# Instructions for Form 1CNS

## General Instructions

### Purpose of Form 1CNS

A tax-option (S) corporation having **two or more** qualifying nonresident shareholders uses Form 1CNS to report and pay the Wisconsin income tax owed by those shareholders. In order to file Form 1CNS, the corporation and shareholders must agree to the rules prescribed by the Wisconsin Department of Revenue as set forth below.

The composite return replaces the separate Wisconsin income tax return, Form 1NPR or Form 2, that otherwise would be filed by each of the qualifying and participating nonresident shareholders.

### Filing Requirements for Nonresidents of Wisconsin

Nonresidents of Wisconsin having \$2,000 or more of Wisconsin gross income during 2005 must file a Wisconsin income tax return, Form 1NPR or Form 1CNS. A nonresident who is married has a Wisconsin filing requirement if the combined Wisconsin gross income of both spouses is \$2,000 or more.

Gross income means all income (before deducting expenses) reportable to Wisconsin which is received in the form of money, property, or services. Gross income includes a pro rata share of tax-option (S) corporation gross income (before deducting expenses) as reported on Wisconsin Schedule 5K-1, line 18, column e.

If gross income (or the combined gross income of spouses) is less than \$2,000, a Wisconsin income tax return doesn't have to be filed.

### Filing Requirements for Nonresident Fiduciaries

Nonresident estates or trusts that have \$600 or more of gross income from Wisconsin sources must file a Wisconsin fiduciary return, Form 2 or Form 1CNS. In addition, nonresident trusts that have any Wisconsin taxable income for the year must file a Wisconsin fiduciary return, Form 2 or Form 1CNS.

### Who May Participate in Composite Return

A tax-option (S) corporation that does business in Wisconsin may file Form 1CNS on behalf of its nonresident shareholders who derive no taxable income or deductible loss from Wisconsin other than their pro rata shares of the Wisconsin tax-option (S) corporation income or loss.

### Who May Not Participate in Composite Return

A shareholder may not participate in this composite return in any of the following cases:

- The shareholder is an estate or trust that has distributable income in the current year. This includes qualified Subchapter S trusts (QSSTs) and their beneficiaries.
- The shareholder files his or her individual or fiduciary income tax return on a fiscal year basis.
- The shareholder is a Wisconsin resident during any part of 2005.
- The shareholder derives taxable income from Wisconsin in 2005 other than his or her pro rata share of tax-option (S) corporation income or loss from one corporation.
- The shareholder wishes to claim any deductions or tax credits.

Shareholders who are full-year Wisconsin residents must file Wisconsin Form 1. Part-year resident shareholders, and nonresident shareholders who may not participate in Form 1CNS, must file Wisconsin Form 1NPR to report their own income. Estates and trusts that may not participate in Form 1CNS must file Wisconsin Form 2.

### What Income Is Reportable on Form 1CNS

Report each qualifying and participating shareholder's pro rata share of tax-option (S) corporation income or loss for the corporation's taxable year ending between January 31, 2005, and December 31, 2005, on a 2005 Form 1CNS.

### When to File

Form 1CNS is due April 17, 2006.

### Extensions of Time to File

The following extensions of time to file are available:

- Any extension allowed by the Internal Revenue Service for filing the tax-option (S) corporation's federal return automatically extends the due date of Form 1CNS to 30 days after the federal extended due date, provided a copy of the federal extension is attached to Form 1CNS.

- If the tax-option (S) corporation doesn't apply for a federal extension, but needs additional time to file the Wisconsin return, it may receive a 30-day extension of time to file by submitting Wisconsin Form IC-830, Application for Extension of Time to File, on or before the original due date of the return. Attach a copy of Form IC-830 to Form 1CNS.
- The corporation may receive an extension of time to file Form 1CNS by attaching a statement to Form 1CNS which includes the following information: the federal extension provision being used and the name, address, and signature of each shareholder covered by the extension.
- Extensions to file allowed by the Internal Revenue Service to individual shareholders will also give Wisconsin extensions *to those particular shareholders*, provided a copy of the federal extension is attached to Form 1CNS. Other shareholders who don't have an extension may be subject to late filing fees and delinquent interest if Form 1CNS is filed after April 17, 2006. A separate \$30 late filing fee may be imposed on each shareholder who doesn't have an extension.

