Dear Clerk,

The Wisconsin Department of Revenue (DOR) is sending you the qualifying factors for the 2018 Expenditure Restraint Program payment. These factors assume your 2016 municipal TID out property tax rate will be greater than five mills.

To qualify for a payment, your municipality's net general fund budget increase for 2017 compared to 2016 must be less than 1.5%. Instructions for reporting general fund budget expenditures are attached.

The calculations below are based on your municipality's increase in the 2015 equalized value due to net new construction during 2015 and the Consumer Price Index increase for the 12 months ending September 30 this year.

GROWTH FACTOR

1. Net new construction during 2015 $ 257,300.00
2. 2015 total equalized value $ 26,756,100.00

3. Percent increase (Line 1 divided by Line 2) 0.962%
4. Adjustment factor 60.00%
5. Adjusted percent increase (Line 3 times Line 4) 0.577%
6. Maximum allowable increase 2.00%
7. Your growth factor (lesser of Line 5 or Line 6) 0.577%

8. Consumer Price Index (increase from October 1, 2015 through September 30, 2016) 0.9%
9. Total limit your municipality must be under to qualify for a 2018 ERP payment (sum of Lines 7 and 8 rounded to nearest 0.10% (sec. 79.05 (2) (c) Wis. Stats) 1.5%

Your municipality's general fund budget increase must be LESS THAN the limit provided on Line 9 when rounded to the nearest 0.10%.

Dear Clerk,

The Wisconsin Department of Revenue (DOR) is sending you the qualifying factors for the 2018 Expenditure Restraint Program payment. These factors assume your 2016 municipal TID out property tax rate will be greater than five mills.

To qualify for a payment, your municipality's net general fund budget increase for 2017 compared to 2016 must be less than 1.9 %. Instructions for reporting general fund budget expenditures are attached.

The calculations below are based on your municipality's increase in the 2015 equalized value due to net new construction during 2015 and the Consumer Price Index increase for the 12 months ending September 30 this year.

GROWTH FACTOR

1. Net new construction during 2015 $ 6,973,700.00
2. 2015 total equalized value $ 402,769,700.00
3. Percent increase (Line 1 divided by Line 2) 1.731 %
4. Adjustment factor 60.00 %
5. Adjusted percent increase (Line 3 times Line 4) 1.039 %
6. Maximum allowable increase 2.00 %
7. Your growth factor (lesser of Line 5 or Line 6) 1.039 %
8. Consumer Price Index (increase from October 1, 2015 through September 30, 2016) 0.9 %
9. Total limit your municipality must be under to qualify 1.9 %
   for a 2018 ERP payment (sum of Lines 7 and 8 rounded to nearest 0.10% (sec. 79.05 (2) (c) Wis. Stats)

Your municipality's general fund budget increase must be LESS THAN the limit provided on Line 9 when rounded to the nearest 0.10%.
