Form 2 may be filed electronically! Additional information is available at www.revenue.wi.gov under "Online Services."

GENERAL INSTRUCTIONS

CAUTION: As the Internal Revenue Service hadn't finalized the 2010 federal fiduciary income tax forms at the time Form 2, Schedules CC, WD, and 2K-1, and these instructions went to print, federal line numbers referred to may change.

■ Is the Estate or Trust Resident of Wisconsin?

ESTATES: The estate of a decedent is considered resident of Wisconsin if the decedent was domiciled in Wisconsin at the time of death.

TRUSTS: A trust created by a decedent's will (testamentary trust) is resident of Wisconsin if the decedent was domiciled in Wisconsin at the time of death, unless transferred by a court having jurisdiction to another court's jurisdiction.

Inter vivos trusts that are made irrevocable and were administered in Wisconsin before October 29, 1999, are considered resident of Wisconsin if they are being administered in Wisconsin.

The following inter vivos trusts that become irrevocable on or after October 29, 1999, or that became irrevocable before October 29, 1999, and are first administered in Wisconsin on or after October 29, 1999, are resident of Wisconsin:

1. Trusts, or portions of trusts, the assets of which consist of property placed in the trust by a person who is a resident of Wisconsin at the time that the property was placed in the trust if, at the time that the assets were placed in the trust, the trust was irrevocable.
2. Trusts, or portions of trusts, the assets of which consist of property placed in the trust by a person who is a resident of Wisconsin at the time that the trust became irrevocable if, at the time that the property was placed in the trust, the trust was revocable.

A trust is revocable if the person whose property constitutes the trust may revest title to the property in that person.

A trust is irrevocable if the power to revest title does not exist.

■ Must the Estate or Trust File a Return?

RESIDENT ESTATES: Every personal representative or special administrator of the estate of a Wisconsin decedent must file a Wisconsin fiduciary income tax return if the gross income of the estate is \$600 or more.

Gross income means all income (before deducting expenses) reportable to Wisconsin which is received in the form of money, property, or services. It does not include items that are exempt from Wisconsin tax.

NONRESIDENT ESTATES: A nonresident estate must file a Wisconsin fiduciary return if it has gross income (see definition above under "RESIDENT ESTATES") of \$600 or more from Wisconsin sources.

Income from Wisconsin sources includes income or gain from:

- a. Real or tangible personal property located within the state.
- b. A business, trade, profession, or occupation carried on within the state, including a corporation taxed under Subchapter S of the Internal Revenue Code.
- c. Personal or professional services performed within the state either as an individual or a member of a partnership.
- d. Income received from the Wisconsin state lottery or a multi-jurisdictional lottery if the winning lottery ticket or lottery share was purchased from a Wisconsin retailer.

RESIDENT TRUSTS: Every trustee of a Wisconsin trust must file a Wisconsin fiduciary income tax return if the trust has:

1. any taxable income for the tax year, or
2. gross income (see definition in the previous column under "RESIDENT ESTATES") of \$600 or more regardless of the taxable income.

Example: A resident trust has \$400 of interest income. It makes no distributions and therefore only has an exemption of \$100, which would result in taxable income of \$300. The trust is required to file a Wisconsin fiduciary return, because it has taxable income.

NONRESIDENT AND PART-YEAR RESIDENT TRUSTS: A nonresident or part-year resident trust must file a Wisconsin fiduciary income tax return if it has:

1. any Wisconsin taxable income for the year, or
2. gross income from Wisconsin sources (see definitions in the previous column and above under "RESIDENT ESTATES" and "NONRESIDENT ESTATES") of \$600 or more regardless of the taxable income.

■ Other Filing Requirements

EXEMPT TRUSTS: Trusts that are exempt under the Internal Revenue Code by reason of their purposes or activities are also exempt from Wisconsin income tax. Common law trusts organized or conducted for profit are deemed to be corporations and must file a Wisconsin corporation franchise or income tax return.

NOTE: Trusts that are exempt from federal taxation under section 501(a) of the Internal Revenue Code, including certain pension, profit-sharing, and stock bonus plans described in section 401(a) of the Internal Revenue Code, and individual retirement arrangements (IRAs) are required to report unrelated business taxable income for Wisconsin tax purposes. File a Wisconsin Form 4T if the trust reports unrelated business taxable income for federal purposes on federal Form 990-T and the trust has gross income from an unrelated trade or business of \$1,000 or more. For more information, obtain a copy of Wisconsin Form 4T from any Department of Revenue office.

FINAL RETURN OF AN ESTATE OR TRUST: A final fiduciary return reporting all income received from the beginning of the taxable year of closing to the date of closing is required.

The net income computed on the final return must be distributed to the beneficiaries and no income tax is payable by the fiduciary. The beneficiaries of the estate or trust must report income as if it had been received without the intervention of the fiduciary.

Enclose a copy of the final account or a letter advising that a final account is not required by the probate court with the final fiduciary return.

INDIVIDUAL TAX RETURN FOR A DECEDENT: A personal representative or petitioner must file an individual return for a decedent to report income from the beginning of the year to the date of death (Form 1, 1A, 1NPR, or WI-Z). The due date of the 2010 individual return is April 18, 2011. The filing requirements are as follows:

- a. Single persons.
 - (1) Under age 65 – gross income of \$10,000 or more.
 - (2) Age 65 or older – gross income of \$10,250 or more.
- b. Married persons filing jointly.
 - (1) Both spouses under age 65 – gross income of \$18,150 or more
 - (2) One spouse age 65 or older – gross income of \$18,400 or more
 - (3) Both spouses age 65 or older – gross income of \$18,650 or more
- c. Married persons filing separately – gross income of \$9,000 or more.
- d. Head of household.
 - (1) Under age 65 – gross income of \$12,710 or more.
 - (2) Age 65 or older – gross income of \$12,960 or more.
- e. Part-year resident or nonresident – gross income from Wisconsin sources of \$2,000 or more.

■ When to File/Extension of Time to File

A return for a trust is due on or before April 18, 2011. A return for an estate is due on or before April 18, 2011, for a calendar year filer or 3 1/2 months after the close of the taxable year for a fiscal year filer.

If you cannot file on time, the following options are available for obtaining an extension:

1. If you have an extension for filing your federal return, this automatically gives you a Wisconsin extension provided you:
 - Estimate your 2010 Wisconsin tax and pay the amount you will owe with your return (line 32 of Form 2) by the due date using 2010 Wisconsin Form 1-ES, and
 - Enclose a copy of your federal extension application with your Form 2 when filed.
2. Extensions available under federal law may be used for Wisconsin purposes, even if you do not need a federal extension because you file your federal return by the due date. To obtain an extension only for Wisconsin, you must:
 - Estimate your 2010 Wisconsin tax and pay the amount you will owe by the due date (see item 1) and
 - Enclose a statement with your Form 2 indicating which federal extension provision you are using or enclose a copy of a completed federal extension application form.

No extension is allowed if your estimate of tax is not reasonable.

