General Instructions for Form 3

Partnerships, including limited liability companies (LLCs) treated as partnerships, use Form 3 to report their income, gains, losses, deductions, and credits.

Who Must File Form 3

Every partnership and limited liability company treated as a partnership with income from Wisconsin sources, regardless of the amount, must file Form 3. For example, a partnership must file a return if it has income from:

- Business transacted in Wisconsin,
- Personal or professional services performed in Wisconsin,
- Real or tangible personal property located in Wisconsin,
- A covenant not to compete, if that covenant was based on a Wisconsin-based activity, or
- Wisconsin lottery prizes, including income from the sale of or purchase and subsequent sale or redemption of lottery prizes if the winning tickets were originally bought in Wisconsin.

The Department of Revenue may also require a partnership with Wisconsin resident partners to file a Wisconsin partnership return even though it has no Wisconsin business or income. For example, an out-of-state partnership that does no business in Wisconsin, has no property in Wisconsin, and has no income from Wisconsin sources may be requested to file a partnership return to enable the Department of Revenue to compute a Wisconsin resident partner's Wisconsin tax liability.

Exceptions: The following partnerships and limited liability companies are not required to file Form 3:

- A syndicate, pool, joint venture, or similar organization that isn't required to file a federal partnership return because it has elected under Internal Revenue Code (IRC) section 761(a) not to be treated as a partnership for federal income tax purposes may make a similar election for Wisconsin purposes. To make the election, attach a copy of the federal election statement to the Form 3 filed with the Department of Revenue for the year of election.
- If the Wisconsin election is made, the organization generally won't have to file Form 3 except for the year of election. However, the Department of Revenue may require the organization to file a return so that a partner's Wisconsin tax liability may be computed.
- Publicly traded partnerships treated as corporations under IRC section 7704 must file Wisconsin Form 4 or 6 instead of Form 3.
- Limited liability companies treated as corporations for federal income tax purposes must file Wisconsin Form 4 or 6 instead of Form 3.
- Single member limited liability companies that are disregarded as separate entities under IRC section 7701 are disregarded as separate entities for Wisconsin purposes. The member is required to include the income and expenses of the limited liability company on the member's return.
- Common trust funds are treated as fiduciaries under Wisconsin law and must file Wisconsin Form 2 instead of Form 3.

Definitions

Partnership. A partnership is an association of two or more persons to carry on as co-owners a trade or business for profit. The term "partnership" includes a limited partnership, registered limited liability partnership, syndicate, group, pool, joint venture, or other unincorporated organization, through or by means of which any business, financial operation, or venture is carried on, and is not, within the meaning of the Wisconsin income tax law, a corporation, trust, estate, or sole proprietorship.

Limited Partnership. A limited partnership is formed under a state limited partnership law and composed of at least one general partner and one or more limited partners.

Registered Limited Liability Partnership. A registered limited liability partnership (LLP) is formed under Wisconsin limited liability partnership law and registered under sec. 178.40, Wis. Stats. Generally, a partner in an LLP isn't personally liable for the debts of the LLP or any other partner.

Foreign Registered Limited Liability Partnership. A foreign limited liability partnership is formed pursuant to an agreement governed by the laws of a state other than Wisconsin or another country and registered under the laws of that jurisdiction.

General Partner. A general partner is a partner who is personally liable for partnership debts.

Limited Partner. A limited partner is a partner whose personal liability for partnership debts is limited to the amount of money or other property that the partner contributed or is required to contribute to the partnership. **Note:** A partner who has the authority to act for or bind the partnership in any way or to participate in any way in the management or business affairs of the partnership, or both, is deemed to be a general partner, even if the person is defined as a limited partner in the partnership agreement.

Limited Liability Company. A limited liability company (LLC) is an entity formed under state law by filing articles of organization as an LLC. Unlike a partnership, none of the members of an LLC are personally liable for its debts. However, members or other persons may be personally liable for the payment of taxes based on their responsibilities or actions.

An LLC may be classified for federal income tax purposes as a partnership, a corporation, or as an entity disregarded as a separate entity from its owner. If an LLC is classified as a partnership for federal income tax purposes, it is treated as a partnership for Wisconsin purposes. An LLC classified as a corporation for federal income tax purposes is treated as a corporation by Wisconsin. An LLC disregarded as a separate entity for federal income tax purposes is also disregarded as a separate entity for Wisconsin income tax purposes. For more information, obtain Wisconsin [Publication 119, Limited Liability Companies \(LLCs\)](#).

When and Where to File

A partnership must file its return with the Wisconsin Department of Revenue by the 15th day of the 3rd month following the close of its taxable year.

Extensions. Any extension allowed by the Internal Revenue Service (IRS) for filing the federal return automatically extends the Wisconsin due date, if you include a copy of the federal extension with your Wisconsin return. If you aren't requesting a federal extension, but you need additional time to file your Wisconsin return, you may obtain an extension available to partnerships under federal law. To receive the Wisconsin extension, include with your Wisconsin return a completed copy of the appropriate federal extension form or a statement explaining which federal extension provision you are using.

Disaster Relief Extension. If you are filing under extension because of a federal or state disaster, include a statement indicating which disaster extension you are using and attach it to your return. Additional information on disaster areas can be found here: revenue.wi.gov/Pages/Businesses/Disaster-Tax-Assistance.aspx

The IRS allows an extension period of six months. This same extension period applies to Wisconsin partnership returns.

Filing Methods. Partnerships are required to file tax returns electronically and may file electronically through the Federal/State E-Filing Program. For a list of software vendors participating in this program, visit the Department's web page at:

revenue.wi.gov/eserv/partnership/third.html

If it is not possible to file the return electronically, a [waiver](#) must be obtained in order to file a paper return. More information is available from the Department's web page at revenue.wi.gov/Pages/TaxPro/news-2011-110727b.aspx If an electronic filing waiver is approved, file your return on paper using these mailing instructions:

- **Do not fasten, staple or bind the pages of your return.** Use paper clips instead.
- If you are submitting multiple returns, separate them with **colored separator sheets**.
- Use the mailing address shown on page 4 of the form.

Period Covered by Return and Accounting Methods

The return must cover the same period as the partnership's federal income tax return. File a 2017 Wisconsin return for calendar year 2017 or a fiscal year that begins in 2017. Generally, a fiscal year may end only on the last day of a month. Finally, the period covered by the return can't exceed 12 months.

Short period example: Partnership AB has a fiscal year beginning March 1, 2017 and ending February 28, 2018. Partnership AB files a 2017 Form 3 for the period of March 1, 2017 through February 28, 2018.

If a partnership elects, under IRC section 444, to have a taxable year other than a required taxable year, that election also applies for Wisconsin. Unlike for federal purposes, the partnership doesn't have to make a required payment of tax as provided in IRC section 7519.

Figure ordinary income by the accounting method regularly used in maintaining the partnership's books and records. The method may include the cash receipts and disbursements method, an accrual method, or any other method permitted by the IRC in effect for Wisconsin. The method must clearly reflect income.

Disclosure of Related Entity Expenses and Reportable Transactions

A partnership may be required to separately disclose certain expenses paid, accrued, or incurred to a related entity. A partnership or a partnership's material advisor may also be required to separately disclose reportable transactions.

CAUTION: Wisconsin law provides that certain related entity expenses shall not be allowed as deductions if they are not timely disclosed as required by the Department of Revenue. Also, penalties may apply for failure to disclose reportable transactions to the Department.

Disclosure of Related Entity Expenses. If the partnership will be deducting more than \$100,000 (after considering the effect of apportionment) of interest, rent, management fees, or intangible expenses paid, accrued, or incurred to a related person or entity, the partnership must generally include Schedule RT, Wisconsin Related Entity Expenses Disclosure Statement, with its franchise or income tax return. The Schedule RT instructions explain the reporting requirements.

However, even if you are not required to include Schedule RT, if you are taking deductions for interest, rent, management fees, or intangible expenses, paid, accrued, or incurred to related entities, you must add those expenses back to federal income as Wisconsin modification. If the expenses meet the tests for deductibility, you may subtract them out as subtraction modifications on Schedule 3K.

Partnership's Disclosure of Reportable Transactions.

If a partnership was required to include any form with its federal tax return to disclose a "reportable transaction," as defined under sec. 71.81(1)(c), Wis. Stats., it must file a copy of that form with the Department of Revenue within 60 days of the date it is required to file it for federal income tax purposes, provided that it is otherwise required to file a Wisconsin return. This includes federal Form 8886, *Reportable Transaction Disclosure Statement*.

Submit the form(s) with your return or send a paper copy of the form(s), separate from your Form 3, to the following address: Wisconsin Department of Revenue, Tax Shelters Program, PO Box 8958, Madison, WI 53708-8958.

Material Advisor's Disclosure of Reportable Transactions. A "material advisor" means any person who provides any material aid, assistance, or advice with respect to organizing, managing, promoting, selling, implementing, insuring, or carrying out any reportable transaction (as defined in the U.S. Treasury Regulations) and who, directly or indirectly, derives gross income from providing such aid, assistance, or advice in an amount that exceeds the threshold amount.

For a material advisor providing advice to an entity and not an individual, the "threshold amount" is any of the following:

- \$25,000 if the reportable transaction is a listed transaction (as defined in the U.S. Treasury Regulations).
- \$250,000 if the reportable transaction is not a listed transaction.

