2.1 FEE AMOUNT

Except as provided in Section 2.3, the monetary compensation for services rendered and costs incurred by the Contractor in the performance of the Audits under the terms and conditions of this contract shall be twelve percent (12%) of the value of Past Due Property, as defined above, reported and remitted to the State during the term of the contract ("Fee"). This Fee serves as full and complete compensation for all work performed during the Audit process, including the collection and review of books and records, the preparation of the owner reports submitted to the State, any fees or costs for handling and transmitting of Past Due Property and the disbursement of the Past Due Property to the State.

For the purposes of this contract, the value of the Past Due Property does not include any interest or penalties applicable thereto and shall be determined as follows:

- 2.1.1 If cash, the cash value of the property.
- 2.1.2 If securities, the closing price of the security traded on an exchange within three (3) business days of the date the property is registered to the State or received in the State's securities custodian account.
- 2.1.3 If securities traded over the counter, the bid price within three (3) business days of the date the security is registered to the State or received in the State's securities custodian account.
- 2.1.4 If an unlisted security or other personal property without a listed value, the generally accepted valuation method applicable to such property. In the

event that there are multiple generally accepted valuation methods, the State shall solely determine which generally accepted valuation method is chosen and used for purposes of this section and contract.

 - 2.2.1.1 The Audit report described in Section 3.3.2;
 - 2.2.1.2 The property report described in Section 3.3.3; and
 - 2.2.1.3 Remittance of the Past Due Property found in the Audit to the State.

- 2.2.3 The Contractor will be compensated only on Past Due Property and will not be compensated on current or future property due. The Contractor will not be compensated for property delivered for an approved Audit if it is determined that the Contractor delayed the delivery to cause the property to become past due.

2.3 PARTIAL AUDITS

- 2.3.1 In cases where a Contractor begins an Audit but ceases work on the Audit at the Contract Administrator's request or the contract expires or is terminated before the Audit is complete, the fee shall be based on the lesser of:
 - 2.3.1.1 The value of Past Due Property, as defined in Section 2.1, identified by the Contractor before ceasing to work on the Audit and delivered to the State by the Holder, or
 - 2.3.1.2 The value of past Due Property, as defined in Section 2.1, delivered by the Holder multiplied by a ratio, the numerator of which is the Contractor's hours spent on the Audit and the denominator of which is the total hours spent on the Audit by both the Contractor and the Wisconsin Department of Revenue.
- 2.3.2 In cases where a Contractor begins an Audit but ceases work on the Audit because the Holder voluntarily delivers the Past Due Property before the Audit is complete, the fee shall be based on the net value of Past Due Property identified by the Contractor before ceasing to work on the Audit, as evidenced in the Contractor's Audit workpapers.
- 2.3.3 No Fee shall be paid unless the Past Due Property is delivered to the State by the Holder.