NOTE: Even though you may have an extension of time to file your return, you will owe interest on any tax not paid by the original due date. Returns not filed by the extended due date are subject to additional interest and penalties. (**Exception** You will not be charged interest during an extension period if you qualify for a federal extension due to a federally-declared disaster. See Special Conditions in the next column.)

Special Conditions A “Special Conditions” section is located on page 1 of Form 2. If you have an extension of time to file because of a federally-declared disaster, fill in “03” in the box and indicate the specific disaster on the line provided.

■ Withholding Requirement for Trusts and Estates Having Nonresident Beneficiaries

In general, a trust or estate that has one or more nonresident beneficiaries is required to withhold income or franchise tax on the income allocable to the nonresident beneficiaries. This withholding tax may be required to be paid in quarterly installments. See Form PW-ES, *Wisconsin Pass-Through Entity Withholding Estimated Payment Voucher*, and instructions for details.

A nonresident beneficiary includes an individual who is not domiciled in Wisconsin; a partnership, limited liability company, or corporation whose commercial domicile is outside Wisconsin; and an estate or trust that is nonresident under sec. 71.14(1) to (3m), Wis. Stats. If the nonresident beneficiary is an individual, estate, or trust, the withholding rate is the highest rate for a single individual (7.75% for 2010). If the nonresident beneficiary is a partnership, limited liability company, or corporation, the withholding rate is 7.9%.

Exceptions: Withholding is not required on behalf of the following nonresident beneficiaries:

- A beneficiary that is exempt from Wisconsin income or franchise taxation. The trust or estate may rely on a written statement from a beneficiary explaining why the beneficiary is exempt from Wisconsin tax. The trust or estate must enclose a copy of this statement with the Form 2 filed with the department.
- A beneficiary whose share of income from the trust or estate attributable to Wisconsin is less than \$1,000.
- A beneficiary who completes Form PW-2, *Wisconsin Nonresident Partner, Member, Shareholder, or Beneficiary Withholding Exemption Affidavit*, and provides Part 2 of Form PW-2 to the trust or estate. The completed Form PW-2 must be pre-approved by the Department of Revenue. See the Form PW-2 instructions for details.

The trust or estate uses Form PW-1, *Wisconsin Nonresident Income or Franchise Tax Withholding on Pass-Through Entity Income*, to report the withholding. Form PW-1 is due by the 15th day of the 4th month following the close of the trust’s or estate’s taxable year. See the Form PW-1 instructions for details.

CAUTION: Nonresidents with a Wisconsin filing requirement must file the appropriate Wisconsin income or franchise tax return.

■ Requesting a Closing Certificate

Seven Steps to Filing the Fiduciary Income Tax Return

1 Gather all records.

Make sure that all income and expense records are available, including interest and dividend statements, so the return can be prepared correctly.

2 Complete the federal return.

Before completing Wisconsin Form 2, complete the federal return, Form 1041 or 1041-QFT, and its supporting schedules, if required.

3 Complete the Wisconsin return (see tips on page 20).

4 Sign the return.

The return must be signed by the personal representative or special administrator of an estate or by the trustee of a trust.

5 Assemble the return.

Begin by putting the three pages of Form 2 in numerical order. Then attach, using a paper clip (do not staple), the following in the order listed:

- **Payment** – If you owe an amount with the return, paper clip your payment to the front of Form 2.
- **Wisconsin Schedules** – The appropriate copy of each of your withholding statements (Schedules 2K-1, 3K-1, and 5K-1 and Forms W-2 and 1099).
- **Federal Return** – A complete copy of your federal return (Form 1041 or 1041-QFT) and its supporting schedules and forms.
- **Supporting Documents** – For example, copies of property tax bills in support of a farmland preservation credit claim.
- **Extension Form or Statement** – A copy of your federal extension application or required statement if you are filing under an extension.

6 Keep a copy of the return.

7 Mail the return and enclosures to the appropriate address shown on the bottom of page 2 of Form 2.

LINE INSTRUCTIONS

Use black ink to complete Form 2. If completing the form by hand, do not use commas or dollar signs when filling in amounts. For more tips, see page 20.

Period Covered File the 2010 return for calendar year 2010 and fiscal years that begin in 2010. For a fiscal year, a 52-53 week period, or a short-period return, fill in the taxable year beginning and ending dates in the taxable year space at the top of the form.

Name and Identifying Number Estates use the first line for the legal name and decedent's social security number or, if a bankruptcy estate, the federal employer identification number (EIN). Trusts use the second line for the legal name and the third line for the federal EIN.

Exception: Qualifying trusts making the election under IRC Section 645 to be treated as part of the decedent's estate use the first line for the legal name and social security number of the decedent.

Type of Estate or Trust Check to indicate the type of estate or trust.

- Electing small business trust (ESBT) – a trust that has income from one or more S corporations. The portion of an ESBT that consists of stock of one or more S corporations is treated as a separate trust. If ESBT is checked, see the "Exceptions" in the instructions for lines 1 and 6a.
- Qualified funeral trust (QFT) – if a trust elects to be taxed as a QFT for federal income tax purposes, the election also applies for Wisconsin. If QFT is checked, see the "Exceptions" in the instructions for lines 1 and 6a.
- Bankruptcy estate – a separate and distinct taxable entity created when an individual debtor files for bankruptcy under Chapter 7 or 11 of Title 11 of the United States Code. If bankruptcy estate is checked, see the "Exceptions" in the instructions for lines 1 and 6a.
- Inter vivos trust – a trust created during a grantor's lifetime.
- Testamentary trust – a trust created by a decedent's will that comes into existence at the death of the decedent.
- Section 645 election – allows a qualified revocable trust to be treated and taxed as part of the related estate during the election period. If the election is made for federal income tax purposes, it also applies for Wisconsin. Enclose a copy of federal Form 8855 or letter making the election.
- Decedent's estate – a taxable entity separate from a decedent. It generally continues to exist until the final distribution of the assets is made to the beneficiaries. A fiduciary administers the decedent's assets and reports income earned during administration and income in respect of the decedent (IRD).

Special Conditions Certain estates and trusts have to enter information in the Special Conditions section. For information on when to use the Special Conditions section, see "Special Conditions" under "When to File/Extension of Time to File" on page 2 and "Expenses paid to related entities" on page 10. If both special conditions apply, fill in "99" in the Special Conditions box.

Rounding Off to Whole Dollars The form has preprinted zeros in the place used to enter cents. All amounts filled in the form should be rounded to the nearest dollar. To do so, drop amounts under 50¢ and increase amounts from 50¢ to 99¢ to the next whole dollar. For example, \$129.39 becomes \$129 and \$236.50 becomes \$237.

Round off all amounts. But if you have to add two or more amounts to figure the amount to fill in on a line, include cents when adding and only round off the total.

Accounting Periods and Methods Use the same accounting period and method of accounting that are used for federal income tax purposes. If the federal taxable year or method of accounting is changed, such change also applies for Wisconsin. Separate permission to effect such change for Wisconsin is not required. However, enclose a copy of the federal document authorizing the change with the Wisconsin fiduciary return.

