

## Wisconsin Manufacturing Real Estate Return Instructions

2023

**Manufacturing Classification****• Applying for manufacturing classification**

- » If you are applying for manufacturing classification for property tax purposes for the first time, you must complete and submit the *Questionnaire for Potential Manufacturers (Form PA-780)* to the [Wisconsin Department of Revenue \(DOR\) Manufacturing & Utility Bureau District Office](#) in your area on or before March 1, 2023.
- » DOR must determine whether the activity at this property qualifies as manufacturing for property tax purposes before you complete and file an M-R Form
- » For more details, visit [revenue.wi.gov](http://revenue.wi.gov) and search key word "Form PA-780"

**Reporting Requirements**

- » Use the M-R Form to report **only** real estate the DOR classified as manufacturing for property tax purposes, whether owner- or tenant-occupied
- » Under state law (sec. [70.995\(12\)](#), Wis. Stats.), you must file the M-R Form annually with DOR
- » Complete Property Information, Schedules A, Y-R, B and all schedules that best capture changes to your property

**Reminders**

- **Due date – March 1, 2023** – mail your completed return to the Madison [district office](#) and extension request to the district office in your area on or before March 1, 2023. If you mail your extension request, it must be postmarked on or before March 1, 2023.
- Paper-filed M-R Forms **must have** original signatures. The fields under "Preparer" and "Manufact./Owner" **must be** completed with current and accurate information. Faxed or emailed copies will not be accepted.
- **Updates** – sign up for the DOR Electronic Mailing List to receive emails on filing availability, deadlines and updates. Visit [revenue.wi.gov/Pages/HTML/lists.aspx](http://revenue.wi.gov/Pages/HTML/lists.aspx) and check the "Manufacturers" box, enter your email address and click "Subscribe." An email will be sent to your inbox and you will need to confirm the request.

**Extension Requests**

State law grants one filing extension to April 3, 2023. You may file your extension request online through [My Tax Account \(MTA\)](#), or email, first class mail or fax. DOR **must receive** your extension request on or before March 1, 2023. If you mail your extension request, it must be postmarked on or before March 1, 2023. DOR will deny an extension request postmarked after March 1, 2023.

**• Extension request methods:**

- » **Online request** – file an online electronic extension request in MTA from our website. Visit [revenue.wi.gov](http://revenue.wi.gov) and search "E-Filing Manufacturing Forms." Timely filed electronic extensions are immediately acknowledged on screen.
- » **Email, fax or mail** – If you do not electronically file your extension request, you must send your request in writing to the [district office](#) in your area, with the heading "Attn: Extensions." To verify delivery you must choose an email delivery receipt confirmation (sender option), a fax transmission confirmation report, or get a certificate of mailing from your preferred document delivery service.

**• To file an extension request, you must:**

- » Identify each manufacturing real estate account requesting a filing extension by its full state identification number (ex: 76-13-251-R000099999), 9-digit parcel number (ex: 000099999) or Wisconsin taxpayer identification number (ex: 237-xxxxxxxxxx-xxx)
- » If you are filing extension requests for multiple real estate parcels, you must submit the full state identification number of all individual parcels for which you are requesting an extension

**If this real estate parcel was sold you must complete the "Sale Information" worksheet:**

- **Electronically file (e-file)** – select "Record Sale" on your MTA accounts page and answer all the questions
- **Paper file** – complete the [Sale Information](#) form on page 3

[Contact us](#) with questions, comments or suggestions.

Describe financing:

4. Was there any seller financing? Yes No

5. Did sale include multiple parcels? Yes No

6. Relationship of the buyer to seller:

- None, Relative, Business, Tenant, Adjacent owner, Other

Describe relationship:

7. Was a real estate agent involved with the sale? Yes No If yes, provide a copy of the realtor/broker information.

Realtor Information

Realtor information fields: Name, Street address, City, State, Zip, Phone, Unit type, Unit, Email

If you are paper filing, return this page to the district office in your area. See page 2 for office locations.

