three days after a report has been filed, and the department's matching program may automatically pay the rightful owners shortly after the report is filed. If you notice an error in the report:

- Within three days of filing, contact the department at (608) 264-4594 or by email at DORWIHolderReports@wisconsin.gov to discuss your options if the report contains:
 - Properties that should not have been reported,
 - Errors regarding the owner information (name, address, date of birth, ID number, etc.) for any of the properties, or
 - Errors regarding the dollar amount or security shares reported
- If property was not included that should have been reported, file a new holder report with **new** properties only. Do not submit a report with properties that were already reported.
- Contact the department for assistance with other errors not listed for guidance at (608) 264-4594 or by email at DORWIHolderReports@wisconsin.gov.

(3) Securities Reporting

The following types of abandoned securities must be reported (this list is not all inclusive):

- Common Stock
- Bonds/Debentures
- Stock Warrants
- Partnership Units
- Preferred Stock
- Dividend Reinvestment Plans (DRPs)
- Mutual Funds
- Any other security-type property that has been abandoned

Do not report nontransferable, worthless, restricted or expired securities. If the shares become transferable, file a holder report and transfer the shares at that time.

Do not report fractional shares of common stock. The fractional shares must be liquidated prior to reporting and reported as cash-in-lieu of fractional shares.

See [Part 4.D.\(2\)](#) for instructions on submitting securities.

(4) Reciprocal Reporting

As a courtesy to Wisconsin businesses, the department has a policy of forwarding unclaimed property reported to the department for citizens of other states. Wisconsin has formal reciprocal agreements with 20 states, identified in **BOLD** in the Reciprocal Reporting table in [Appendix 4](#). This agreement allows businesses incorporated in Wisconsin to file a single report to Wisconsin for properties due to these 20 states.

If you are a business incorporated in Wisconsin, you can report to Wisconsin **incidental amounts** (less than ten items) of unclaimed property owned by those with addresses in the states without a formal reciprocal agreement. The department will forward the names and property of out-of-state owners to the appropriate states. However, you must notify the department by email at DORWIHolderReports@wisconsin.gov that your report contains property for other, nonreciprocal states. Make sure to abide by each state's dormancy periods and property codes when preparing your reports. Contact the other states at the numbers in the table in [Appendix 4](#) for additional information.

D. Step 4: Submit Payment, Securities, or Safe Deposit Box Contents

Once you have filed your report, you are ready to complete the process by submitting payment, securities, and safe deposit box contents. Follow the submission instructions below for the different types of property.

Important Submission Information:

- If you entered payment information on your holder report, your payment will be submitted. Do not initiate another ACH Debit payment because both payments will be processed in our system resulting in an overpayment on your account.
- The department will withdraw the funds on the date requested in your ACH Debit payment request.
- You must be registered with the Department of Revenue as a holder of unclaimed property before you may make an ACH Debit payment. If you have not previously filed a holder report with the department, you will need to wait 3 business days after filing your first report before initiating your ACH Debit payment for your report.
- Transfer securities at the same time you file the holder report. Follow the instructions in (2) below closely to ensure proper delivery.

(1) Submitting Payment

Use one of the following options for submitting payment for unclaimed property to the department:

(a) Making Payment When Filing Report Via My Tax Account

When filing your report online, you will be given the option to enter your payment information prior to submitting the report or you can submit payment separately.

To submit payment along with your report, chose the direct debit tab and check the box to enter payment information. See screen shot below:

The screenshot shows a web application interface for submitting a report. At the top, there is a navigation bar with 'Menu', 'Home', and 'Request'. Below this is a breadcrumb trail: '1. Report Options > 2. Holder Information > 3. Property > 4. Summary > 5. Direct Debit'. The current step is '5. Direct Debit'. Below the breadcrumb trail, there is a section titled 'To remit property by Direct Debit, check the box below. If submitting report only, click Submit'. There is a checkbox labeled 'Note: You must have an active Wisconsin tax account associated with your FEIN for Direct Debit.' which is checked. Below this note are several input fields: 'Payment Date', 'Payment Amount', 'Bank Account Type' (set to 'Checking'), 'Tax ID (FEIN)', 'Routing Number', and 'Account Number'. At the bottom of the form, there are buttons for 'Save', 'Cancel', 'Previous', and 'Submit'.

(b) Submitting Payment Via ACH Debit Separately from Report

To submit payment separately from the report, follow these instructions. This payment method can be used by any holder, even if you used UPEXchange or HRS Pro to prepare report.