Definitions Applicable to Fiduciaries Under Wisconsin income tax law, federal taxable income is used as a starting point in the computation of fiduciary income subject to the Wisconsin income tax. Therefore, most terms have the same meaning under Wisconsin law as in the Internal Revenue Code unless otherwise noted.

The separate trust is taxed on its Wisconsin taxable income at the highest rate for fiduciaries (7.75%). The tax is computed on the worksheet in the next column.

Line 32. Balance Due If line 28 is less than line 20, complete line 32 to determine the balance due. The balance due must be paid in full with the return. Make remittance payable to the Wisconsin Department of Revenue.

NOTE: If estimated payments were required to be made and were not made in a timely manner, see Schedule U to determine if underpayment interest is owed. See page 2 for information on how to obtain this schedule. If underpayment interest is owed, increase the amount on line 32 by the amount of underpayment interest on line 33.

Line 33. Underpayment Interest If estimated payments were required to be made and were not made in a timely manner, see Schedule U to determine if underpayment interest is owed. See page 2 for information on how to obtain this schedule. If underpayment interest is owed, fill in the amount from Schedule U on line 33. Add the amount of the underpayment interest to any tax due and fill in the total on line 32. If you are due a refund, subtract the underpayment interest from the overpayment shown on line 29 and adjust lines 30 and 31 if necessary. Enclose Schedule U with your Wisconsin Form 2.

Note

Fill in the exception code in the box to the left of line 33 if certain exceptions to underpayment interest apply to you, you are enclosing an application for a waiver of underpayment interest, or are using the annualized income installment method (Part IV of Schedule U) to compute underpayment interest. See the instructions for Schedule U for the exception code to use.

SPECIAL INSTRUCTIONS

A. Penalties and Interest

Any 2010 Form 2 which is not filed by the due date or within the extension period is subject to a late filing fee of \$50. The late fee is assessed even if there is no tax due. The interest rate on delinquent taxes is 18% per year.

B. Internal Revenue Service Adjustments and Amended Returns

If a federal fiduciary return is adjusted by the Internal Revenue Service (IRS) and the adjustments affect the amount of Wisconsin income reportable, any credit, or tax payable on Form 2, report the adjustments to the department within 90 days from the date the adjustments become final. If an amended fiduciary return is filed with the IRS or another state and the changes affect the amount of income reportable, any credit, or tax payable on Form 2, file an amended Wisconsin fiduciary return reflecting these changes. The amended Wisconsin return is due within 90 days from the date the amended return is filed with the IRS or another state.

If you are filing an amended return, place a checkmark in the designated area below the name and address area of Form 2. Prepare the return using the corrected amounts. Complete line 25 or 27 as appropriate. Enclose a copy of any IRS audit report or federal amended return. You should also explain why the amended return was necessary and what changes were made. If you have already received a Closing Certificate for Fiduciaries, you do not need to request another one unless the court requires it.

C. Estimated Tax Payments Required for Next Year?

If the 2011 Wisconsin income tax return of an estate or trust will show a balance due to the department of \$200 or more, you must use Wisconsin Form 1-ES (Form 4-ES for trusts subject to tax on unrelated business income) to prepay the 2011 tax in installments beginning April 15, 2011, for calendar year fiduciaries or 3 1/2 months after the close of a fiscal year (March 15, 2011, or 2 1/2 months after the close of a fiscal year for trusts using Form 4-ES).

EXCEPTION: Estates and grantor trusts which are funded on account of a decedent's death are exempt from making estimated tax payments for tax years ending within two years after the date of death.

D. Requesting Copies of Returns

The Department of Revenue will provide copies of prior year returns. There will be a fee for each return requested, which is required to be prepaid. Requests must be made in person or in writing. You must provide a copy of the domiciliary letters or letters of trust and the trust instrument. If you want certified copies, there is an additional charge for each certification. Call (608) 266-2890 for more information.

SCHEDULE A INSTRUCTIONS – ADDITIONS AND SUBTRACTIONS

NOTE: Nonresident estates and part-year and nonresident trusts may not use Schedule A. They must instead use the additions and subtractions described in these instructions to complete Part I of Schedule NR.

Certain additions and subtractions must be made to federal taxable income in order to arrive at Wisconsin taxable income. Additions and subtractions are described in detail below.

Enter in column 1, Distributable Income, the additions or subtractions that relate to items of income or deductions which affect the computation of the distributable net income for the taxable year. Enter in column 2, Nondistributable Income, any of the additions or subtractions that affect nondistributable income taxable to the fiduciary.

ADDITIONS

Line 1. Adjustments to Convert 2010 Federal Taxable Income to the Amount Allowable for Wisconsin (see instructions for Schedule B on page 11).

Line 2. Interest (Less Related Expenses) on State and Municipal Obligations Enter in the appropriate column the amount of interest on state and municipal obligations which was excluded from federal taxable income. (If you were required for federal purposes to allocate expenses to this income, reduce the amount to be filled in by such expenses.) **EXCEPTION:** Interest which is by federal or Wisconsin law exempt from Wisconsin taxation should not be entered on line 2. Interest income which is exempt for both federal and Wisconsin tax purposes includes interest from (1) public housing authority or community development authority bonds issued by municipalities located in Wisconsin, (2) Wisconsin Housing Finance Authority bonds, (3) Wisconsin municipal redevelopment authority bonds, (4) Wisconsin higher education bonds, (5) Wisconsin Housing and Economic Development Authority bonds issued on or after December 11, 2003, to fund multifamily affordable housing projects or elderly housing projects, (6) Wisconsin Housing and Economic Development Authority bonds issued before January 29, 1987, except business development revenue bonds, economic development revenue bonds, and CHAP housing revenue bonds, (7) public housing agency bonds issued before January 29, 1987, by agencies located outside Wisconsin where the interest therefrom qualifies for exemption from federal taxation for a reason other than or in addition to section 103 of the Internal Revenue Code, (8) local exposition district bonds, (9) Wisconsin professional baseball park district bonds, (10) bonds issued by the Government of Puerto Rico, Guam, the Virgin Islands, Northern Mariana Islands, or, for bonds issued after October 16, 2004, the Government of American Samoa, (11) local

cultural arts district bonds, (12) Wisconsin professional football stadium bonds, (13) Wisconsin Aerospace Authority bonds. Interest from these sources is exempt from Wisconsin income tax whether received by a direct owner of these securities or by a shareholder in a mutual fund which invests in these securities, (14) bonds issued on or after October 27, 2007, by the Wisconsin Health and Education Facilities Authority to fund acquisition of information technology hardware or software, (15) Southeastern Regional Transit Authority bonds, and (16) conduit revenue bonds issued by a commission created under sec. 66.0304, Wis. Stats., and (a) the bonds are used to fund multifamily affordable housing or elderly housing projects in Wisconsin and the Wisconsin Housing and Economic Development Authority has the authority to issue its bonds or notes for the project being funded, or (b) the bonds are used by a health facility to fund the acquisition of information technology hardware or software and the Wisconsin Health and Educational Facilities Authority has the authority to issue its bonds or notes for the project being funded, or (c) the bonds are issued to fund a redevelopment project or a housing project in Wisconsin and the authority exists for bonds or notes to be issued by a housing authority, redevelopment authority, or community development authority.

