

TAX REPORT

WISCONSIN DEPARTMENT OF REVENUE

1 86

I. COUNTY TAX BEGINS APRIL 1, 1986 IN BARRON AND DUNN COUNTIES

Beginning April 1, 1986, there will be a 1/2% county sales and use tax in two counties—Barron and Dunn. Retailers who make sales which are subject to the 1/2% county tax in these two counties will collect 5 1/2% sales tax on such retail sales—5% state sales tax and 1/2% county tax.

CAUTION: There will not be a county tax for Brown County. Although the December 1985 TAX REPORT previously mailed to you indicated Brown County would have a county tax, the Brown County Board has since passed an ordinance to repeal the tax.

II. SALES AND USE TAX RETURN REVISED

Both the state tax and the county tax will be reported by retailers on their sales and use tax returns (Form ST-12) which are filed with the Department of Revenue. Form ST-12 has been revised to include entry areas for county sales and use tax. A copy of the revised Form ST-12 is shown on the reverse side of this TAX REPORT.

Monthly Filers - The revised Form ST-12 will first be filed by monthly filers beginning for the month of April 1986. The April 1986 Form ST-12 will be sent to monthly filers during the last week of April 1986.

Quarterly Filers - The revised Form ST-12 will be filed for quarterly periods ending in April 1986 and thereafter. It will be sent to quarterly filers during the last week of the quarterly period.

Annual Filers - The revised Form ST-12 will be filed for years ending in April 1986 and thereafter. It will be sent to annual filers during the last week of the reporting year.

Instructions for Completing Revised Form ST-12: The instructions have also been revised and will be included with the revised Form ST-12 when it is sent to monthly, quarterly and annual filers.

III. HOW DOES THE COUNTY SALES AND USE TAX APPLY TO RETAILERS AND OTHER PERSONS

Be sure to read the December 1985 TAX REPORT which was sent to you in late December 1985. It describes the types of property and services which are subject to county taxes, which retailers are liable for county taxes and it also contains other important information.

Retailers who are not located in Barron or Dunn County may still be subject to the county tax if they deliver property or taxable services into one of these counties or are in some other way engaged in business in these counties. Part III.B. of the December 1985 TAX REPORT explains when a retailer is "engaged in business" in Barron or Dunn County.

IV. OTHER SPECIAL PROVISIONS

A. Contractors

A contractor is liable for the 1/2% county use tax on any tangible personal property used in constructing, altering, repairing or improving real property which becomes a component part of real property in Barron or Dunn County.

Contracts Entered Into Before April 1, 1986: See Part V. of the December 1985 TAX REPORT to see if you qualify for the exemption for contracts entered into before April 1, 1986. If you qualify, give the seller a completed Form S-207CT when the building materials are purchased. Copies of this form are available from any Department of Revenue office.

B. Motor Vehicles, Boats, Etc.

A county use tax is imposed upon every motor vehicle, boat, snowmobile, mobile home 45 feet or less in length, trailer, semi-trailer, all-terrain vehicle or aircraft if (a) that property must be registered or titled with the State of Wisconsin and (b) if that property is to be customarily kept in Barron or Dunn County.

Dealers of Motor Vehicles, Boats, etc.: See Part IV.C. of the December 1985 TAX REPORT which explains how the county tax applies to purchases from dealers.

V. COLLECTING COUNTY TAX FROM CUSTOMERS - THE BRACKET SYSTEM

To separately state the 5% Wisconsin state tax and 1/2% county tax when passing these taxes on to customers, retailers must use the bracket system. Enclosed with this TAX REPORT is a card which shows the amount of tax for sales that are subject to both the 5% state tax and the 1/2% county tax. See Part VI. of the December 1985 TAX REPORT for additional information on the bracket system.

VI. KEEP ACCURATE RECORDS

Beginning April 1, 1986, retailers engaged in business in Barron or Dunn County will have to keep records showing the amount of their taxable receipts subject to sales tax and purchases subject to use tax for each of the two counties—Barron and Dunn.

VII. DO YOU HAVE ANY QUESTIONS?

If you have any questions, call or visit any Department of Revenue office or write to: Wisconsin Department of Revenue, P.O. Box 8902, Madison, WI 53708.