For a material advisor providing advice to an individual, the "threshold amount" is any of the following:

- \$10,000 if the reportable transaction is a listed transaction (as defined in the U.S. Treasury Regulations).
- \$50,000 if the reportable transaction is not a listed transaction.

A material advisor that is required to disclose a reportable transaction to the IRS must file a copy of the disclosure with the Department of Revenue within 60 days of the date it is required for federal income tax purposes, if the reportable transaction affects the taxpayer's Wisconsin income or franchise tax liability. For federal purposes, the form required for this disclosure is Form 8918.

If you are required to file Form 8918 for federal income tax purposes and the reportable transaction to which the form relates affects the taxpayer's Wisconsin income or franchise tax liability, send a paper copy, separate from Form 3, to the following address: Wisconsin Department of Revenue, Tax Shelters Program, PO Box 8958, Madison, WI 53708-8958. Include a listing of the names and identification numbers of each Wisconsin taxpayer for whom the advisor provided services to.

Internal Revenue Service Adjustments and Amended Returns

Internal Revenue Service Adjustments. If a partnership's federal tax return is adjusted by the IRS and such adjustments affect the Wisconsin net tax payable, the amount of a Wisconsin credit, a Wisconsin net operating loss carryforward, or a Wisconsin capital loss carryforward of a partner, you must report such adjustments to the Department of Revenue within 90 days after they become final by either filing an amended Wisconsin franchise/income tax return or mailing a copy of the final federal audit report.

In addition, each partner must file an amended Wisconsin income tax return reporting his, her, or its share of each adjustment made by the IRS to the partnership return. Each partner must include an amended Schedule 3K-1 with the amended return filed.

Amended Returns. If the partnership and the partners file amended federal returns and the changes affect the Wisconsin net tax payable, the amount of a Wisconsin credit, a Wisconsin net operating loss carryforward, or a Wisconsin capital loss carryforward of a partner, both the partnership and the partners must file amended Wisconsin returns with the Department of Revenue within 90 days after filing the amended federal returns.

To file an amended Wisconsin return, use Form 3 and check item C on the front of the return. Provide an explanation of any changes made. If the change involves an item of income, deduction, or credit that you were required to support with a form or schedule on your original return, include the corrected form or schedule with your amended return. In addition include amended Schedules 3K-1 and provide copies to the partners to include with their amended Wisconsin returns. **Do not submit a copy of the original return.**

File your amended return electronically by using one of the third party software providers:

revnu.wi.gov/eserv/partnership/third.html

If you have an approved electronic filing waiver, send your amended Form 3 to the Wisconsin Department of Revenue, PO Box 8908, Madison, WI 53708-8908. Don't attach amended returns to other tax returns that you are filing.

Partnerships Having Nonresident Partners

A partnership that has one or more nonresident partners is generally required to pay pass-through entity withholding. Additionally, the partnership may file a composite individual income tax return on behalf of qualifying nonresident individual partners.

Pass-Through Entity Withholding. A partnership is generally required to pay withholding tax on its distributable income which is allocable to a nonresident partner. A nonresident partner includes:

- An individual who is not domiciled in Wisconsin;
- A partnership, limited liability company, or corporation whose commercial domicile is outside Wisconsin; and
- An estate or trust that is a nonresident under sec. 71.14(1) to (3m), Wis. Stats.

However, withholding is not required on behalf of the following nonresident partners:

- A partner who is not otherwise subject to Wisconsin income or franchise tax (such as a 501(c)(3) organization with no unrelated business taxable income).
- A partner whose share of income from the partnership is less than \$1,000.
- A partner who completes Form PW-2, *Wisconsin Nonresident Partner, Member, Shareholder, or Beneficiary Withholding Exemption Affidavit*, or receives a continuous exemption letter from the department and provides Part 2 of Form PW-2

or the continuous exemption letter to the partnership. The completed Form PW-2 must be pre-approved by the Department of Revenue. See the [Form PW-2 instructions](#) for details.

A pass-through entity is required to pay quarterly estimated withholding tax on a nonresident member's share of income attributable to Wisconsin. The pass-through entity must make quarterly payments of withholding tax on or before the 15th day of the 3rd, 6th, 9th, and 12th month of the taxable year. You make the estimated withholding tax payments electronically. If you obtained a [waiver](#) from electronic payment, use [Form PW-ES](#), *Wisconsin Pass-Through Entity Withholding Estimated Payment Voucher*, to make the estimated withholding tax payments.

The partnership must also file [Form PW-1](#), *Wisconsin Nonresident Income or Franchise Tax Withholding on Pass-Through Entity Income*, annually to report estimated withholding tax paid and to pay any additional withholding tax due on behalf of its nonresident partners. Form PW-1 is due with payment by the 15th day of the 3rd month following the close of the partnership's taxable year. See the [Form PW-1 instructions](#) for details of the filing procedures.

Composite Return for Nonresident Individual Partners. A partnership that has two or more nonresident individual partners who derive no taxable income or deductible loss from Wisconsin other than their distributive shares from the partnership may file a composite individual income tax return on behalf of those partners. The partnership files this return on [Form 1CNP](#), *Composite Individual Income Tax Return for Nonresident Partners*.

Individuals that are fiscal year filers or part-year Wisconsin residents may not participate in the composite return. No tax credits are allowed on the composite return other than a credit for pass-through entity withholding tax paid on behalf of each participating partner. Additionally, participating partners cannot claim the IRC section 199 deduction (domestic production activities deduction) or any amounts deductible as itemized deductions on the composite return.

Partners that do not qualify to participate in the composite return must file a separate Wisconsin return to report the income from the partnership.

For more information on eligibility for composite filing and composite filing procedures, see the [Form 1CNP instructions](#).

Schedules 3K-1 and Information Returns

Schedules 3K-1. The partnership must submit a [Schedule 3K-1](#) for each of its partners along with its Form 3. The Department is no longer accepting Schedules 3K-1 on magnetic media. File them using electronic transfer. You may obtain specifications on the Department's web site at revenue.wi.gov/eserv/w-2.html.

Information Returns for Miscellaneous Income. If the partnership paid \$600 or more in rents, royalties, or certain nonwage compensation to one or more individuals, the partnership must file an information return to report those payments. You may use Wisconsin [Form 9b](#), *Miscellaneous Income*, or you may use federal Form 1099 instead of Form 9b. For more information, see the [Form 9b instructions](#).

Wisconsin Use Tax

The partnership may be liable for use tax. Use tax is the counterpart of sales tax. All tangible personal property, certain coins and stamps, certain leased properties affixed to real estate, certain digital goods, and selected services, taxable under Wisconsin's sales tax law, which are stored, used, or consumed in Wisconsin, are subject to use tax if the proper sales tax is not paid. Examples of purchases that frequently result in a use tax liability include the following:

- Mail order and Internet purchases. You owe Wisconsin use tax if you buy such items as computers, furniture, or office supplies from a vendor who is not registered to collect Wisconsin tax.
- Inventory. If you purchase inventory items without tax for resale, and then use these items instead of selling them, you owe use tax.
- Give-aways. Generally, if you purchase items without tax and then give them away in Wisconsin, you owe use tax.

If you hold a seller's permit, use tax certificate, or consumer's use tax certificate, report your use tax on your sales and use tax return, [Form ST-12](#). Otherwise, complete and file [Form UT-5](#) to report use tax.

For more information on use tax, visit the Department's web site at revenue.wi.gov/html/sales.html, call (608) 266-2776, email DORSalesandUse@wisconsin.gov, or write to the Wisconsin Department of Revenue, Mail Stop 3-107, PO Box 8946, Madison, WI 53708-8946.

Conformity With Internal Revenue Code and Exceptions

The Wisconsin income and franchise tax law applicable is based on the federal Internal Revenue Code (IRC). The IRC generally applies for Wisconsin purposes at the same time as for federal purposes. For taxable years beginning on or after January 1, 2017, Wisconsin's definition of the IRC is the IRC as of December 31, 2016 with exceptions. Below is a listing of the exceptions.

Note: The exceptions and provisions adopted by Wisconsin listed below are those in effect as of the publication date of these instructions. It is possible that subsequent changes in Wisconsin law may add or eliminate some exceptions applicable to taxable years beginning in 2017.