If a charitable deduction is claimed, reduce the amount of interest added back by the amount of the municipal interest which is used or set aside for charitable purposes.

Line 3. Taxes Enter the amount of taxes deducted from federal taxable income on line 11, Form 1041. This amount must be allocated between distributable and nondistributable income based on tax benefit.

Line 4. Capital Gain/Loss Adjustment If federal taxable income includes capital gains and/or losses (see line 4, Form 1041), complete Wisconsin Schedule WD (Form 2) to determine if an adjustment must be made to arrive at Wisconsin income. For example, an adjustment may be required because Wisconsin law limits deductions for net capital losses to \$500. You can obtain Schedule WD (Form 2) from any Department of Revenue office. If assets sold during 2010 had a different basis for federal than for Wisconsin purposes, see instructions for Schedule C on page 11 and item b under Additions To or Subtractions From Income on page 10.

Line 5. Other Additions Enter any other amount subject to Wisconsin taxation that has been excluded or deducted in the computation of federal taxable income or distributable net income. Enclose a schedule with a computation or explanation. Examples are:

- a. **Federal net operating loss carryover.**
- b. **Lump-sum distribution.** If you reported lump-sum distribution income on federal Form 4972, you must also include the distribution in Wisconsin income. Fill in on Schedule A, line 5 the amount of lump-sum distribution income which is reported on line 10 of Form 4972 plus any capital gain reported on line 6 of Form 4972. You may reduce this amount by any federal estate tax on line 18 of Form 4972.

NOTE: No portion of a lump-sum distribution may be reported as a capital gain on a Wisconsin Schedule WD (Form 2).

- c. **Transitional adjustments.** These are adjustments required by the Wisconsin Statutes to account for differences between federal basis and Wisconsin basis of changing basis assets (those subject to depreciation or amortization). Enclose a schedule showing the computation of each transitional adjustment made.

- d. **Farm losses.** An addition may be required if farm losses were deducted on the federal tax return and the estate or trust was not actively engaged in the farming operation that produced those losses.

TRUSTS: A trust shall be considered to be actively engaged in farming with respect to a farming operation if:

1. The entity separately makes a significant contribution to the farming operation of capital, equipment, or land, or a combination of capital, equipment, or land; and
2. The income beneficiaries collectively make a significant contribution of active personal labor or active personal management to the farming operation. The combined interest of all the income beneficiaries providing active personal labor or active personal management, or a combination of active personal labor and active personal management must be at least 50 percent; and
3. The trust has provided a tax identification number unless the trust is a revocable trust and the grantor is the sole beneficiary; and
4. The trust has provided a copy of the trust agreement to the county committee unless the trust is a revocable trust.

ESTATES: For two program years after the program year in which an individual dies, the individual's estate shall be considered to be actively engaged in farming if:

1. The estate makes a significant contribution of either (a) capital, equipment, or land; or (b) a combination of capital, equipment, or land; and
2. The personal representative or heirs of the estate collectively make a significant contribution of either: (a) active personal labor or active personal management; or (b) a combination of active personal labor and active personal management.

After the two years, the deceased individual's estate shall not be considered to be actively engaged in farming unless, on a case by case basis, it is determined that the estate has not been settled primarily for the purpose of obtaining program payments.

Your combined net losses from farming operations in which you are not actively engaged are limited if your nonfarm Wisconsin adjusted gross income is more than \$55,000.

To figure your combined net losses from farming operations, add together any losses you have from farming operations in which you were not actively engaged (for example, these could be losses from a farm partnership or tax-option (S) corporation). Do not reduce these losses by any net farm gains. If the total of these losses is more than the maximum allowable loss shown in the table in the next column, include the excess on line 5, Schedule A.

Example For 2010, a trust reports a loss of \$25,000 on Schedule E from a farm partnership (the trust is not actively engaged in this farming operation), and a profit of \$5,000 from the rental of farmland. The trust's nonfarm Wisconsin adjusted gross income is \$60,000. Therefore, only \$20,000 of the \$25,000 farm loss may be deducted for 2010. The trust must fill in \$5,000 on line 5 of Schedule A.

Farm Loss Limits		
Nonfarm Wisconsin Adjusted Gross Income		
More Than	But Not More Than	Maximum Allowable Loss
\$ 0	\$ 55,000	Full Amount
55,000	75,000	\$20,000
75,000	100,000	17,500
100,000	150,000	15,000
150,000	200,000	12,500
200,000	250,000	10,000
250,000	300,000	7,500
300,000	600,000	5,000
600,000		No Loss

SUBTRACTIONS

Line 7. Adjustments to Convert 2010 Federal Taxable Income to the Amount Allowable for Wisconsin (see instructions for Schedule B on page 11).

Line 8. Interest (Less Related Expenses) on Obligations of the United States Enter in the appropriate column the net amount of interest and dividends on obligations and certain securities of the United States, which are by federal law exempt from taxation by states. To arrive at the net amount, you must reduce the total U.S. interest by the proportionate share of deductions claimed on Form 1041.

An ordinary dividend received from a mutual fund which invests in U.S. government securities may be partially or completely nontaxable for Wisconsin tax purposes. If information received from a mutual fund advises that any portion of a distribution is from investments in U.S. government securities, that portion of the distribution may be included as U.S. government interest on line 8.

CAUTION: Do not fill in on line 8 interest from Ginnie Mae (Government National Mortgage Association) securities and other similar securities which are "guaranteed" by the U.S. government.

If a charitable deduction is claimed, reduce the amount of U.S. interest subtracted by the amount of U.S. interest included in the charitable deduction on federal Form 1041.

Line 9. Capital Gain/Loss Adjustment If federal taxable income includes capital gains and/or losses (see line 4, Form 1041), complete Wisconsin Schedule WD (Form 2) to determine if an adjustment must be made to arrive at Wisconsin taxable income. For example, an adjustment may be required because Wisconsin law allows a capital gain exclusion for assets held more than one year. You can obtain Schedule WD (Form 2) from any Department of Revenue office.

Line 10. Refunds of State and Local Taxes Enter refunds of state and local income taxes included in line 8 of federal Form 1041.

Line 11. Other Subtractions Enter on this line any amount which is deductible or exempt from taxation by Wisconsin law and which has been included in the computation of federal taxable income. Examples are:

- a. **Retirement funds.** You may subtract payments received from certain retirement funds that are exempt from Wisconsin taxation to the extent included in federal income. However, payments received from a tax-sheltered annuity deposit in such retirement systems are taxable. (See Wisconsin Form 1 instructions for further details.)
- b. **Wisconsin NOL.** If you had a Wisconsin net operating loss (NOL) in an earlier year to carry forward to 2010, include the allowable amount on Schedule A. Enclose a statement showing how you figured the amount. Get Publication 120, *Net Operating Losses for Individuals, Estates, and Trusts*, from any Department of Revenue office for more details on computing an NOL and the allowable deduction.
- c. **Relocation assistance.** Relocation assistance payments received subject to the provisions set forth in section 32.19, Wisconsin Statutes.
- d. **Transitional adjustments.** See instruction (c) for line 5, Schedule A. Enclose schedule.
- e. **Farm loss carryover.** See Wisconsin Form 1 instructions for further details.
- f. **Nonresident income.** Income of nonresidents not subject to Wisconsin tax.

