FEDERAL PRIVACY ACT In compliance with federal law, you are hereby notified that the request for your social security number on the Wisconsin income tax return is made under the authority of Section 71.03(6)(a) of the Wisconsin Statutes. The disclosure of this number on your return is mandatory. It will be used for identification purposes throughout the processing, filing, and auditing of your return and the issuance of refund checks.

Who Must File

Refer to the table to see if you must file a return for 2005.

Filing status	Age as of December 31, 2005	You must file if your gross income* (or total gross income of husband and wife) during 2005 was:
Single	Under 65 65 or older	\$9,000 or more \$9,120 or more

*Gross income means all income (before deducting expenses) reportable to Wisconsin. The income may be received in the form of money, property, or services. It does not include items that are exempt from Wisconsin tax. For example, it does not include the portion of social security benefits that is not taxable on your Wisconsin return.

Other Filing Requirements

- You (or your spouse) could be claimed as a dependent on someone else's return and either of the following applies:
 - Your gross income was more than \$800 and it included at least \$251 of unearned income, or

 - \$8,170 if single
 - \$10,550 if head of household

Unearned income includes taxable interest, dividends, capital gain distributions, and taxable scholarship and fellowship grants that were not reported to you on a W-2. Earned income includes wages, tips, and scholarship and fellowship grants that were reported to you on a W-2.

- You owe a penalty on an IRA, retirement plan, Coverdell education savings account, or a medical savings account.
- You were a nonresident or part-year resident of Wisconsin for 2005 and your gross income was \$2,000 or more. If you were married, you must file a return if the combined gross income of you and your spouse was \$2,000 or more. (You must file Form 1NPR.)

67 Million Taxpayers in the U.S. E-filed Last Year. What do they know that you don't?

A quick, easy, smart way to get your taxes where you want them to be – Done!

More than 67 million taxpayers in the U.S. e-filed last year. In Wisconsin alone, over 1.5 million returns were e-filed!

- **Quick** – No more last minute trips to the Post Office – just hit Send! Or tell your preparer “I want the safety and speed of *e-file*.” Did you know that 99% of all e-filers get their state refund within 5 business days and their IRS refund within 10 business days when they use direct deposit? Paper filers frequently have to wait 10-12 weeks for their paper refund check.
- **Easy** – Fill in the blanks and the computer software will lead you step-by-step through the program. It will even take care of all the math!
- **Smart** – The IRS and state provide you with an official acknowledgement that your return was received.
- **Convenient** – You can e-file any time of the day or night. Plus, if you owe money, you can e-file your return and designate any date on or before April 17 for the amount to be automatically withdrawn from your checking or savings account.

Important!

When requesting direct deposit of your refund, please double check your bank routing number and your account numbers to ensure accuracy. Inaccurate information will delay your refund up to 12 weeks.

Ways to e-file:

- **On-line software.** Visit the IRS web site (www.irs.gov) to find a list of approved on-line software providers. Many of the providers will file your federal return for free and if you choose they will instantaneously file your state return for a small fee.
- **Free-File.** Click on the state's Free-File program located at www.dor.state.wi.us to file your state return.
- **TeleFile.** Use your telephone to TeleFile your return. See page 25 of the Form 1A and WI-Z booklet for TeleFile instructions and toll-free TeleFile number.
- **Free tax preparation site.** Visit a free tax preparation site, commonly referred to as VITA or TCE (see page 2B for more information). Many of the sites have e-filing capabilities.
- **Purchase software.** Purchase tax preparation software at your local office supply or electronics store.
- **Tax preparer.** Pay a tax preparation company to prepare and e-file your return.

How to Avoid Losing Part of Your Refund

In 2003, more than 114,000 Wisconsin taxpayers paid an estimated \$28.5 MILLION in Refund Anticipation Loans (RAL) and associated fees. A RAL is not a quick

refund. It is actually a short-term loan with an average annual percentage rate (APR) of 512%.

Before electronic filing, when it would take several weeks to process a paper tax return, a RAL was an attractive, timely option to a family in need of money. But with today's electronic filing, you can receive your refund electronically within 5 days from the state and 10 days from the IRS. All at no cost to you. So keep all your eligible refund and do not become part of an unfortunate statistic.

Here are some tips on how to avoid a RAL:

- **Open a checking or savings account.** If you do not have a checking or savings account, consider opening one so your refund can be electronically deposited. Many banks and/or credit unions will set up a checking or savings account for free.
- **E-file and request direct deposit.** When you e-file, request the IRS and the state to electronically deposit your refund directly into your checking or savings account. It typically takes 10 business days for the IRS and within 5 business days for the state to process and electronically deposit your refund.
- **Visit a free tax preparation site.** Trained volunteers will prepare your tax return for free and many sites will file your return electronically to speed up your refund. For more information read the "Free Tax Preparation Available" article below.

Free Tax Preparation Available (commonly referred to as VITA or TCE)

Make Work Pay! Apply for Wisconsin's Earned Income Tax Credit (EITC)

Wisconsin's Earned Income Tax Credit is extra money for working families.

To claim the Wisconsin EITC, a taxpayer must meet the following qualifications:

- Qualify for the federal EITC
- Have at least one qualifying child
- Be a full-year Wisconsin resident

If you have:

- 1 qualifying child, you are eligible to receive up to \$106 in Wisconsin EITC
- 2 qualifying children, you are eligible to receive up to \$616 in Wisconsin EITC
- 3 or more qualifying children, you are eligible to receive up to \$1892 in Wisconsin EITC

Qualifying child criteria:

The child must meet the relationship, age and residency tests listed in the federal instructions. You need to have worked and have federal adjusted gross income less than:

- \$31,030 (\$33,030 if married filing jointly) if there is one qualifying child
- \$35,263 (\$37,263 if married filing jointly) if there is more than one qualifying child

For more information on the Wisconsin EITC, refer to Form 1 or 1A & WI-Z tax booklet, or call (608) 266-2772.

Looking For a Way to Lower Your Rent or Property Taxes?

