General Franchise or Income Tax Return Instructions

Who Must File

Organizations Required to File. The following exempt organizations are required to file a Wisconsin corporation franchise or income tax return:

- Organizations exempt from Wisconsin income taxation under sec. 71.26(1)(a) or 71.45(1), Wis. Stats., which satisfy, or which are the sole owner of limited liability companies (LLCs) that satisfy, all of the following:
 - Do business in Wisconsin,
 - Have at least \$1,000 of gross income from an unrelated trade or business for federal income tax purposes, and
 - Must file federal Form 990-T or 4720 to report such unrelated trade or business income.
- Trusts exempt from federal income tax under Internal Revenue Code (IRC) section 501(a), which satisfy all of the following:
 - Have income from Wisconsin sources, such as business transacted or property located in Wisconsin,
 - Have at least \$1,000 of gross income from an unrelated trade or business for federal income tax purposes, and
 - Must file federal Form 990-T or 4720.
- IRAs and MSAs described in IRC sections 408(a) and 220(d) which satisfy all of the following:
 - Have income from Wisconsin sources, such as business transacted or property located in Wisconsin,
 - Have at least \$1,000 of gross income from an unrelated trade or business for federal income tax purposes, and
 - Must file federal Form 990-T or 4720.
- Exempt organizations engaged in buying or selling lottery prizes if the winning tickets were originally bought in Wisconsin.

“Gross income” of a manufacturing, merchandising, or mining business is the total receipts or sales, less the cost of goods sold, plus the gross income from other sources that is includable in unrelated business taxable income.

“Doing business in this state.” The definition of “Doing business in this state,” sec. 71.22(1r), Wis. Stats, includes regularly selling products or services of any kind or nature to customers in Wisconsin that receive the product or service in Wisconsin; regularly soliciting business from potential customers in Wisconsin; regularly performing services outside Wisconsin for which the benefits are received in Wisconsin; regularly engaging in transactions with customers in Wisconsin that involve intangible property and result in receipts flowing to the taxpayer from within Wisconsin; and holding loans secured by real or tangible personal property located in Wisconsin.

Organizations Not Required to File. The following organizations are **not** required to file a Wisconsin corporation franchise or income tax return:

- Exempt organizations that aren’t subject to tax on unrelated business taxable income under IRC section 511 and aren’t required to file federal Form 990-T, except those with income realized from the sale of or purchase and subsequent sale or redemption of lottery prizes if the winning tickets were originally bought in Wisconsin.
- Employee benefit plans established by an employer engaged in or affecting interstate commerce or by an employee organization that represents employees engaged in or affecting interstate commerce. This exception doesn’t apply to government plans, church plans not electing under the vesting, etc., provisions, worker’s compensation plans, non-U.S. plans primarily for non-resident aliens, and “excess benefit plans.”
- The State of Wisconsin, including the University of Wisconsin System, or any county, village, school district, or other political unit of the State of Wisconsin.
- Credit unions.

When and Where to File

Generally, an exempt organization must file Form 4T by the 15th day of the 5th month following the close of its taxable year. However, an employees’ trust defined in IRC section 401(a), an IRA, and an MSA must file Form 4T by the 15th day of the 4th month following the close of the taxable year. If a return is filed late, without an extension, the exempt organization may be subject to penalties and interest.

Extensions. If you are requesting an extension of time to file your federal income tax return, the following treatment applies:

- For exempt organizations taxable as corporations, any extension allowed by the Internal Revenue Service (IRS) for filing the federal return automatically extends the Wisconsin due date to 30 days after the federal extended due date. You don’t need to submit either a copy of the federal extension or an application for a Wisconsin extension to the Department by the original due date of

your return. However, you must file a copy of the federal extension with the Wisconsin return that you file.