- g. **Certain military pay.** Military pay that is included on a W-2 for a member of the Reserves or National Guard who served on active duty may be subtracted if the pay was:
 - Received from the federal government,
 - Received after being called into active federal service or into special state service authorized by the federal Department of Defense, and
 - Paid for a period of time during which the member was on active duty.

CAUTION: The subtraction only applies to members of the Reserves or National Guard who are called into active federal service under 10 USC 12302(a) or 10 USC 12304 or special state service under 32 USC 502(f). It does not apply to pay that members of the Reserves and National Guard receive for their weekend or two-week annual training. It also does not apply to a person who is serving on active duty or full-time duty in the active guard reserve (AGR) program.

- h. **Expenses paid to related entities.** Were you required to add interest, rental expenses, intangible expenses, or management fees paid to a related entity to income? If yes, see Schedule RT to find out if you qualify for a subtraction. Although you must meet one of the conditions in Schedule RT, Part II to qualify for a subtraction, you do not need to enclose Schedule RT with your return unless your total expenses paid, accrued, or incurred to related entities are \$100,000 or more. If enclosing Schedule RT, also fill in "16" in the Special Conditions box on page 1 of Form 2.
- i. **ATV corridors.** To the extent included in federal taxable income, private landowners may subtract any Wisconsin incentive payments received for permitting public all-terrain vehicle corridors on their lands.

ADDITIONS TO OR SUBTRACTIONS FROM INCOME

The following items may be either an addition to or a subtraction from federal taxable income, depending on your situation. Fill in any additions on line 5 and any subtractions on line 11, Schedule A.

- a. Distributive share of net modifications of a partnership, limited liability company, or tax-option (S) corporation if it increases or reduces the income of the partnership limited liability company, or corporation. If the estate or trust is a shareholder of a federal S corporation that elects not to be treated as a Wisconsin tax-option (S) corporation, all items of S corporation income, loss, or deduction included on the federal return must be reversed.

CAUTION: Do not reverse any item of S corporation income or loss reported on federal Schedule D. These items are removed from Wisconsin income when Wisconsin Schedule WD (Form 2) is completed.

- b. Adjustment for ordinary gain or loss for assets reported on federal Form 4797. If you reported sales (or other dispositions) of assets on federal Form 4797 and there was a difference between the federal basis and the Wisconsin basis, follow the three steps below to figure the adjustment.

STEP 1: Recompute federal Form 4797, *Sales of Business Property*.

- For assets the estate or trust sold or otherwise disposed of, use the Wisconsin basis instead of the federal basis when recomputing Form 4797.
- For those assets disposed of by a partnership, limited liability company, tax-option (S) corporation, or other estate or trust,

c If line b is more than line a, subtract line a from line b. Fill in the result here and on line 5 of Schedule A, page 3, Form 2

h If line f is less than line e, subtract line f from line e. Fill in the result here and on line 5 of Schedule A, page 3, Form 2		

from which the estate or trust received a distribution, use the Wisconsin gain or loss instead of the federal gain or loss when recomputing Form 4797.

NOTE: The Wisconsin gain or loss can be found on line 10a of Wisconsin Schedule 3K-1 or line 9a of Wisconsin Schedule 5K-1.

Label this recomputed Form 4797 "Wisconsin." Enclose the "Wisconsin" Form 4797 with Form 2.

STEP 2: If a gain was entered on line 7 or 9 of "Wisconsin" Form 4797, the amounts from the "Wisconsin" Form 4797 must be used to complete line 9 of Wisconsin Schedule WD (Form 2).

STEP 3: Complete the Adjustment Worksheet above if Part II was completed on either the federal or "Wisconsin" Form 4797.

- If you have an ordinary gain for both federal and Wisconsin purposes, fill in lines a and b of the worksheet. Also fill in line c or line d, whichever applies.
- If you have an ordinary loss for both federal and Wisconsin purposes, fill in lines e and f of the worksheet. Also fill in line g or h, whichever applies.
- If you have an ordinary gain for federal purposes and line 17 on the "Wisconsin" Form 4797 is blank or a loss, fill in lines a, b, e, and f of the worksheet. Also fill in line d and line g. Add the amounts on lines d and g and fill in the result on line 11 of Schedule A, page 3, Form 2.
- If you have an ordinary loss for federal purposes and line 17 on the "Wisconsin" Form 4797 is blank or a gain, fill in lines a, b, e, and f of the worksheet. Also fill in line c and line h. Add the amounts on lines c and h and fill in the result on line 5 of Schedule A, page 3, Form 2.

SCHEDULE B INSTRUCTIONS

IMPORTANT: The computation of taxable income on the 2010 Wisconsin fiduciary income tax return is based on the provisions of federal law amended to December 31, 2008, with certain exceptions. Federal laws enacted after December 31, 2008, do not apply for Wisconsin income tax purposes.

A comprehensive list of the provisions of federal law that may not be used for Wisconsin purposes for 2010 can be found in the instructions for Wisconsin Schedule I. The following is a list of the items that may affect the largest number of trusts and estates:

- Increase in sec. 179 expensing.
- Deduction for health savings accounts and related items.
- Exclusion for 50% of the gain from the sale or exchange of qualified small business stock.

If any provision of federal law which does not apply for Wisconsin purposes affects your federal taxable income, enclose a schedule with your Form 2. State the nature of the adjustment and a complete explanation. Enter the total amount on line 1 of Schedule B.

SCHEDULE C INSTRUCTIONS – ADJUSTMENTS TO CAPITAL GAINS / LOSSES

Complete Schedule C to adjust capital gains and losses if capital assets sold or otherwise disposed of in 2010 had a different basis for Wisconsin than for federal income tax purposes. The most common reason for a difference in basis is the use of the alternate value for federal estate tax purposes while date of death value is required to be used for Wisconsin inheritance tax purposes for deaths prior to January 1, 1992. For deaths after December 31, 1991, if the alternate value is used for federal estate tax purposes, the alternate value would also be used for Wisconsin estate tax purposes.

To figure the adjustment, first determine the holding period for each capital asset which had a different basis for federal and Wisconsin purposes. Property acquired by a decedent's estate from the decedent is considered to be held more than one year. (Do not list assets reported on federal Form 4797, such as depreciable property used in a trade or business, on Schedule C. Resident estates and trusts, see "Adjustment for ordinary gain or loss for assets reported on federal Form 4797," item b under Additions To or Subtractions From Income on page 10 of these instructions. Part-year and nonresident estates and trusts, see the instructions for line 7, Part I of Schedule NR.)