If your total household income was less than \$24,500 for 2005, you may be eligible to claim the Homestead Credit if all the following qualifications are met:

- A legal resident of Wisconsin for all of 2005, from January 1 through December 31
- Be 18 years of age or older on December 31, 2005
- Not claimed as a dependent on someone else's 2005 federal income tax return (Note: This limitation does not apply if you were 62 years of age or over on December 31, 2005)
- Your household income must have been less than \$24,500 for 2005
- You must have been the owner or renter of your Wisconsin homestead during 2005

Applying for the Homestead Credit is now easier! A majority of Homestead applicants are able to use the simplified, one page, H-EZ form. Plus, the H-EZ and the regular Homestead form can be e-filed!

To find out more, pick up the Schedules H and H-EZ booklet, or call (608) 266-8641.

When to File / Extension of Time to File

Your return is due April 17, 2006. If you cannot file on time, you can get an extension. You may use any federal extension provision for Wisconsin, even if you are filing your federal return by April 17.

How to Get an Extension You do **not** need to submit a request for an extension to the department prior to the time you file your Wisconsin return. When you file your Form 1A or WI-Z, attach either:

- a copy of your federal extension application (for example, Form 4868) or

- a statement indicating which federal extension provision you want to apply for Wisconsin (for example, the federal automatic 6-month extension provision).

Note You will owe interest on any tax that you have not paid by April 17, 2006. This applies even though you may have an extension of time to file. If you do not file your return by April 17, 2006, or during an extension period, you are subject to additional interest and penalties. If you expect to owe tax with your return, you can avoid the 1% per month interest charge during the extension period by paying the tax by April 17, 2006. Submit the payment with a 2005 Wisconsin Form 1-ES. You can get this form at any Department of Revenue office. (**Exception** You will not be charged interest during an extension period if (1) you served in support of Operation Iraqi Freedom in the United States, or (2) you qualify for a federal extension because of service in a combat zone due to your participation in Operation Iraqi Freedom. Write "Operation Iraqi Freedom" on the top of the first page of your return.)

Form WI-Z

Instructions for Form WI-Z are on the back of the form.

TeleFile

The TeleFile worksheet and instructions are on pages 25-28.

Form 1A

Follow these line instructions to complete your Form 1A. Prepare one copy of Form 1A for your records and another copy to be filed with the department.

 Use **black** ink to complete the copy that you file with the department.

■ Social Security Number

Fill in your social security number. Also fill in your spouse's social security number if married filing a joint return.

Note You must fill in your social security number even if you use the mailing label from the cover of your tax booklet.

■ Name and Address

If your booklet has a mailing label with your name on the front cover, peel off the label. Place it in the name and address area of the tax return you file. If your name or address is wrong, cross out any wrong information and print the correct information clearly on the label. If you are married filing a joint return, check that your spouse's legal name is also on the label and that it is correct. Do not use the label if your name is not on it.

If you do not have a label, print or type your legal name and address. If you are married filing a joint return, fill in your spouse's name (even if your spouse did not have any income).

If you filed a joint return for 2004 and you are filing a joint return for 2005 with the same spouse, be sure to enter your names and social security numbers in the same order as on your 2004 return.

■ Filing Status

Check one of the boxes to indicate your filing status. More than one filing status may apply to you. If it does, choose the one that will give you the lowest tax.

Single You may check the "single" box if **any** of the following was true on December 31, 2005:

- You were never married, or

- You were legally separated under a **final** decree of divorce or separate maintenance, or
- You were widowed before January 1, 2005, and did not remarry in 2005.

Married filing joint return Most married couples will pay less tax if they file a joint return. You may check the "married filing joint return" box if **any** of the following is true:

- You were married as of December 31, 2005, or
- Your spouse died in 2005 and you did not remarry in 2005, or
- Your spouse died in 2006 before filing a 2005 return.

A husband and wife may file a joint return even if only one had income or if they did not live together all year. However, both spouses must sign the return.

Head of household If you qualify to file your federal return as head of household, you may also file as head of household for Wisconsin. Unmarried individuals who paid over half the cost of keeping up a home for a qualifying person (such as a child or parent) can use this filing status. Certain married people who lived apart from their spouse for the last 6 months of 2005 may also be able to use this status.

If you do not have to file a federal return, contact any Department of Revenue office to see if you qualify. If you file your federal return as a qualifying widow(er), you may file your Wisconsin return as head of household.

Note If you are married and your filing status is head of household, you should get Publication 109, *Tax Information for Married Persons Filing Separate Returns and Persons Divorced in 2005*. This publication has information on what income you must report. See page 3 for how to get this publication.

■ State Election Campaign Fund

You may designate \$1 to this fund by checking the box on Form 1A. If you are married, your spouse may also designate \$1. Checking the box will neither change your tax nor reduce your refund.

■ Tax District

Check the proper box and fill in the name of the Wisconsin city, village, or town in which you lived on December 31, 2005. Also fill in the name of the county.

■ School District Number

See the list of school district numbers on page 24. Fill in the number of the school district in which you lived on December 31, 2005.

■ Rounding Off to Whole Dollars

The form has preprinted zeros in the place used to enter cents. All amounts filled in the form should be rounded to the nearest dollar. To do so, drop amounts under 50 cents and increase amounts from 50 cents to 99 cents to the next whole dollar. For example, \$129.39 becomes \$129 and \$236.50 becomes \$237.

Round off all amounts. But if you have to add two or more amounts to figure the amount to fill in on a line, include cents when adding and only round off the total. If completing the form by hand, do not use commas when filling in amounts.

CAUTION All references to federal forms on Forms 1A and WI-Z and instructions are based on drafts of federal forms available as of the date this booklet was sent to the printer. If any line on the final federal form has changed, use the appropriate line on that final form.

■ Line 1 Wages, Salaries, Tips, Etc.

Fill in on line 1 the amount from line 7 of your federal Form 1040A or 1040 or line 1 of Form 1040EZ.

