Note: Include this page as part of Schedule H only if Schedule 1, 2, and/or 3 is completed.

Schedule 1 | Allowable Taxes – Home on More Than One Acre of Land

- Homeowners: Complete this schedule if your home was on more than one acre of land and was not part of a farm (as defined on page 6 of the instructions). Claim only the property taxes on one acre of land and the buildings on it.
- Renters: If your home was on more than one acre of land and was not part of a farm, do not complete Schedule 1, but see exception 4 under "Exceptions: Homeowners and/or Renters" (page 14) for instructions.
- Do not complete this schedule if your home was part of a farm. You may claim the property taxes on up to 120 acres of land adjoining your home and all improvements on those 120 acres.
- If you wish to use a different method to prorate your property taxes, attach to Schedule H your computation of allowable property taxes.

- 1 Assessed value of land (from tax bill)
- 2 Number of acres of land _ ___
- 4 Assessed value of improvements (from tax bill).....

- 8 Net 2012 property taxes (see instructions for line 13 of Schedule H, on pages 11 to 14)

Schedule 2 Allowable Taxes/Rent – Home Used Partly for Purposes Other Than Farm or Personal Use

- Complete this schedule if your homestead (as defined on page 5 of the instructions) was not part of a farm but was used partly for purposes other than personal use while you lived there in 2012. Only the personal portion of your property taxes/rent may be claimed.
- "Other uses" include part business or rental use where a deduction is allowed or allowable for tax purposes, and a separate unit occupied by others rent free. See paragraph 3 under "Exceptions: Homeowners and/or Renters" (page 13) for examples and additional information.
- 1 Net 2012 property taxes/rent or amount from line 9 of Schedule 1 (see pages 11 to 14)

INSTRUCTIONS FOR SCHEDULE CG

Purpose of Schedule CG

Schedule CG must be completed by individuals who are not declaring income from a long-term capital gain on their 2012 Wisconsin income tax return (Schedule WD) because they have reinvested the capital gain.

Wisconsin law provides that the long-term capital gain may be deferred when certain conditions are met and the gain is reinvested in either (1) a "qualified new business venture" or (2) a "qualified Wisconsin business."

Who may claim the deferral of gain

The deferral of gain may be claimed by an individual, including an individual partner of a partnership, member of a limited liability company, or shareholder of a tax-option (S) corporation.

Definitions

"Financial institution" means any bank, savings bank, savings and loan association or credit union that is authorized to do business under state or federal laws relating to financial institutions.

"Long-term capital gain means the gain realized from the sale of any capital asset held more than one year that is treated as a long-term gain under the Internal Revenue Code.

"Qualified new business venture" is a business certified by the Wisconsin Economic Development Corporation (WEDC). A business may be certified, and may maintain such certification, only if the business is engaged in one of the following:

- Developing a new product or business process.
- Manufacturing, agriculture, or processing or assembling products and conducting research and development.

The business must submit an application to WEDC in each calendar year for which it desires certification.

"Qualified Wisconsin business" means a business certified by the WEDC. The business must submit an application to WEDC in each calendar year for which it desires certification. A business may be certified if:

- The amount of payroll compensation paid by the business in Wisconsin is equal to at least 50 percent of the amount of all payroll paid by the business, and
- The value of real and tangible personal property owned or rented and used by the business in Wisconsin is equal to at least 50 percent of the value of all real and tangible personal property owned or rented and used by the business.

Where to get information on a "qualified new business venture" or a "qualified Wisconsin business"

For further information on a qualified new business venture" or a "qualified Wisconsin business," go to the WEDC website at <u>inwisconsin.com</u> or contact WEDC, 201 W. Washington Avenue, PO Box 1687, Madison WI 53703 (telephone 608-267-4417).

Procedures

An individual may subtract from federal adjusted gross income any amount (limited to \$10,000,000 if reinvestment is in a "qualified new business venture") of a long-term capital gain if the individual does all of the following:

- Deposits the gain into a segregated account in a financial institution.
- Within 180 days after the sale of the asset that generated the gain, invests all of the proceeds in the account in a "qualified new business venture" or "qualified Wisconsin business."
- Attaches completed Schedule CG to the individual's Wisconsin income tax return for the taxable year in which the deferral of gain is claimed.

Specific Instructions

Line 4 Fill in the amount of long-term capital gain deposited in a segregated account in a financial institution. If the long-term gain will be reinvested in a "qualified new business venture," do not fill in more than \$10,000,000. The \$10,000,000 limitation does not apply if the long-term gain was reinvested in a "qualified Wisconsin business."

This is the amount of long-term capital gain that may be deferred if reinvested. Individuals claim the deferral of gain when completing Wisconsin Schedule WD.

