INSTRUCTIONS FOR FORM WI-Z

Generally, if you file federal Form 1040EZ or file your federal return using TeleFile, you can file Wisconsin Form WI-Z. However, there are some limitations. Read "Which Form to File for 2001" on page 3 of the Form 1A instructions to see which form is right for you.

Prepare one copy of Form WI-Z for your records and another copy to be filed with the Department of Revenue.

Filling in Your Return Because this form is read by a machine, please print your numbers inside the boxes like this:

9 8 7 6 5 4 3 2 1 . 0 0 Do not use red ink or pencil.

You may round off cents to the nearest dollar. You can drop amounts under 50¢ and increase amounts from 50¢ through 99¢ to the next dollar. For example, \$1.39 becomes \$1 and \$2.69 becomes \$3.

Name and Address If a mailing label with your name is on the front cover, remove the label and place it in the name and address area of the tax return that you file. If your name or address is wrong, correct the label by drawing a line through the incorrect information and printing the correct information clearly on the label. Do not use the label if your name is not on it. However, you may still use the forms in the booklet.

If you did not receive a label, print your name and address in the spaces provided.