For capital assets held one year or less, fill in line 1. If the Wisconsin adjusted basis is more than the federal adjusted basis, fill in a negative number in the difference column (column C). Combine the amounts in column C and fill in the result on line 2 of Schedule C and on line 4 of Wisconsin Schedule WD (Form 2). Enter a negative number as a loss.

For capital assets held more than one year, fill in line 3. If the Wisconsin adjusted basis is more than the federal adjusted basis, fill in a negative number in the difference column (column C). Combine the amounts in column C and fill in the result on line 4 of Schedule C and on line 12 of Wisconsin Schedule WD (Form 2). Enter a negative number as a loss.

NOTE: If there is inadequate space on lines 1 and 3 to list each capital asset which had a different basis for Wisconsin than for federal tax purposes, enclose a separate page with Form 2 giving the required information.

INSTRUCTIONS FOR 2010 WISCONSIN SCHEDULE WD (FORM 2)

Schedule WD (Form 2) is used to determine the amount of capital gain or loss which you must include in Wisconsin income. Generally, all amounts reported on your federal Schedule D must be reported on Schedule WD. However, for Wisconsin tax purposes, you may exclude a portion of the net capital gain from assets held more than one year or acquired from a decedent.

The amount of net capital loss that can be applied against other income after offsetting capital gains is limited to \$500.

Unused capital losses are carried over to later years until fully used.

Distributable or nondistributable capital gains: Capital losses are not distributable except on the final return. Capital gains are reportable by the estate or trust on Schedule WD and not distributable to the beneficiaries on Schedule 2K-1 unless either:

1. the will or trust instrument specifically requires that capital gains are distributed to the beneficiaries, or
2. it is the final return of the estate or trust.

Enclose Schedule WD with your Wisconsin Form 2.

■ Part I and Part II, Capital Gains and Losses

If you are not affected by any of the items listed below under "Items Which Require Adjustment," fill in the net short-term gain or (loss) from line 5 of your federal Schedule D on line 7a of Schedule WD. Fill in the net long-term gain or (loss) from line 12 of your federal Schedule D on line 15a of Schedule WD. Complete lines 7b, 7c, 15b, and 15c. Write "Same as federal" in the space by line 1 of Schedule WD, and go on to Part III on page 2 of Schedule WD.

If you are affected by any of the items listed below under "Items Which Require Adjustment," fill in each separate amount from lines 1 through 4 and lines 6 through 11 of your federal Schedule D on the appropriate lines on Schedule WD. However, for those items which require adjustment, fill in the amount indicated in these instructions instead of the amount reported on your federal Schedule D.

Items Which Require Adjustment

The following items require adjustments to the amounts reported on your federal Schedule D or as to whether an amount is reported as a short-term or long-term capital gain or loss:

Capital loss carryovers: Fill in your capital loss carryover from assets held one year or less from line 32 of your 2009 Schedule WD on line 5 of Schedule WD. Fill in your capital loss carryover from assets held more than one year from line 37 of your 2009 Schedule WD on line 13 of Schedule WD.

You may have to reduce your capital loss carryover to 2010 if you excluded income from discharge of indebtedness from your 2010 taxable income. Contact any Department of Revenue office for further information.

Net capital gain on the sale of small business stock: Do not include on Schedule WD any net capital gain from the sale of qualified small business stock which you acquired on or after January 1, 1986, held for at least 5 years, and did not acquire by gift. To be qualified small business stock, the corporation must have met certain requirements at the time you acquired the stock from the corporation. You must enclose with your Form 2 a copy of the certification you received from the corporation which indicates the requirements were met.

Part-year and nonresident estates and trusts: Nonresident estates and trusts should include only gain or loss from Wisconsin sources on Schedule WD. Part-year resident trusts should include the amount of gain or loss from all sources while resident and the amount of gain or loss from Wisconsin sources while nonresident.

Gain or loss from Wisconsin sources includes gain or loss from the sale of land, buildings, and machinery located in Wisconsin, and your share of gain or loss from a trust, partnership, limited liability company, or tax-option (S) corporation which has been reported to you on Schedule 2K-1, 3K-1, or 5K-1. It doesn't include losses from nonbusiness bad debts and worthless securities, and gains or losses from sales of stocks.

Gain from installment sales:

- Taxable gain from installment sales reported on lines 2 and 7 of federal Schedule D must be reported on lines 2 and 9 of Schedule WD, as appropriate. Gain from an installment sale is reported on line 2 of Schedule WD if at the time of sale or other disposition you held the property for one year or less, unless the property was acquired from a decedent. If at the time of sale or other disposition you held the property for more than one year or acquired the property from a decedent, the gain is reported on line 9 of Schedule WD.
- Taxable gain from installment sales which is from Form 4797 and included on line 10 of federal Schedule D is included on line 9 of Schedule WD. For property not acquired from a decedent and held one year or less, report the installment sale gain on line 1 of Schedule WD. The remaining portion of the amount on line 10 of federal Schedule D should be reported on line 9 of Schedule WD.
- If you have a federal gain on an installment sale of property located outside Wisconsin and the sale occurred while you were a nonresident of Wisconsin, do not include this installment gain on Schedule WD. For Wisconsin purposes, it is assumed that a nonresident person who sells property located outside Wisconsin elects to report the entire gain in the year of sale, when none of the gain would have been taxable by

Wisconsin. Subsequently, any portion of such installment gain which is taxable for federal purposes is not taxable for Wisconsin.

NOTE: Payments from an installment sale made prior to death that are received after death are “income in respect of a decedent” and the profit is reported in the estate’s income just as it was reported prior to death. If the debt is transferred to the buyer or cancelled, the total unreported gain is taxable to the estate.

Gain or loss from partnerships, S corporations, and other estates or trusts: Fill in on line 3 or 10 the amount of capital gain or loss from partnerships, limited liability companies, tax-option (S) corporations, estates, and trusts.

- If the partnership, limited liability company, S corporation, estate, or trust has informed you of any adjustment to be made to the capital gain or loss for Wisconsin, be sure to use the gain or loss as adjusted.
- If you are a shareholder in a federal S corporation that elects not to be treated as a Wisconsin tax-option (S) corporation, do not include on Schedule WD any capital gain or loss distributed to you by that federal S corporation. See “Additions to or Subtractions from Income” on page 10 of these instructions for additions and subtractions you must make to adjust for tax-option (S) corporation income.

Adjustment for differences between Wisconsin and federal basis of assets: Gain or loss from the sale of assets may be different for Wisconsin and federal purposes because of a difference in federal and Wisconsin basis.

- If there is a difference between the Wisconsin and federal basis of property and that property is a capital asset (sale or other disposition is reported on federal Schedule D), fill in the federal gain or loss in Part I or Part II of Schedule WD, as appropriate. You must also complete Schedule C on page 3 of Form 2 to compute the amount to fill in on line 4 or 12 of Schedule WD.
- If there is a difference between the Wisconsin and federal basis of property and the sale or other disposition of such property is reported on federal Form 4797, resident estates and trusts should see the instruction for Form 2 under “Additions to or Subtractions from Income” and part-year and nonresident estates and trusts should see the instructions for line 7, Part I of Schedule NR. If you entered a gain on line 7 or 9 of your “Wisconsin” Form 4797, you must use the amount from the “Wisconsin” Form 4797 to complete line 9 of Schedule WD.

