

1 Wisconsin income tax Form 1 instructions

2000

Save time and trouble! File electronically!

- Your refund will be issued in days instead of weeks
- You can have your refund deposited directly in your bank account
- It's fast and accurate
- File your Wisconsin and federal returns at the same time
- Receive confirmation that your return has been received

Just log on to www.dor.state.wi.us or ask your tax preparer to file your tax return electronically.

Details on page 4.

New Tax Cuts are in effect

- **Lower** tax rates. New tax rates range from 4.73% to 6.75%.
- **New** personal exemptions. See page 17.
- **Bigger** married couple credit – up to \$440.
- **Increased** standard deduction, as reflected on page 30.
- *It's back bigger than before:* **School property tax / rent credit** of up to \$300.

Tax Tips

- Assemble the return you file correctly. See page 27 for instructions. Returns can be processed faster when assembled correctly.
- If you are single or retired and have income of less than \$10,000 (\$19,000 if married), don't overlook the **Working Families Tax Credit**. You may qualify for this credit, see page 20.

**Filing Deadline is
Monday, April 16, 2001**

**Need help filing?
See page 5.**

FEDERAL PRIVACY ACT

In compliance with federal law, you are hereby notified that the request for your social security number on the Wisconsin income tax return is made under the authority of Section 71.03(6)(a) of the Wisconsin Statutes. The disclosure of this number on your return is mandatory. It will be used for identification purposes throughout the processing, filing and auditing of your return and the issuance of refund checks.

Where your State tax dollar goes

Here is a rough breakdown of how each of the \$11.3 billion state tax dollars collected between July 1, 1999 and June 30, 2000 were spent.
