## Revenue Department Encourages Students to E-file For Free

*E-filing is fast and easy, and so is using the new WI Revenue mobile app!*

With spring break just weeks away, college students who worked in Wisconsin last year can e-file online and get their refund in just days. Free electronic filing is available on the Wisconsin Department of Revenue website at [revenue.wi.gov](http://revenue.wi.gov). Just click on the WI e-file button and follow the step-by-step instructions for filling out your Wisconsin tax return.

WI e-file will walk students through all the steps, including which form to use. Remember to have all tax documents ready (such as your W-2 and federal income tax return). DOR's website also offers helpful videos about a variety of topics, including instructions for filing Wisconsin taxes.

DOR now has new free mobile app that lets you check the status of your refund. The WI Revenue mobile app offers some of our most popular online services, including refund lookup and how to contact us by topic type. Download the WI Revenue mobile app from your Apple or Android app store.

The Department expects about three million total tax returns this year and approximately 80% of those will be e-filed. E-filing is available 24 hours a day, seven days a week and is fast, accurate and secure.

### Check the Status of Your Refund

You can check on your refund 24 hours a day, seven days a week using the new WI Revenue mobile app or our automated refund line and website. These options give the same information that our customer service representatives use to check the status of your refund.
