

# Wisconsin Exempt Organization Business Taxes Form 4T Instructions

## ALERT

The legislature did not update the Internal Revenue Code for 2001. Therefore, federal laws enacted during 2000 do not apply for Wisconsin. The Internal Revenue Code as of December 31, 1999 remains in effect for Wisconsin. Some of the federal laws enacted in 2000 which do not apply for Wisconsin include:

- 1) The repeal of foreign sales corporation (FSC) treatment and the exclusion for extraterritorial income.
- 2) The deduction rules and termination date for expensing environmental remediation costs.
- 3) The special rules and termination date for corporate contributions of computer technology and equipment.
- 4) The commercial revitalization deduction and section 179 expensing for qualified expenditures in designated renewal communities.
- 5) The additional section 179 expensing of property in an empowerment zone.
- 6) The reduction in basis of stock received in certain tax-free exchanges by the amount of any liability that is assumed by a controlled corporation in exchange for the stock.
- 7) The special rules for securities futures contracts.
- 8) The Installment Tax Correction Act which retroactively restored the installment method of accounting for accrual method taxpayers.

## New for 2001 . . .

- **“Doing Business” Includes Ownership Interest in Partnership or Limited Liability Company**

For taxable years beginning on or after January 1, 2001, the definition of “doing business” includes owning, directly or indirectly, a general or limited partnership interest in a partnership or an interest in a limited liability company treated as a partnership that does business in Wisconsin regardless of the percentage of ownership. Corporations “doing business” in Wisconsin are required to file franchise or income tax returns.

- **Endangered Resources Donation**

Corporations are allowed to designate any amount of refund due or additional payment for the endangered resources program.

## Important . . .

- **Exempt corporations with federal extensions allowed an extra 30 days to file Wisconsin returns**

If an exempt corporation receives an extension of time to file its federal income tax return, this automatically extends the time for filing the Wisconsin return to 30 days after the federal due date, provided the corporation attaches a copy of that extension to the Wisconsin return filed. See page 2.

- **Indicate type of organization**

Make sure you indicate the type of your organization by checking the appropriate box under item E on page 1 of Form 4T. Failure to do so may result in the incorrect processing of your return.

## For More Information . . .

- **Visit the Department of Revenue’s Internet web site at [www.dor.state.wi.us](http://www.dor.state.wi.us)**

At this site you may obtain additional information about the Department of Revenue and answers to the most frequently asked questions. You may also download or request tax forms and publications.

- **Subscribe to the Department of Revenue’s publications**

The **Wisconsin Tax Bulletin** is a quarterly newsletter that provides information about new Wisconsin tax laws, court decisions, and interpretations of law. Subscriptions cost \$7 per year.

The **Topical and Court Case Index** gives references to Wisconsin statutes, administrative rules, **Wisconsin Tax Bulletin** tax releases and private letter rulings, publications, and court decisions. The index is published in December, with an addendum provided in May. The annual cost is \$18, plus sales tax.

To order the bulletin or index, send a check made payable to “Document Sales” to the Wisconsin Department of Administration, P.O. Box 7840, Madison, WI 53707-7840.

## Don’t Forget . . .

- **Use the preprinted label**
- **Fill in your federal employer ID number**

- **Sign the return**

## Purpose of Form

Tax-exempt organizations and certain individual retirement arrangements (IRAs) or Medical Savings Accounts (MSAs) use Form 4T to report their unrelated business taxable income; to compute their Wisconsin franchise or income tax liability; and to figure their recycling surcharge.

## Who Must File

- Organizations exempt from Wisconsin income taxation under sec. 71.26(1)(a) or 71.45(1), Wis. Stats., that have at least \$1,000 of gross income from an unrelated trade or business for federal income tax purposes, must file federal Form 990-T, and do business in Wisconsin.
- Organizations exempt from Wisconsin income taxation under sec. 71.26(1)(a) or 71.45(1), Wis. Stats., that are the sole owner of an LLC which is disregarded as a separate entity, have at least \$1,000 of gross income from an unrelated trade or business for federal income tax purposes, must file federal Form 990-T, and do business in Wisconsin.
- Trusts exempt from federal income tax under Internal Revenue Code (IRC) section 501(a) that have at least \$1,000 of gross income from an unrelated trade or business for federal income tax purposes, must file federal Form 990-T, and have income from Wisconsin sources, such as business transacted or property located in Wisconsin.
- IRAs and MSAs described in IRC sections 408(a) and 220(d) that have at least \$1,000 of gross income from an unrelated trade or business for federal income tax purposes, must file federal Form 990-T, and have income from Wisconsin sources, such as business transacted or property located in Wisconsin.

“Gross income” of a manufacturing, merchandising, or mining business is the total receipts or sales, less the cost of goods sold, plus the gross income from other sources that is includable in unrelated business taxable income.