If the amount on line 1 of Form 1A includes taxable scholarship or fellowship income not reported on a W-2, write "SCH" and the amount of that income in the space to the left of line 1.

Exception If you were a member of the Reserves or National Guard and served on active duty, do not include on line 1 any military pay that was included on your W-2 and was:

- Received from the federal government,
- Received after being called into active federal service or into special state service authorized by the federal Department of Defense, and
- Paid to you for a period of time during which you were on active duty.

Caution The subtraction only applies to members of the Reserves or National Guard who are called into active federal service under 10 USC 12302(a) or 10 USC 12304 or into special state service under 32 USC 502(f). However,

Fill in on line 2 the amount from line 8a of your federal Form 1040A or 1040 or line 2 of your Form 1040EZ.

Exceptions

- Interest from state and municipal bonds must be included on line 2. (If you were required for federal purposes to allocate expenses to this income, reduce the amount to be filled in by such expenses.)

■ **Line 3 Ordinary Dividends**

Fill in on line 3 the amount from line 9a of your federal Form 1040A or 1040.

■ **Line 4 Capital Gain Distributions**

Fill in 40% of the capital gain distribution that you reported on line 10 of federal Form 1040A or line 13 of Form 1040. (**Caution** If line 13 of Form 1040 includes a loss or an amount other than a capital gain distribution, you may not file Form 1A. You must file Form 1.)

■ **Line 5 Unemployment Compensation**

If you received unemployment compensation in 2005, you may have to pay tax on some or all of it. To see if any of the unemployment compensation paid to you is taxable, fill in the Unemployment Compensation Worksheet at left.

Line 6 Taxable IRA Distributions, Pensions and Annuities, and Social Security Benefits

Fill in on line 6 the total of your taxable IRA distributions, pensions and annuities, and social security. Use the Retirement Benefit Worksheet on the top of this page to determine the amount to fill in.

Nontaxable retirement benefits The following retirement benefits are not taxable for Wisconsin:

- Up to 85% of social security benefits may be taxable on a federal return. Wisconsin does not tax any more than 50% of such benefits. If you had social security benefits that were taxable on your federal return, refer to your federal Social Security Benefits Worksheet. This worksheet is in the Form 1040A or Form 1040 instructions. Is line 7 of your worksheet more than \$34,000 (\$44,000 if you are married filing a joint return)? If yes, you should fill in the Wisconsin Social Security Benefits Worksheet below. You can use this worksheet to see if any of the social security benefits that were taxable on your federal return are not taxable for Wisconsin.

Note The Wisconsin Social Security Benefits Worksheet refers to lines on the federal Social Security Benefits Worksheet that is in the federal Forms 1040A and 1040 instructions. You may have used one of the other federal worksheets (for example, the worksheet for social security recipients who contribute to an IRA). If so, use the equivalent lines on that worksheet. If you got a lump-sum payment of benefits for prior years, you may have figured the federal taxable social security separately for each year. In this case, contact any department office for information on how to figure the amount that is not taxable for Wisconsin.

- Wisconsin does not tax railroad retirement benefits. Did you include an amount that you received from the U.S. Railroad Retirement Board in your federal income? If yes, fill in such amount on line 5 of the Retirement Benefit Worksheet.

If you included tier 1 railroad retirement benefits (RRB) as part of your taxable social security (SS), use the following formula to figure the amount to fill in.

$$\frac{\text{Tier 1 RRB}}{\text{Total tier 1 RRB and SS}} \times \text{Taxable SS}^* = \text{Nontaxable tier 1 RRB}$$

- (1) The U.S. military retirement system (including payments from the Retired Serviceman's Family Protection Plan).

- Include on line 5 of the Retirement Benefit Worksheet any payments received from the retirement systems listed below provided:

- (1) You were retired from the system before January 1, 1964, OR
- (2) You were a member of the system as of December 31, 1963, retiring at a later date and payments you receive are from an account established before 1964, OR

B. Federal retirement systems

United States Government civilian employee retirement systems. Examples of such retirement systems include the Civil Service Retirement System and the Federal Employees' Retirement System.

Note Do **not** include any of the following as a nontaxable retirement benefit on line 5 of the Retirement Benefit Worksheet:

- Payments received as a result of voluntary tax-sheltered annuity deposits made in any of the retirement systems listed in A or B above.
- Payments received from any of the retirement systems listed in A or B above if you first became a member after December 31, 1963. This applies even though pre-1964 military service may have been counted as creditable service in computing your retirement benefit.
- Payments from the federal Thrift Savings Plan.

CAUTION Your retirement benefits are exempt only if they are based on qualified membership in one of the retirement systems listed in A or B above. Qualified membership is membership that began before January 1964 as explained above. Any portion of your retirement benefit based on membership in other retirement systems (or based on employment that began after December 31, 1963) is taxable.

Example 1 You were a member of the Wisconsin State Teachers Retirement System as of December 31, 1963. You left teaching after 1963 and withdrew the allowable amount from your retirement account. This closed the account. You later returned to teaching. A new retirement account was then established for you. Retirement benefits from this new account (established after 1963) do not qualify for the exemption.

Example 2 You were employed as a teacher from 1960-1965. You were a member of the Wisconsin State Teachers Retirement System during that time. From 1966 until retirement, you were employed by a state agency (not as a teacher). You were then a member of the Wisconsin Retirement System. You receive an annuity from the Department of Employee Trust Funds. The annuity is based on employment in both retirement systems. Only the portion of the annuity that is due to

If you or your spouse were age 65 or older on December 31, 2005, be sure to complete line 2 or 4 of the worksheet and line 16c of Form 1A. If you were born on January 1, 1941, you are considered to be age 65 at the end of 2005.

EXCEPTION A personal exemption is not allowed for a person who can be claimed as a dependent on someone else's return. If you checked the box on line 13, fill in -0- on lines 1 and 2 of the Deduction for Exemption Worksheet. If you are married filing a joint return and your spouse can be claimed as a dependent, fill in -0- on lines 3 and 4 of the worksheet.

