BULLETIN NO. 114

JANUARY 2016

2014

REVENUES AND EXPENDITURES BY WISCONSIN
COUNTIES, CITIES, VILLAGES AND TOWNS FOR THE 2014 CALENDAR YEAR

WISCONSIN DEPARTMENT OF REVENUE
Division of State and Local Finance
Bureau of Local Government Services

INTRODUCTION

This bulletin contains data from the Municipal Financial Report Forms (MFR) filed with the Department of Revenue (DOR) by officials of Wisconsin counties, cities, villages and towns for the calendar year 2014.

DOR is responsible for collecting and verifying the reported information from local units of government. We appreciate the assistance and cooperation extended to us by the municipal and county officials.

This bulletin is also posted on our website at: www.revenue.wi.gov/reports/m.html.
Note: This bulletin was prepared electronically, therefore, some rounding occurs and some totals may differ insignificantly.

This bulletin should enable users to make general comparisons among and between local units of government. Users should exercise caution when interpreting reported data, particularly variances in reported expenditures. Variations in local government unit expenditures may be attributed to such factors as level of efficiency and economy, differences in accounting practices, organizational structures, service levels, population, population densities, topographical features, subsoils, neighboring municipalities and labor costs.

The data presented on the lines for each county and municipality are the amounts contained in the governmental fund types. This data is not comparable to that for 1985 and prior years. The major differences are (1) the data contains the activities of the capital project and special assessment funds, and (2) the data does not include county enterprises. The data presented for each activity line includes operating expenditures and capital outlay and are expressed in thousands of dollars (\$5,200 appears as \$5.2).

The general property taxes collected for proprietary fund types and the activities of the county highway department internal service fund are reflected as part of the governmental fund type data in this bulletin. The enterprise funds and internal service fund data are included as separate entries to alert you that the officials of some municipalities and counties treat these activities as proprietary fund types. Officials of other municipalities and counties treat these activities as part of their governmental fund types. This may help to understand some of the differences in revenues and expenditures when comparing the data of local government units.

The data contained in this bulletin is unaudited. This bulletin has been prepared and released according to Wisconsin Statute (sec.73.10(2) Wis. Stats.). Any questions may be directed to Valeah Foy, Director, Bureau of Local Government Services at (608) 261-5360 or email lgs@revenue.wi.gov.

The information contained in this bulletin is complete. If a MFR was not received from a municipality, DOR requested an independent accounting firm to compile the report using the municipality's records.