## Who Is Not Required to File

- Exempt organizations that aren't subject to tax on unrelated business taxable income under IRC section 511 and aren't required to file federal Form 990-T.
- Employee benefit plans established by an employer engaged in or affecting interstate commerce or by an employee organization that represents employees engaged in or affecting interstate commerce. This exception doesn't apply to government plans, church plans not electing under the vesting, etc., provisions, worker's compensation plans, non-U.S. plans primarily for nonresident aliens, and “excess benefit plans.”
- The State of Wisconsin, including the University of Wisconsin System, or any county, village, school district, or other political unit of the State of Wisconsin.
- Credit unions.

## Recycling Surcharge

The recycling surcharge applies to corporations and trusts with gross receipts from all unrelated trade or business activities of \$4 million or more in a taxable year beginning on or after January 1, 2000. Corporations and trusts that must file Wisconsin franchise or income tax returns must pay the recycling surcharge, with certain exceptions.

The surcharge doesn't apply to:

- Corporations that have less than \$4,000,000 of gross receipts from all unrelated trade or business activities for federal income tax purposes.
- Trusts with less than \$4,000,000 of gross receipts from all unrelated trade or business activities for federal income tax purposes.  
 “Gross receipts from all unrelated trade or business activities” includes gross receipts, gross sales, gross dividends, gross interest income, gross rents, gross royalties, the gross sales price from the disposition of capital and business assets, gross receipts passed through from other entities, and all other receipts that are included in unrelated business taxable income for federal income tax purposes (refer to section 2.32(2)(b) and (f), Wis. Adm. Code for further information).
- Trusts and IRAs whose entire unrelated business taxable income was passed through from partnerships, provided the partnerships paid any recycling surcharge due on the income.

For more information, see Publication 400, *Wisconsin's Recycling Surcharge*, which may be obtained from any Department of Revenue office.

### Period Covered by Return

The return must cover the same period as the exempt organization's federal business income tax return, Form 990-T. A 2001 Wisconsin return must be filed by an exempt organization for calendar year 2001 or a fiscal year that begins in 2001. A fiscal year may end only on the last day of a month. The period covered by the return can't exceed 12 months.

However, exempt organizations reporting on a 52 to 53 week period for federal tax purposes must file on the same reporting period for Wisconsin. The Department of Revenue will consider the reporting period as ending on the last day of the month closest to the end of the 52 to 53 week period for purposes of due dates, extensions, and assessments of interest and penalties.

### Change in Accounting Period

Any change in accounting period made for federal purposes must also be made for Wisconsin purposes. Attach to the Wisconsin return, for the first taxable year for which the change applies, a copy of the Internal Revenue Service's notice of approval of accounting period change if the IRS's approval is required or an explanation of the change if the IRS's approval isn't required.

### Accounting Methods

In computing unrelated business taxable income, the method of accounting must be the same method used in computing federal unrelated business taxable income. However, if the method used for federal purposes isn't authorized under the Internal Revenue Code in effect for Wisconsin purposes, use a method authorized under the Internal Revenue Code in effect for Wisconsin.

### Change in Accounting Method

A change in accounting method made for federal purposes must also be made for Wisconsin purposes, unless the change isn't authorized under the Internal Revenue Code in effect for Wisconsin. Adjustments required federally as a result of a change made while an exempt corporation is subject to Wisconsin taxation must also be made for Wisconsin purposes, except in the last year that an exempt corporation is subject to taxation by Wisconsin it must take into account all remaining adjustments required.

Attach to the Wisconsin return, for the first taxable year for which the change applies, either a copy of the application for change in accounting method filed with the Internal Revenue Service and a copy of the IRS's consent if the IRS's approval is required or an explanation of the change if the IRS's approval isn't required.

### Elections

As explained above, an exempt corporation can't make different elections for federal and Wisconsin purposes with respect to accounting periods and accounting methods, unless the federal method isn't permitted under the Internal Revenue Code in effect for Wisconsin. In situations where an exempt organization has an option under the Internal Revenue Code and the IRS doesn't consider that option to be a method of accounting, a different election may be made for Wisconsin than that made for federal purposes. If federal law specifies the manner or time period in which an election must be made, those requirements also apply for Wisconsin purposes.

If a different election is made, an adjustment(s) is required on the Wisconsin return to account for the difference. Exempt organizations taxable as trusts enter such adjustments on Schedule V and/or Schedule W. Exempt organizations taxable as corporations should account for such differences on Form 4T, line 1.

### When to File

Generally, an exempt organization must file Form 4T by the 15th day of the 5th month following the close of its taxable year. However, an employee's trust defined in IRC section 401(a), an IRA, and an MSA must file Form 4T by the 15th day of the 4th month following the close of the taxable year. If a return is filed late, without an extension, the exempt organization may be subject to penalties and interest.