- For exempt organizations taxable as trusts, any extension allowed by the IRS for filing the federal return automatically extends the Wisconsin due date to the federal due date. You must file a copy of the federal extension with the Wisconsin return that you file.
- **Disaster Relief Extension.** If you are filing under extension because of a federal or state disaster, include a statement indicating which disaster extension you are using and attach it to your return. Additional information on disaster areas can be found here: revenue.wi.gov/Pages/Businesses/Disaster-Tax-Assistance.aspx

Filing Methods. File electronically through the Federal/State E-Filing Program. For a list of software vendors participating in the Federal/State E-Filing Program, visit the Department of Revenue’s web page at revenue.wi.gov/eserv/corp/index.html.

Paper filing is also permitted. If you choose to file your return on paper, follow these mailing instructions carefully:

- **Do not fasten, staple or bind the pages of your return.** Use paper clips instead.
- If you are submitting multiple returns, separate them with **colored separator sheets**.
- Use the mailing address shown on the form.

Period Covered by Return

The return must cover the same period as the exempt organization’s federal business income tax return, Form 990-T. A 2017 Wisconsin return must be filed by an exempt organization for calendar year 2017 or a fiscal year that begins in 2017. A fiscal year may end only on the last day of a month. The period covered by the return can’t exceed 12 months.

Example: Corporation A has a fiscal year beginning March 1, 2017 and ending February 28, 2018. Corporation A files a 2017 Form 4T for the period of March 1, 2017 through February 28, 2018.

However, exempt organizations reporting on a 52-53 week period for federal tax purposes must file on the same reporting period for Wisconsin. A 52-53 week taxable year is deemed to begin on the first day of the calendar month beginning nearest to the first day of the 52-53 week taxable year. The taxable year is deemed to end on the last day of the calendar month closest to the last day of the 52-53 week taxable year for purposes of due dates, extensions, and assessments of interest and penalties.

Any change in accounting period made for federal purposes must also be made for Wisconsin purposes. For the first taxable year for which the change applies, file with the Wisconsin return a copy of the IRS's notice of approval of accounting period change if such approval is required or an explanation of the change if the IRS's approval isn't required.

Accounting Methods and Elections

In computing unrelated business taxable income, the method of accounting must be the same method used in computing federal unrelated business taxable income. However, if the method used for federal purposes isn't authorized under the IRC in effect for Wisconsin, use a method authorized under the IRC in effect for Wisconsin.

Change in Accounting Method. A change in accounting method made for federal purposes must also be made for Wisconsin purposes, unless the change isn't authorized under the IRC in effect for Wisconsin. Adjustments required federally as a result of a change made while the exempt organization is subject to Wisconsin taxation must also be made for Wisconsin purposes, except in the last year that an exempt organization is subject to taxation by Wisconsin it must take into account all remaining adjustments required.

For the first taxable year for which the change applies, file with the Wisconsin return either a copy of the application for change in accounting method filed with the IRS and copy of the IRS's consent, if applicable, or an explanation of the change if the IRS's approval isn't required.

Elections. As explained above, an exempt organization can't make different elections for federal and Wisconsin purposes with respect to accounting periods and accounting methods, unless the federal method isn't permitted under the IRC in effect for Wisconsin. In situations where an exempt organization has an option under the IRC and the IRS doesn't consider that option to be a method of accounting, a different election may be made for Wisconsin than that made for federal purposes. If federal law specifies the manner or time period in which an election must be made, those requirements also apply for Wisconsin purposes.

If different elections are made, adjustments are required on the Wisconsin return to account for any differences. Exempt organizations taxable as trusts enter such adjustments on Schedule T1 or Schedule T2. Exempt organizations taxable as corporations should account for such differences on Form 4T, line 1.

Payment of Estimated Tax

The franchise or income tax and economic development surcharge must be paid by the 15th day of the 5th month

(15th day of the 4th month for employees' trusts, IRAs, and MSAs) following the close of the taxable period, *regardless of the due date of the return*. Exempt organizations may be required to make quarterly estimated payments to prepay their franchise or income tax and economic development surcharge.

If the total of an exempt organization's franchise or income tax and economic development surcharge due is \$500 or more, it generally must make quarterly estimated tax payments. Corporations should use Wisconsin Form Corp-ES or by electronic funds transfer, and trusts should use Form 1-ES or electronic funds transfer. Failure to make required estimated tax payments may result in an interest charge.