Provisions of the Internal Revenue Code Not Adopted by Wisconsin:

- Section 13113 of P.L. 103-66, which created sec. 1202 of the IRC effective for small business stock issued after August 10, 1993.
- Sections 1, 3, 4, and 5 of P.L. 106-519, which repealed foreign sales corporation provisions and replaced with extraterritorial income provisions.
- Sections 101, 102, and 422 of P.L. 108-357, which repealed the exclusion for extraterritorial income, domestic production activities deduction, and the creation of sec. 965 – incentives to reinvest foreign earnings in the U.S.
- Sections 1310 and 1351 of P.L. 109-58, which provides for the modification to special rules for nuclear decommissioning costs, repeal of the limitation on contract research expenses paid so small businesses, universities, and federal laboratories.
- Section 11146 of P.L. 109-59, the tax treatment of state ownership of railroad real estate investment trust.
- Section 403(q) of P.L. 109-135, which provides incentives to reinvest foreign earnings from controlled foreign corporations in the U.S.
- Section 513 of P.L.109-222, which repeals foreign sales corporation/extraterritorial income exclusion binding contract relief.
- Sections 104 and 307 of P.L. 109-432, which increases the rates of the alternative incremental credit and provides a new alternative simplified credit and that gross income does not include an IRA distribution used to fund an HSA.
- Sections 8233 and 8235 of P.L. 110-28, which created a special rule for banks required to change from the reserve method of accounting in becoming tax-option (S) corporations and the elimination of all earnings and profits attributable to pre-1983 years.
- Section 11(e) and (g) of P.L. 110-172, which provides clerical amendments to research credits for controlled corporations and common control, and clerical amendments to the FSC Repeal and Extraterritorial Income Exclusion Act of 2000.
- Section 301 of P.L. 110-245, which provides for tax responsibilities of expatriation.
- Section 15351 of P.L. 110-246, limits the amount of farm losses that may offset non-farming business income to \$300,000.
- Section 302 of division A, section 401 of division B, and sections 312, 322, 502(c), 707, and 801 of division C of P.L. 110-343, which limits executive compensation for employers participating in troubled assets relief program for the taxable year in which the troubled assets exceed \$300,000,000. Caps the domestic production activities deduction at 6% for oil-related activities. The deduction for income attributable to domestic production activities in Puerto Rico applies to the first 8 taxable years beginning before January 1, 2010. Tax incentives for investment in the District of Columbia

includes exclusion for gain on sale of an asset held from more than 5 years. Defines wages for purposes of the domestic production activities deduction. Creates sec. 198A to provide for expensing of disaster expenses for control of hazardous substances. Specifies treatment of nonqualified deferred compensation plans maintained by foreign corporations.

- Sections 1232, 1241, 1251, 1501, and 1502 of division B of P.L. 111-5, which suspends the special rules for original issue discount on high yield obligations issued during the period 9/1/2008 and 12/31/2009. Allows a 75% exclusion for small business stock issued between 1/17/2009 and 12/31/2009. Provides that no built-in-gain tax is imposed on a tax-option (S) Corporation for a taxable year beginning in 2009 and 2010 if the seventh taxable year in the corporation's recognition period preceded such taxable year. Tax-exempt obligations held by financial institutions, in an amount not to exceed 2 percent of the adjusted basis of the financial institution's assets, are not taken into account for determining the portion of the financial institutions interest expense subject to the pro rata interest disallowance rule of sec. 265(b). Modification of the small insurer exception to tax-exempt interest expense allocation rules for financial institutions.
- Sections 211, 212, 213, 214, and 216 of P.L. 111-226, which adopts a matching rule to prevent the separation of foreign taxes from the associated foreign income, denies a foreign tax credit for the disqualified portion of any foreign income tax paid in connection with a covered asset acquisition, provides a separate application of foreign tax credit limitation to items resourced under treaties, limits the amount of foreign taxes deemed paid with respect to sec. 956 inclusions, treats a foreign corporation as a member of an affiliated group for interest allocation and apportionment purposes in more than 50% of gross income is effectively connected income and at least 80% of either the vote or value of all outstanding stock is owned directly or indirectly by members of the affiliated group.
- Sections 2011 and 2122 of P.L. 111-240, which provides a 100% exclusion for the gain on the sale of small business stock acquired after 9/27/2010 and before 1/1/2011, and clarifies the income sourcing rules for guarantee fees.
- Sections 753, 754, and 760 of P.L. 111-312, which excludes 60% of the gain on the sale of small business stock in an empowerment zone business to gain attributable to periods before 1/1/2016, specifies that gross income does not include gain on stock acquired before 1/1/2012 and held for more than 5 years, and excludes the gain on sale of small business stock acquired in 2011.
- Section 1106 of P.L. 112-95, which allows airline employees to contribute airline payment amounts under a bankruptcy claim to a traditional IRA as a rollover contribution.
- Sections 104, 318, 322, 323, 324, 326, 327, and 411 of P.L. 112-240, which makes the alternative minimum tax exemption permanent and indexed for inflation, extends through 2013 the deduction with respect to income attributable to domestic production activities in Puerto Rico, extends the subpart F exception for active financing income, extends the look-thru treatment of payments between related controlled foreign corporations under foreign personal holding company, provides 100% exclusion for gain on small business stock acquired in 2012 and 2013, extends through 2013 the reduction in tax-option (S) Corporation built-in gains tax and clarifies treatment of installment sales, provides a 60% exclusion for gain on small business stock acquired before 2019, and extends through 2013 the rules that allow gain certain sales of electric transmission property to be recognized ratably over 8 taxable years.
- Section 2 of P.L. 114-7, relating to contributions for relief of slain New York Police Detectives.
- Section 1101 of P.L. 114-74 relating to partnership rules.
- Section 305 of division P of P.L. 114-113, relating to the transportation costs of independent refiners.
- Sections 112, 123, 125-128, 143, 144, 151-153, 165-167, 169-171, 189, 191, 307, 326, and 411 of division Q of P.L. 114-113:
 - Section 112, relating to the extension of tax-free distributions from individual retirement plans for charitable purposes.
 - Section 123, relating to extension of 15-year straight-line cost recovery for qualified leasehold improvements, qualified restaurant buildings and improvements, and qualified retail improvements.
 - Section 125, relating to the extension of treatment of certain dividends of regulated investment companies.
 - Section 126, relating to the extension of exclusion of 100 percent of gain on certain small business stock.
 - Section 127, relating to the extension of reduction in S-corporation recognition period for built-in gains tax.
 - Section 128, relating to the extension of subpart F exception for active financing income.
 - Section 143, relating to the extension and modification of bonus depreciation.

- Section 144, relating to the extension of look-thru treatment of payments between related controlled foreign corporations under foreign personal holding company rules.
- Section 151, relating to the extension and modification of exclusion from gross income of discharge of qualified principal residence indebtedness.
- Section 152, relating to the extension of mortgage insurance premiums treated as qualified residence interest.
- Section 153, relating to the extension of above-the-line deduction for qualified tuition and related expenses.
- Section 165, relating to the extension of classification of certain race horses as 3-year property.
- Section 166, relating to the extension of 7-year recovery period for motorsports entertainment complexes.
- Section 167, relating to the extension and modification of accelerated depreciation for business property on an Indian reservation.
- Section 169, relating to the extension of special expensing rules for certain film and television productions; special expensing for live theatrical productions.
- Section 170, relating to the extension of deduction allowable with respect to income attributable to domestic production activities in Puerto Rico.
- Section 171, relating to the extension and modification of empowerment zone tax incentives.
- Section 189, relating to the extension of special allowance for second generation biofuel plant property.
- Section 191, relating to the extension of special rule for sales or dispositions to implement FERC or State electric restructuring policy for qualified electric utilities.
- Section 307, relating to the technical amendment relating to rollover of certain airline payment amounts.
- Section 326, relating to the dividends derived from RICs and REITs ineligible for deduction for United States source portion of dividends from certain foreign corporations.
- Section 411, relating to the partnership audit rules.

Other Exceptions to Internal Revenue Code

The following federal provisions in effect as of December 31, 2016, are specifically excluded for Wisconsin franchise and income tax purposes:

Domestic Production Activities Deduction. For federal tax purposes, taxpayers may claim a deduction against gross income equal to a percentage of its qualified production activities income or its taxable income without regard to the deduction. For taxable years beginning after December 31, 2004, and before January 1, 2009, the federal domestic production activities deduction also applied for Wisconsin income and franchise tax purposes. Effective for taxable years beginning on or after January 1, 2009, the domestic production activities deduction will no longer apply for

Depreciation and Bonus Depreciation

For taxable years beginning on or after January 1, 2014, for purposes of computing depreciation, depletion, and amortization, the Internal Revenue Code means the federal Internal Revenue Code in effect on January 1, 2014.

The provision that property required to be depreciated for taxable year 1986 under the Internal Revenue Code as amended to December 31, 1980, to continue to be depreciated under the Internal Revenue Code as amended to December 31, 1980, is limited to taxable years beginning before January 1, 2014.

Section 179 Expense

For taxable years beginning on or after January 1, 2014, sections 179, 179A, 179B, 179C, 179D, and 179E of the Internal Revenue Code, related to expensing of depreciable business assets, apply for Wisconsin tax purposes. "Internal Revenue Code" means the federal Internal Revenue Code in effect for the year in which the property is placed in service.

How to Report Differences

You must report any differences between federal income and income for Wisconsin purposes in Schedule 3K, column c. For differences relating to depreciation and amortization, you must prepare schedules detailing the differences between the federal and Wisconsin computations and submit them with your return.

Specific Instructions for Form 3

If you are filing federal Form 1065-B with the Internal Revenue Service, special instructions apply which are not covered here. For the special instructions, go to the Common Questions on the Department of Revenue web site at revenue.wi.gov/faqs/ise/pship.html#ps7 and click on question #7.

Items A Through H

Before completing items A through H, fill in the partnership's 2017 taxable year at the top of the form and the partnership's name and address. The name and address information should be written on single lines. Do not stack the information on the lines. If more room is needed, abbreviate where possible.