**Caution:** The due date for paying franchise or income tax and the recycling surcharge is explained below.

### Extension of Time to File

If you are requesting an extension of time to file your federal income tax return, the following treatment applies:

- For exempt organizations taxable as corporations, any extension allowed by the Internal Revenue Service for filing the federal return automatically extends the Wisconsin due date to 30 days after the federal extended due date. *You don't need to submit either a copy of the federal extension or an application for a Wisconsin extension to the department by the original due date of your return.* However, you must attach a copy of the federal extension to the Wisconsin return that you file.
- For exempt organizations taxable as trusts, any extension allowed by the Internal Revenue Service for filing the federal return automatically extends the Wisconsin due date to the federal due date. You must attach a copy of the federal extension to the Wisconsin return that you file.

If you aren't requesting a federal extension, but you need additional time for Wisconsin, you may obtain a Wisconsin extension as follows:

- Exempt organizations taxable as corporations may request a 30-day extension by submitting Wisconsin Form IC-830, Application for Extension of Time to File, to the department on or before the original due date of the return.
- Exempt organizations taxable as trusts may obtain an extension allowable under federal law by (1) estimating their 2001 Wisconsin tax and paying the amount they will owe by the unextended due date of their return, and (2) attaching to Form 4T a completed copy of the appropriate federal extension application form or a statement explaining which federal extension provision is being used.

### Where to File

Mail Form 4T to the Wisconsin Department of Revenue, P.O. Box 8908, Madison, WI 53708-8908. **Exception:** Send amended returns to P.O. Box 8991, Madison, WI 53708-8991.

### When to Pay Franchise or Income Tax and Recycling Surcharge

The franchise or income tax and recycling surcharge must be paid by the 15th day of the 5th month (15th day of the 4th month for employees' trusts, IRAs, and MSAs) following the close of the taxable period, regardless of the due date of the return. Exempt organizations may be required to make quarterly estimated payments to prepay their franchise or income tax and recycling surcharge.

An extension for filing the return doesn't extend the time to pay the franchise or income tax and recycling surcharge. Interest will be charged on the tax and surcharge not paid by the original due date. You can avoid interest charges during the extension period by paying the tax and surcharge due by the original due date. Submit your payment with Wisconsin Form 4-ES, Corporation Estimated Tax Voucher.

During the extension period, 12% annual interest generally applies to the unpaid tax and surcharge. However, if the sum of the net tax and surcharge shown on the return is \$500 or more, 12% annual interest applies only to 10% of the net tax and surcharge. Interest of 18% per year applies to the remainder of the unpaid tax and surcharge. See Form 4U, Part II.

### Payment of Estimated Franchise or Income Tax and Recycling Surcharge

Exempt organizations whose franchise or income tax due (including the recycling surcharge) is \$500 or more, generally must make quarterly estimated tax payments using Wisconsin Form 4-ES. Failure to make required estimated tax payments may result in an interest charge.

An exempt organization that overpaid its estimated tax may apply for a refund *before* filing its tax return if its overpayment is (1) at least 10% of the expected Wisconsin tax liability and (2) at least \$500. To apply, file Wisconsin Form 4466W, Corporation Application for Quick Refund of Overpayment of Estimated Tax, after the end of the taxable year and before the exempt organization files its tax return. **Do not** file Form 4466W at the same time as your tax return.

An exempt organization that has a tax due when filing its tax return as a result of receiving a "quick refund" will be charged 12% annual interest on the amount of unpaid tax from the date the refund is issued to the earlier of the 15th day of the 5th month (15th day of the 4th month for employees' trusts, IRAs, and MSAs) following the close of the taxable year or the date the tax liability is paid. Any tax that remains unpaid after the unextended due date of the tax return continues to be subject to 18% or 12% annual interest, as appropriate.

### Information Returns That May Be Required

**Form 9b** Report of rents, royalties, and miscellaneous compensation paid to individuals. (Note: You may use federal Forms 1099 instead of Forms 9b. Mail Forms 9b or 1099 to the Wisconsin Department of Revenue, P.O. Box 8908, Madison, WI 53708-8908.)

If you must file federal information returns on magnetic media and you file at least 250 Forms 9b with Wisconsin, you generally must file Forms 9b on magnetic media. For more information, call (608) 267-3327 or write to the Office of Information Systems, Wisconsin Department of Revenue, P.O. Box 8903, Madison, WI 53708-8903.

### Internal Revenue Service Adjustments

If an exempt organization's federal tax return is adjusted by the Internal Revenue Service and such adjustments affect the Wisconsin net tax payable, the amount of a Wisconsin credit, a Wisconsin net operating loss carryforward, or a Wisconsin capital loss carryforward, you must report such adjustments to the Department of Revenue within 90 days after they become final.

Send a copy of the final federal audit reports and any associated amended returns to the Wisconsin Department of Revenue, P.O. Box 8991, Madison, WI 53708-8991. If submitting a federal audit report without an amended return, mail it to the Audit Bureau, Wisconsin Department of Revenue, P.O. Box 8906, Madison, WI 53708-8906. Don't attach these items to the tax return for the current year.