CAUTION: An extension for filing the return doesn't extend the time to pay the franchise or income tax. Interest will be charged on the tax and surcharge not paid by the original due date. You can avoid interest charges during the extension period by paying the tax and surcharge due by the original due date. Submit your payment with Wisconsin Form Corp-ES, *Corporation Estimated Tax Voucher*.

Quick Refund. An exempt corporation that overpaid its estimated tax may apply for a refund before filing its tax return if its overpayment is (1) at least 10% of the expected Wisconsin tax liability and (2) at least \$500. To apply, file Wisconsin Form 4466W, *Corporation or Pass-Through Entity Application for Quick Refund of Overpayment of Estimated Tax*, after the end of the taxable year and before the exempt corporation files its tax return. **Do not** file Form 4466W at the same time as your tax return.

An exempt corporation that has a tax due when filing its tax return as a result of receiving a "quick refund" will be charged 12% annual interest on the amount of unpaid tax from the date the refund is issued to the earlier of the 15th day of the 5th month (15th day of the 4th month for employees' trusts, IRAs, and MSAs) after the close of the taxable year or the date the tax liability is paid. Any tax that remains unpaid after the unextended due date of the tax return continues to be subject to 18% or 12% annual interest, as appropriate.

Disclosure of Related Entity Expenses and Reportable Transactions

An exempt organization may be required to separately disclose certain expenses paid, accrued, or incurred to a related entity. An exempt organization or its material advisor may also be required to separately disclose reportable transactions.

CAUTION: Wisconsin law provides that certain related entity expenses shall not be allowed as deductions if they are not timely disclosed as required by the Department of Revenue. Also, penalties may apply for failure to disclose reportable transactions to the Department.

Disclosure of Related Entity Expenses. If the exempt organization will be deducting more than \$100,000 (after considering the effect of apportionment) of interest, rent, or intangible expenses or management fees paid, accrued, or incurred to a related person or entity, the corporation must generally file Schedule RT, *Wisconsin Related Entity Expenses Disclosure Statement*, with its franchise or income tax return. The Schedule RT instructions explain the reporting requirements.

However, even if you are not required to file Schedule RT, if you are taking deductions for interest, rent, or intangible expenses or management fees paid, accrued, or incurred to related entities, you must add those expenses back to federal income as Wisconsin modification. If the expenses meet the tests for deductibility, you may subtract them out as subtraction modifications.

Organization's Disclosure of Reportable Transactions. If an exempt organization was required to include any form with its federal tax return to disclose a "reportable transaction," as defined under sec. 71.81(1)(c), Wis. Stats., it must file a copy of that form with the Department of Revenue within 60 days of the date it is required to file it for federal income tax purposes, provided that it is otherwise required to file a Wisconsin return. This includes federal Form 8886, *Reportable Transaction Disclosure Statement*.

See the instructions to federal Form 8886 to determine if you are required to file the form for federal purposes.

Material Advisor's Disclosure of Reportable Transactions. A "material advisor" means any person who provides any material aid, assistance, or advice with respect to organizing, managing, promoting, selling, implementing, insuring, or carrying out any reportable transaction (as defined in the U.S. Treasury Regulations) and who, directly or indirectly, derives gross income from providing such aid, assistance, or advice in an amount that exceeds the threshold amount.

For a material advisor providing advice to an entity and not an individual, the "threshold amount" is any of the following:

- \$25,000 if the reportable transaction is a listed transaction (as defined in the U.S. Treasury Regulations).
- \$250,000 if the reportable transaction is not a listed transaction.

For a material advisor providing advice to an individual, the "threshold amount" is any of the following:

- \$10,000 if the reportable transaction is a listed transaction (as defined in the U.S. Treasury Regulations).
- \$50,000 if the reportable transaction is not a listed transaction.

A material advisor that is required to disclose a reportable transaction to the IRS must file a copy of the disclosure with the Department of Revenue within 60 days of the date it is required for federal income tax purposes, if the reportable transaction affects the taxpayer's Wisconsin income or franchise tax liability. For federal purposes, the form required for this disclosure is Form 8918.