Do not write "None" on the amount lines if there is not an entry for the lines. Instead, leave the lines blank.

- **Federal Employer Identification Number** – Enter the partnership's federal employer identification number (FEIN).
- **Business Activity (NAICS) Code** – Enter the partnership's principal business activity code, based on the North American Industry Classification System (NAICS), from your federal return.
- **Number of Partners** – Enter the total number of partners that the partnership had during the taxable year.
- **Number of Nonresident Partners** – Enter the total number of nonresident partners that the partnership had during the taxable year, including individuals, estates, and trusts not domiciled in Wisconsin and other partnerships, limited liability companies, and corporations whose commercial domicile is not in Wisconsin.
- **State of Formation and Year** – Enter the 2-letter postal abbreviation for the state (or name of the foreign country) under whose laws the partnership was organized and the year of formation.
- **A. Entity Type** – Check the space indicating which type of entity is filing this return. If your entity is not one of the types listed, check the space next to "Other" and indicate the type of entity.
- **B. Extended Due Date** – If the partnership has an extension of time to file its Wisconsin return, check here and enter the extended due date.

Disaster Relief Extension. If you are filing under extension because of a federal or state disaster, include a statement indicating which disaster extension you are using and attach it to your return. Additional information on disaster areas can be found here: revenue.wi.gov/Pages/Businesses/Disaster-Tax-Assistance.aspx

- **C. Amended Return** – If this is an amended return, check here. If filing by paper, circle or clearly underline the line number of the lines you are changing. Submit a detailed explanation of the changes made, including any supporting form or schedule.
- **D. Filing Form 1CNP** – Check here if the partnership is filing a composite Wisconsin individual income tax return, (Form 1CNP) on behalf of its qualified and participating nonresident partners.
- **E. Schedule RT Required** – Check here if the partnership is filing Schedule RT, *Wisconsin Related Entity Expenses Disclosure Statement*, with its return. Schedule RT is generally required if the partnership pays, accrues, or incurs more than \$100,000 of expenses to a related person or entity in the taxable year. See the Schedule RT instructions for details of the requirement to file Schedule RT.

- **F. Partnership Formation** – Check here if the partnership is filing its first partnership return.
- **G. Partnership Termination** – Check here if the partnership terminated during the taxable year and is filing its final return. Note: checking this box will not close all your accounts with the department; only the partnership account will close.
- **H. Disregarded Entities** – Check here if the partnership is the sole owner of any disregarded entities. A single-member LLC that is disregarded for federal income tax purposes is also disregarded for Wisconsin franchise or income tax purposes. You must include the income of any disregarded entities owned by the partnership in the partnership's amounts on Schedule 3K. Include with your return Schedule DE, which lists the partnership's solely-owned LLCs.

Part I - Refund

- **Line 1. Form WT-11 Payments** – If the partnership had nonresident entertainer withholding paid on its behalf from Form WT-11, *Nonresident Entertainer's Application and Receipt for Surety Bond, Cash Deposit, or Withholding by Employer*, enter the amount of withholding reported on Form WT-11 that had not been claimed on Form PW-1, *Wisconsin Nonresident Income or Franchise Tax Withholding on Pass-Through Entity Income*.

Caution: Do not include withholding from Form PW-1 on line 1. If the partnership has tax withheld on its behalf by a pass-through entity of which it is a member, the partnership must file its own Form PW-1 to obtain credit for the tax withheld.

Note: Effective for taxable years beginning on or after January 1, 2013, the economic development surcharge does not apply to partnerships and limited liability companies treated as partnerships.

- **Line 2. Withholding from Form W-2G** – If the partnership has Wisconsin withholding from lottery prizes or other gambling winnings, enter the amount of Wisconsin withholding reported on Form W-2G for the partnership.
- **Line 3. Amended Return - Amount Previously Paid** - Complete this line only if this is an amended 2017 Form 3. Fill in the amount of tax you paid with your original Form 3 plus any additional amounts paid after it was filed.

If you did not pay the full amount shown on your original Form 3, fill in only the portion that you actually paid. Also, include any additional tax that may have resulted if your original return was changed or audited. This includes additional tax paid with a previously filed 2017 amended return and additional tax paid as a result of a department adjustment to your return. Do not include payments of interest or penalties.

- **Line 5. Amended Return - Amount Previously Refunded** - Complete this line only if this is an amended 2017 Form 3. Fill in the refund from your original 2017 return.

If your refund was reduced because you owed underpayment interest or any penalties, fill in the amount of your refund before the reduction for underpayment interest or penalty. If your 2017 return was adjusted by the department, fill in the refund shown on the adjustment notice you received.

- **Lines 7 and 8. Wisconsin Property and Total Company Property** – Enter the total amount of the company's real and tangible property located in Wisconsin and the company's total amount of real and tangible property everywhere. Use the cost basis of the property at the end of the year. Include the following types of property:

- Land
- Buildings
- Furniture and Fixtures
- Transportation equipment
- Machinery and other equipment
- Inventories

Include only property that is owned by the partnership; you do not need to include property you are renting.

■ **Lines 9 and 10. Wisconsin Payroll – Wisconsin Payroll and Total Company Payroll** – Enter the total amount of the company’s payroll located in Wisconsin and the company’s total amount of payroll everywhere. Include only amounts attributable to employees of the partnership. In the computation of payroll located in Wisconsin, include individuals that satisfy one or more of the following:

- The individual’s service is performed entirely in Wisconsin.
- The individual’s service is performed in and outside Wisconsin, but the service performed outside Wisconsin is incidental to the individual’s service in Wisconsin.
- A portion of the individual’s service is performed in Wisconsin and the base of operations of the individual is in Wisconsin.
- A portion of the individual’s service is performed in Wisconsin and, if there is no base of operations, the place from which the individual’s service is directed or controlled is in Wisconsin.
- A portion of the individual’s service is performed in Wisconsin and neither the base of operations of the individual nor the place from which the service is directed or controlled is in any state in which some part of the service is performed, but the individual’s residence is in Wisconsin.

■ **Lines 11 and 12. Wisconsin Sales and Total Company Sales**– Enter the amount of your Wisconsin sales. If **not** apportioning income, enter your **total** company sales. If apportioning income, enter your Wisconsin sales from Form A-1, Part I. For purposes of the sales factor, sales include, but aren’t limited to, the following items related to the production of apportionable income:

- Gross receipts from the sale of inventory.
- Gross receipts from the operation of farms, mines, and quarries.
- Gross receipts from the sale of scrap or by-products.
- Gross commissions.
- Gross receipts from personal and other services.
- Gross rents from real property or tangible personal property.
- Interest on trade accounts and trade notes receivable.
- A member’s share of a limited liability company’s gross receipts or a partner’s share of a partnership’s gross receipts.
- Gross management fees.
- Gross royalties from income producing activities.
- Gross franchise fees from income producing activities.

“Gross receipts” means gross sales less returns and allowances, plus service charges, freight, carrying charges, or time-price differential charges incidental to the sales. Federal and state excise taxes, including sales and use taxes, are included as part of the receipts if the taxes are passed on to the buyer or included as part of the selling price.

Part II - Schedule 3K – Partners’ Distributive Share Items

Schedule 3K, Columns (b) Through (d)

Schedule 3K is a summary schedule of all the partners’ shares of the partnership’s income, deductions, credits, etc., as computed under Wisconsin law, similar to federal Schedule K.

- **Column b. Federal Amount** – Enter the applicable amounts from federal Schedule K in column b of Schedule 3K. For dividends and the net long-term capital gain (loss) items reported on lines 6 and 9, use the totals from federal Schedule K.
- **Column c. Adjustment** – Enter in column c any adjustments to the federal amount necessary to arrive at the amount under Wisconsin law. Use Schedule 3K – *Partners' Share of Additions and Subtractions* on page 5 of Form 3 to account for the additions and subtractions. See the instructions for additional details. However, note the following:
 - Do not exclude a nonresident or part-year resident partner's share of partnership items that are attributable to business transacted outside Wisconsin, services performed outside Wisconsin, or real or tangible personal property located outside Wisconsin. These adjustments will be made on the Schedule 3K-1 of each affected partner, as described later in the specific instructions for Schedule 3K-1.
 - Do not make any adjustments on Schedule 3K (or on Schedule 3K-1) for an individual, estate, or trust partner's capital gain deduction or capital loss limitation. Instead, each partner will compute its own capital gain deduction or loss limitation on Wisconsin Schedule WD.

For any adjustments you enter in column c, you must prepare Schedule 3K – *Partners' Share of Additions and Subtractions* on page 5 of Form 3 to account for the additions and subtractions and submit it with your return. See the section that follows for examples of the adjustments that you are required to enter in column c.

- **Column d. Wisconsin Amount** – Combine the amount in column b with any adjustment in column c and enter the result in column d.

Adjustments Reportable on Schedule 3K, Column c

You must make adjustments on Schedule 3K, column c in the following situations:

When a Provision of Federal Law Doesn't Apply for Wisconsin Purposes. You must make an adjustment if an amount in column b is computed under a provision of the IRC that was not adopted for Wisconsin purposes, as described earlier in these instructions (e.g. bonus depreciation has not been adopted by Wisconsin). For gains and losses on sales of depreciable or amortizable assets, you will need to compute an adjustment amount in cases where your asset basis for federal purposes was different than your asset basis for Wisconsin purposes due to differences in depreciation and amortization.

