

Instructions for 2007 Wisconsin Form 3S Partnership Recycling Surcharge

General Instructions

Purpose of Form 3S

Partnerships, including limited liability companies (LLCs) treated as partnerships, use Form 3S to compute and pay the recycling surcharge.

Who Must File

Partnerships, including LLCs treated as partnerships, must file Form 3S and pay the recycling surcharge if they –

- Must file a Wisconsin partnership return, Form 3,
- Derive income from business transacted, property located, or services performed in Wisconsin, and
- Have \$4 million or more of gross receipts (as defined below) for federal income tax purposes.

Who Is Not Required to File

Syndicates, pools, joint ventures, or similar organizations that have elected not to be treated as partnerships under Internal Revenue Code (IRC) section 761(a) aren't subject to the recycling surcharge and don't need to file Form 3S.

Single-owner LLCs that are disregarded as separate entities are not required to file Form 3S. The owner is required to include the income and expenses of the disregarded entity when computing the owner's surcharge due.

Definitions Applicable to Partnerships

Farming – Farming is the cultivation of land or the raising or harvesting of any agricultural or horticultural commodity including the raising, shearing, feeding, caring for, training, and management of animals. Trees, other than trees bearing fruit or nuts, aren't treated as an agricultural or horticultural commodity. Raising or harvesting Christmas trees isn't considered farming.

Gross Receipts – A partnership uses its total "gross receipts" from both nonfarm trade or business activities and farm activities to determine whether the recycling surcharge applies. Gross receipts of partnerships are total receipts or sales from all trade or business activities and farming reportable by partnerships for federal income tax purposes, before deducting returns and allowances or any other business expenses. Trade or business activities are determined at the partnership level, without regard to the passive activity limitations that may apply to a partner. Gross receipts include the sum of the following amounts reportable on federal Form 1065 or its accompanying schedules:

- Gross receipts or sales reportable on federal Form 1065, line 1a,

- Gross receipts passed through from other partnerships and fiduciaries,
- The gross sales price from the sale or disposition of business assets,
- Gross receipts from the rental of real or tangible personal property,
- Gross receipts includable in computing other income or loss on federal Form 1065, line 7, and
- The total receipts or sales from federal Schedule F, Profit or Loss From Farming.

Note: When determining gross receipts, include interest and dividends from trade or business activities, such as interest and dividends received by partnerships that are dealers or traders in securities. Gross receipts don't include interest and dividends from a partnership's nonbusiness investment activities. *However*, if the partnership has \$4 million or more of gross receipts from trade or business activities, you must include any income or loss from investment activities in the partnership's net business income when figuring the amount of surcharge owed.

Net Business Income – A partnership is subject to the recycling surcharge based on its "net business income." This is the amount reported on the partnership's Wisconsin Form 3, Schedule 3K, line 21, column d.

Exception: For partnerships engaged in both farming and nonfarming activities, exclude net farm profit or loss from the amount reported on Form 3, Schedule 3K, line 21, column d, when calculating "net business income."

Period Covered by Form 3S

Form 3S covers the same period as your 2007 Wisconsin partnership return, Form 3.

Due Date of Form 3S

You must file Form 3S on or before the due date, including extensions, of your 2007 Wisconsin partnership return.

Caution: The due date for **paying** the recycling surcharge is explained below.

Extension of Time to File

Any extension of time allowed by the Internal Revenue Service for filing your partnership return automatically extends the due date of your Form 3S. Enter the extended due date in item E on Form 3S.

Payment of Recycling Surcharge

The recycling surcharge must be paid by the 15th day of the 4th month following the close of the taxable period, regardless of the due date of the return.

An extension for filing Form 3S doesn't extend the time to pay the recycling surcharge. Interest will be charged on the surcharge not paid by the 15th day of the 4th month following the close of the taxable year. You can avoid the 1% per month interest charges during the extension period by paying the surcharge due by that date. Submit your payment with Wisconsin Form 3S-ES, Partnership Estimated Surcharge Voucher, or make your payment by electronic funds transfer.

Payment of Estimated Recycling Surcharge

If a partnership's recycling surcharge is \$200 or more, it generally must make quarterly estimated recycling surcharge payments using Wisconsin Form 3S-ES or by electronic funds transfer. Failure to make required estimated recycling surcharge payments may result in an interest charge. To obtain Form 3S-ES and its instructions, download them from the Department's web site at www.revenue.wi.gov/html/08forms.html or call (608) 266-1961.

Where to File

File Form 3S electronically through the Federal/State E-File Program. With approved third party software, you may electronically file Form 3S along with other Wisconsin and federal returns in a single submission. Or, you can use Federal/State E-Filing to file Form 3S alone. For details and a list of approved software vendors, visit <http://www.revenue.wi.gov/eserv/corp/index.html>.

If you choose to file Form 3S on paper, use the mailing address shown on the form. **Do not attach Form 3S to Form 3 because they are to be mailed to different addresses.**

Internal Revenue Service Adjustments and Amended Returns

If your federal partnership return is adjusted and the adjustments affect your Wisconsin recycling surcharge payable, you must report such adjustments to the Department of Revenue by filing an amended Form 3S, including a copy of the federal audit report, within 90 days after they become final.

If you file an amended federal partnership return and the changes affect your Wisconsin recycling surcharge payable, you must file an amended Form 3S with the Department of Revenue within 90 days after filing the amended federal return.

Send your amended Form 3S to the Wisconsin Department of Revenue, P.O. Box 8908, Madison, WI 53708-8908. Don't attach amended returns to other tax returns that you are filing.

Penalties for Not Filing or Filing Incorrect Forms

If you don't file a Form 3S that you are required to file, or if you file an incorrect Form 3S due to negligence or fraud, interest, a late filing fee, and penalties may be assessed against you. The interest rate on a delinquent surcharge is 18% per year. The late filing fee is a maximum of \$30. Civil penalties may be as much as 100% of the amount of surcharge not reported on Form 3S. Criminal penalties for filing a false return include a fine of up to \$10,000 and imprisonment.

Note: If a partnership's or LLC's recycling surcharge is delinquent, its partners or members are jointly and severally liable for it.

Note: Partnerships operating only in Wisconsin should skip line 3 and enter the amount from line 2 on line 4. Nonunitary, multistate partnerships should also skip line 3.

■ **Line 3. Wisconsin Apportionment Percentage** – Unitary, multistate partnerships should complete 2007 Wisconsin Form 4B, Apportionment Data, or Form 4B-1, Apportionment Data for Specialized Industries, if applicable. Enter on line 3 the apportionment percentage from Form 4B, line 39, or Form 4B-1. See the instructions for Form 4B in the Form 3 instruction booklet. ■ **Line 8. Amount Due** – If the total of lines 5 and 7 is larger than line 6, subtract line 6 from the total of lines 5 and 7. This is the amount you owe. Paper clip your check to the front of Form 3S or pay by electronic funds transfer.

■ **Line 9. Overpayment** – If line 6 is larger than the total of lines 5 and 7, subtract the total of lines 5 and 7 from line 6. This is your overpayment.
