## College Students - e-File For Free and Get Your Refund by Spring Break

*e-Filing is fast and easy, and so is using the WI Revenue mobile app!*

With our free Wisconsin e-file program and the WI Revenue mobile app, it's never been easier to file your tax return and check the status of your refund. College students who need a little cash for their upcoming spring break vacations can e-file online and get their refund before spring break.

Students - just go to the Wisconsin Department of Revenue (DOR) website at [revenue.wi.gov](http://revenue.wi.gov) and click on the WI e-file button and follow the step-by-step instructions for filling out your Wisconsin tax return.

WI e-file walks you through the entire process, including which form to use. Make sure you have all your tax documents ready (like your W-2 and federal income tax return). DOR's website also offers helpful videos about a variety of topics, including instructions for filing Wisconsin taxes.

Don't forget about our free mobile app that lets you check the status of your refund. It now has a new look and feel and we added several new features. Download the [WI Revenue mobile app](#) from the Apple or Google Play app store.

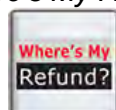

You can also follow [DOR on Twitter @WI\\_Revenue](#) to get tax season tips and the latest updates. DOR expects about three million total tax returns this year and approximately 80% of those will be e-filed. e-Filing is available 24 hours a day, seven days a week and is fast, accurate and secure.

### Check the Status of Your Refund

You can check on your refund any time using the WI Revenue mobile app or our automated refund line and website. These options give the same information that our customer service representatives use to check the status of your refund.