These adjustments are often called “Schedule I adjustments” because individuals must report them on Wisconsin Schedule I. Identify the adjustments and provide that information to the individual partners on Schedule 3K-1.

Adjustments required because different elections are made for federal and Wisconsin purposes. Examples of different elections include the following:

- For property placed in service after December 31, 1982, a taxpayer that claimed investment tax credit for federal purposes could either (a) claim the full 10% credit and reduce the depreciable basis of the property by one-half of the credit, or (b) in the case of regular investment tax credit property, claim a reduced credit and depreciate the full cost of the property. A partnership that claimed the regular investment tax credit and reduced the depreciable basis of the property for federal purposes could compute depreciation on the full (unreduced) basis of the property for Wisconsin purposes.
- Wages that aren't deductible for federal purposes because they were used in computing the federal work opportunity tax credit may be deducted for Wisconsin purposes.

Adjustments Required for Modifications Prescribed in Wisconsin Law. Most modifications required to compute a partner's Wisconsin net income are computed by that partner rather than at the partnership level. This includes many of the modifications prescribed in sec. 71.05(6) to (26), Wis. Stats. However, several types of modifications may be reportable by the partnership in column c. These modifications are described next.

Modifications Prescribed in Wisconsin Law

The following are examples of Wisconsin modifications that may be required in Schedule 3K, column c.

Tax Credit Amounts. Certain tax credits computed by the partnership are required to be added back to the partnership's ordinary income (line 1). These credits include the following:

- Business development credit
- Community rehabilitation program credit
- Development zones credits
- Economic development tax credit
- Electronics and information technology manufacturing zone credit
- Enterprise zone jobs credit
- Jobs tax credit
- Manufacturing and agriculture credit
- Manufacturing investment credit
- Research expense credit
- Technology zone credit

State Taxes. For Wisconsin purposes, state taxes and taxes of the District of Columbia that are value-added taxes, single business taxes, or taxes on or measured by all or a portion of net income, gross income, gross receipts, or capital stock are not deductible by partnerships.

Related Entity Expenses. A partnership must make an addition modification to "add back" interest, rental, intangible expenses, or management fees paid, accrued, or incurred to a related entity. After the partnership makes this addition modification, the partnership completes Schedule RT to determine if it is eligible for a deduction for any of the amount added back. The partnership then makes a subtraction modification in the amount for which it is eligible for a deduction.

See the Schedule RT instructions for further details of the expenses that require this modification and the specific criteria that must be met in order to deduct related entity interest, rental, or intangible expenses or management fees.

The partnership reports the addition modifications for related entity expenses on Schedule 3K, line 21a. For the amount eligible for a deduction, the partnership enters the subtraction amount on Schedule 3K, line 21b. Additionally, these amounts must be reported as adjustments in column c on the lines to which the expenses relate. For example, if the related entity rental expense is an item of ordinary income, the modifications must also be reported on Schedule 3K, line 1, column c as computed on Schedule 3K – *Partners' Share of Additions and Subtractions*.

Income from Expenses Disallowed to Related Entity. If the partnership has interest, rental, or intangible income or management fees from a related entity, and that related entity was ineligible to claim a deduction for the interest, rental, or intangible expenses or management fees because it did not meet the criteria set forth in Schedule RT, the partnership may make a subtraction modification to exclude the income corresponding to the expense that the payor could not deduct. The partnership makes the subtraction on the line of Schedule 3K corresponding to the type of income being modified.

Certain Basis Differences. Certain basis differences are treated as modifications. For example, for Wisconsin purposes, property taxes paid on vacant land had to be capitalized for 1964 and prior taxable years. A transitional adjustment must be made for this basis difference upon disposition of the property. Recompute the gain or loss on federal Form 4797 or federal Schedule D, as appropriate, by substituting the Wisconsin basis for the federal basis. Show the difference as a modification in column c.

Basis, Section 179, Depreciation Differences – Difference in federal and Wisconsin basis of depreciated or amortized assets:

Starting with the first taxable year beginning in 2014, adjustments are to be made over a 5-year period for the difference between the Wisconsin adjusted basis and the federal adjusted basis of assets owned on the last day of the taxable year beginning in 2013. The assets must have been depreciated or amortized for both Wisconsin and federal tax purposes. As a result of these adjustments, the Wisconsin adjusted basis and the federal adjusted basis of these assets is deemed to be equal on the first day of the taxable year beginning in 2014.

You must first determine the difference between the Wisconsin adjusted basis and the federal adjusted basis of all assets that are being depreciated or amortized on the last day of your taxable year beginning in 2013. This would be on December 31, 2013, if you file your tax return on a calendar-year basis.

If the total federal adjusted basis of the assets is less than the total Wisconsin adjusted basis, a subtraction must be claimed to adjust for this difference. As result of this subtraction, your Wisconsin adjusted basis of all depreciated or amortized assets on the first day of your taxable year beginning in 2014 (January 1, 2014, for calendar-year filers) will be the same as the federal adjusted basis.

If the total Wisconsin adjusted basis is more than the total federal basis, complete the following worksheet to determine the amount of your subtraction for 2014 and each of the next 4 years.

Worksheet for Difference in Basis
(Keep for your records)

1. Combined Wisconsin adjusted basis of all depreciated and amortized assets as of the last day of the taxable year beginning in 2013....._____
2. Combined federal adjusted basis of all depreciated and amortized assets as of the last day of your taxable year beginning in 2013....._____
3. Subtract line 2 from line 1....._____
4. Multiply line 3 by .20 (20%). This is your subtraction for 2017....._____

If the total federal adjusted basis of the assets is more than the total Wisconsin adjusted basis, complete the worksheet below to determine the required addition to income. As result of this addition, your Wisconsin adjusted basis of all depreciated or amortized assets on the first day of your taxable year beginning in 2014 (January 1, 2014, for calendar-year filers) will be the same as the federal adjusted basis.

Worksheet for Difference in Basis
(Keep for your records)

1. Combined federal adjusted basis of all depreciated and amortized assets as of the last day of the taxable year beginning in 2013....._____
2. Combined Wisconsin adjusted basis of all depreciated and amortized assets as of the last day of your taxable year beginning in 2013....._____
3. Subtract line 2 from line 1....._____
4. Multiply line 3 by .20 (20%). This is your addition to income for 2017....._____

Enter the amount by which the Wisconsin deduction for depreciation or amortization exceeds the federal deduction for depreciation or amortization. Include a schedule showing the computation details.

These differences can happen because of IRC sections not adopted for Wisconsin purposes and electing a different depreciation method under the Internal Revenue Code in effect for Wisconsin purposes.

Differences in Taxable Interest Income. If the tax-exempt interest income reported on line 18a, column b, includes any interest that is exempt for federal purposes but taxable by Wisconsin (such as state and local government bond interest) report this amount as an *addition* on line 5, column c, and as a *subtraction* on line 18a, column c.

If the interest income reported on line 5, column b, includes any interest from obligations of the United States government and its instrumentalities, do not subtract this amount on Schedule 3K, line 5, column c. Instead, identify this amount on a separate schedule for line 20c.

CAUTION: Do not subtract interest income from obligations of the United States government and its instrumentalities from interest income on Schedule 3K, line 5, column c. This income is taxable to partners who are subject to Wisconsin franchise tax.

Differences for Other Income and Expense Items. Income reported on line 18b that is exempt for federal purposes but taxable by Wisconsin is shown as a *subtraction* in column c. If more income is nontaxable for Wisconsin purposes than for federal purposes, show the additional amount of exempt income as an *addition*. The amount under Wisconsin law in column d is the amount of tax-exempt income for Wisconsin purposes.

Expenses on line 18c that are nondeductible federally but deductible for Wisconsin purposes are shown as *subtractions* in column c. If more expenses are nondeductible for Wisconsin purposes than for federal purposes, show the additional amount of nondeductible expenses as an *addition*. The amount under Wisconsin law in column d is the nondeductible expense for Wisconsin purposes.

Credits Reportable on Schedule 3K, Line 15

To determine if you are eligible for any of the credits in lines 15a through 15h, see [Publication 123, Business Tax Incentives](#), or refer to the instructions to the credit schedules referenced below. Except as otherwise indicated, you must include the credit schedule referenced below and required supporting documents with your Form 3 in order to claim the credits on Schedule 3K. Enter the abbreviation of the credit you are claiming next to the word "schedule" on line 15. The abbreviation for each credit is located in the upper left hand corner of the credit schedule and in parenthesis in the list below. Use a separate line for each credit you are claiming. For example, if you are claiming the enterprise zone jobs credit, enter "EC" next to the "Schedule" line. See exceptions below:

For the following credits, enter the code indicated below instead of the abbreviation from credit schedule:

- Angel Investment Credit – VCA
- Early Stage Seed Investment Credit – VCE
- Electronics and Information Technology Manufacturing Zone Credit - EIT

Credits:

- **Angel Investment Credit (VCA)** – Enter the angel investment credit computed from Schedule VC, line 4.
- **Business Development Credit (BD)** – Enter the business development credit computed from Schedule BD, line 3.
- **Community Rehabilitation Program Credit (CM)** – Enter the community rehabilitation program credit from Schedule CM, line 5.
- **Development Zone Capital Investment Credit (DC)** – Enter the development opportunity zone or agricultural or airport development zone capital investment credit computed from Schedule DC, line 13.
- **Development Zones Credit (DC)** – Enter the development zones credit computed from Wisconsin Schedule DC, line 5.
- **Early Stage Seed Investment Credit (VCE)** – Enter the early stage seed investment credit computed from Schedule VC, line 11.
- **Economic Development Tax Credit (ED)** – Enter the economic development tax credit computed from Wisconsin Schedule ED, line 3.
- **Electronics and Information Technology Manufacturing Zone Credit (EIT)** – Enter the credit certified by the Wisconsin Economic Development Corporation. ■ **Enterprise Zone Jobs Credit (EC)** – Enter the enterprise zone jobs credit computed from Schedule EC, line 3.
- **Jobs Tax Credit (JT)** – Enter the jobs tax credit computed from Schedule JT, line 5.
- **Manufacturing and Agriculture Credit (MA-A & MA-M)** – Enter the manufacturing and agriculture credit computed from Schedule MA-A & MA-M, lines 18 or 18b.