### Amended Returns

File an amended return to correct a tax return as you originally filed it or as it was later adjusted by an amended return, a claim for refund, or an office or field audit. If you file an amended federal return and the changes affect the Wisconsin net tax payable, the amount of a Wisconsin credit, a Wisconsin net operating loss carryforward, or a Wisconsin capital loss carryforward, you must file an amended Wisconsin return with the Department of Revenue within 90 days after filing the amended federal return.

To file an amended Wisconsin return, an exempt organization should use Form 4T, check the "amended return" box on the front of the return and print "AMENDED RETURN" at the top of the form. Attach to the amended return an explanation of the changes made and the reasons for the changes. Show computations in detail. If the change involves an item of income, deduction, or credit that you were required to support with a form or schedule on your original return, attach the corrected form or schedule. Also attach a worksheet showing how you figured your additional refund or additional amount owed.

You may file an amended return only after you have filed a complete original return. A claim for refund must be filed within 4 years of the unextended due date of the return. However, a claim for refund to recover all or part of any tax or credit paid as a result of an office or field audit must be filed within two years after such an assessment. That assessment must have been paid and must not have been protested by filing a petition for redetermination.

Send amended returns to the Wisconsin Department of Revenue, P.O. Box 8991, Madison, WI 53708-8991. Don't attach amended returns to the tax return for the current year.

**Line-by-Line Instructions**

---

*You must complete page 1 of Form 4T and make appropriate entries in the schedules on page 2.* (The numbering corresponds with the line numbers on Form 4T, page 1, unless otherwise indicated.)

**Caution:** The Internal Revenue Service hasn't finalized the 2001 federal Form 990-T at the time of this printing. Therefore, federal line numbers referred to on Form 4T and in these instructions may change.

**Rounding Off to Whole Dollars**

Cents may be rounded to the nearest whole dollar by eliminating amounts less than 50 cents and increasing amounts from 50 cents through 99 cents to the next higher dollar.

■ **Period Covered** – File the 2001 return for calendar year 2001 and fiscal years that begin in 2001. For a fiscal year, a 52-53 week period, or a short-period return, fill in the taxable year beginning and ending dates in the taxable year space at the top of the form.

■ **Name and Address** – If you received a mailing label with the exempt organization's name and address, place it in this area. Make any necessary corrections on the label.

If you didn't receive a label, print or type the exempt organization's name and address. Indicate a change in the organization's name or address from that shown on last year's Wisconsin return filed by checking the appropriate box.

■ **A. Federal Employer Identification Number** – Enter the exempt organization's federal employer identification number (EIN). If you haven't yet applied for a federal EIN, you may do so by filing federal Form SS-4 with the Internal Revenue Service. (Exempt organizations reporting federally to the Kansas City Service Center may obtain an EIN by calling (816) 823-7777.)

■ **B. Seller's Permit or Use Tax Number** – Enter the exempt organization's Wisconsin seller's permit, use tax, or consumer's use tax number, if applicable.

■ **C. Wisconsin Employer Identification Number** – Enter the exempt organization's Wisconsin employer identification (withholding) number.

■ **E. Type of Organization** – Check the box that indicates how the organization will be taxed. Failure to check the proper box may result in the incorrect processing of your return.

■ **F. Name of Trustee** – Enter the name of the trustee if the organization is taxable as a trust.

■ **G. State and Year of Incorporation** – Enter the state under whose laws the exempt organization is organized and the year of incorporation (or creation).

■ **H. First Return, Final Return, Short Period – Change in Accounting Period, and Short Period – Stock Purchase or Sale** – If this is the first year that an exempt organization is filing a Wisconsin return because it wasn't in existence or didn't do business in Wisconsin in prior years, check the "First return" box. If the exempt organization ceased to exist or withdrew from Wisconsin during the year, check the "Final return" box. Indicate that a short period return is being filed due to a change in the exempt organization's accounting period or a stock purchase or sale by checking the appropriate box.

■ **I. Amended Return** – If this is an amended return, check the box. Circle the number in front of the line(s) that you are changing and attach a detailed explanation of the changes made, including any supporting form or schedule.

**IMPORTANT** – The Wisconsin unrelated business franchise and income tax law is federalized; that is, based on the federal Internal Revenue Code. Although federal unrelated business taxable income is indicated as the starting point on the Wisconsin return, Wisconsin unrelated business taxable income must be determined by using the Internal Revenue Code as amended to December 31, 1999 with certain exceptions.

Federal law changes enacted after December 31, 1999, generally won't apply for Wisconsin purposes unless subsequently adopted by the Wisconsin Legislature, except for depreciation and amortization as noted below.

For property placed in service in 2001, you may compute depreciation or amortization under the same method as for federal purposes. Otherwise, compute depreciation under the Internal Revenue Code as amended to December 31, 1999.

Note: An asset placed in service prior to January 1, 2001, must continue to be depreciated or amortized under the method allowable for Wisconsin purposes for the year in which it was placed in service.

Adjustments may be necessary to account for differences between amounts reportable for federal and Wisconsin purposes. Exempt organizations taxable as trusts must show these adjustments on Schedule V and/or Schedule W. Exempt organizations taxable as corporations should see the instructions for line 1 below.