## General Filing Information

- **Assessment date** – DOR considers the information you provide on this form when establishing the full value of your real estate as of **January 1, 2023**
- When filing your completed M-R Form, you must include required documents, forms and additional information DOR requires to process your return

## Filing Your Return

### • E-file

- » If you sold this real estate, select “Record Sale” on your MTA accounts page and answer all the questions
- » Complete this M-R form with any changes that took place since January 1, 2022
- » Make sure your contact information is accurate (name, firm/title, email, phone, fax). Before submitting, you must agree to items on the confirmation screen.
- » Attachments – when you e-file your M-R Form you must attach required documents, forms and additional information DOR requires to process your return

### • Paper file

- » If you sold this real estate, complete the [Sale Information](#) form on page 3
- » Complete this form with any changes that took place since January 1, 2022
- » You must include the state identification number (ex: 76-13-251-R000099999) and Wisconsin taxpayer identification number (ex: 237-xxxxxxxx-xxx) on the form
- » Since DOR requires an original signature, we do not accept a faxed or emailed copy, or another rendering (in-house version) of this prescribed form, including versions from prior years
- » **Property location** – if you are reporting real estate located in more than one Manufacturing and Utility Bureau District Office, **you must mail a separate return to the Madison district office**
- » For proof you mailed your return and additional documents, we recommend getting a certificate of mailing from your preferred document delivery service

### • DOR considers this return properly and timely filed if:

- » You used the current official M-R Form to file your real estate information
- » Completed M-R Form is received and/or postmarked by March 1, 2023
- » You completed Property Information, Schedule A, Y-R, B and all other appropriate schedules
- » You included attachments/additional documents (supporting the completed schedules) with the return or sent them to the Madison [district office](#)

- **Filing penalty** – state law (sec. [70.995\(12\)\(c\)](#), Wis. Stats.), requires DOR to charge a filing penalty if this return is not filed, filed late or is not complete when filed

### Annual Assessment Calendar for 2023

<b>January 1</b> .....	Assessment date. The assessment is based on the value of your real estate as of this date.
<b>February 15</b> .....	DOR posts manufacturing “notification” roll on the <a href="#">DOR website</a>
<b>March 1</b> .....	Last day to request an extension
<b>March 1</b> .....	M-R Form and appropriate schedules due if you did not request a filing extension
<b>April 3</b> .....	M-R Form due if you timely requested a filing extension
<b>June</b> .....	<ul style="list-style-type: none"> <li>• DOR mails assessment notices. <a href="#">Contact us</a> if you have not received the notice by the end of June.</li> <li>• DOR mails penalty bills (if applicable) at the same time as the assessment notices. Penalty payments are due to DOR within 30 days.</li> <li>• DOR posts the “full-value” manufacturing roll on the <a href="#">DOR website</a></li> </ul>
<b>60 days following assessment notice</b> .....	Appeal period. You and the municipality each have the right to appeal the assessment and/or penalties. You must file your appeal no later than 60 days after the date of the notice. Your appeal is considered timely if the State Board of Assessors receives it with the filing fee by the 60th day; or you send your appeal form by USPS certified mail with the filing fee, and it is postmarked before midnight of the 60th day.
<b>Oct. &amp; Nov.</b> .....	<ul style="list-style-type: none"> <li>• DOR equates the fair market assessment to the same level of assessment as all other property in the municipality</li> <li>• Then DOR posts the “equated” assessment roll to the DOR website so the municipal clerk can prepare and mail the tax bills</li> </ul>
<b>Dec., Jan.</b> .....	Manufacturer pays the tax bill to the local municipal treasurer

## Completing the M-R Form – General

- Complete all appropriate schedules. Review the instructions for each schedule.
- You must file a separate form for every parcel. Do not combine cost or any other information from other parcels on one form.
- Round all reported amounts to the nearest dollar
- Leave all shaded areas blank
- **Questions?** – contact the [district office](#) in your area

