This report includes general purpose revenue (GPR) taxes collected by the Wisconsin Department of Revenue and does not include taxes collected by the Office of the Commissioner of Insurance, administrative fees, and other miscellaneous revenues. Total General Fund tax collections are reported in the Department of Administration's Report of Monthly General Fund Financial Information, which includes GPR and program revenue taxes collected by all state agencies.

Notes:

1. Individual income taxes and Total GPR in Fiscal Year 2025 were negatively impacted by check processing delays in April, inflating the May revenues by over $200 million. Year-to-date revenues are not impacted.
2. As standard practice, in both fiscal years 2025 and 2026, the adjusted lines include withholding that was received on the first working day of June, rather than the last day of May, which was a weekend. Collections-to-Date for both fiscal years were also impacted.

3. Individual Income includes 50.2% of pass-thru withholding. Corporate Income includes the remaining 49.8%.
4. The Other category includes estate, utility, vapor registration fees, and real estate transfer tax collections.
5. Total does not include insurance premium taxes.
6. This report is generated from the STAR Accounting System. Timing differences may cause the amounts in this report to differ from reports produced by the Department of Administration. All data are preliminary and unaudited.