- **Manufacturing Investment Credit (MI)** – Enter the amount of manufacturing investment credit for which the partnership obtained certification from the Wisconsin Department of Commerce. Submit a copy of the Department of Commerce certification with the partnership’s Form 3. The partnership is not required to complete Schedule MI.
- **Research Expense Credit (R)** – Enter the research expense credit from line 16 or 16b of Schedule R.
- **Supplement to Federal Historic Rehabilitation Credit (HR)** – Enter the supplement to the federal historic rehabilitation tax credit computed from Wisconsin Schedule HR, line 6 or 6b.
- **Technology Zone Credit (TC)** – Enter the technology zone credit computed from Wisconsin Schedule TC, line 6 or 6b.
- **Line 15i. Credit for Tax Paid to Other States** – If the partnership does business in another state and either the partnership or its partners must pay an income tax on the partnership’s income earned there, Wisconsin resident partners may be able to claim credit on their individual income tax returns for their pro rata shares of the tax paid. Credit is allowed only if the income taxed by the other state is considered taxable income by Wisconsin. Fill in line 15i if:
 - The partnership files a combined or composite return with that state on behalf of the partners who are nonresidents of that state and pays the tax on their pro rata shares of the partnership’s income earned there.
 - The partnership files a partnership income tax return with that state and pays tax on the income earned there that is attributable to the partners who are nonresidents of that state.

Enter the postal abbreviation of the state in the space provided and the amount of income tax paid to that state. If tax is paid to more than three states, enter “See Attached” on one of the entry lines, enter the total amount on that line, and submit a schedule listing all states and the amount of income tax paid to each state. Submit with Form 3 a copy of the income tax return filed with each state for which a credit is claimed.

Note: The amount of eligible qualified production activities income that may be claimed in computing the manufacturing and agriculture credit is reduced by the amount of the qualified production activities income taxed by another state upon which a credit for taxes paid to the another state is claimed. The partnership will need to provide the partners with the amount of eligible qualified production activities income upon which their share of the credit for tax paid to another state was computed so they may use this information when completing their tax returns.

- **Line 15j. Wisconsin Tax Withheld** – If the partnership is subject to withholding tax on the Wisconsin income of nonresident partners, enter, the amount of Wisconsin tax withheld.

“Other Items and Amounts” Reportable on Schedule 3K, Item 20c

For line 20c, submit a schedule showing any items and amounts not included on lines 1 through 20b that must be reported separately to the partners. Include the federal amount, any adjustment, and the amount determined under Wisconsin law for each item. Amounts that may be included on this schedule include, but are not limited to, the following:

U.S. Government Interest. If the interest income on line 5, column b, includes any interest from United States government obligations that is taxable for federal purposes but exempt from Wisconsin income taxes, report the amount of United States government interest on this schedule.

Disposal of Section 179 Property. If the partnership disposed of property for which a section 179 expense deduction was claimed in a prior year, provide the following information for each asset: description of the property; gross sales price; both the federal and the Wisconsin cost or other basis plus expense of sale (*excluding* the partnership’s basis reduction in the property due to the section 179 expense deduction); depreciation allowed or allowable (*excluding* the section 179 expense deduction); and both the federal and Wisconsin amount of section 179 expense deduction passed through in previous years for the property and the partnership’s taxable years for which the amounts were passed through.

Manufacturing and agriculture credit information: If the partnership computed the manufacturing and agriculture credit on Schedule MA-M and/or MA-A, include on line 20c the amount of income that was used to compute the manufacturing and agriculture credit so that the partners can use this information when completing Schedule MA-M or MA-A, Part II, *Computation of Business Income Limitation for individuals and fiduciaries*, if required.

The amount of eligible qualified production activities income that may be claimed in computing the manufacturing and agriculture credit is reduced by the amount of the qualified production activities income taxed by another state upon which a credit for taxes paid to the another state is claimed. The partnership will need to provide the partners with the amount of eligible qualified production activities income upon which their share of the credit for tax paid to another state was computed so they may use this information when completing their tax returns.

Schedule 3K, Lines 21 Through 23

■ **Lines 21a and 21b. Related Entity Expenses** – On line 21a, enter in column d the amounts attributable to interest, rental, intangible expenses, or management fees paid, accrued, or incurred to a related entity. On line 21b, enter the amounts eligible for a deduction as determined by the Schedule RT instructions. If line 21a exceeds \$100,000, the partnership must include Schedule RT with its Form 3. See the Schedule RT instructions for details.

■ **Line 22. Income (Loss)** – For each of columns b and d, combine lines 1 through 11. From the result, subtract the sum of lines 12 and 13a through 13d. Add or subtract, as appropriate, any income or deductions reported on line 20c that affect the computation of taxable income.

If you reported on line 20c the disposition of property for which a section 179 expense deduction was claimed in a prior year, complete federal Form 4797 to figure the amount of gain or loss to combine with the other items of income, loss, and deduction. If the federal and Wisconsin bases of the property or section 179 deductions differ, use two Forms 4797. Disregard the special instructions for partnerships and partners when filling out Form 4797. On one Form 4797, determine the federal gain or loss to combine with the other federal amounts reported in column b. Complete a second Form 4797 to compute the Wisconsin gain or loss to combine with the other Wisconsin amounts reported in column d.

■ **Line 23. Gross Income** – Enter the partnership’s gross income that is reportable to Wisconsin. Gross income is the total amount received from all activities, before deducting the cost of goods sold or any other expenses. Gross income includes gross receipts from trade or business activities, gross rents and royalties, interest and dividends, the gross sales price of assets, and all other gross receipts. If the partnership is a member of one or more other pass-through entities, include gross income attributable to those other pass-through entities.

■ **Third Party Designee** – If you want to allow a tax preparer or tax preparation firm, or any other person you choose to discuss your 2017 tax return with the Department of Revenue, check “Yes” in the “Third Party Designee” area of your return. Also, fill in the designee’s name, phone number, and any five digits the designee chooses as his or her personal identification number (PIN). If you check “Yes,” you are authorizing the department to discuss with the designee any questions that may arise during the processing of your return. You are also authorizing the designee to:

- Give the department any information missing from your return,
- Call the department for information about the processing of your return or the status of your refund or payment(s), and
- Respond to certain department notices about math errors, offsets, and return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the department. If you want to expand the designee’s authorization, you must submit Form A-222 (Power of Attorney). The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2018 tax return.

Contact Person – Enter the name, telephone number and fax number of the person the Department should contact with any questions regarding this return.

Submitting Your Form 3

Signatures. A general partner of the partnership or an LLC member must sign the form on page 4. If the return is prepared by someone other than an employee of the partnership, the preparer’s signature is also required.

Supporting Documentation. Submit the following items with your Form 3:

- Federal Form 1065. (may be submitted as .pdf document with electronic returns)

- Supporting schedules (supporting schedules that are not Department-prescribed forms may be submitted as .pdf documents with electronic returns).
- Wisconsin Schedule 3K-1 or federal Schedule K-1 for each partner.
- Any extension of time to file.
- If the partnership has a nonresident partner who is not subject to income or franchise tax and would otherwise be subject to withholding tax based on income passed through to that partner, include a statement from that partner stating why no tax was withheld.

If you are filing Form 3 on paper because you submitted an electronic waiver request to the department and it was approved, **do not staple, fasten or bind these supporting documents to your return. Use paper clips instead.**

Part III - Specific Instructions for Schedule 3K – Partners' Share of Additions and Subtractions

The purpose of this schedule is to provide detail for the amounts entered on lines 1 through 13d, column c, of Schedule 3K. The total amount from this schedule should equal the amount of the adjustments reported on lines 1 through 13d in column c of Schedule 3K.

For many situations, the amounts from the additions/subtractions schedule will be entered in column c, line 1 or 2 of Schedules 3K and 3K-1.

If a taxpayer only has ordinary income, the net addition/subtraction will be entered on line 1, column c of Schedules 3K and 3K-1. Conversely, if the taxpayer only has net rental income, the net addition/subtraction will be entered on line 2, column c of those schedules.