■ Line 18 Tax

Use the amount on line 17 to find your tax in the Tax Table on pages 17-22. Fill in the amount of your tax on line 18.

EXCEPTION If the amount on line 17 is \$100,000 or more, use the Tax Computation Worksheet on page 23 to compute your tax.

■ Line 19 Armed Forces Member Credit

The armed forces member credit is available to certain members of the U.S. armed forces. You may claim the credit if you meet all of the following:

- You were on active duty, and
- You received military pay from the federal government in 2005, and
- The military pay was for services performed **while stationed outside the United States**.

Note You may **not** claim the armed forces member credit if you were on active duty as a member of the Reserves or National Guard and you excluded certain military pay from your income. See the Exception

in the line 1 instructions for information on the exclusion.

The credit is equal to the amount of military pay you received for services performed while stationed outside the United States, but not more than \$200. If you are married filing a joint return and both spouses qualify for the credit, each may claim up to \$200.

■ Line 20 Renter's and Homeowner's School Property Tax Credit

You may claim a credit if you paid rent during 2005 for living quarters used as your primary residence **OR** you paid property taxes during 2005 on your home.

You are eligible for a credit whether or not you claim homestead credit on line 35.

Note You may **not** claim the school property tax credit if you (or your spouse) are claiming the veterans and surviving spouses property tax credit.

Special Cases

If You Paid Both Property Taxes and Rent You may claim both the renter's credit and the homeowner's credit. The total combined credits claimed on lines 20a and 20b (lines 8a and 8b on Form WI-Z) cannot be more than \$300 (\$150 if married filing as head of household).

Married Persons Filing a Joint Return Figure your credit by using the rent and property taxes paid by both spouses.

Married Persons Filing as Head of Household Each spouse may claim a credit. Each of you may use only your own property taxes and rent to figure the credit. The maximum credit allowable to each spouse is \$150.

Persons Who Jointly Own a Home or Share Rented Living Quarters When two or more persons (other than husband and wife) jointly own a home or share rented living quarters, each may claim a credit. However, the property taxes and rent paid must be divided between the owners or occupants. See the instructions for lines 20a and 20b.

■ Line 20a (Line 8a on Form WI-Z) How to Figure the Renter's School Property Tax Credit

Step 1 Rent Paid in 2005 Fill in on the appropriate line(s) the total rent that you paid in 2005 for living quarters (1) where

the heat was included in the rent, and (2) where the heat was not included in the rent. These living quarters must have been used as your principal home. Don't include rent paid for housing that is exempt from property taxes (for example, rent for a university dormitory, nonprofit senior housing, or public housing). (Property owned by a public housing authority is considered tax-exempt unless that authority makes payments in place of property taxes to the city or town in which it is located. If you live in public housing, you may wish to ask your manager about this.)

If your rent included food, housekeeping, medical, or other services, reduce your rent paid in 2005 by the value of these items. If you shared living quarters with one or more persons (other than your spouse or dependents), fill in only the portion of the rent that you paid in 2005.

For example, if you and two other persons rented an apartment and paid a total rent of \$3,000 in 2005, and you each paid \$1,000 of the rent, each could claim a credit based on \$1,000 of rent.

Step 2 Refer to the Renter's School Property Tax Credit Table on page 9 to figure your credit. If heat was included in your rent, use Column 1 of the table. If heat was not included in your rent, use Column 2. Fill in your credit on line 20a (line 8a on Form WI-Z).

Exception If you paid both rent where heat was included and rent where heat was not included, complete the worksheet below.

Renter's Worksheet

(Complete only if Exception described above applies)

1. Credit for rent with heat included (from Col. 1 of Table on page 9) 1. _____

3. Add lines 1 and 2. Fill in on line 20a of Form 1A (line 8a of Form WI-Z)* 3. _____

* Do not fill in more than \$300 (\$150 if married filing as head of household).

How to Figure the Homeowner's
School Property Tax Credit**

Step 1 Property Taxes Paid on Home in 2005 Fill in the amount of property taxes that you *paid* in 2005 on your home. Do **not** include:

- Charges for special assessments, delinquent interest, or services that may be included on your tax bill (such as trash removal, recycling fee, or a water bill).

- Property taxes paid on property that is not your primary residence (such as a cottage or vacant land).
- Property taxes that you paid in any year other than 2005.

Property taxes are further limited as follows:

- If you bought or sold your home during 2005, the property taxes of the seller and buyer are the taxes set forth for each in the closing agreement made at

the sale or purchase. If the closing agreement does not divide the property taxes between the seller and buyer, divide them on the basis of the number of months each owned the home.

- If you owned a mobile home during 2005, property taxes include the parking permit fees paid to your municipality and/or the personal property taxes paid on your mobile home. Payments for space rental should be filled in as rent on line 20a (line 8a on Form WI-Z).

Exception You may not claim the working families tax credit if you may be claimed as a dependent on another person's (for example, your parent's) income tax return.

Single or Head of Household

- If the amount on line 12 of Form 1A (line 1 of Form WI-Z) is \$9,000 or less, your working families tax credit is equal to your tax. Fill in the amount from line 18 of Form 1A (line 7 of Form WI-Z) on line 21 of Form 1A (line 9 of Form WI-Z).
- If the amount on line 12 of Form 1A (line 1 of Form WI-Z) is more than \$9,000 but less than \$10,000, use the worksheet below to compute your working families tax credit.

For example, if you and another person (not your spouse) jointly owned a home on which taxes of \$1,500 were paid, each of you would claim a credit based on \$750 of taxes.

Step 2 Use the Homeowner's School Property Tax Credit Table on the top of this page to figure your credit. Fill in the amount of your credit on line 20b (line 8b on Form WI-Z).

Caution If you also claimed the renter's credit on line 20a (line 8a on Form WI-Z), the total of your renter's and homeowner's credits may not be more than \$300 (\$150 if married filing as head of household).

■ **Line 22 Married Couple Credit**

You may be able to claim the married couple credit if:

- You are married filing a joint return, and
- You and your spouse are both employed.