If you are required to file Form 8918 for federal income tax purposes and the reportable transaction to which the form relates affects the taxpayer's Wisconsin income or franchise tax liability, send a paper copy, separate from the Wisconsin return, to the following address: Wisconsin Department of Revenue, Tax Shelters Program, PO Box 8958, Madison, WI 53708-8958. Include a listing of the names and identification numbers of each Wisconsin taxpayer for whom the advisor provided services to.

Internal Revenue Service Adjustments, Amended Returns, and Claims for Refund

Internal Revenue Service Adjustments. If an exempt organization's federal tax return is adjusted by the IRS and such adjustments affect the Wisconsin net tax payable, the amount of a Wisconsin credit, or a Wisconsin loss carryforward, you must report such adjustments to the Department of Revenue within 90 days after they become final by either filing an amended Wisconsin franchise/income tax return or mailing a copy of the final federal audit report..

Send a copy of the final federal audit reports and any associated amended Wisconsin returns to the Wisconsin Department of Revenue, PO Box 8908, Madison, WI 53708-8908. If submitting a federal audit report without an amended return, mail it to the Audit Bureau, Wisconsin Department of Revenue, Mail Stop 3-107, PO Box 8906, Madison, WI 53708-8906. Don't attach these items to the tax return for the current year.

Amended Returns. After you have filed a complete, original tax return, you may file an amended return to correct a tax return as you originally filed it or as it was later adjusted by an amended return, a claim for refund, or an office or field audit.

If you file an amended federal return and the changes affect the Wisconsin net tax payable, the amount of a Wisconsin credit, or a Wisconsin loss carryforward, you must file an

amended Wisconsin return with the Department of Revenue within 90 days after filing the amended federal return.

To file an amended Wisconsin return, put a check mark on the line next to item D1 on the front of the return, complete the return, and include an explanation of any changes made. Show computations in detail, including any applicable supplemental forms or schedules. Also show how you figured your refund or additional amount owed.

Where applicable, the line-by-line instructions in this booklet provide specific instructions for how to compute the amounts on an amended return.

File your amended return electronically by using one of the third party software providers:

revenue.wi.gov/eserv/corp/third.html

If you have an approved electronic filing waiver, send amended returns to the Wisconsin Department of Revenue, PO Box 8908, Madison, WI 53708-8908. **Don't attach amended returns to other tax returns that you are filing.**

Claims for Refund. A claim for refund must be filed within 4 years of the unextended due date of the return. However, a claim for refund to recover all or part of any tax or credit paid as a result of an office or field audit must be filed within 4 years after such an assessment. That assessment must have been paid and must not have been protested by filing a petition for redetermination. See section Tax 2.12, Wisconsin Administrative Code, for more information.

Economic Development Surcharge

The economic development surcharge applies to corporations having gross receipts from all unrelated trade or business activities of \$4 million or more during the taxable year. Corporations that must file Wisconsin franchise or income tax returns must pay the economic development surcharge, with certain exceptions. The surcharge doesn't apply to:

- Exempt corporations that have less than \$4 million of gross receipts from all unrelated trade or business activities for federal income tax purposes.
- "Gross receipts from all unrelated trade or business activities" includes gross receipts, gross sales, the gross sales price from the disposition of capital assets and business assets, gross rents, gross income from unrelated debt-financed property, gross interest, annuities, royalties, and rents from controlled organizations, gross investment income, gross exploited exempt activity income, gross advertising income, gross receipts passed through from other entities, and all other receipts that are included in unrelated business taxable income for Wisconsin income tax purposes.

For more information, refer to Publication 400, *Wisconsin's Economic Development Surcharge*.

Information Returns

If an exempt organization pays \$600 or more in rents, royalties, or certain nonwage compensation to one or more individuals, the exempt organization must file an information return to report those payments. You may use Wisconsin Form 9b, *Miscellaneous Income*, or you may use federal Form 1099 instead of Form 9b. For more information, see the Form 9b instructions.

