Report real estate and personal property separately. These should be for **prior years**, not something found on the current assessment roll after the board of review.

B. Special District (Lines 24-35) Include the value of both real and personal property.

The Department of Revenue (DOR) preprints much of the information regarding names and codes for schools, special districts, etc. If a district is not listed, enter the name and value only, DOR will enter the proper code.

Page 3 School Districts:

Report School District (regular, elementary, union high school, and technical college).