Fill in the schedule on page 2 of Form 1A to figure your credit. Each spouse must list his or her earned income separately in column (A) or (B) of the schedule. "Earned income" includes *taxable* wages, salaries, tips, disability income treated as wages, scholarships or fellowships (only amounts reported on a W-2), and other employee compensation.

Earned income does *not* include interest, dividends, unemployment compensation, IRA distributions, deferred compensation, social security, pensions, annuities, or income that is not taxable to Wisconsin. Do not consider marital property laws, marital property agreements, or unilateral statements in figuring each spouse's earned income.

Caution Earned income is generally the amount shown on line 1 of Form 1A. However, the following items that may be included on line 1 of Form 1A cannot be used in computing the credit:

- Deferred compensation
- Scholarship and fellowship income not reported on a W-2.

Fill in the amount of your credit from line 6 of the schedule on line 22 of Form 1A. The maximum credit allowable is \$480.

■ **Line 26 (Line 13 on Form WI-Z) Sales and Use Tax Due on Out-of-State Purchases**

Did you make any taxable purchases from out-of-state firms during 2005 on which sales and use tax was not charged? If yes, you must report Wisconsin sales and use tax on these purchases on line 26 of Form 1A (line 13 on Form WI-Z) if they were stored, used, or consumed in Wisconsin. Taxable purchases include furniture, carpet, clothing, computers, books, CDs, DVDs, cassettes, video tapes, jewelry, coins purchased for more than face value, etc.

Example You purchased \$300 of clothing through a catalog or over the Internet. No sales and use tax was charged. The clothing was delivered in a county with a 5% sales and use tax rate. You owe \$15 Wisconsin tax (\$300 x 5% = \$15) on this purchase.

Complete the worksheet below to determine whether you are liable for Wisconsin sales and use tax.

■ **Line 27 Endangered Resources Donation**

With your gift, the Endangered Resources Program works to protect and manage native plant and animal species, natural communities and other natural features. Through the purchase and protection of 415 State Natural Areas, the Endangered Resources Program leads the way in restoration of populations and habitats of rare and endangered species and promotes appreciation, knowledge and stewardship of endangered resources for present and future generations.

Your donation supports preservation and management of over 200 endangered and threatened Wisconsin plants and animals and our finest remaining examples of prairies, forests and wetlands. All gifts (up to a total of \$364,000) will be matched by state general purpose revenue, which makes your gift twice as important.

Consider a gift of \$25, \$50 or \$75, or choose your own amount to fill in on the Endangered Resources line on your Wisconsin tax form. Your gift will either

On the statement, explain all the payments you and your spouse made for 2005 and the name(s) and social security number(s) under which you made them.

■ Line 34 Earned Income Credit

If you qualify for the federal earned income credit and you have at least one qualifying child, you also qualify for the Wisconsin earned income credit. However, you must have been a resident of Wisconsin for the entire year.

To claim the Wisconsin earned income credit, complete the following steps and fill in the required information in the spaces provided on line 34.

Step 1 Fill in the **number** of children who meet the requirements of a "qualifying child" for purposes of the federal earned income credit (see the instructions for earned income credit in your federal return for definition of a "qualifying child").

CAUTION For federal purposes only your first two qualifying children are counted. For Wisconsin purposes all of your qualifying children are counted.

Step 2 Fill in the **federal earned income credit** from line 41a of federal Form 1040A or line 66a of federal Form 1040.

Step 3 Fill in the percentage rate which applies to you.

Number of qualifying children (see Step 1 above)	Fill in this percentage rate
1	4%
2	14%
3 or more	43%

Step 4 Multiply the amount of your federal credit (Step 2) by the percentage determined in Step 3. Fill in the result on line 34. This is your Wisconsin credit.

Note **Attachment to Your Return** Attach a copy of your federal Schedule EIC to Form 1A. The Schedule EIC requests information for two qualifying children. If you have a third qualifying child, also attach a sheet giving the same information as requested on the Schedule EIC for your third child. Failure to provide this information may delay your refund.

Note If the IRS is computing your federal earned income credit and you want the department to compute your Wisconsin earned income credit for you, fill in the number of qualifying children in the space provided on line 34. Write EIC in the space to the right of line 34. Complete your return through line 36. Attach a copy of your federal return (Form 1040A or Form 1040) to Form 1A.

■ Line 35 Homestead Credit

If you are claiming homestead credit, fill in on line 35 the amount of your credit from line 19 of Schedule H or line 14 of Schedule H-EZ, the homestead credit claim form. Attach your completed Schedule H or H-EZ to Form 1A.

■ Line 36 Eligible Veterans and Surviving Spouses Property Tax Credit

Who May Claim the Credit An eligible unremarried surviving spouse or an eligible veteran may claim the veterans and surviving spouses property tax credit.

An "eligible unremarried surviving spouse" means an unremarried surviving spouse

of one of the following, as verified by the Wisconsin Department of Veterans Affairs:

- An individual who had served on active duty in the U.S. armed forces or in forces incorporated as part of the U.S. armed forces, who was a resident of Wisconsin at the time of entry into active service, and who, while a resident of Wisconsin, died while on active duty.
- An individual who had served on active duty under honorable conditions in the U.S. armed forces or in forces incorporated as part of the U.S. armed forces; who was a resident of Wisconsin at the time of entry into active service; who was at least 65 years of age at the time of his or her death or would have been 65 years of age at the close of the year in which the death occurred; who was a resident of Wisconsin at the time of his or her death; and who had a service-connected disability rating of 100% under 38 USC 1114 or 1134.
- An individual who had served in the National Guard or a reserve component of the U.S. armed forces, who was a resident of Wisconsin at the time of entry into that service, and who, while a resident of Wisconsin, died in the line of duty while on active or inactive duty for training purposes.

“Eligible veteran” means an individual who is at least 65 years of age and who is verified by the Wisconsin Department of Veterans Affairs as meeting all of the following conditions:

- Served on active duty under honorable conditions in the U.S. armed forces or in forces incorporated in the U.S. armed forces.
- Was a resident of Wisconsin at the time of entry into active service.
- Is currently a resident of Wisconsin for purposes of receiving veterans benefits.
- Has a service-connected disability rating of 100% under 38 USC 1114 or 1134.

