Wisconsin Department of Revenue distributes just under \$1.4 billion in shared revenue to local governments, schools, tech colleges and special districts

The Wisconsin Department of Revenue (DOR) kicked off the week with a distribution of the following shared revenue and property tax credit payments to counties, municipalities, school districts, technical colleges and special districts.

JULY 2020 - SHARED REVENUE AND PROPERTY TAX CREDIT DISTRIBUTIONS	
First Dollar Credit	\$149,415,365.19
County-Municipal Aid	\$105,901,822.28
Utility Aid	\$10,413,293.76
Expenditure Restraint	\$59,311,699.61
School Levy Tax Credit	\$940,000,000.03
Video Service Provider Aid	\$5,000,000.00
Exempt Computer Aid	\$98,047,058.69
TOTAL JULY DISTRIBUTION	\$1,368,089,239.56

Wisconsin has a long history of sharing state revenues with local governments. State revenue sharing began in 1911 with the enactment of the state income tax and evolved over the years from a return-to-origins basis to a need-based system. More information on shared revenue can be found [here](#).