### Where to File

Mail Form 1CNS to the Wisconsin Department of Revenue, P.O. Box 8912, Madison, WI 53708-8912.

### Withholding Requirement for Tax-Option (S) Corporations Having Nonresident Shareholders

In general, a tax-option (S) corporation that has one or more nonresident shareholders is required to withhold income or franchise tax on the income allocable to the nonresident shareholders.

A nonresident shareholder includes an individual who is not domiciled in Wisconsin and an estate or a trust that is a nonresident under sec. 71.14(1) to (3m), Wis. Stats. The withholding rate is the highest rate for a single individual under sec. 71.06, Wis. Stats.

**Exceptions:** Withholding is not required on behalf of the following nonresident shareholders:

- A shareholder that is exempt from Wisconsin income or franchise taxation. The tax-option (S) corporation may rely on a written statement from a shareholder explaining why the shareholder is exempt from Wisconsin tax.

- A shareholder with no Wisconsin income other than his, her, or its share of income attributable to Wisconsin, and his, her, or its share of that income is less than \$1,000.

The tax-option (S) corporation uses Form PW-1 to pay the withholding. Form PW-1 is due with payment by the 15th day of the 3rd month following the close of the corporation's taxable year. It must be filed, and payment must be made, by electronic means unless electronic filing and payment presents an undue hardship. See the Form PW-1 instructions for details of the filing procedures.

### Internal Revenue Service Adjustments and Amended Returns

Wisconsin law requires the following information to be provided to the Department of Revenue:

- Adjustments made to a shareholder's federal tax return by the Internal Revenue Service that affect the Wisconsin net tax payable, a Wisconsin net operating loss carryforward, or a Wisconsin capital loss carryforward must be reported within 90 days after they become final.
- Changes made on a shareholder's amended return filed with the Internal Revenue Service that affect the Wisconsin net tax payable, a Wisconsin net operating loss carryforward, or a Wisconsin capital loss carryforward must be reported on an amended Wisconsin return within 90 days after filing the amended federal return.

Either the corporation or the shareholder must report this information as follows:

- The corporation must file an amended Form 1CNS to report federal adjustments or amendments to a shareholder's federal return that affect the amount of the shareholder's income or tax reported on the corporation's original Form 1CNS.

To amend Form 1CNS, file another Form 1CNS clearly marked "AMENDED RETURN" at the top of the form. Attach to the amended return a copy of the final federal audit reports if the amended return is being filed as a result of a federal audit. Otherwise, attach an explanation of the changes made and the reasons for the changes. Send the amended return to the Wisconsin Department of Revenue, P.O. Box 8991, Madison, WI 53708-8991. Don't attach it to the return for the current year.

- The shareholder must file an amended Form 1NPR to report federal adjustments or amendments to the shareholder's federal return that affect Wisconsin items of income, loss, or credit other than the tax-option (S) corporation income or loss reported on Form 1CNS.

To amend Form 1NPR, file a Form 1NPR clearly marked "AMENDED RETURN" at the top of the form. Include any tax-option (S) corporation income or loss previously reported on Form 1CNS. Attach to the amended return a copy of the final federal audit report if the amended return is being filed as a result of a federal audit. Otherwise, attach an explanation of the changes made and the reasons for the changes. If claiming credit for taxes previously paid on your behalf on Form 1CNS, include a statement indicating the corporation's name and federal employer identification number and amount of tax paid. Send the amended return to the Wisconsin Department of Revenue using the address specified in the Form 1NPR instructions.

### **Refunds, Assessments, and Correspondence**

By filing Form 1CNS, the signing corporate officer declares that the tax-option (S) corporation has a power of attorney or other written authorization from each qualifying and participating shareholder to file a composite return. The Department of Revenue will mail refund checks, assessments, and all correspondence to the corporation at the address indicated on Form 1CNS. If an issue cannot be resolved between the corporation and the Department, the corporation must agree to be responsible for the payment of any additional tax due, interest, and penalties, as finally determined. In unusual circumstances, the Department may contact the individual shareholders.

