64008 Case 13-1369

The Wisconsin Department of Revenue received a request to share non-manufacturing omitted taxes for omitted taxes listed on your tax roll, from your municipality.

Since the omitted taxes affect your equalized value, you must either share the omitted taxes with each applicable taxing jurisdiction or have an adjustment made to your equalized value accounting for the omitted property. (sec. 74.315 Wis. Stats.)

This letter certifies the amount of omitted taxes you must share with each taxing jurisdiction once the taxes are collected. To review our findings, see the explanation section of enclosed document Request for Sharing of Non-Manufacturing Omitted Taxes (PC-205).