## Schedule A – Wisconsin Manufacturing Real Estate Return

### How to Report:

#### Owner and Property Information

- Enter owner's legal name and mailing address. **Note:** If you use a PO Box, make sure to use the correct zip+4 code.
- If the name or address changed from the prior year, check the name/address change box
- Enter your state identification number (ex: 79-03-276-R000099999), Wisconsin taxpayer identification number (ex: 237-xxxxxxxx-xxx) and local parcel number (from your assessment notice or tax bill)
- Enter your federal employer identification number (FEIN). **Note: Do not use a Social Security Number (SSN).** This number will not appear on your printed electronic return.
- Check town, village, or city and enter the municipality, county and street address

#### Questions 1-5

- Answer questions 1-5 to help us identify changes or activity that may require our attention. Each question must be answered yes or no. If you answer "Yes" to a question, complete related fields and/or schedules.
- Attach a note explaining any changes in land size or cost, or provide any information or documentation to assist in updating our records

## Schedule Y-R – Summary of Accounting Records

### Part 1 – Total Real Estate Original Costs From Your Accounting Records

#### Report:

- All real estate costs associated with this parcel
- Building and building components that are exempt under state law (sec. 70.11(27), Wis. Stats.), as manufacturing machinery and specific processing equipment. Report on Line 7 – "Other."

**Include:** All costs as they appear in your accounting records, including construction in progress.

#### Property Type or Account:

- **Land cost** (Line 1) – your original cost of land plus any cumulative costs of land added to this parcel
- **Land improvement cost** (Line 2) – your original cost of land improvements plus any cumulative costs of land improvements added since purchase (ex: parking lot, landscaping, light poles)
- **Building(s) cost** (Line 3) – your original building cost plus any cumulative costs of building additions since purchase
- **Building components cost** (Line 4)
  - » Normally reported assessed as real estate (ex: heating, lighting, plumbing, remodeling, office finish, land improvements) that you capitalized as personal property because of investment tax credit or other consideration
  - » If you capitalized the building components as personal property because of investment tax credit or other considerations, report them as leasehold improvements on the M-P Form, Schedule LI
- **Construction in progress cost (RE only)** (Line 5)
  - » Reported based on percentage of completion (partial or full) as of January 1 – construction in progress must be reported
  - » Real estate only – do not include items of personal property (see M-R Form bottom of page 2)
- **Waste treatment cost (RE only)** (Line 6)
  - » If a change occurred, complete Schedule R-6
  - » Real estate only – do not include items of personal property
- **Other** (Line 7) – your original cost for anything not listed in Lines 1-6
- **Total** (Line 1-7)
- **Land size (Acres or SF)** – your original acres/SF of this parcel

**Part 2 – Classify Items as Real Estate or Personal Property**

- DOR recommends reporting items normally assessed as real estate on the M-R Form. Items include boilers used for heat, building hvac, electrical, plumbing and sprinkler equipment, and dock levelers, central air conditioning, rail siding, elevators, truck scales, etc.
- Do not report as real estate, and instead report as personal property, generally taxable items such as process boilers, transformers, portable air conditioners, tanks/silos, cranes and crane ways, refrigeration equipment, etc. Also report generally exempt items such as machine foundations, process wiring, piping, conveyors, movable office partitions, etc.
- Check the appropriate box for each item and report costs accordingly

**Schedule R-1 – New Construction Including Construction in Progress****Report:**

- All new construction including construction and construction not complete, as of January 1, 2023
- If more than one new building or addition is completed in a year, complete a separate R-1 for each new building or addition

**R-1, Part 1 – New Construction and Construction in Progress****Include:**

- All construction. This includes:
  - » Finishing of prior year construction
  - » Starting and finishing in 2022
  - » Starting and not finishing in 2022
- Provide a building sketch with dimensions, or blueprints showing the relationship of the new structure to existing buildings
- Submit supplemental pages, drawings or photographs to help describe the new construction

**Exclude:** Remodeling to existing buildings. Report remodeling costs on Schedule R-2.

**R-1, Part 2 – New Construction and Construction in Progress Costs**

- Complete Schedule R-1, Part 2 for each R-1, Part 1, submitted. Send DOR the construction contract, and/or billing information.