- Go to <https://tap.revenue.wi.gov/mta/>
- Select Unclaimed Property as the Pay Type
- Select Return Payment for Payment Type, click “Next”
- Enter the Report Year as the Tax Year
- Enter your FEIN (or SSN, if applicable)
- Enter your Legal Name
- Enter your phone number (optional), click “Next”
- Click the hyperlink “Fill out your payment information here”
- Enter your payment information, and click “Submit” when complete
- Save your confirmation number to refer back to

(c) Paper Check Instructions

If you are unable to submit an electronic payment, send a check payable to:

Wisconsin Department of Revenue
PO Box 8982
Madison, WI 53708-8982

IMPORTANT: In addition to your check, send your printed confirmation page if you filed using [My Tax Account](#). If you filed using another method clearly note in the memo line that the payment is for your unclaimed property holder report.

EX	Executor or Executrix	The person appointed to administer the estate of a person who has died leaving a will which nominates that person.
FB	For Benefit of	A person who is entitled to property that is held by another person (typically a custodian or trustee). FB is typically used in trustee, self-directed, inherited, education and transferred accounts.
GR	Guardian	A person who has been appointed by a judge to take care of a minor child (called a "ward") or incompetent adult personally and/or manage that person's affairs.
HE	Heir	Anyone who receives property of a deceased person either by will or under the laws of descent and distribution. (Explanation: a devisee under a will is also an "heir", even though unrelated to the decedent.)
IN	Insured	The person or entity who will be compensated for loss by an insurer under the terms of a contract called an insurance policy.
JE	Tenants in Entireties	Joint ownership of property or securities by a husband and wife where, upon the death of one, the property goes to the survivor.
JS	Joint Tenant w/Survivor Rights	A type of account which is owned by at least two people, where all tenants have an equal right to the account's assets and are afforded survivorship rights in the event of the death of another account holder. In this type of account, a surviving member will inherit the total value of the other member's share of account assets upon the death of that other member. All members of the account are afforded the power to conduct investment transactions within the account as well.
JT	Joint Tenants	An account held in joint tenancy presumes a right of survivorship, but this presumption can be overcome by evidence that the account was really the property of only one, and the joint tenancy was for convenience. Right of Survivorship is not specifically stated.
OR	(Or) Unspecified Joint	Unspecified joint relationship including 'OR'
OT	Other Relationship	Relationship other than specified in this list. Additional details should be submitted with the property.
PA	Payee	Account is payable on death to an alternate owner. Upon the original owner's death, the beneficiary must supply identification and a copy of the original owner's death certificate.

Relationship		
Code	Description	Definition
PD	Payable on Death	The one named on a check or promissory note to receive payment.
PO	Power of Attorney	A written document signed by a person giving another person the power to act for the signer in designated circumstances and with respect to designated property. Explanation: There are both general powers of attorney which give the authorized party broad discretion and special powers of attorney that are limited in scope.
RE	Remitter	Used primarily on official checks. The Remitter is the person who purchased the official check. This relationship is separate from the Holder who turns the property over to the state.
SO	Sole Owner	Sole Owner is used when there is only a single owner for the property, and that person has all rights to the ownership of the property.
TC	Tenants in Common	A type of account which is owned by at least two people with no rights of survivorship afforded to any of the account holders. In this type of account, a surviving tenant of the account does not necessarily acquire the rights (and account assets) of the deceased person. Rather, each tenant in the account can stipulate in a written will how his/her assets will be distributed upon his/her death. Generally, the member ownership in the account is determined on a pro rata basis, meaning that if there are two tenants in the account, each will have a 50% claim on the account's value.
TE	Trustee	A person or entity who holds the assets (corpus) of a trustee for the benefit of the beneficiaries and manages the trust and its assets under the terms of the trust stated in the Declaration of Trust which created it.
UG	Uniform Gift Minors Act	Property that is gifted to a Minor under the Uniform Gifts to Minors Act – (UGMA). This act allows minors to own property such as securities. Under the UGMA, the ownership of the funds works like it does with any other trust except that the donor must appoint a custodian (the trustee) to look after the account. Regardless of whether the minor has reached the age of majority, use relationship code UG. The custodian on the account must be coded as CU.
UN	Unknown	The owner's relationship to the property is not known.
UT	Uniform Transfer to Minors Act	Property that is gifted to a minor under the Uniform Transfer to Minors Act – (UTMA). This act allows a minor to receive gifts such as money, patents, royalties, real estate and fine art, without the aid of a guardian or trustee. The gift giver or an appointed custodian manages the minor's account until the minor is of age (usually 18 or 21).