**CAUTION:** Exempt organizations taxable as trusts must skip lines 1 through 10 and begin on line 11.

■ **Line 1. Federal Unrelated Business Taxable Income** – Exempt organizations taxable as corporations enter the amount from federal Form 990-T, line 34. This is federal unrelated business taxable income after the net operating loss deduction and special deductions. Addition and subtraction modifications generally aren't made for exempt organizations taxable as corporations.

**Note:** Show losses by putting the amount in parentheses.

**Caution:** If any changes to the Internal Revenue Code enacted after December 31, 1999, (some of which are listed on the front cover page) affect the computation of federal unrelated business taxable income but don't apply for Wisconsin purposes, recompute the amount on Form 990-T, line 34. Enter the recomputed unrelated business taxable income on Form 4T, line 1. Attach a schedule to Form 4T showing your computation.

■ **Lines 2 through 7. Apportionment Data** – If using the apportionment method, complete Wisconsin Form 4B and enter the amounts requested. See the instructions for Form 4B (page 10). If using the separate accounting method, don't complete lines 2 through 6. Instead, see the instructions for Separate Accounting Data (page 13) and enter the Wisconsin unrelated business taxable income on line 7.

**Note:** Exempt organizations whose federal unrelated business taxable income, reported on line 1 of Form 4T, is attributable to

business engaged solely in Wisconsin, do not need to complete lines 2 through 6. Instead, enter the amount reported on line 1, on line 7.

■ **Line 8. Gross Tax** – Enter 7.9% of the Wisconsin unrelated business taxable income reported on line 7.

■ **Line 9. Nonrefundable Credits** – Complete Schedule X on page 2 of Form 4T, and enter the total available credit on Form 4T, line 9.

3. Development zones research credit
4. Research facilities credit
5. Community development finance credit
6. Development zones jobs credit

## Schedule X

---

*Line 1.* **Manufacturer's Sales Tax Credit** – Enter the available manufacturer's sales tax credit.

Exempt corporations that are engaged in manufacturing in Wisconsin as an unrelated trade or business activity may claim a credit for Wisconsin state, county, and baseball and football stadium sales and use tax paid on fuel and electricity consumed in manufacturing tangible personal property.

In addition, an exempt corporation that owns an interest in a pass-through entity, such as a partnership which is engaged in manufacturing in Wisconsin, may claim its share of the entity's manufacturer's sales tax credit computed for the entity's taxable years beginning on or after January 1, 1998. The pass-through credit may be offset only against the tax imposed on the exempt corporation's share of the entity's net income.

Manufacturing has the meaning designated in sec. 77.54(6m), Wis. Stats., which states in part that " 'manufacturing' is the production by machinery of a new article with a different form, use and name from existing materials by a process popularly regarded as manufacturing." The Wisconsin state (and county and baseball and football stadium, if applicable) sales or use tax must have been paid on fuel and electricity purchased for consumption in manufacturing in Wisconsin in the unrelated trade or business activity.

The credit is a nonrefundable credit, but to the extent not offset by the tax liability for the current year, may be offset against the tax liability of the subsequent year and each succeeding year for up to 15 years.

**Line-by-Line Instructions** (continued)

For information on how to compute the credit, obtain the 2001 Wisconsin Form 4 and instructions. Figure the credit as explained in the instructions for Form 4, Schedule Z. However, the amounts that may be used to compute the credit must be from an unrelated trade or business activity. Attach to Form 4T a schedule similar to Form 4, Schedule Z (and Schedule Z-1, if applicable), showing how you computed the credit.

**Line 2.** Research Expense Credit – Complete Wisconsin Schedule R, Wisconsin Research Credits, and enter the credit from Schedule R, line 30.

Exempt corporations that increase qualified research expenses in Wisconsin as part of an unrelated trade or business activity may claim a credit.

**Line 3.** Research Facilities Credit – Complete Schedule R, Wisconsin Research Credits, and enter the credit from Schedule R, line 34.

Exempt corporations that make contributions to the Wisconsin Housing and Economic Development Authority and, in the same year, purchase common stock in the Wisconsin Community Development Finance Company as part of an unrelated trade or business activity may claim a credit.

**Note:** Each of these credits (items 1 through 12) must be included as income in the year computed. This is true whether the entire amount of the credits can be claimed during the taxable year or is carried forward to subsequent years.

For example, Exempt Entity A computes a manufacturer's sales tax credit in March 2002, while preparing its calendar year 2001 Form 4T. Part of the credit computed will be claimed on its 2001 Form 4T and used to reduce its tax liability to zero, while the remaining amount will be carried forward to subsequent years. Exempt Entity A must report as income on its 2001 Form 4T, the entire credit computed in March 2002, even though part of the credit is being carried forward to subsequent years.

**Line 13.** Supplement to Federal Historic Rehabilitation Tax Credit – Complete Wisconsin Schedule HR, Wisconsin Historic Rehabilitation Credits, and enter the credit from Schedule HR, line 7.

