

Instructions for 1998 Form 4C

Who Must File

A corporation engaged in a nonunitary business in and outside Wisconsin must determine the amount of income attributable to Wisconsin by separate accounting. A nonunitary business is one in which the operations in Wisconsin are not dependent upon or contributory to the operations outside Wisconsin.

A unitary business may use separate accounting only with the approval of the department. An application for such approval should set forth in detail the reasons why separate accounting will more clearly reflect the corporation's Wisconsin net income. Mail the application to the Audit Bureau, Wisconsin Department of Revenue, P.O. Box 8906, Madison, WI 53708-8906 before the end of the taxable year for which the use of separate accounting is desired.

Attach Form 4C to Wisconsin Form 4.