■ Part III, Summary of Parts I and II

Complete lines 16 through 26 to compute the amount of capital gain or loss that must be included in Wisconsin taxable income.

NOTE: If capital gain income is used or set aside for charitable purposes, the amounts on lines 18 and 23 must be adjusted for the capital gain income included in the charitable deduction.

EXAMPLE: An estate is required to set aside 25% of its income for a charity named in the decedent’s will.

Net capital gain from sale of stock	\$10,000
30% of net capital gain	\$ 3,000
Less 25% included in charitable deduction	<u>(750)</u>
Adjusted amount to enter on line 18	\$ 2,250

Wisconsin ordinary income is all taxable income for Wisconsin (not capital gains or losses) less all Wisconsin deductions.

When computing the Wisconsin capital loss limitation, “Wisconsin ordinary income” means income less deductions. Do not include capital gains or losses.

■ Part IV, Computation of Wisconsin Adjustment to Income

Resident estates and trusts complete Part IV to figure the amount to report as a capital gain/loss adjustment on Schedule A, Form 2. When completing Part IV, enter all amounts as positive numbers.

Compare the net gain or loss on Schedule WD (line 25 for a net gain or line 26 for a net loss) to the portion of capital gain or loss on line 4 of federal Form 1041 allocable to the estate or trust.

- If the net gain or loss on Schedule WD (line 25 for a net gain or line 26 for a net loss) is the same as the portion of capital gain or loss on line 4 of federal Form 1041 allocable to the estate or trust, do not complete Part IV. No adjustment to the capital gain or loss is necessary for Wisconsin purposes. Go on to Part V.
- If the estate or trust has a net gain for both federal and Wisconsin purposes, fill in lines 27a and 27b. Also, fill in either line 27c or 27d, whichever applies.
- If the estate or trust has a net loss for both federal and Wisconsin purposes, fill in lines 27e and 27f. Also fill in either line 27g or 27h, whichever applies.
- If the estate or trust has a net gain for federal purposes and a net loss for Wisconsin, fill in your federal gain on line 27a and your Wisconsin loss on line 27f. Fill in zero (0) on lines 27b and 27e. Also complete lines 27d and 27g. Add the amounts on lines 27d and 27g and fill in the result on line 9, Schedule A of Form 2.
- If the estate or trust has a net loss for federal purposes and a net gain for Wisconsin, fill in your federal loss on line 27e and your Wisconsin gain on line 27b. Fill in zero (0) on lines 27a and 27f. Also complete lines 27c and 27h. Add the amounts on lines 27c and 27h and fill in the result on line 4, Schedule A of Form 2.

■ Part V, Computation of Capital Loss Carryovers From 2010 to 2011

If the net loss on line 16 is more than the loss on line 26, complete Part V to compute the amount of your capital loss carryover. Complete lines 28 through 32 to figure the short-term capital loss carryover. Complete lines 33 through 37 to figure the long-term capital loss carryover.

SCHEDULE 2K-1 BENEFICIARY'S SHARE OF INCOME, DEDUCTIONS, ETC.

Schedule 2K-1 shows each beneficiary's share of income, deductions, etc., distributed by the estate or trust. Schedule 2K-1 requires an entry for the federal amount, adjustment, and Wisconsin amount of each applicable estate or trust item.

Prepare a Schedule 2K-1 for each individual or entity that was a beneficiary during the estate's or trust's taxable year. Enclose a copy of each beneficiary's Schedule 2K-1 with the Form 2 filed with the department. Keep a copy as part of the estate's or trust's records and give each beneficiary his or her own separate copy.

EXCEPTIONS: A Schedule 2K-1 need not be prepared for a Wisconsin resident beneficiary if there are no differences between federal and Wisconsin income, deductions, gains or losses and there are no Wisconsin credits or withholding to be reported. Schedule 2K-1 need not be prepared for nonresident beneficiaries if the income, deductions, etc., distributed are not from Wisconsin sources and there are no Wisconsin credits to be reported. Income from Wisconsin sources includes:

- Wages, salaries, commissions, and other income for personal services performed in Wisconsin.
- Rents and royalties from tangible property located in Wisconsin, such as land, buildings, and machinery.
- Gains or losses from sales or other dispositions of tangible property located in Wisconsin, such as land, buildings, and machinery.
- Profits or losses from businesses, professions, and farm operations conducted in Wisconsin, including sole proprietorships, partnerships, limited liability companies (LLCs), and tax-option (S) corporations.
- Income from the Wisconsin state lottery, a multijurisdictional lottery if the winning lottery ticket or lottery share was purchased from a Wisconsin retailer, or pari-mutuel wager winnings and purses.
- Winnings from a casino or bingo hall located in Wisconsin and operated by a Native American tribe or band.

On each Schedule 2K-1, enter the name and federal identification number of the trust or estate. Also enter the beneficiary's identifying number (social security number for individuals), name, and address and the fiduciary's name and address in the appropriate spaces.

Column b. Federal Amount – Enter the applicable amount from federal Schedule K-1.

EXCEPTION: If the federal amount was computed using a provision of federal law that Wisconsin doesn't follow, you must first complete Schedule B on Form 2, page 3. See the instructions for lines 1 through 9 of Schedule 2K-1 for more information.

Column c. Adjustment – Enter the amount of any additions or subtractions from federal income (modifications and any other adjustments) made to arrive at the amount of any item of estate or trust income, deduction, etc., reportable under Wisconsin law.

Column d. Wisconsin Amount – Enter the amount of each estate or trust item which is reportable by the beneficiary under Wisconsin law (column b plus or minus column c).

SPECIFIC INSTRUCTIONS

Lines 1 through 9. Enter in column b the amount from federal Schedule K-1.

EXCEPTION: If an item is computed under a provision of federal law that cannot be used for Wisconsin purposes, enter in column b the amount from the federal Schedule K-1 plus or minus, as appropriate, the beneficiary's share of the amount from Schedule B, column 1 of Form 2. On line 13, identify the beneficiary's share of the amount from Schedule B, column 1 as a "Schedule I Adjustment" if the beneficiary is an individual or a "Schedule B Adjustment" if the beneficiary is a trust or estate. Each beneficiary must account for this federal – Wisconsin difference on Wisconsin Schedule I (or Schedule B).

Enter the amount of the beneficiary's share of modifications from lines 3, 5, 8, 10, and 11 of Schedule A, Form 2 or Part I of Schedule NR on the appropriate lines of Schedule 2K-1, column c. Show addition modifications as a positive number and subtraction modifications as a negative number.

Example 1: If the federal amount on line 1, column b of Schedule 2K-1 includes any U.S. government interest, show the beneficiary's share of the amount of U.S. government interest as a subtraction modification in column c.