### **Additional Information**

### **Wisconsin Taxation of Tax-Option (S) Corporation Income of Nonresidents of Wisconsin**

All tax-option (S) corporation income earned in Wisconsin is taxable to nonresidents of Wisconsin. If a corporation does business only in Wisconsin, a nonresident's share of its entire net income is taxable by Wisconsin. If a corporation does business in more than one state, the amount attributable to Wisconsin based on apportionment or separate accounting, as appropriate, is taxable. A unitary, multistate corporation generally must determine the amount attributable to Wisconsin using the apportionment method. A nonunitary, multistate corporation must use separate accounting.

Because all tax-option corporation items retain their character as business income or loss, a nonresident shareholder's share, as well as a resident's share, of a tax-option (S) corporation's intangible income, with certain exceptions, is taxable by Wisconsin. Interest on United States government obligations, bonds issued by the government of Puerto Rico, and certain state and local government bonds isn't taxable by Wisconsin.

### **Line-by-Line Instructions**

Complete federal Form 1120S and Wisconsin Form 5S, including all supporting schedules, before starting Form 1CNS. Fill in Schedule 2 of Form 1CNS first; then enter the totals from Schedule 2 on Schedule 1.

## Schedule 2

■ **Columns A through C. Name and Address, Identifying Number, and Pro Rata Share** – Enter the information requested concerning the nonresident shareholders who qualify and are participating in this composite return. Complete names, addresses, and identifying numbers are required. For individuals and estates, enter the social security number in column B. For trusts, enter the federal employer identification number. Attach a separate schedule, if necessary.

**Note:** If both spouses are shareholders and they wish to compute their tax jointly, use only one entry line in Schedule 2. Enter both names on that line in column A, list both social security numbers in column B and ownership interests in column C, and combine their incomes in columns D and E for purposes of determining the tax to enter in column G.

■ **Column D. Shareholder's Share of Wisconsin Tax-Option (S) Corporation Income (Loss)** – Using the amounts entered on Schedule 5K-1, column e, compute each shareholder's Wisconsin net income or loss to enter on Schedule 2, column D.

Show income as a positive number. Show a loss by putting the amount in parentheses.

The net income or loss may not agree with the total of the amounts on Schedule 5K-1, column e, for the following reasons:

- Only those separately stated deductions of the corporation (Schedule 5K-1, lines 11 and 12) that are includable in computing the corporation's net income for Wisconsin purposes and are deductible by the shareholders in computing federal taxable income are allowed as deductions on Form 1CNS. Use the Wisconsin apportionment percentage to allocate allowable deductions to Wisconsin.
- Passive activity losses may be limited as provided in the Internal Revenue Code.
- 60% of the net capital gain realized on assets held more than 1 year is excludable from income.
- The net capital loss deduction is limited to \$500.

If any of these differences apply, attach a schedule to Form 1CNS showing the computation of net income.

If the shareholder is claiming a net operating loss carryforward, attach a schedule showing the computation of the carryforward.

■ **Column E. Federal Adjusted Gross Income** – For each shareholder who is an individual, enter the shareholder's federal adjusted gross income from federal Form 1040 on Schedule 2, column E.

**Note:** If this information is not available, you must compute the shareholder's Wisconsin tax using the alternate method described in the instructions below for Schedule 2, column G.

■ **Column F. Filing Status** – For each shareholder whose federal adjusted gross income was reported in column E, enter the appropriate designation for the shareholder's filing status in 2005: S for single, H for head of household, MFJ for married filing a joint return, and MFS for married filing a separate return.

**Note:** To use the joint return filing status, the shareholder's spouse cannot have any income taxable by Wisconsin other than income or loss from this same tax-option (S) corporation. If both spouses are shareholders and they wish to compute their tax jointly, combine their net incomes for purposes of determining the tax to enter in column G.

**Do not** fill in column F for any shareholder whose tax must be computed under the alternate method.

■ **Column G. Tax** – If the shareholder's federal adjusted gross income has been entered on Schedule 2, column E, figure the tax on the income in column D by using the tax computation worksheet for individuals on page 5. Don't use the tax tables in the Form WI-Z, 1A, or 1 booklets because a standard deduction is built into those tables. No standard deduction or itemized deductions will be allowed for purposes of this composite filing.