Lines 8 and 9 Complete line 8 if the long-term gain was reinvested in a "qualified new business venture." Complete line 9 if the long-term gain was reinvested in a "qualified Wisconsin business."

Line 11 The basis of the investment is calculated by subtracting the deferred gain (line 4) from the amount of the investment in the "qualified new business venture" or the "qualified Wisconsin business" (line 10). The reduced basis will result in a larger gain (or smaller loss) for Wisconsin than for federal purposes when the investment is sold or otherwise disposed of in the future.

Note: If you invested the deferred gain in a "qualified Wisconsin business" and hold the investment for 5 years, if certain conditions are met you may be able to exclude gain from the sale or disposition of the investment. The business must have been certified for the year of the investment and for two of the subsequent four years. The gain that may be excluded does not include the amount of deferred gain.

A copy of Schedule CG must be enclosed with your Wisconsin income tax return.

2012 Schedule EM Page 2 of 2

Instructions for 2012 Schedule EM

GENERAL INSTRUCTIONS

Purpose of Schedule EM

Use Schedule EM to claim the electronic medical records credit. The credit is available for taxable years beginning after December 31, 2011, to taxpayers who are certified by the Wisconsin Department of Revenue (DOR).

Who is Eligible to Claim the Credit

Any individual, estate, trust, partnership, limited liability company (LLC), corporation, tax-option (S) corporation, insurance company, or tax-exempt organization that is certified by the DOR may be eligible for the credit.

The credit is based on the amount paid by the claimant in the taxable year for information technology hardware or software that is used to maintain medical records in electronic form. The claimant must qualify as a health care provider as defined in sec. 146.81(1)(a) to (p), Wis. Stats. Partnerships, LLCs treated as partnerships, and tax-option (S) corporations cannot claim the credit; instead the credit flows through to the partners, members, or shareholders based on their ownership interests.

Estates and trusts share the credit with their beneficiaries in proportion to the income allocable to each.

No credit is allowed unless the claimant satisfies the following requirements:

- · The claimant is certified by the DOR.
- The claimant received from the DOR a notice of eligibility to receive tax benefits that reports the amount of tax benefit for which the claimant is eligible.

Credit is Income

The credit that you compute on Schedule EM is income and must be reported on your Wisconsin franchise or income tax return in the year computed.

Carryforward of Unused Credits

The electronic medical records credit is nonrefundable. Any unused credit may be carried forward for 15 years.

If there is a reorganization of a corporation claiming the electronic medical records credit, the limitations provided by Internal Revenue Code section 383 may apply to the carryover of any unused credit.

SPECIFIC INSTRUCTIONS

Line 1 Enter the amount of tax benefits reported on the notice of eligibility received from the DOR.

Line 2 Enter the amount of electronic medical records credit passed through from tax-option (S) corporations, partnerships, LLCs treated as partnerships, estates, or trusts. The pass-through credit is shown on Schedule 5K-1 for shareholders of tax-option (S) corporations, Schedule 3K-1 for partners and LLC members, and Schedule 2K-1 for beneficiaries of estates or trusts.

Provide the following information about the pass through entity: the name of the entity, the federal employer identification number, and amount of credit passed through from the other entities. If additional lines are required, attach a schedule.

Line 3 Enter the amount of credit from line 3 on line 19 of Schedule CR. See the following exceptions:

- If the claimant is a combined group member, enter the amount of credit on Form 4M instead of Schedule CR.
- Tax-option (S) corporations, partnerships, and LLCs treated as partnerships should prorate the amount of credit on line 3 among the shareholders, partners, or members based on their ownership interest. Show the credit for each shareholder on Schedule 5K-1 and for each partner or member on Schedule 3K-1.
- Fiduciaries Complete lines 3a and 3b.

Line 3a Fiduciaries – Prorate the credit from line 3 between the entity and its beneficiaries in proportion to the income allocable to each. Show the beneficiaries' portion of the credit on line 3a. Show the credit for each beneficiary on Schedule 2K-1.

Line 3b Subtract line 3a from line 3. This is the estate's or trust's portion of the credit. Fill in here and on line 19 of Schedule CR.

Required Attachment to Return

File your completed Schedule EM with your Wisconsin franchise or income tax return. Also include a copy of your DOR certification to claim the credit and the notice of eligibility. Shareholders of tax-option (S) corporations, partners of partnerships, members of LLCs treated as partnerships, and beneficiaries of estates or trusts must file a copy of Schedule 5K-1, 3K-1, or 2K-1, as appropriate, with Schedule EM instead of the certification and notice of eligibility.
