Revenue Department Offers Free E-file to Students

It's easy to e-file your tax return

College students who worked in Wisconsin last year can e-file online at no cost – and get their refund in just days. The Wisconsin Department of Revenue offers free electronic filing (e-filing) on its website at revenue.wi.gov. You can also find helpful videos online about a variety of topics, including step-by-step instructions for filing your Wisconsin taxes.

To use the Department's free e-file program:

1. Get all your tax documents ready (such as your W-2)
2. Go to revenue.wi.gov
3. Click on the WI E-file button to get started

4. Click on Form WIZ or Form 1A to file your taxes, which should take only a few minutes

The Department expects about three million total tax returns this year and approximately 80% of those will be e-filed. E-filing is fast, accurate and secure.

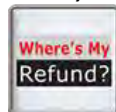

Check the Status of Your Refund

You can check on your refund 24 hours a day, seven days a week using our automated refund line and website. These options give the same information that our customer service representatives use to check the status of your refund.