Computing the Credit The credit is equal to the property taxes paid during the year on the claimant’s principal dwelling in Wisconsin. The credit is based on real and personal property taxes, exclusive of special assessments, delinquent interest, and charges for service. Do not include any property taxes that are properly includable as a trade or business expense.

If the principal dwelling is owned by two or more persons or entities as joint tenants or tenants-in-common, use only that part of property taxes paid that reflects the ownership percentage of the claimant.

Exceptions

- *Married filing a joint return* If property is owned by an eligible veteran and his/her spouse as joint tenants, tenants-in-common, or as marital property, the credit is based on 100% of property taxes paid on the principal dwelling.
- *Married filing a separate return* If property is owned by an eligible veteran and his/her spouse as joint tenants, tenants-in-common, or as marital property, each spouse may claim the credit based on their respective ownership interest in the eligible veteran’s principal dwelling.

If the principal dwelling is sold during the taxable year, the property taxes for the seller and buyer are the amount of the tax prorated to each in the closing agreement pertaining to the sale. If not provided in the closing agreement, the tax is prorated between the seller and buyer in proportion to months of ownership.

If you owned and lived in a mobile home as your principal dwelling, “property taxes” includes monthly mobile home parking permit fees you paid to the municipality.

“Principal dwelling” means any dwelling and the land surrounding it that is reasonably necessary for use of the dwelling as a primary dwelling. It may include a part of a multidwelling or multipurpose building and a part of the land upon which it is built that is used as the primary dwelling.

Other Limitations The credit must be claimed within 4 years of the unextended due date of the return. The credit is not allowed if you, or your spouse, claim the farmland tax relief credit, the school property tax credit, homestead credit, or farmland preservation credit.

Verification of Eligibility for the Credit

Before claiming the credit, you must request verification from the Wisconsin Department of Veterans Affairs indicating that you qualify for the credit. Use Form WDVA 2097 (which you can find in WDVA Brochure B0106) to submit your request, along with a copy of the veteran’s DD Form 214 and Veterans Administration disability award letter and, if applicable, the veteran’s death certificate, a marriage certificate, and a completed copy of Form WDVA 0001 (if the veteran never previously submitted one). The WDVA 0001 and the brochure are available from your county veterans service officer or on the Internet at www.dva.state.wi.us. You may submit these forms and supporting documents to your county veterans service officer or mail them to: Wisconsin

Department of Veterans Affairs, 30 West Mifflin St, PO Box 7843, Madison WI 53707-7843. If you qualify, the Wisconsin Department of Veterans Affairs will send you a verification of your eligibility.

Attachments Attach a copy of your property tax bill and a copy of the verification received from the Wisconsin Department of Veterans Affairs to your return.

■ Line 38 Amount You Overpaid

If line 37 is more than line 31, complete line 38 to determine the amount you overpaid.

Read the line 42 instructions to see if you owe underpayment interest. If you owe underpayment interest and you show an overpayment on line 38, reduce the amount on line 38 by the amount of underpayment interest on line 42.

■ Line 39 Refund

Fill in on line 40 the amount, if any, of the overpayment on line 38 you want applied to your 2006 estimated tax.

■ Line 41 Amount You Owe

If line 37 is less than line 31, complete line 41 to determine the amount you owe.

Note If the amount you owe with your return is \$200 or more, you may also owe what is called “underpayment interest.” This is an interest charge that applies when you have not prepaid enough of your tax through withholding and/or estimated tax payments. Read the line 42 instructions to see if you owe underpayment interest. If you do, include the underpayment interest from line 42 in the amount you fill in on line 41.

You may pay by check, money order, or credit card.

To Pay by Check or Money Order Make your check or money order payable to the Wisconsin Department of Revenue. Write your social security number on your check or money order. Paper clip it to the front of your Form 1A.

To Pay by Credit Card You may use your Visa® Card, MasterCard®, American Express® Card, or Discover® Card. To pay by credit card, call toll free or access by Internet the service provider listed below. A convenience fee of 2.5% (minimum of \$1) will be charged by the service provider based on the amount paid. You will be told what the fee is during the transaction and have the option to continue or cancel the transaction. **If you pay by credit card before filing your return**, enter on page 1 of Form 1A in the bottom left corner the confirmation number you were given at the end of the transaction and the tax amount you charged.

Note If you do not pay your Wisconsin income tax, the department may certify the unpaid amount to the Treasury Offset Program. Under federal law, the U.S. Department of Treasury may reduce, or offset, any federal income tax refunds payable to you by the Internal Revenue Service (IRS) to satisfy unpaid state income tax debts. Unpaid amounts remain eligible for this offset until paid.

■ Line 42 Underpayment Interest

You may owe underpayment interest if the amount of Wisconsin income tax withheld from your wages was less than your tax liability, or if you had income that was not subject to withholding and you did not make timely estimated tax payments. In general, in each quarter of the year you should be paying enough tax through withholding payments and quarterly estimated tax payments to cover the taxes you expect to owe for the tax year. For more information, see “Estimated Tax Payments Required for Next Year” on page 15.

Underpayment interest applies if:

- Line 41 is at least \$200 and it is more than 10% of the tax shown on your return, or
- You did not pay enough estimated tax by any of the due dates. This is true even if you are due a refund.

The “tax shown on your return” is the amount on line 24 minus the amounts on lines 34, 35, and 36.

Exceptions You will not owe underpayment interest if your 2004 tax return was for a tax year of 12 full months (or would have been had you been required to file) AND **either** of the following applies.

1. You had no tax liability for 2004 and you were a Wisconsin resident for all of 2004, or
2. The amounts on lines 32 and 33 on your 2005 return are at least as much as the tax shown on your 2004 return. Your estimated tax payments for 2005 must have been made on time and for the required amount.

