## Extension Request Methods

### 1. Online Request (authorized e-file users)

- a. Using your WAMS ID, login to the M-Forms manufacturing assessment system
- b. Select the "State ID #" associated with the account
- c. On the "Account History" page, click "Request Extension" (Filing History Section)
- d. **Note:** If you are requesting an extension for more than one account, you must request each extension separately. For multiple extension requests, repeat step (b) and step (c) for each individual account you are requesting an extension.

### 2. Email, fax or mail your extension request to the [DOR Manufacturing & Utility Bureau District Office](#) in your area, with the heading "Attn: Extensions." To verify delivery: choose an email delivery receipt confirmation (sender option), a fax transmission confirmation report, or get a USPS certificate of mailing.

**Note:** If you are filing an extension request for multiple accounts, you must submit the full State ID number of all individual accounts for which you are requesting an extension.