If the taxpayer has both ordinary business income and rental real estate income, the net addition/subtraction should be allocated between column c, lines 1 and 2 of Schedules 3K and 3K-1.

For situations where a taxpayer has multiple sources of income and is required to make numerous adjustments in column c, the appropriate addition/subtraction adjustment should be made on each income/expense line in column c of Schedules 3K and 3K-1. The total adjustments made to column c should equal the total adjustment on the new addition/subtraction schedule.

Schedule I adjustments

Note: If the amounts entered on Part III are the result of a federal law change that has not been adopted by Wisconsin (e.g. bonus depreciation) identify it as a Schedule I adjustment. The individual partners will account for the adjustment on Schedule I instead of a Form 1, line 4 or line 11, code 52 adjustment.

Additions:

■ **Line 1. State Taxes** – Enter taxes imposed by Wisconsin, any other state, and the District of Columbia that are value-added taxes, single business taxes, or taxes on or measured by net income, gross income, gross receipts, or capital stock and that were deducted in computing federal taxable income.

■ **Line 2. Related Entity Expenses** – A partnership must make an addition modification to “add back” expenses attributable to transactions with related parties. The expenses that must be added back include the following, if paid, accrued, or incurred to a related entity:

- Interest expenses
- Rent expenses

- Management fees
- Intangible expenses

Partnerships that are members, or beneficiaries of pass-through entities must include on line 2 their share of the pass through entity's related entity expenses shown on line 21a of Schedule 3K-1.

NOTE: If the partnership meets one of the specific conditions provided in the Wisconsin Statutes, the partnership may take a subtraction modification on line 9 for some or all of the amount added back on this line. See the instructions for line 9 for details.

Definitions Applicable to Line 2. In determining whether an addback of related entity expenses is necessary, the following definitions apply:

“Related entity” – A related person under one of the following sections of the Internal Revenue Code (IRC):

- Section 267(b), which defines relationships through which taxpayers would be considered “related” for purposes of the disallowance of deduction or loss on transactions between related taxpayers
- Section 1563, relating to controlled groups of corporations, which is incorporated into section 267 by reference
- Section 707(b), relating to partners of partnerships, which is also incorporated into section 267 by reference

A "related entity" also includes certain real estate investment trusts (REITs) if they are not "qualified REITs." For more on qualified REITs, see [Wisconsin Tax Bulletin #158](#), page 17, Questions A2 and A3.

“Interest expenses” – Interest that would otherwise be deductible under section 163 of the IRC and otherwise deductible in the computation of Wisconsin income.

“Rent expenses” – Gross amounts that would otherwise be deductible under the IRC, as modified for Wisconsin purposes, for the use of, or the right to use, real property and tangible personal property in connection with real property, including services rendered in connection with such property, regardless of how reported for financial accounting purposes and regardless of how computed.

“Management fees” – Expenses and costs, not including interest expenses, pertaining to accounts receivable, accounts payable, employee benefit plans, insurance, legal matters, payroll, data processing, purchasing, taxation, financial matters, securities, accounting, or reporting on compliance matters or similar activities, to the extent that the amounts would otherwise be deductible in determining net income under the IRC as modified for Wisconsin purposes.

“Intangible expenses” – Any of the following, to the extent the amounts would otherwise be deductible in determining net income under the IRC as modified for Wisconsin purposes:

- Expenses, losses, or costs for, related to, or directly or indirectly in connection with, the acquisition, use, maintenance, management, ownership, sale, exchange or any other disposition of intangible property
- Losses related to, or incurred in connection directly or indirectly with, factoring transactions or discounting transactions
- Royalty, patent, technical, and copyright fees
- Licensing fees

If a partnership purchases an amortizable intangible asset from a related entity, the amortization expenses on that asset are considered intangible expenses and should be added back.

Schedule RT Filing Requirement for Amount on Line 2. If the amount a partnership reports on line 2 exceeds \$100,000, the partnership must include Schedule RT, *Wisconsin Related Entity Expenses Disclosure Statement*, with its return. However, for partnerships using apportionment, you may multiply the amount on line 2 by the apportionment percentage for purposes of determining whether you meet the \$100,000 threshold for filing Schedule RT.

■ **Line 3. Expenses Related to Nontaxable Income** – Enter expenses included in federal taxable income that are directly or indirectly related to nontaxable income. Include a schedule with your return showing the payers and amounts of nontaxable income and explaining why that income isn't taxable.

Interest, dividends, and capital gains from the disposition of intangible assets are nontaxable if both of the following are true:

- The operations of the payer are not unitary with those of the payee, and
- The payer and payee are not related as parent company and subsidiary or affiliates and the investment activity from which the income is received is not an integral part of a unitary business.

Income may also be nontaxable under the principles of the U.S. Supreme Court decision in *Allied-Signal v. Director, Div. of Taxation*, 504 U.S. 768 (1992), if the investment is passive and does not serve an operational function.

Examples of expenses related to nontaxable income include taxes, interest, and administrative fees related to the production of nontaxable income.

Also enter on this line any losses included in federal taxable income from disposing of assets, if gains from disposing those assets would have been non-taxable income if the assets were disposed of at a gain.

■ Line 4. Basis, Section 179, Depreciation Differences –

Difference in federal and Wisconsin basis of depreciated or amortized assets:

Starting with the first taxable year beginning in 2014, adjustments are to be made over a 5-year period for the difference between the Wisconsin adjusted basis and the federal adjusted basis of assets owned on the last day of the taxable year beginning in 2013. The assets must have been depreciated or amortized for both Wisconsin and federal tax purposes. As a result of these adjustments, the Wisconsin adjusted basis and the federal adjusted basis of these assets is deemed to be equal on the first day of the taxable year beginning in 2014.

You must first determine the difference between the Wisconsin adjusted basis and the federal adjusted basis of all assets that are being depreciated or amortized on the last day of your taxable year beginning in 2013. This would be on December 31, 2013, if you file your tax return on a calendar-year basis.

If the total federal adjusted basis of the assets is more than the total Wisconsin adjusted basis, complete the worksheet below to determine the required addition to income. As result of this addition, your Wisconsin adjusted basis of all depreciated or amortized assets on the first day of your taxable year beginning in 2014 (January 1, 2014, for calendar-year filers) will be the same as the federal adjusted basis.

Note: If the total Wisconsin adjusted basis is more than total federal adjusted basis, see the instructions for line 11.

Worksheet for Difference in Basis

(Keep for your records)

1. Combined federal adjusted basis of all depreciated and amortized assets as of the last day of the taxable year beginning in 2013....._____
2. Combined Wisconsin adjusted basis of all depreciated and amortized assets as of the last day of your taxable year beginning in 2013....._____
3. Subtract line 2 from line 1....._____
4. Multiply line 3 by .20 (20%). This is your addition to income for 2017....._____

Section 179 expenses:

Enter the amount by which the Wisconsin section 179 expense exceeds the federal section 179 expense.

For taxable years beginning on or after January 1, 2014, sections 179, 179A, 179B, 179C, 179D, and 179E of the Internal Revenue Code, related to expensing of depreciable business assets, apply for Wisconsin tax purposes. "Internal Revenue Code" means the federal Internal Revenue Code in effect for the year in which the property is placed in service.

For further information about the differences between the limitations for federal and Wisconsin purposes, see the section titled *Conformity with Internal Revenue Code and Exceptions* earlier.

Depreciation/Amortization (not section 179 expense):

Enter the amount by which the federal deduction for depreciation or amortization exceeds the Wisconsin deduction. Include a schedule showing the computation details.

These differences can happen because of IRC sections not adopted for Wisconsin purposes and also because of differences that existed between Wisconsin and federal law for assets placed in service before January 1, 1987.

For 2014 and beyond, bonus depreciation was reinstated by the federal government, and an adjustment is required to account for the depreciation difference because Wisconsin has not adopted federal bonus depreciation provisions. For Wisconsin purposes, depreciation, depletion, and amortization is computed based on the Internal Revenue Code in effect on January 1, 2014, and bonus depreciation was not in effect on that date.

■ **Line 5. Amount by Which the Federal Basis of Assets Disposed of Exceeds the Wisconsin Basis** – Enter the amount by which the federal basis of assets disposed of exceeds the Wisconsin basis. If more than one asset is disposed of, you may combine the bases of the assets so that you need only one entry on either this line. Provide a schedule showing the computation details.

For example, assume a partnership sold the following assets during the current taxable year:

	Federal Basis	Wisconsin Basis	Difference
Equipment	\$1,500	\$500	\$1,000
Machinery	1,000	2,000	(1,000)
Building	20,000	10,000	10,000
Totals	\$22,500	\$12,500	\$10,000

The amount to enter would be \$10,000. If the Wisconsin bases of the assets had exceeded the federal bases, an entry would be made on line 12.

The modification may also apply in cases where a parent corporation disposes of subsidiary stock for which the basis is determined under Treas. Reg. §1.1502-32. See s. Tax 2.61(6)(f), Wisconsin Administrative Code, for details.

■ **Line 6. Addition for Credits Computed** – Enter the total amount of credits from the list provided that you computed on your 2017 return. Note: The manufacturing and agriculture credit is the credit computed in 2016.