Exempt organizations that rehabilitate certified historic structures located in Wisconsin and used for unrelated trade or business purposes may claim a credit.

**Caution:** If any changes to the Internal Revenue Code enacted after December 31, 1999, (some of which are listed on the front cover page) affect the computation of federal unrelated business taxable income but don't apply for Wisconsin purposes, make ad-

justments on Schedule V and/or Schedule W, as appropriate, to account for the differences.

■ **Line 12. Additions** – Federal unrelated business taxable income on Form 4T, line 11, may include items that aren't deductible for Wisconsin tax purposes, or it may not include items that are taxable for Wisconsin tax purposes. Complete Schedule V, page 2, and enter the total.

## Form 4B – Apportionment Data

---

### What Is Apportionment

Under the apportionment method, an exempt organization shows all income and deductions from unrelated trade or business activities for the organization as a whole and then assigns a part to Wisconsin according to a formula that determines Wisconsin unrelated business taxable income.

### Who Must Use Apportionment

An exempt organization engaged in unrelated trade or business activities in and outside Wisconsin is required to report a portion

of its total organization unrelated business taxable income to Wisconsin using the apportionment method if its Wisconsin operations are a part of a unitary business, unless the department gives permission to use separate accounting. To use the apportionment method, an exempt organization must have unrelated trade or business activity sufficient to create nexus in Wisconsin and at least one other state or foreign country.

“Nexus” means that an exempt organization’s unrelated trade or business activity is of such a degree that the state or foreign country has jurisdiction to impose an income tax or franchise tax measured by net income. Under Public Law 86-272, a state can’t impose an income tax or franchise tax based on net income on an exempt organization selling tangible personal property if the exempt organization’s only activity in the state is the solicitation of orders, which orders are approved outside the state and are filled by delivery from a point outside the state.

### What Is a Unitary Business

A unitary business is one that operates as a unit and can’t be segregated into independently operating divisions or branches. The operations are integrated, and each division or branch is dependent upon or contributory to the operation of the business as a whole. It isn’t necessary that each division or branch operating in Wisconsin contribute to the activities of all divisions or branches outside Wisconsin.

### What Is Nonapportionable Unrelated Business Taxable Income

Nonapportionable unrelated business taxable income is that income which is allocable directly to a particular state. It includes income or loss derived from the sale of nonbusiness real or tangible personal property or from rentals and royalties from nonbusiness real or tangible personal property in regard to an unrelated trade or business activity. This income is assigned to the state where the property is located.

Total nonapportionable unrelated business taxable income (loss) is removed from total organization unrelated business taxable income before the apportionment percentage is applied. The Wisconsin nonapportionable unrelated business taxable income (loss) is then combined with the Wisconsin apportionable unrelated business taxable income to arrive at Wisconsin unrelated business taxable income.

### What Is the Apportionment Percentage

For unitary, multistate, exempt organizations, the apportionment percentage is determined by the weighted average of the following three ratios:

1. Wisconsin tangible property to total organization tangible property in regard to unrelated trade or business activities.
2. Wisconsin payroll to total organization payroll in regard to unrelated trade or business activities.
3. Wisconsin sales to total organization sales from unrelated trade or business activities. (This ratio is double-weighted.)

**Line-by-Line Instructions for Form 4B**

**Note:** Enter amounts on Form 4B relating only to the exempt organization's unrelated trade or business activities. "Total company" refers to the unrelated trade or business activities of the entire exempt organization.

■ **Line 1.** Enter all profits and losses from disposals of nonbusiness tangible property in the appropriate column or columns. Such profits and losses are nonapportionable and follow the situs of the property.

■ **Line 2.** Enter rents and royalties received on nonbusiness tangible property in the appropriate column or columns. These are nonapportionable and follow the situs of the property.

■ **Line 3.** Enter any expenses that are directly or indirectly related to rents and royalties reported on line 2. Since such income is nonapportionable, the related expenses are nonapportionable.

■ **Line 5.** Enter the total net nonapportionable unrelated business taxable income or loss for both Wisconsin and the total company. Also, enter on Form 4T, line 2, the total company net nonapportionable unrelated business taxable income. Enter on Form 4T, line 6, the Wisconsin net nonapportionable unrelated business taxable income.

■ **Lines 6 through 13.** Enter the undepreciated original cost of tangible property owned and used in producing apportionable unrelated business taxable income at the beginning and at the end of the taxable year. Group the property into the general categories listed for both Wisconsin and the total company.

Don't include construction in progress, idle property, property used in producing nonapportionable unrelated business taxable income or any other property not used in producing apportionable unrelated business taxable income. Since such property isn't used in the production of apportionable unrelated business taxable income, it isn't includable in the property factor.

**Note:** If any major acquisitions or dispositions occurred within the taxable year, the average monthly balances of property may be used (or required by the department) instead of the average of the beginning and ending balance. In this case, attach a separate schedule showing the calculation rather than completing lines 6 through 13.

