2009 Form 4-EPV

Use of the personalized Form 4-EPV voucher below will ensure that your payment will be timely posted and to the correct account.

- Do not print a blank voucher to complete by hand. Enter your data on this voucher online. The numeric string of numbers will then change to reflect your personal information (identifying number and amount).
- Cut on the dotted line only. Do not cut off the string of numbers at the bottom of the voucher.
- Use the correct year voucher. This voucher is for 2009. Do not use this voucher for a different year by crossing out 2009 and writing in a different year. This will cause your payment to be credited to the wrong year.
- Send your payment to the address shown on the voucher. Do not attach any other forms or instruction sheets to the voucher.

Do **NOT** use this voucher to submit the balance due on any individual income tax return, pass-through entity withholding return, composite individual income tax return, partnership recycling surcharge return, or any return form not listed in the box above.

For estimated payments of pass-through entity withholding (Form PW-1), use Form PW-ES.