Example 2: If the federal amount on line 6, 7, or 8, column b of Schedule 2K-1 includes a deduction for state and local income taxes, show the beneficiary's share of the amount of taxes as an addition modification in column c.

NOTE: Do not adjust for state and municipal interest on line 1, column c. Enter state and municipal interest taxable to Wisconsin as a subtraction on line 13, column c as "Tax-exempt interest."

For lines 3 and 4a, enter in column d the beneficiary's share of the amounts from lines 7c and 15c of Wisconsin Schedule WD (Form 2). Enter in column b the amounts from lines 3 and 4a of the federal K-1. The difference between column d and column b is entered as the adjustment in column c.

For line 4b, enter in column d the portion of the amount from column d of line 4a that is attributable to gain on the sale of farm assets, determined as follows:

portion of line 14, column (g)
of Schedule WD attributable
to the distributable portion of
gain on the sale of farm assets x amount from line 4a
distributable portion of the
amount from line 14,
column(g) of Schedule WD

Line 10. If the beneficiary is an individual, the Wisconsin amount in column d is zero. If the beneficiary is another estate or a trust, the amount in column d will be the same as column b.

Line 11. If an amount is entered in column b as "Excess deductions" and the beneficiary is an individual, enter the negative of the amount in column b in column c and zero in column d. If the beneficiary is an estate or trust, the amount to enter in column c is determined as explained on page 14 under "Column c. Adjustment."

Line 12. Enter the beneficiary's share of adjustment for minimum tax purposes and distributable tax preference items from federal Schedule K-1. If any adjustment on lines 5 through 9 in column c of Schedule 2K-1 relates to an item that generates an "adjustment" or tax preference amount for minimum tax purposes, any resulting increase or decrease in the amount of the "adjustment" or tax preference for Wisconsin purposes should be entered as an adjustment in column c.

Example: For Wisconsin purposes an adjustment is reported on line 6 in column c of Schedule 2K-1, to increase by \$10,000 the amount of depreciation on an asset that has a larger basis for Wisconsin than for federal purposes. This depreciation is computed under an accelerated method and \$4,000 of the \$10,000 represents a tax preference. Therefore, \$4,000 would be entered on line 12, column c under "Accelerated depreciation."

Line 13. If any portion of an amount entered in column b as "Tax-exempt interest" is taxable for Wisconsin purposes, enter it as a subtraction in column c. The amount in column d is the amount of tax-exempt interest for Wisconsin purposes.

Lines 14a and 14b. Enter the beneficiary's share of related entity expenses required to be added to Wisconsin income and allowed to be subtracted from Wisconsin income.

Lines 15a through 15u. Enter on these lines any credits from Wisconsin Schedules DI, TC, DC, VC, IE, EC, DM, FP, MI, EB, ED, MP, JT, WB, FW, PS, WC, and HR that are allocable to the beneficiary.

Line 15v. Enter the beneficiary's portion of any health insurance risk-sharing plan assessments credit from line 3 of Schedule CR.

Line 15w. Enter the withholding tax paid by the trust or estate on behalf of a nonresident beneficiary. If a nonresident beneficiary claims exemption from withholding because they are an exempt entity, enclose a copy of the exemption statement with the Form 2 filed with the department.

If the trust or estate is a member of another entity that withheld Wisconsin income tax from that entity's income that is passed through to the trust's or estate's beneficiaries, also include that tax withheld in column d.

SCHEDULE CC INSTRUCTIONS

INFORMATION REQUIRED WHEN REQUESTING A CLOSING CERTIFICATE

ESTATES: The department will issue a Closing Certificate for Fiduciaries to an estate only in cases where a Wisconsin court requires a certificate to close a proceeding. The request for the closing certificate can be made at the time the return is filed for the year prior to the final year.

Complete Part I of Schedule CC and sign at the bottom of page 2. Enclose copies of the inventory and will including any codicils, as well as the information requested in Part I of Schedule CC. If any of this information was previously submitted with a Wisconsin estate tax return, it is not necessary to submit additional copies. Mail Schedule CC and enclosures to the following address (Form 2, if being filed at the same time, should be mailed together with Schedule CC. However, do **not** staple or paper clip Schedule CC and enclosures to Form 2 and enclosures.):

Wisconsin Department of Revenue
PO Box 8918
Madison WI 53708-8918

The certificate will be mailed or a letter sent in six to eight weeks.

The receipt of the closing certificate does not relieve the estate from the responsibility of filing a final return.

TRUSTS: A Closing Certificate for Fiduciaries is issued to a trust only when the trust is under the supervision of the Probate Court. The Probate Court requires the Department of Revenue to verify that a trust under their jurisdiction has filed all tax returns and paid all taxes before releasing the trustee and allowing the trust to close. The Closing Certificate for Fiduciaries is the document that is used by the Department of Revenue to inform the court that all tax returns have been filed and all taxes paid.

The certificate may be issued in the year prior to the final year of the trust to expedite the closing of the trust. This does not relieve the trust of the requirement to file a final return.

Complete Part II of Schedule CC and sign at the bottom of page 2. Enclose copies of the trust instrument and any amendments, a statement as to why the trust is closing, and copies of the annual court accountings for the previous 3 years. If annual accountings have not been filed with the court, provide verification that the court requires the Closing Certificate for Fiduciaries to close a proceeding. Mail Schedule CC and enclosures to the following address (Form 2, if being filed at the same time, should be mailed together with Schedule CC. However, do **not** staple or paper clip Schedule CC and enclosures to Form 2 and enclosures.):

Wisconsin Department of Revenue
PO Box 8918
Madison WI 53708-8918

The certificate will be mailed within 120 days.

TIPS ON FILING FORM 2

E-file Form 2 for the fastest processing available. However, if you do paper file, there are several things you can do that will speed-up processing.

Paper returns are electronically scanned. The processing of the return (and any refund) is delayed when the scanner cannot correctly read the information on it. **To aid in the scanning process**, be sure to do the following when completing Form 2:

- Do not submit photocopies to the department. Photocopies can cause unreadable entries.
- Use BLACK INK. Pencils, colored ink, and markers do not scan well.
- Write name and address information clearly using BLOCK CAPITAL LETTERS like this: A B C D ...
- NEVER USE COMMAS OR DOLLAR SIGNS. They can be misread by scanners.
- Round off amounts to WHOLE DOLLARS – NO CENTS.
- Do not use parentheses () for a negative number. Use a negative sign, -8300 rather than (8300).
- Print your numbers like this: **0 1 2 3 4 5 6 7 8 9** Do not use: **Ø 1 4 7**
- Do not add cents in front of the preprinted zeros on entry lines.
- Do not cross out entries. Use correction fluid, if available, or start over.
- Do not write in the margins.
- Always put entries on the lines, not to the side, above, or below the line.
- Lines where no entry is required should be left blank. Do not fill in zeros.
- Do not draw vertical lines in entry fields. They can be read as a “1” by scanners.
- If mailing more than one Form 2 at a time, use colored separator sheets in between returns.
- Do not use staples when assembling Form 2 and enclosures.
