## **New Annual Assessment Summary Report Released Today**

The Wisconsin Department of Revenue (DOR) released a new Annual Assessment Summary Report today, April 8, 2020. The report's primary function is to provide local government officials a summary of assessment information for their communities; Wisconsin property owners should find the information helpful as well.

### **Report Information**

This report captures information Wisconsin municipalities and counties provide to DOR annually. To access the report, visit our Reports page: [revenue.wi.gov/Pages/Report/Home.aspx](https://revenue.wi.gov/Pages/Report/Home.aspx).

To view a report – select the appropriate report year, county, and municipality. The report will open as a PDF file.

### **Each report includes:**

- **General Information** – including: assessment year, county-municipality, and Municipal Assessment Report type/date filed
- **Assessor Information** – contact information
- **Fast Facts** – total assessed and equalized values, and net new construction for assessment year and prior year
- **Parcel County by Class** – number of parcels in each class (class 1–7) for assessment year and prior year
- **Real Estate Sales** – valid, invalid and total sales for two years prior to assessment year
- **Assessment Level and Type** – for assessment year and four prior years
- **Additional Information** – helpful resources, including Wisconsin Assessors list and DOR contact information

### **Feedback and suggestions encouraged**

DOR encourages local officials to provide feedback on this new report and suggestions for 2021. Send them to [otas@wisconsin.gov](mailto:otas@wisconsin.gov).
