### Section D: Adjustments to Levy Limit

The reported adjustments in this section will increase or decrease your allowable levy limit.

- **Line A** – to use the allowable increase provided in Sec. B, enter an amount less than or equal to Sec. B, Line 5. To qualify for this adjustment:
  - Your governing body must approve by majority vote (for an increase of 0.5% or less); two-thirds majority vote (for an increase more than 0.5% to 1.5%); or three-quarters majority vote (for cities, villages and counties with at least five members approving an increase more than 0.5% to 1.5%)
  - You cannot report an amount on Line A and Line R
- **Line B** – enter the amount of decrease in debt service levy for debt authorized prior to July 1, 2005
- **Line C** – enter the amount of increase in debt service levy for debt authorized prior to July 1, 2005. This is rare.
- **Line D** – enter the levy increase for your municipality’s share of refunded or rescinded taxes certified by DOR under state law (sec. 74.41(5), Wis. Stats.)
• **Line E** – enter the debt service levy for general obligation debt authorized after July 1, 2005. This amount is upcoming scheduled principal and interest payments; only report the amount that needs to be funded by levy.

• **Line F** – enter the levy increase approved by referendum

• **Line G** – enter the levy increase to pay unreimbursed expenses related to an emergency declared by the governor under state law (sec. 323.10, Wis. Stats.). If you report an amount on this line, in Sec. E, Line 3, attach the federal and state reimbursement determinations (ex: WI Project Completion Certification DMA Form P.4, Subgrant Application FEMA Form 90-91 and FEMA Project Worksheet) and a summary of unreimbursed expenses.

• **Line H** – enter the amount of increase or decrease in costs associated with an intergovernmental cooperation agreement created under sec. 66.0301, Wis. Stats. It must be a redistribution of costs in an existing agreement. If you report an amount on this line, in Sec. E, Line 3, attach a copy of the cooperation agreement and detail of the redistribution of costs.

• **Line I** – enter the amount of increase in charges assessed by a joint fire department, organized under state law (sec. 61.65(2)(a)(3), 62.13(2m) or 66.0301(2), Wis. Stats.), and/or joint emergency medical services (EMS) district if it qualifies under sec. 66.0602(3)(h), Wis. Stats. Note: The total charges assessed by the joint fire department or EMS district must be less than or equal to the Consumer Price Index ending August 31 plus 2% and all participating municipalities must adopt a resolution. If you report an amount on this line, in Sec. E, Line 3, attach the signed resolution approving the increase and a summary of the total assessed charges for the prior and current year.

• **Line J** – enter the amount of decrease in tax levy for the transfer of services to another governmental unit. If you report an amount on this line, in Sec. E, Line 3, attach any supporting documentation (ex: agreement, cost breakdown).

• **Line K** – enter the amount of increase in tax levy for the transfer of services from another governmental unit. If you report an amount on this line, in Sec. E, Line 3, attach any supporting documentation (ex: agreement, cost breakdown).

• **Line L** – towns enter the amount of decrease in tax levy for an annexation of land by a city or village. The amount includes the town’s portion of collected property taxes for the annexed parcels. If you report an amount on this line, in Sec. E, Line 3, attach the ordinance or a summary including the effective date and the name of the city or village. This is a one-year adjustment only. Do not report the five years of payments the town will receive from the city or village.

• **Line M** – cities or villages enter the amount of increase in tax levy for an annexation of land from a town. The amount includes the town’s portion of collected property taxes for the annexed parcels. If you report an amount on this line, in Sec. E, Line 3, attach the ordinance or a summary including the effective date and the name of the town.

• **Line N** – enter the levy increase for lease payments for lease revenue bonds issued before July 1, 2005

• **Line O** – enter the amount of levy increase for a shortfall for debt service on revenue bonds issued under sec. 66.0621, Wis. Stats., or special assessment B bonds issued under sec. 66.0713(4), Wis. Stats.

• **Line P** – enter the amount of levy increase for shortfall in general fund due to loss of revenue from the sale of water or other commodity to a manufacturer that has discontinued operations.

• **Line Q** – enter the amount of decrease in tax levy for the adoption of a new fee or fee increase for covered services that were partly or wholly funded by levy in 2013. For each covered service, the adjustment should not exceed the amount funded by levy in 2013, including prior year adjustments. Note: Covered services include garbage collection, fire protection, snow plowing, street sweeping and storm water management.

• **Line R** – to use the allowable increase provided in Sec. C, enter an amount equal to or less than Sec. C, Line 8. To qualify for this adjustment:
  - Your municipality must approve this adjustment by a two-thirds majority vote
  - Your current year outstanding general obligation debt must be less than or equal to your outstanding general obligation debt in the previous year
  - You cannot report an amount on Line A and Line R

• **Line S** – enter an increase of $1,000 for each occupancy permit issued in 2021 for qualifying single-family residential dwellings that are:
  - On a parcel of no more than 0.25 acre in a city or village
On a parcel of no more than 1.0 acre in a town
Sold in 2021 for no more than 80% of the median price of a new residential dwelling in the municipality for 2021
Note: Amounts levied must be used only for police protective services, fire protective services or emergency medical services. If levied, your municipality cannot decrease its spending for these services compared to the prior year.
If you report an amount on this line, in Sec. E, Line 4 attach documentation including a listing of the qualifying dwellings (ex: permit identifier, parcel number, acreage) and the 2021 median price of a new residential dwelling in your municipality

- **Line T** – enter an increase equal to your municipality's utility aid reduction for a decommissioned or closed plant under sec. 79.04(5)(a), Wis. Stats. The increase is limited to the amount of the utility aid reduction, less any prior levy limit increases entered for the decommissioned or closed plant. **Note:** The decommissioned or closed utility aid is phased out (reduced) by 20% each year. Review your municipality's Shared Revenue Revised Estimate for utility aid details.

If in 2021, your municipality received 80% of your utility aid:
- In 2022, you may enter up to 20% as a levy limit increase
- In future years, you can enter up to the amount of the reduction, less any amounts claimed in a prior year
- Your total levy increase would be 80%

- **Line U** – total adjustments reported in this section (sum of Lines A through T)

**Section E: Attachments**
Based on the reported amounts in Sections A – D, you must attach any required documents in this section.
- You may attach the following file types: PDF, TIF, JPG, BMP, DOCX, XLSX, DOC, XLS
- You cannot include special characters (ex: $@&) in file names

**Note:** After you submit this e-file form, print and/or save a copy for your records with the confirmation number. Do not mail or fax another copy to DOR.