Wisconsin Use Tax

Exempt organizations that don't hold a Wisconsin Certificate of Exempt Status (CES#) and purchase taxable tangible personal property, certain coins and stamps, certain leased properties affixed to real estate, certain digital goods, or taxable services for storage, use, or consumption in Wisconsin without payment of a sales or use tax may owe Wisconsin state, county, or stadium use tax and be required to file a Wisconsin sales and use tax return.

Penalties for Not Filing or Filing Incorrect Returns

If you don't file a Form 4T that you are required to file, or if you file an incorrect Form 4T due to negligence or fraud, interest and penalties may be assessed against you. The interest rate on delinquent taxes is 18% per year. Civil penalties may be as much as 100% of the amount of tax not reported on the return. Criminal penalties for filing a false return include a fine of up to \$10,000 and imprisonment. Further, if you fail to disclose reportable transactions, you may be subject to the penalties described in sec. 71.81, Wis. Stats., including a \$30,000 penalty for failure to disclose a listed transaction.

Other Exceptions to Internal Revenue Code

The following federal provisions in effect as of December 31, 2016, are specifically excluded for Wisconsin franchise and income tax purposes:

Domestic Production Activities Deduction. For federal tax purposes, taxpayers may claim a deduction against gross income equal to a percentage of its qualified production activities income or its taxable income without regard to the deduction. For taxable years beginning after December 31, 2004, and before January 1, 2009, the federal domestic production activities deduction also applied for Wisconsin income and franchise tax purposes. Effective for taxable years beginning on or after January 1, 2009, the domestic production activities deduction will no longer apply for Wisconsin purposes (sec. 102 of P.L. 108-357).

Depreciation and Bonus Depreciation

For taxable years beginning on or after January 1, 2014, for purposes of computing depreciation, depletion, and amortization, the Internal Revenue Code means the federal Internal Revenue Code in effect on January 1, 2014.

The provision that property required to be depreciated for taxable year 1986 under the Internal Revenue Code as amended to December 31, 1980, to continue to be depreciated under the Internal Revenue Code as amended to December 31, 1980, is limited to taxable years beginning before January 1, 2014.

Wisconsin has not adopted federal bonus depreciation provisions. For Wisconsin purposes, depreciation, depletion, and amortization is computed based on the Internal Revenue Code in effect on January 1, 2014.

Section 179 Expense

For taxable years beginning on or after January 1, 2014, sections 179, 179A, 179B, 179C, 179D, and 179E of the Internal Revenue Code, related to expensing of depreciable business assets, apply for Wisconsin tax purposes. "Internal Revenue Code" means the federal Internal Revenue Code in effect for the year in which the property is placed in service.

Accounting for Differences

Adjustments may be necessary to account for differences between federal and Wisconsin taxable income because of the items described above. Exempt organizations taxable as trusts show these adjustments on Schedule T1 and Schedule T2. Exempt organizations taxable as corporations recompute their federal unrelated business taxable income reported on line 1 of Form 4T. See the instructions for line 1 for details.

Line-by-Line Instructions for Form 4T

You must complete pages 1 and 2 of Form 4T and make appropriate entries in the schedules on page 3. Do not enter "See attached" instead of completing the entry spaces. If more space is needed, use separate sheets using the same size and format as the printed forms.

Round cents to the nearest whole dollar by eliminating amounts less than 50 cents and increasing amounts from 50 cents through 99 cents to the next higher dollar.

The name and address information should be written on single lines. Do not stack the information on the lines. If more room is needed, abbreviate where possible.

Do not write "None" on the amount lines if there is not an entry for the lines. Instead, leave the lines blank.

Caution: Federal line numbers referred to on Form 4T and in these instructions may change.

Items A Through J

Before completing items A through J, fill in the exempt organization's 2017 taxable year at the top of the form and the organization's name and address. If the organization dissolved, enter the date of dissolution as the ending date of the 2017 taxable year.