The tax shown on your 2004 return is the amount on line 24 of 2004 Form 1A minus the amounts on lines 32 and 33.

If you meet Exception 1 or 2, fill in 0 on line 42, and write “Exception 1” or “Exception 2” to the right of line 42.

Figuring Underpayment Interest

If the **Exceptions** above do not apply, see **Schedule U** to find out if you owe underpayment interest and to figure the amount you owe. In certain situations, you may be able to lower your interest. See the Schedule U instructions.

Fill in the underpayment interest from Schedule U on line 42. Add the amount of the underpayment interest to any tax due and fill in the total on line 41. If you are due a refund, subtract the underpayment interest from the overpayment on line 38. Attach Schedule U to Form 1A.

■ Sign and Date Your Return

Form 1A is not considered a valid return unless you sign it. If you are filing a joint return, your spouse must also sign. Keep a copy of your return for your records.

■ Attachments and Enclosures

- Enclose a copy of each of your withholding statements.
- If you owe an amount, paper clip your payment to the front of Form 1A (unless paying by credit card).
- If you are filing under an extension, see When to File/Extension of Time to File on page 3 for items you must attach.
- If you are claiming the earned income credit, attach a copy of federal Schedule EIC (and information on any third qualifying child) to Form 1A.
- If you claimed homestead credit, staple Schedule H or H-EZ behind Form 1A.

- *Persons divorced after June 20, 1996, who compute a refund* – If your divorce decree apportions any tax liability owed to the department to your former spouse, attach a copy of the decree to your Form 1A (or WI-Z). Write “Divorce decree” at the top of page 1 of your return. This will prevent your refund from being applied against such tax liability.
- *Persons divorced who file a joint return* – If your divorce decree apportions any refund to you or your former spouse, or between you and your former spouse, the department will issue the refund to the person(s) to whom the refund is awarded under the terms of the divorce. Attach a copy of the portion of your divorce decree that relates to the tax refund to your Form 1A (or WI-Z). Write “Divorce decree – apportion refund” at the top of page 1 of your return.
- If you are filing federal Form 8379, Injured Spouse Claim and Allocation, attach a copy to your Form 1A (or WI-Z). Write “Form 8379” at the top of page 1 of your return.

Do not attach a copy of your federal return to Form 1A unless you want the department to compute your earned income credit.

Private Delivery Services You can use certain private delivery services approved by the IRS. The approved private delivery services are listed in the instructions for your federal tax form. Items must be delivered to Wisconsin Department of Revenue, 2135 Rimrock Rd., Madison WI 53713. Private delivery services cannot deliver items to P.O. boxes. The private delivery service can tell you how to get written proof of the mailing date.

Penalties for Not Filing Returns or Filing Incorrect Returns

If you do not file an income tax return which you are required to file, or if you file an incorrect return due to negligence or fraud, penalties and interest may be assessed against you. The interest rate on delinquent taxes is 18% per year. Civil penalties can be as much as 100% of the amount of tax not reported on the return. Criminal penalties for failing to file or filing a false return include a fine up to \$10,000 and imprisonment.

Estimated Tax Payments Required for Next Year?

If your 2006 Wisconsin income tax return will show a tax balance due to the department of \$200 or more, you must either:

- Make estimated tax payments for 2006 in installments beginning April 17, 2006, using Wisconsin Form 1-ES, or
- Increase the amount of income tax withheld from your 2006 pay.

For example, you may have a tax balance due with your return if you have income from which Wisconsin tax is not withheld.

You may be charged interest if required estimated tax payments are not made. For more information, contact our Customer Service and Education Bureau at (608) 266-2772 or any Department of Revenue office.

Wisconsin Homestead Credit

Wisconsin homestead credit provides direct relief to homeowners and renters. You may qualify if you were:

- At least 18 years old on December 31, 2005,
- A Wisconsin resident for all of 2005,
- Not claimed as a dependent on anyone's 2005 tax return (unless you were 62 or older on December 31, 2005),
- Not living in tax-exempt public housing for all of 2005 (**Note** Some exceptions apply to this rule and are explained in the instructions for the homestead credit form),
- Not living in a nursing home and receiving medical assistance (Title XIX) when you file for homestead, and
- Had total household income, including wages, interest, social security, and income from certain other sources, below \$24,500 in 2005.

You may not claim homestead credit if you (or your spouse) claim the veterans and surviving spouses property tax credit.

Use Schedule H or H-EZ to claim homestead credit. See page 3 for how to get Schedule H or H-EZ. These schedules are also available at many libraries.

Internal Revenue Service Adjustments

Did the Internal Revenue Service adjust any of your federal income tax returns? If yes, you may have to notify the Department of Revenue of such adjustments. You must notify the department if the adjustments affect your Wisconsin income, any credit, or tax payable.

The department must be notified within 90 days after the adjustments are final. You must submit a copy of the final federal audit report by either:

- (1) Including it with an amended return (Form 1X) that reflects the federal adjustments, or
- (2) Mailing the copy to: Wisconsin Department of Revenue, Audit Bureau, PO Box 8906, Madison WI 53708-8906.

Amended Returns

If you filed an amended return with the Internal Revenue Service, you generally must also file an amended Wisconsin return within 90 days. You need to file an amended Wisconsin return if the changes affect your Wisconsin income, any credit, or tax payable. Use Form 1X to file an amended Wisconsin return.

Armed Forces Personnel

If you were a Wisconsin resident on the date you entered military service, you remain a Wisconsin resident during your entire military career unless you take positive action to change your legal residence to another state.

For more information, get Publication 104, *Wisconsin Taxation of Military Personnel*. See page 3 for how to get this publication.

Death of a Taxpayer

A return for a taxpayer who died in 2005 should be filed on the same form that would have been used if he or she had lived. Include only the income received by the taxpayer up to the date of death.

If there is no estate to probate, a surviving heir may file the return for the person who died. If there is an estate, the personal representative for the estate must file the return. The person filing the return should sign the return and indicate his or her relationship to the person who died (for example, "surviving heir" or "personal representative").