■ **Line 14.** Add lines 13a and 13b for Wisconsin property and for total company property, and divide each of these totals by 2. This is the average owned property for Wisconsin and the total company.

■ **Line 15.** Multiply the net annual rental for property used in the production of apportionable unrelated business taxable income by 8 and enter the result. "Net annual rental" is the annual rental paid less any annual rental received from subrentals unless this results in a negative or clearly inaccurate valuation. Net annual rental doesn't include incidental day-to-day expenses such as hotel or motel accommodations, daily rentals of autos, or royalties based on extraction of natural resources.

If the taxable year covers a period of less than 12 months, the net rent paid for the short period must be annualized. However, if the rental term is for less than 12 months, the rent must be adjusted accordingly.

Leases are given the same treatment in computing the property factor as they are in computing unrelated business taxable income. Leases that have been capitalized in computing unrelated business taxable income are included as property owned and used for property factor purposes. All other lease payments are included in the rentals times 8 computation.

■ **Line 16.** Enter the total Wisconsin and total company property. Divide the Wisconsin property by the total company property and enter the percentage.

■ **Line 17.** Enter, for Wisconsin and the total company, the compensation paid to the company's own employees for the performance of personal services. The compensation must be related to the production of apportionable unrelated business taxable income. Compensation related to the operation, maintenance, protection, or supervision of property used in the production of both apportionable and nonapportionable unrelated business taxable income or losses must be prorated, and only the portion related to the production of apportionable unrelated business taxable income is included for Wisconsin and the total company. Compensation includes wages, salaries, commissions, and any other form of remuneration paid to employees.

Compensation is paid in Wisconsin (included in the numerator of the payroll factor) if –

- The individual's service is performed entirely in Wisconsin.
- The individual's service is performed in and outside Wisconsin, but the service performed outside Wisconsin is incidental to the individual's service in Wisconsin.
- A portion of the service is performed in Wisconsin and the base of operations of the individual is in Wisconsin.
- A portion of the service is performed in Wisconsin and, if there is no base of operations, the place from which the individual's service is directed or controlled is in Wisconsin.
- A portion of the service is performed in Wisconsin and neither the base of operations of the individual nor the place from which the service is directed or controlled is in any state in which some part of the service is performed, but the individual's residence is in Wisconsin.
- The individual is neither a resident of nor performs services in Wisconsin but is directed or controlled from an office in Wisconsin and returns to Wisconsin periodically for business purposes and the state in which the individual resides doesn't have jurisdiction to impose franchise or income taxes on the employer.

An individual is considered to be performing a service in Wisconsin during the year if that individual spends any portion of at least 5 days during the exempt organization's taxable year in Wisconsin performing services.

**Line-by-Line Instructions** (continued)

■ **Line 18.** Enter management or service fees paid to a related corporation for the performance of personal services. The fees must be related to the production of apportionable unrelated business taxable income. Payments made to independent contractors aren't includable.

■ **Line 19.** Enter the total Wisconsin and total company payroll. Divide the Wisconsin payroll by the total company payroll and enter the percentage.

■ **Lines 20 through 25.** For purposes of the sales factor, sales include, but aren't limited to, the following items related to the production of unrelated business taxable income:

- Gross receipts from the sale of inventory.
- Gross receipts from the operation of farms, mines, and quarries.
- Gross receipts from the sale of scrap or by-products.
- Gross commissions.
- Gross receipts from personal and other services.
- Gross rents from real property or tangible personal property.
- Interest on trade accounts and trade notes receivable.
- A partner's share of the partnership's gross receipts or a member's share of the limited liability company's gross receipts.
- Gross management fees.
- Gross royalties from income producing activities.
- Gross franchise fees from income producing activities.

"Gross receipts" means gross sales less returns and allowances, plus service charges, freight, carrying charges, or time-price differential charges incidental to the sales. Federal and state excise taxes, including sales and use taxes, are included as part of the receipts if the taxes are passed on to the buyer or included as part of the selling price of the product.

The following items are among those not included for sales factor purposes:

- Gross receipts and gain or loss from the sale of tangible business assets, except receipts from the sale of inventory, scrap, or by-products or from the operation of a farm, mine, or quarry.
- Gross receipts and gain or loss from the sale of nonbusiness real or tangible personal property.
- Gross rents and rental income or loss from real property or tangible personal property if that real property or tangible personal property isn't used in the production of unrelated business taxable income.
- Royalties from nonbusiness real property or nonbusiness tangible personal property.
- Proceeds and gain or loss from the redemption of securities.
- Interest, except interest on trade accounts and trade notes receivable, and dividends.