■ **Item A. Federal Employer Identification Number** – Enter the exempt organization's federal employer identification number (EIN). If you haven't yet applied for a federal EIN, you may do so by filing federal Form SS-4 with the IRS, calling the IRS's toll-free number at (800) 829-4933, or applying online at [http://www.irs.gov/Businesses/Small-Businesses-&Self-Employed/Apply-for-an-Employer-Identification-Number-\(EIN\)-Online](http://www.irs.gov/Businesses/Small-Businesses-&Self-Employed/Apply-for-an-Employer-Identification-Number-(EIN)-Online).

■ **Item B. Business Activity (NAICS) Code** – Enter the organization's principal business activity code, based on the North American Industry Classification System (NAICS), from your federal return. If your federal return is a consolidated return, go to census.gov/epcd/www/naics.html to find the NAICS code for your principal business activity.

■ **Item C. State and Year of Organization** – Enter the 2-letter postal abbreviation for the state (or name of the foreign country) under whose laws the organization was formed or organized and the year of formation or organization.

■ **D1. Amended Return** – Check here if this is an amended return. Circle the line number in front of, or provide an explanation of, the lines you are changing and submit a detailed explanation of the changes made, including any supporting form or schedule.

■ **D2. First Return** – Check here if this is the first year that you are filing a Wisconsin return because the corporation wasn't in existence or didn't do business in Wisconsin in prior years.

■ **D3. Final Return** – If the corporation ceased to exist or withdrew from Wisconsin during the year and will no longer be filing Form 4T, check here and submit a copy of your plan of liquidation and federal Form 966 if the corporation liquidated. Note: checking this box will not close all your accounts with the department; only the corporation account will close.

■ **D4-5. Short Period** – Indicate that a short period return is being filed due to a change in the corporation's accounting period or a stock purchase or sale by checking the appropriate line.

Be sure to use the correct year's tax return when filing for a short period. If the tax returns are not yet available, wait until the returns become available and file under extension. For example, if a taxpayer has a short period from January 1, 2018 through February 28, 2018, the 2018 Form 4T will not be ready by July 15, 2018 (unextended due date for a March 31 year-end). Wisconsin law follows the federal extension provisions, but provides for an additional 30 day extension beyond the federal extension, so filing under extension will allow the correct years return to be filed when the 2018 Form 4T is available (typically November 1). Note that an extension does not extend the time to pay a balance due. In order to avoid interest charges, pay the amount due by the unextended due date.

■ **Item E. Extended Due Date** – Check here if the exempt organization has an extension of time to file its Wisconsin return, and enter the extended due date.

Disaster Relief Extension. If you are filing under extension because of a federal or state disaster, include a statement indicating which disaster extension you are using and attach it to your return. Additional information on disaster areas can be found here: revenue.wi.gov/Pages/Businesses/Disaster-Tax-Assistance.aspx

■ **Item F. Schedule RT Required** – Check here if the exempt organization is filing Schedule RT, *Wisconsin Related Entity Expenses Disclosure Statement*, with its return. Schedule RT is generally required if the exempt organization pays, accrues, or incurs more than \$100,000 of expenses to a related person or entity in the taxable year. See the Schedule RT instructions for details of the requirement to file Schedule RT.

■ **Item G. Name Change** - Check here if the organization changed its name during the taxable year.

■ **Item H. Internal Revenue Service Adjustment** – If an organization’s federal tax return is adjusted by the IRS and the adjustments affect the Wisconsin net tax payable, the amount of a Wisconsin credit, a Wisconsin net business loss carryforward, or a Wisconsin capital loss carryforward, you must report the adjustments to the Department of Revenue within 90 days after they become final.

Send a copy of the final federal audit reports and any associated amended Wisconsin returns to the Wisconsin Department of Revenue, PO Box 8908, Madison, WI 53708-8908. If submitting a federal audit report without an amended return, mail it to the Audit Bureau, Wisconsin Department of Revenue, Mail Stop 3-107, PO Box 8906, Madison, WI 53708-8906. Don’t attach these items to the tax return for the current year.