The person who files the return should write "deceased," the deceased's name, and the date of death in the bottom left corner of page 1 of the return.

If you are a surviving heir and filed a return claiming a refund on behalf of a deceased person and you are unable to cash or deposit the refund check, send the check, along with a completed Form I-804, *Claim for Decedent's Wisconsin Income Tax Refund*, to: Wisconsin Department of Revenue, PO Box 8903, Mail Stop 3-138, Madison WI 53708-8903.

If your spouse died during 2005 and you did not remarry in 2005, you can file a joint return. You can also file a joint return if your spouse died in 2006 before filing a 2005 return. A joint return should show your spouse's 2005 income before death and your income for all of 2005. Also write "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign.

If you are a surviving spouse and filed a joint return with your deceased spouse, any refund check will be issued in both spouses' names. If you are unable to cash or deposit the check, send the check, along with a completed Form I-804, *Claim for Decedent's Wisconsin Income Tax Refund*, to the address indicated above.

If your spouse died before 2005 and you have not remarried, you must file as single or, if you meet the qualifications, as head of household.

Requesting Copies of Your Returns

The Department of Revenue will provide copies of your returns for prior years. The cost is \$5 per return. You must make your request in person or in writing. Please call (608) 266-2890 for further information. You can also get a copy of Form P-521, *Request for Copy of Tax Return(s)*, from our Internet web site.

2005 Tax Table for Forms 1A and WI-Z Filers

Use this Tax Table if your taxable income is less than \$100,000. If \$100,000 or more, use the Tax Computation Worksheet on page 23.

Example: Mr. and Mrs. Smith are filing a joint return. Their taxable income on line 17 of Form 1A is \$28,653. First, they find the \$28,000 heading in the table. Then they find the \$28,600-28,700 income line. Next, they find the column for married filing jointly and read down the column. The amount shown where the income line and the filing status column meet is \$1,597. This is the tax amount they must write on line 18 of their return.

WISCONSIN SCHOOL DISTRICT NUMBER

Appearing below is an alphabetical listing of Wisconsin school districts. Refer to this listing and find the number of the district in which you lived on December 31, 2005. Fill in this number in the name and address area of your return. Failure to include your school district number may delay the processing of your return and any refund due.

The listing is divided into two sections. **SECTION I** lists all districts which operate high schools. **SECTION II** lists those districts which operate schools having only elementary grades.

Your school district will generally be the name of the municipality where the public high school is located which any children at your home would be entitled to attend. However, if such high school is a "union high school," refer to **SECTION II** and find the number of your elementary district.

The listing has the names of the school districts only to help you find your district number. Don't write in the name of your school district or the

name of any specific school. Fill in only your school district's number on the school district line in the name and address area of your return. For example:

1. If you lived in the city of Milwaukee, you will fill in the number 3619 on the school district line.
2. If you lived in the city of Hartford, you would refer to Section II and find the number 2443, which is the number for Jt. No. 1 Hartford elementary district.

The following are other factors to be considered in determining your school district number:

1. If you lived in one school district but worked in another, fill in the district number where you lived.
2. If you were temporarily living away from your permanent home, fill in the district number of your permanent home.

Note If you can't identify your school district, contact your municipal clerk or local school for help.

TeleFile allows you to file your taxes by phone from your home, 7 days a week, 24 hours a day. Refunds will usually be mailed or directly deposited to your bank account within 3-5 business days. (Refunds for returns selected for review or that are adjusted will take longer.) **TeleFile begins January 9, 2006, and ends October 16, 2006.**

You may file by phone if you meet all the requirements listed below.

If you meet the requirements but did not receive a TeleFile booklet in the mail, call us at (608) 264-6886 or send an e-mail to: telefile@dor.state.wi.us to get a personal identification number (PIN).

Who May TeleFile

You can file by phone if:

- Your filing status is single or married filing a joint return and you have no dependents. If married, you must be married to the same spouse as shown on your 2004 return.
- You (and your spouse if married) only had income from the following sources:
 - Wages, salaries, tips
 - Taxable scholarship or fellowship grants
 - Taxable interest income
 - Unemployment compensation

All wages, salaries, tips, and taxable scholarship or fellowship grants must be included in box 1 on your W-2s.

- You (and your spouse if married) do not have more than eight W-2s.
- You (and your spouse if married) were under age 65 on December 31, 2005.
- You (and your spouse if married) were a full-year Wisconsin resident for 2005.
- You do not claim any deductions (for example, a deduction for student loan interest or for military pay received by a member of the Reserves or National Guard).

- You do not claim any Wisconsin credits other than credit for Wisconsin tax withheld from wages, renter's and homeowner's school property tax credit, married couple credit, and the working families tax credit.
- You have use of a touch-tone telephone.

Caution If you choose direct deposit, you may file at any time. If you choose a paper refund check, we must have your correct address. If the mailing label address on the front cover of this booklet is wrong, contact the department at (608) 264-6886 or e-mail us at: telefile@dor.state.wi.us to correct your address before using TeleFile. You must provide your full name, social security number, old address, and new address. If you contact us by e-mail, do not TeleFile your return until after you receive confirmation that the department has changed your address. Filing before confirmation is received will cause any refund to be sent to your old address.

Your refund or the amount you owe will be calculated for you while you file. If you owe money, you can file now and pay by April 17.

How to TeleFile

- Fill in lines A through N on the Worksheet on page 25.
- Call TeleFile using a touch-tone phone. See page 26 for number.
- To STOP the filing of your return at any time, simply hang up. Your return will not be filed unless you confirm at the end of the call that you wish to file.
- TeleFile will tell you the numbers to write on lines O and P.
- When you have finished filing and the department has accepted your information, write down the confirmation number on line Q of your worksheet.
- If you owe an additional amount, submit your payment by April 17, 2006. You may pay by check or credit card. See page 14 if you want to pay by credit card. If you pay by check or money order, submit your payment with the payment voucher (Form TPV) on page 28. Send your payment to the address shown on the payment voucher.