- Gross receipts and gain or loss from the sale of intangible assets, except inventory.
- Dividends deductible in determining unrelated business taxable income.
- Gross receipts and gain or loss from the sale of securities.
- Proceeds and gain or loss from the sale of receivables.
- Refunds, rebates, and recoveries of amounts previously expended or deducted.
- Foreign exchange gain or loss.
- Royalties and income from passive investments in patents, copyrights, trademarks, trade names, plans, specifications, blueprints, processes, techniques, formulas, designs, layouts, patterns, drawings, manuals, and technical know-how.
- Pari-mutuel wager winnings and purses.
- Other items not includable in apportionable unrelated business taxable income.

Enter on lines 20a and 20b the appropriate Wisconsin destination sales. Gross receipts from the sales of tangible personal property (except sales to the federal government) are Wisconsin sales if the property is delivered or shipped to a purchaser in Wisconsin. Sales of tangible personal property picked up by the purchaser, or the purchaser's agent, at the seller's Wisconsin business location and immediately transported to the purchaser's out-of-state business location aren't Wisconsin sales. However, if the seller doesn't have nexus with the state in which the purchaser's business is located, the sales are "thrown back" to Wisconsin as discussed later. Wisconsin sales include sales of tangible personal property that are picked up by the purchaser, or the purchaser's agent, at the seller's out-of-state business location and immediately transported to the purchaser's Wisconsin business location.

Enter on line 21a sales of tangible personal property delivered to the federal government, including its agencies and instrumentalities, in Wisconsin if the property is shipped from an office, store, warehouse, factory, or other place of storage in Wisconsin. Sales to federal government locations in Wisconsin, which are shipped from an office, store, warehouse, factory, or other place of storage outside Wisconsin, aren't Wisconsin sales.

Enter on line 21b sales of tangible personal property delivered to the federal government, including its agencies and instrumentalities, outside Wisconsin if the property is shipped from an office, store, warehouse, factory, or other place of storage in Wisconsin and the seller doesn't have nexus in the destination state. These sales are included in the numerator of the sales factor at 50%.

Enter on line 21c sales, other than sales to the federal government, that are "thrown back" to Wisconsin. These are sales of tangible personal property shipped from an office, store, warehouse, factory, or other place of storage in Wisconsin to a state in which the seller doesn't have nexus. "Throwback" sales are included in the numerator of the sales factor at 50%.

Enter on line 22 the "double throwback" sales. These are sales, other than sales to the federal government, of tangible personal property by an office in Wisconsin to a purchaser in another state, but not shipped or delivered from Wisconsin, if the taxpayer

doesn't have nexus in (1) the state from which the property is delivered or shipped, or (2) the destination state. "Double throwback" sales are included in the numerator of the sales factor at 50%.

**Note:** For purposes of throwback sales and double throwback sales, "state" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and any territory or possession of the United States. A foreign country isn't a state.

Enter on line 23 the total sales for Wisconsin (sum of lines 20a through 22) and the total company.

Enter on line 24, for both Wisconsin and the total company, gross receipts of apportionable unrelated business taxable income, other than sales of tangible personal property, that are includable in the sales factor.

Gross receipts are attributable to Wisconsin if the income producing activity that gives rise to the receipts is performed in Wisconsin. If the income producing activity is performed partly in and partly outside Wisconsin, assign receipts to Wisconsin based on the ratio of direct costs of performing the services in Wisconsin to the direct costs of performing the services in all states having jurisdiction to tax the business.

■ **Line 26.** Divide the Wisconsin amount on line 25 by the total company amount on line 25 and enter the sales percentage on line 26. Also multiply the percentage by 2, as indicated, and enter the double-weighted sales percentage.

■ **Line 28.** Divide the percentage on line 27 by 4 and enter the resulting percentage here and on Form 4T, line 4.

Don't divide the percentage on line 27 by 4 if a factor has been eliminated. A factor may be eliminated if it isn't employed to any appreciable extent in producing apportionable unrelated business

taxable income. If a factor is omitted, the total must be divided by no more than the number of factors used. If either the property or payroll factor is omitted, divide by 3. If the sales factor is omitted, divide by 2. Don't omit a factor simply because it isn't employed in Wisconsin.

■ **Lines 29 through 33.** Businesses whose incomes are apportioned by special rules of the department must complete these lines. For more information, contact any Department of Revenue office.

## Form 4C – Separate Accounting Data

---

### Who Must Use

An exempt organization engaged in a nonunitary unrelated trade or business in and outside Wisconsin is required to determine the amount of unrelated business taxable income attributable to Wisconsin by separate accounting. A nonunitary business is one in which the operations in Wisconsin aren't dependent upon or contributory to the operations outside Wisconsin.

A unitary business may use separate accounting only with the approval of the department. An application for such approval must set forth, in detail, the reasons why separate accounting will more clearly reflect the exempt organization's Wisconsin unrelated business taxable income. It should be mailed to the Wisconsin Department of Revenue, P.O. Box 8906, Madison, WI 53708-8906 before the end of the taxable year for which the use of separate accounting is desired.

An exempt organization that uses separate accounting must complete a schedule similar to Form 4C showing the unrelated business taxable income attributable to Wisconsin. Form 4C may be obtained from any Department of Revenue office.