**Include:** Your expected (or actual, if complete) construction costs.

**Exclude:** Remodeling, demolition, land improvement, and waste treatment costs. Report those costs on Schedule R-2, R-3, R-4 and R-6.

**Contractor: Indicate type of general contractor, provide name of hired contractor****Report Cost for:**

1. **Site preparation** – preparing site for use (ex: clearing, excavating, filling, and grading)
2. **Foundation, basement, and superstructure** – (ex: concrete/masonry work relative to the basement or slab, structural floors, framing, walls, insulation, roof)
3. **Electrical/lighting/power** – lighting, power and electrical systems
4. **Plumbing** – plumbing system
5. **Sprinkler system** – sprinkler fire protection system. Report the cost of a chemical fire protection system on Line 9.
6. **HVAC** – heating, ventilating and air conditioning systems
7. **Finish – partitions; interior finish on floors, walls and ceilings** – interior partitions, and finish to floors, walls and ceilings
8. **Startup costs** – overhead costs not directly associated with any specific building component (ex: architect fees, permits, interest (if capitalized), legal fees)
9. **Other costs** – other building items (ex: elevators, ramps, dock levelers and dock seals mezzanines, exterior facings and chemical fire protection). If you enter a value, you must also enter a thorough description.
10. **Exempt machinery/equipment** – enter the total cost of items that qualify as exempt machinery and equipment (ex: special machine foundations, production power wiring or process piping). Attach an explanation.
11. **Total cost of construction upon completion** – add Lines 1-9, then subtract Line 10 to get the total cost of construction upon completion or the estimated total cost of construction (if not complete as of January 1)
12. **Percent complete** – enter the percentage of construction that is complete as of January 1, based on costs incurred (not based on costs paid)
13. **Total building cost** – multiply Line 11 by Line 12
14. **Important** – deduct costs of construction reported in previous year (Review prior year M-R return)
15. **Net amount** – enter the net amount to be reported this year. This total should also be entered on Schedule B, Line 1, in the “Cost” column and make appropriate entries on Schedule Y-R, Part 1, Col. 3 (Additions), Lines 3-7.
16. **Your estimate** – enter your opinion of the market value of the new construction on Schedule B, Line 1, in the “Value” column. Use the box to explain your opinion of value or attach supporting documentation.

**Schedule R-2 – Remodeling Including Remodeling in Progress**

**Report:** All changes to existing structures on the parcel.

**Include:**

- Remodeling started, partially completed or completed in 2022
- Remodeling expensed rather than capitalized. **Note:** Include any expensed cost in the “Description of Changes” column if cost was **not** capitalized.

**Exclude:** New construction, demolition, land improvement and waste treatment costs. Report those cost on Schedule R-1, R-3, R-4 and R-6.

**For each entry, provide:****• Description of Changes:**

- » Detailed description of the remodeling project and the building where the remodeling took place (see description below)
- » Effect on square footage to the office, plant and warehouse (when applicable)

• **Cost** – enter the actual cost of the remodeling project

• **Estimated Effective Increase in Value** – enter your opinion of the value increase due to the remodeling project

• **Total cost** – sum of the Cost column. Enter on Schedule B, Line 2, “Cost” column and make appropriate entries on Schedule Y-R, Part 1, Col. 3 (Additions) Lines 3-7.

• **Total effective value change** – sum of the Estimated Effective Increase in Value column. Enter this amount on Schedule B, Line 2, “Value” column.

**Example:**

**Description of Changes:** In the office area, we replaced the carpeting and painted the walls and ceiling. We added a lunchroom behind the current office. The new lunchroom has vinyl tile floor, painted concrete block walls and acoustical ceiling. The new lunchroom takes up 800 square feet that previously was production area.

**Cost:** \$70,000 **Estimated Effective Increase in Value:** \$50,000

**Schedule R-3 – Demolitions Including Demolition in Progress**

**Report:** All building or land improvements removed from the parcel by you or an act of nature.

**Include:** Any demolitions you expensed rather than capitalized.

**Exclude:** New construction, remodeling, land improvements and waste treatment. Report those costs on Schedule R-1, R-2, R-4, and R-6.