■ **Line 6a.** Business development credit (Schedule BD)

■ **Line 6b.** Community rehabilitation program credit (Schedule CM)

■ **Line 6c.** Development zones credits (Schedule DC)

■ **Line 6d.** Economic development credit (Schedule ED)

■ **Line 6e.** Electronics and Information Technology Manufacturing Zone Credit (EIT) – Enter the credit certified by the Wisconsin Economic Development Corporation.

■ **Line 6f.** Enterprise zone jobs credit (Schedule EC)

■ **Line 6g.** Jobs tax credit (Schedule JT)

■ **Line 6h.** Manufacturing and agriculture credit (2016 Schedule MA-M and MA-A)

■ **Line 6i.** Manufacturing investment credit (Schedule MI)

■ **Line 6j.** Research credits (Schedule R)

■ **Line 6k.** Technology zone credit (Schedule TC)

■ **Line 7. Other Additions** – Enter any other additions that have not been accounted for in the preceding lines.

Subtractions:

■ **Line 9. Related Entity Expenses Eligible for Subtraction** – If the partnership made an addition modification for related entity expenses on line 2, this is where you report the amount that qualifies for a deduction. Enter the amount of the expenses from line 2, that are deductible using the criteria described in *Conditions for Deducting Related Entity Expenses*, below.

For partnerships that are members or partners of pass-through entities, also include the amount of allowable related entity expense reported on line 21b of Schedule 3K-1 and line 18b of Schedule 5K-1.

Conditions for Deducting Related Entity Expenses. Section 71.80(23)(a)3., Wis. Stats., provides that a related entity expense that was added back on line 2, qualifies for a deduction if all of the following conditions are met:

- The primary motivation for the transaction was one or more business purposes other than the avoidance or reduction of state income or franchise taxes;
- The transaction changed the economic position of the taxpayer in a meaningful way apart from tax effects; and
- The expenses were paid, accrued, or incurred using terms that reflect an arm's length relationship.

Factors that may indicate that the expense does not qualify for a deduction include the following:

- There was no actual transfer of funds from the taxpayer to the related entity, or the funds were substantially returned to the taxpayer, either directly or indirectly.
- If the transaction was entered on the advice of a tax advisor, the advisor's fee was determined by reference to the tax savings.
- The related entity does not regularly engage in similar transactions with unrelated parties on terms substantially similar to those of the subject transaction.
- The transaction was not entered into at terms comparable to arm's length as determined by Treas. Reg. 1.482-1(b).
- There was no realistic expectation of profit from the transaction apart from the tax benefits.
- The transaction resulted in improper matching of income and expenses.
- An expense for the transaction was accrued under FIN 48.

The statutes (sec. 71.80(23)(a)1. and 2., Wis. Stats.) provide some additional conditions under which a related entity expense may qualify for a deduction, subject to some important exceptions. Those conditions are:

- If the expense was paid to a related entity that is merely acting as a conduit between the taxpayer and an unrelated entity, or
- If the related entity was subject to a tax measured by net income or receipts and the net income or receipts of the transaction were included in its tax base.

More Information on Related Entity Expenses. For more information on the deductibility of related entity expenses, see the Schedule RT instructions. Even if you weren't required to include Schedule RT for the expenses, the instructions to Schedule RT provide helpful information regarding deductibility of related entity expenses.

■ **Line 10. Income from Related Entities Whose Expenses Were Disallowed** – If the partnership has income from a related entity which paid, accrued, or incurred expenses to the partnership, and that related entity could not deduct those expenses according to the instructions for line 2, the partnership may subtract the corresponding income from its taxable income.

In order to claim a subtraction on line 10, the partnership must obtain Schedule RT-1 from the related entity and submit Schedule RT-1. See the Schedule RT-1 instructions for further details.

■ **Line 11. Basis, Section 179, Depreciation Difference, Amortization of Assets –**

Difference in federal and Wisconsin basis of depreciated or amortized assets:

Starting with the first taxable year beginning in 2014, adjustments are to be made over a 5-year period for the difference between the Wisconsin adjusted basis and the federal adjusted basis of assets owned on the last day of the taxable year beginning in 2013. The assets must have been depreciated or amortized for both Wisconsin and federal tax purposes. As a result of these adjustments, the Wisconsin adjusted basis and the federal adjusted basis of these assets is deemed to be equal on the first day of the taxable year beginning in 2014.

You must first determine the difference between the Wisconsin adjusted basis and the federal adjusted basis of all assets that are being depreciated or amortized on the last day of your taxable year beginning in 2013. This would be on December 31, 2013, if you file your tax return on a calendar-year basis.

If the total federal adjusted basis of the assets is less than the total Wisconsin adjusted basis, a subtraction must be claimed to adjust for this difference. As result of this subtraction, your Wisconsin adjusted basis of all depreciated or amortized assets on the first day of your taxable year beginning in 2014 (January 1, 2014, for calendar-year filers) will be the same as the federal adjusted basis.

Note: If the total Wisconsin adjusted basis is less than total federal adjusted basis, see the instructions for line 4.

Worksheet for Difference in Basis
(Keep for your records)

- 1. Combined Wisconsin adjusted basis of all depreciated and amortized assets as of the last day of the taxable year beginning in 2013....._____
- 2. Combined federal adjusted basis of all depreciated and amortized assets as of the last day of your taxable year beginning in 2013....._____
- 3. Subtract line 2 from line 1....._____
- 4. Multiply line 3 by .20 (20%). This is your subtraction for 2017....._____

Section 179 expenses:

Enter the amount by which the federal section 179 expense exceeds the Wisconsin section 179 expense.

For taxable years beginning on or after January 1, 2014, sections 179, 179A, 179B, 179C, 179D, and 179E of the Internal Revenue Code, related to expensing of depreciable business assets, apply for Wisconsin tax purposes. "Internal Revenue Code" means the federal Internal Revenue Code in effect for the year in which the property is placed in service.

Depreciation/Amortization (not section 179 expense):

Enter the amount by which the Wisconsin deduction for depreciation or amortization exceeds the federal deduction for depreciation or amortization. Include a schedule showing the computation details.

These differences can happen because of IRC sections not adopted for Wisconsin purposes and electing a different depreciation method under the Internal Revenue Code in effect for Wisconsin purposes.

■ **Line 12. Amount by Which the Wisconsin Basis of Assets Disposed of Exceeds the Federal Basis –** Sales of assets with different Wisconsin basis than federal basis will also require you to make adjustments in column c. For example, a partnership sold the following assets, which had been held more than one year:

	Selling Price	Wisconsin Basis	Federal Basis
Equipment	\$1,000	\$1,500	\$500
Machinery	15,000	5,000	17,500
Building	200,000	150,000	120,000

The gains (losses) realized on these transactions are –

	Wisconsin Gain (Loss)	Federal Gain (Loss)
Equipment	(\$500)	500
Machinery	10,000	(2,500)
Building	50,000	80,000
Total	\$59,500	\$78,000

The partnership must recompute a federal Form 4797, substituting the Wisconsin depreciation allowed or allowable and Wisconsin basis of the assets for the federal amounts.

For federal purposes, the \$500 gain on the sale of the equipment is determined to be depreciation recapture, which is treated as ordinary gain and included in the partnerships ordinary income or loss on Form 3, Schedule 3K, line 1, column b.

For Wisconsin purposes, \$5,000 of the gain on the sale of the machinery is determined to be depreciation recapture, which is treated as ordinary gain.

The partnership enters \$4,500 (\$5,000 Wisconsin ordinary gain minus \$500 federal ordinary gain) on Schedule 3K, line 1, column c. The partnership makes the following entries on Schedule 3K, line 10: \$77,500 in column b, \$(23,000) in column c, and \$54,500 in column d.

■ **Line 13. Federal Work Opportunity Credit Wages** – Enter wages that aren’t deductible in computing federal income because they are being used in computing the federal work opportunity tax credit.

■ **Line 14. Federal Research Credit Expenses** – Enter research expenses that aren’t deductible in computing federal income because they are being used in computing the federal credit for increasing research activities.

■ **Line 15. Other Subtractions** – Enter any other subtractions that have not been accounted for in the preceding lines.

Additional Information, Assistance, and Forms

Web Resources:

The Department of Revenue’s web page, available at revenue.wi.gov, has a number of resources to provide additional information and assistance, including:

- Related [forms](#) and their instructions
- [Common questions](#)
- [Publications](#) on specific tax topics
- The [Wisconsin Tax Bulletin](#)
- A home page specifically for [combined reporting topics](#)
- Links to the [Wisconsin Statutes and Administrative Code](#)

Contact Information:

If you cannot find the answer to your question on the Department's web page, contact the Department using any of the following methods:

E-mail your question to: DORFranchise@wisconsin.gov

- Call (608) 266-2772
(Telephone help is also available using TTY equipment. Call the Wisconsin Telecommunications Relay System at 711 or, if no answer, (800) 947-3529).
- Send a fax to (608) 267-0834
- Write to the Customer Service and Education Bureau, Wisconsin Department of Revenue, Mail Stop 3-107, PO Box 8949, Madison, WI 53708-8949
- Call or visit any Department of Revenue office

Obtaining Forms:

If you need forms or publications, you may:

- Download them from the Department's web site at revenue.wi.gov
- Request them online at revenue.wi.gov
- Call (608) 266-1961
- Call or visit any Department of Revenue office
