**Instructions for Schedule TC****General Instructions****Purpose of Schedule TC**

Use Schedule TC to claim the tax credit that may be available to persons doing business in Wisconsin technology zones.

The Department of Commerce has designated eight areas of the state as technology zones. A person located in or planning to be located in a technology zone must submit an application to the local technology zone representative and be certified by the Department of Commerce to claim tax benefits. A person may be eligible for tax benefits if (1) the person's business is new or expanding, (2) the person's business is a high-technology business, and (3) the local technology zone representative recommends the person's business for certification. The Department of Commerce will establish a tax benefit limit for certified businesses.

For a map and additional information about the technology zones, visit the Department of Commerce web site at [www.commerce.wi.gov](http://www.commerce.wi.gov) or write to the Wisconsin Department of Commerce, PO Box 7970, Madison WI 53707-7970.

**Who Is Eligible to Claim the Credit**

Any individual, estate, trust, partnership, limited liability company (LLC), corporation, tax-option (S) corporation, insurance company, or tax-exempt organization that is conducting a trade or business in a technology zone and has been certified by the Department of Commerce may be eligible for the tax credit.

Partnerships, LLCs treated as partnerships, and tax-option (S) corporations cannot claim the credit, but the credit attributable to the entity's business operations passes through to the partners, members, or shareholders.

Estates or trusts share the credit among themselves and their beneficiaries in proportion to the income allocable to each.

**Credit Is Income**

The credit that you compute on Schedule TC is income and must be reported on your Wisconsin franchise or income tax return in the year computed. This is true even if you cannot use the full amount of a credit computed this year to offset tax liability for this year and must carry part or all of it forward to future years.

**Carryover of Unused Credits**

The technology zone credit is nonrefundable. Any unused credit may be carried forward for 15 years. If there is a reorganization of a corporation claiming a technology zone credit, the limitations provided by Internal Revenue Code section 383 may apply to the carryover of any unused Wisconsin technology zone credit.

## Specific Instructions

**Line 1.** Enter the 2009 credit from the Department of Commerce verification form for Wisconsin real and personal property taxes paid.

**Line 2.** Enter the 2009 credit from the Department of Commerce verification form based on 10% of the capital investments you made in a technology zone. Capital investments include the following:

- The purchase price of depreciable, tangible personal property.
- The amount expended to acquire, construct, rehabilitate, remodel, or repair real property in a technology zone.

**Note:** Capital investments cannot be used to calculate the technology zone credit in either of the following cases:

- They are used to calculate any other tax credit, such as a development zone credit or a research credit.
- They are not retained for use in the technology zone for the period during which your business is certified for tax credits.

**Line 3.** Enter the 2009 credit from the Department of Commerce verification form based on 15% of the amount spent for the first 12 months of wages for each job that is created in a technology zone after certification.

**Line 5.** Enter the amount of technology zone credit passed through from tax-option (S) corporations, partnerships, LLCs treated as partnerships, estates, and trusts. The pass-through credit is shown on Schedule 5K-1 for shareholders of tax-option (S) corporations, Schedule 3K-1 for partners and LLC members, and Schedule 2K-1 for beneficiaries of estates and trusts.

**Line 6.** Add lines 4 and 5. This is the total 2009 technology zone credit. Enter the amount on line 6 as an addition to income on the appropriate line of your Wisconsin franchise or income tax return.

Special instructions apply to pass-through entities:

- **Tax-option (S) corporations, partnerships, and LLCs treated as partnerships:** Prorate the technology zone credit on line 6 among the shareholders, partners, or members based on their ownership interests. Show only the credit for each shareholder on Schedule 5K-1 and for each partner or LLC member on Schedule 3K-1.

- **Estates and trusts:** Prorate the technology zone credit that otherwise would be entered on line 6 between the estate or trust itself and its beneficiaries in proportion to the income allocable to each. Show only the estate's or trust's portion of the credit on line 6. Show the beneficiaries' portion of the credit to the left of line 6. Label it "Beneficiaries' portion" and show the credit for each beneficiary on Schedule 2K-1.

**Line 7.** Enter any unused technology zone credit carried over from prior years.

**Line 8.** Add lines 6 and 7. This is the available technology zone credit.

Individuals (including tax-option (S) corporation shareholders, partners, members of LLCs treated as partnerships, and beneficiaries of estates or trusts) should refer to the Wisconsin Form 1 or 1NPR instructions for claiming the credit.

Corporations, except tax-option (S) corporations, should see the Form 4, 4T, or 5 instructions for claiming the credit.

## Required Attachments to Schedule TC

To claim the technology zone credit, you must file the following with Schedule TC:

- A copy of your certification for tax benefits issued by the Department of Commerce.
- A statement from the Department of Commerce verifying the amount of your credits for property taxes paid, capital investments made, and wages paid for jobs created in a technology zone.

If the technology zone credit is passed through from a tax-option (S) corporation, partnership, LLC treated as a partnership, estate, or trust, file a copy of your Schedule 5K-1, 3K-1, or 2K-1 with Schedule TC instead of the above information.