**For each entry provide:**

• **Description** – describe the demolition or razing of buildings/land improvements. If applicable, include the building name or building number. (ex: “old storage warehouse” or “building 7”)

• **Sq. Ft. Affected** – enter building square footage that was demolished or razed

• **Year Built** – if known, enter original year built of the building/land improvements that were demolished or razed

• **Original Cost** – enter original cost of building/land improvements

• **Cost to Raze** – enter cost to demolish or raze the buildings or improvements

• **Total cost to raze** – sum of the costs to raze. Enter on Schedule B, Line 3, “Cost” column and make appropriate entries on Schedule Y-R, Part 1, Col. 4 (Deletions) Lines 2-7.

• **Total effective value change** – enter your opinion of the change in value due to the demolition. Enter this amount on Schedule B, Line 3, “Value” column.

• If available, provide a sketch indicating which building or section was removed

**Schedule R-4 – Land Improvements Including Construction in Progress**

**Report:** Land improvement additions and costs. If you have “Landscaping” or “Other” improvements, provide a detailed description.

• **Cost** – enter the actual cost of the land improvements

• **Total cost** – sum of the Cost column. Enter on Schedule B, Line 4, “Cost” column and make appropriate entries on Schedule Y-R, Part 1, Col. 3 (Additions), Lines 2-7.

• **Total effective value change** – enter your opinion of the value change due to land improvements. Enter on Schedule B, Line 4, “Value” column.

### Schedule R-5 – Real Estate Lease

**Report:** Complete this schedule if the property is leased. Identify market rentals. **Note:** Real estate leases between related parties are usually not market rentals.

**Related rental examples:** Intercompany leases, corporate or business leases between corporate officers, stockholders or owners of the enterprise.

**Note:** Fill in the schedule completely for each tenant who occupies your property. Add additional pages as needed.

### Schedule R-6 – Waste Treatment Facilities

#### Report:

- Complete this schedule if any part of the land, building(s) or land improvements are used for waste treatment
- All new exemptions or changes to previously exempt property that is retired, replaced, disposed of, moved, sold, or no longer used

#### How to Report:

- Answer questions 1 and 2. If you select “Yes” for either question, you must enter a description in the provided box.
- Attach any documentation that describes/outlines changes or projects
- **Note:**
  - » Under state law (sec. 70.11(21)(am), Wis. Stats.), there is an exemption for property, purchased or constructed as a waste treatment facility
  - » You must report costs associated with items qualifying for the waste treatment exemption on Schedule Y-R, Part 1, Line 6

### Schedule B – Summary of All Real Estate Changes

**Report:** If there are changes, complete this schedule with the costs and values from completed Schedule R-1 through R-4

#### Preparer, Manufacturer/Owner Information

- You must complete preparer **and** owner contact information
- Print the name of the preparer and the owner or person authorized to sign for the business entity
- **Both preparer and owner** must sign the completed return
- Make a copy for your records
- Provide email address and phone number (required)

### Submitting Your Return

#### Electronically

- You must correct all errors to submit your return
- **Submit Return**
  - » After you reviewed your return for accuracy and agreed with the confirmation statements, submit your return
  - » You will see a confirmation screen. Keep the confirmation number for your records.

#### Paper Return

- Only state prescribed forms are accepted. Imposter forms mimicking state prescribed forms will be rejected.
- Check for errors – make sure schedules are complete as possible and that calculations are correct
- M-R Form must have an **original** signature
- When filing your completed M-R Form, you must include required documents, forms, and additional information DOR requires to process your return
- Submit only completed schedules. Do not include unused schedules.
- Mail return – mail your completed original return to the Madison [district office](#)
- For proof you mailed your return and additional documents, we recommend getting a certificate of mailing from your preferred document delivery service
- DOR does not accept faxed, emailed or unsigned forms