■ **Item I. Type of Organization** – Check the line that indicates how the organization will be taxed. Failure to check the proper box may result in the incorrect processing of your return.

■ **Item J. Name of Trustee** – Enter the name of the trustee if the organization is taxable as a trust.

NOTE: Lines 1 through 10 are only for exempt organizations taxable as corporations. Exempt organizations taxable as trusts must skip lines 1 through 10 and begin on line 11.

Lines 1 Through 10 (For Corporations Only)

■ **Line 1. Federal Unrelated Business Taxable Income** – Enter the amount from federal Form 990-T, line 34. This is federal unrelated business taxable income after the net operating loss deduction and special deductions. Addition and subtraction modifications generally aren’t made for exempt organizations taxable as corporations. However, all income that is realized from the sale of or purchase and subsequent sale or redemption of lottery prizes if the winning tickets were originally bought in Wisconsin must be reported to Wisconsin.

If any changes to the IRC or depreciation or amortization differences described above affect the computation of federal unrelated business taxable income but don’t apply for Wisconsin purposes, recompute the amount on Form 990-T, line 34. Enter the recomputed amount on Form 4T, line 1, and include a schedule with Form 4T showing your computation of line 1.

■ **Lines 2 through 7. Apportionment Data** – If using the apportionment method, complete Wisconsin Form A-1, *Wisconsin Apportionment Data for Single Factor Formulas*, or A-2, *Wisconsin Apportionment Data for Multiple*

Factor Formulas, and enter the amounts requested. If using the separate accounting method, don’t complete lines 2 through 6. Instead, see the instructions for Separate Accounting Data in the instructions and enter the Wisconsin unrelated business taxable income on line 7.

■ **Line 8. Gross Tax** – Enter 7.9% of the Wisconsin unrelated business taxable income reported on line 7.

■ **Line 9. Nonrefundable Credits** – Enter any nonrefundable credits the exempt organization is claiming from Schedule CR. However, you may not offset these credits against the economic development surcharge. If you are claiming more than one credit, you must claim the credits in a specific order. To receive any credits, the taxpayer must submit the appropriate credit computation schedules. See the Schedule CR instructions for details.

If you are using credits carried forward from prior years or have current year unused credits that are being carried forward, complete a Schedule CF for each credit.

To determine if the organization qualifies for any credits, see Publication 123, *Business Tax Incentives*, which is available on the Department of Revenue’s web site at revenue.wi.gov/html/taxpubs.html.

■ **Line 10. Net Tax** – Subtract line 9 from line 8. If line 9 is greater than line 8, enter zero (0).

Lines 11 Through 20 (For Trusts Only)

■ **Line 11. Federal Unrelated Business Taxable Income** – Enter the amount from federal Form 990-T, line 34. However, if the trust is required to file Form 4720, enter the amount of federal unrelated business taxable income as computed in the supporting schedules to Form 4720. The amount on line 11 should be after applying the net operating loss deduction and special deductions.

CAUTION: If any changes to the Internal Revenue Code or differences described earlier affect the computation of federal unrelated business taxable income but don’t apply for Wisconsin purposes, account for the differences on Schedules T1 and T2.

■ **Line 12. Trust Additions** – Federal unrelated business taxable income on Form 4T, line 11, may include items that aren’t deductible for Wisconsin tax purposes, or it may not include items that are taxable for Wisconsin tax purposes. Complete Schedule T1 on page 3 and enter the total.

Specific instructions for how to complete Schedule T1 follow:

■ **Line 1. Interest Income** – Enter interest income, less related expenses, received on state and municipal obligations that was excluded from federal unrelated business taxable income, except interest which is by law exempt from Wisconsin taxation. Enter only the state or municipal interest that is considered unrelated business taxable income.

■ **Line 2. State Taxes** – Enter the amount of taxes deducted from federal unrelated business taxable income under IRC section 164.

■ **Line 3. Capital Gains and Losses** – If federal unrelated business taxable income includes capital gains or losses, complete Wisconsin Schedule WD (Form 2) to determine if an adjustment is necessary to arrive at Wisconsin unrelated business taxable income. For example, an adjustment may be required because Wisconsin law limits deductions for net capital losses to \$500.

