Department Offers Online Tools to Help Answer Tax Questions

This Wisconsin Department of Revenue has a variety of apps and information online to help answer your income tax filing questions. Remember that the deadline to file your income taxes is Wednesday, April 15.

View a Variety of Self-Service Options

- Use links to [income tax forms and instructions](#)
- Find answers to [common questions](#) about preparing your income tax return, electronic filing, income tax credits and much more

Watch Our Videos. Our [video center](#) has a number of videos available to walk you through some of the most common tax filing questions. Many of our videos are now available with Spanish captions.

Check Your Refund Status

Our [Where's My Refund](#) app allows you to easily check the status of your refund – and it's the same information our customer service staff would provide. The information is updated daily and is available 24/7. You can also check the status of your refund by calling us toll-free at 866-WIS-RFND.

Get Social With Us

Download the WI Revenue [mobile app](#) which is available from your Apple or Android app store. Our app includes some of our most popular online features including refund lookup, tax assistance videos, and news updates.

Follow us on Twitter at [@wi_revenue](#) to keep current on tax tips and updates

If you have questions after looking at our information online, contact our customer service representatives at 608-266-2772.
