GENERAL INSTRUCTIONS

All applicants must complete Sections A and F. Sections B through E are completed depending on which permit you select. Missing or incomplete information will delay issuing your permit(s). You may copy any of the accompanying forms.

Before you mail your application, verify you have:

- Fully completed the application for each permit requested.
- Enclosed the appropriate fee for each permit. Fees are listed on page 1 of the application. Fees apply to new permits and two-year permit renewals. Only one Business Tax Registration (BTR) fee is required per entity. If you already have a BTR certificate, you do not need another one. Permit fees are not refundable.
- If you are an out-of-state wine direct shipper:
 - Enclosed a copy of your home state winery permit or license and federal basic permit
 - Applied for a Wisconsin seller's permit or use tax registration certificate
 - Appointed an agent if a corporation or limited liability company
- Posted security. Security is a surety bond ([Form A-133](#)) or cash, check, or money order guaranteeing payment of distilled spirits and wine taxes. The security must be twice your maximum monthly estimated Wisconsin distilled spirits and wine tax liability. The security may not be less than \$1,000 or more than \$100,000. Security remains posted with the department while doing business in Wisconsin.
- Enclosed a Salesperson's Permit Application ([Form AB-121](#)) and \$20 Business Tax Registration fee for each agent, salesperson, or other representative who personally solicits orders in Wisconsin.

PERMIT RENEWAL

Your permit must be renewed every two years. The department will send the BTR renewal notice when the permits subject to BTR provisions approach their expiration date. The expiration date varies by taxpayer. The expiration date is often two years from the end of the month you applied for the permit or certificate. The Secretary of Revenue may revoke a permit prior to its renewal date for just cause. Permittees with outstanding fees and/or monthly returns may not renew any permit until all fees are paid and any missing returns filed.

LABEL APPROVAL

No distilled spirit or wine can be shipped into Wisconsin until the federal government has approved the labels that appear on the product container. Do not submit copies of your federal label approval to the Wisconsin Department of Revenue.

RESPONSIBILITIES OF PERMITTEE

If you are issued a permit to ship distilled spirits and/or wine into Wisconsin, you have several statutory obligations you must carry out to retain your permit. These responsibilities follow:

• File Returns

Out-of-state shippers of liquor must file monthly Form AB-130, Wisconsin Distilled Spirits/Wine Tax Return, and schedules, with the department covering all Wisconsin transactions that occurred during the month. Wine direct shippers must file Form AB-130 quarterly. A return must be filed even though no shipments are made into Wisconsin (indicate "No Shipments Made" on Form AB-130). Returns must be filed electronically using My Tax Account (MTA) or XML bulk transfer schema. More information about the electronic filing is at www.revenue.wi.gov/html/liquor.html.

The return and tax owed is due 15 days after the close of the month or quarter.

Brand and Type Listings – Permittees liable for tax on distilled spirits must submit with each monthly return Form AB-132, listing distilled spirits by brand and type, shipped to Wisconsin that month.

Consolidated Returns – If you hold more than one out-of-state shipper's or wine direct shipper's permit, the department requests that you only file one monthly or quarterly return consolidating all liquor transactions. If applicable, complete application question 16, page 3, providing the location from which consolidated return is filed.

• Pay Tax Due

Taxes and fees on distilled spirits and wine are due with the monthly or quarterly return. Tax rates are as follows:

- **Distilled Spirits** – 85.86¢ per liter plus a 2.906¢ per liter administrative fee
- **Wine**
 - 14% or less alcohol by volume (ABV) - 6.605¢ per liter
 - More than 14% (ABV) but less than 21% - 11.89¢ per liter
- **Apple or Pear Cider** – 7% or less (ABV) - 1.71¢ per liter

Returns submitted after the due date are subject to a \$10 late filing fee and a penalty of 5% of the tax due for each month the tax is unpaid (not exceeding 25% of the tax due). Any tax not paid by the due date is subject to interest at the rate of 1.5% per month until paid.

The department may initiate proceedings to revoke your permit for failure to timely file returns and pay tax due.

• Ship Only to Authorized Wisconsin Customers

Out-of-state shipper permit holders may only ship distilled spirits and wine to Wisconsin wholesalers, wineries, and industrial alcohol, wine, and medicinal alcohol permittees authorized by the department to receive such shipments.

Caution: Shipments made to any unauthorized person are subject to confiscation. In addition, permits may be revoked.

- **Recordkeeping**

You must keep adequate records so that the department can verify if your return was properly completed and the correct tax paid. Records must be kept for four years and in a place and manner easily accessible for review by department personnel.

- **Responsible for Salespersons**

All permittees are responsible for the actions of their salespersons, agents, or representatives. Your permit may be in jeopardy if your salesperson, agent, or representative violates Wisconsin distilled spirits and wine laws and regulations.

- **Report Business Changes**

Notify the department immediately (in writing) for the following changes to your business:

A. *Name Change* – Send us:

1. New application (Form AB-123) showing name change. Write “Name Change Only” at the top of the application.
2. A rider from your surety bond company with your new name

B. *Address Change* – To change your permit address, contact the Excise Tax Unit by phone at (608) 266-6701 or email DORExciseTaxpayerAssistance@wisconsin.gov. Wisconsin law imposes a \$10 fee for your first address change during a calendar year. The full permit fee is charged for each additional address change during the same year.

If the address change affects your surety bond, send an updated bond to the department.

If your business moves to a new municipality, or moves more than once during a calendar year, Wisconsin law requires a new permit. You must complete a new application for an out-of-state shipper’s permit and pay the required \$500 supplemental fee and \$20 Business Tax Registration fee.

C. *Ownership Change* – Submit the following:

1. Form AB-123 and fee. Your old permit is not transferable to the new business
2. Form AB-121 and \$20 fee for each salesperson personally soliciting orders in Wisconsin
3. Form A-133 guaranteeing payment to the department of the distilled spirits and wine taxes, if applicable

Examples of ownership changes include:

- Sole proprietorship to partnership or corporation
- Partnership to sole proprietorship or corporation
- Partner added or dropped from partnership if new Federal Identification Number (FEIN) is assigned. Partnerships that add or drop partners without a new FEIN should notify the department in writing of the changes and submit Auxiliary Questionnaires for new partners.
- Sole proprietor death
- Business sold

Changing a corporate officer is not an ownership change. However, you should submit Auxiliary Questionnaires for new officers.

D. *Agent Change* – To change your agent:

1. Contact the Excise Tax Unit at (608) 266-6701 or DORExciseTaxpayerAssistance@wisconsin.gov.
2. Complete [Form AT-201](#) with the new agent information.

E. *Ceased Operations* – You must:

1. Return your permit to the department.
2. Indicate the last day you operated in Wisconsin.
3. File a final monthly return for all transactions during the final month. On your My Tax Account home page, under “I Want To,” select “Close Accounts,” check the appropriate accounts, and fill in the cease date.