■ **Line 4. Net Operating Loss Carryover** – Enter the amount of any federal net operating loss carryover.

■ **Lines 5. Related Entity Expenses** – An exempt organization taxable as a trust must make an addition modification to “add back” management fees and intangible, interest or rental expenses paid, accrued, or incurred to a related entity. These expenses must generally also be disclosed on Schedule RT. See the Schedule RT instructions for further details of the expenses required to be disclosed on Schedule RT and added back to income on Schedule T1.

After the trust makes this addition modification, the trust uses Part II of Schedule RT to determine if it is eligible for a deduction for any of the amount added back. The trust then makes a subtraction modification on Schedule T2 in the amount it is eligible to deduct.

If the trust is a partner, member, beneficiary, or shareholder of a pass-through entity, also include the amount of modification included on line 21a of Schedule 3K-1; line 14a of Schedule 2K-1; and line 18a of Schedule 5K-1, as applicable.

■ **Line 6. Domestic Production Activities Income** – Enter the amount of domestic production activities deduction (also called “section 199 deduction”) included in federal taxable income.

■ **Line 7. Transitional Adjustments** – Enter any transitional adjustments required by sec. 71.05(13), Wis. Stats., to account for differences between the federal and Wisconsin bases of changing basis assets (those subject to depreciation or amortization). Include a schedule showing the computation of each transitional adjustment made.

■ **Line 8. Credits Includable in Income** – For certain credits, you must include the credit amount in your income. Enter on line 8 the total of the following credit amounts, if applicable:

Credit	Schedule
Business Development Credit	Schedule BD
Community Rehabilitation Program Credit	Schedule CM
Development Zones Credits	Schedule DC
Economic Development Tax Credit	Schedule ED
Electronics and Information Technology Manufacturing Zone Credit	Schedule CR
Enterprise Zone Jobs Credit	Schedule EC
Farmland Preservation Credit	Schedules FC & FC-A
Jobs Tax Credit	Schedule JT
Manufacturing & Agriculture Credit	2016 Schedule MA-M and Schedule MA-A
Manufacturing Investment Credit	Schedule MI
Research Expense Credit	Schedule R
Technology Zone Credit	Schedule TC

■ **Line 9. Other Additions** – Enter any other amount subject to Wisconsin taxation, less any expense amount allocable to it, which has been excluded or deducted in the computation of federal unrelated business taxable income. For example, enter all income that is realized from the sale of or purchase and subsequent sale or redemption of lottery prizes if the tickets were originally bought in Wisconsin.

■ **Line 14. Trust Subtractions** – Federal unrelated business taxable income on Form 4T, line 11, may not include items that are deductible for Wisconsin tax purposes, or it may include items that aren’t taxable for Wisconsin purposes. Complete Schedule T2 on page 3 and enter the total.

Specific instructions for how to complete Schedule T2 follow:

■ **Line 1. Interest Income** – Enter interest and dividend income, less related expenses, received on obligations and certain securities of the United States government that was included in federal unrelated business taxable income and is exempt from state income taxation.

■ **Line 2. Capital Gains and Losses** – If federal unrelated business taxable income includes capital gains or losses,

complete Wisconsin Schedule WD (Form 2) to determine if an adjustment is necessary to arrive at Wisconsin unrelated business taxable income. For example, an adjustment may be required because Wisconsin law allows an exclusion of 30% of the net capital gain from assets held more than one year (60% on farm assets held more than one year and on all farm assets acquired from a decedent).

■ **Line 3. Net Operating Loss Carryforward** – Enter the amount of any Wisconsin net operating loss carryforward. The Wisconsin net operating loss is the federal net operating loss plus or minus modifications required for Wisconsin tax purposes. Net operating losses from years before the exempt organization became subject to Wisconsin income taxation can't be included on line 3.

■ **Line 4. Related Entity Expenses** – An exempt organization taxable as a trust must make an addition modification to “add back” management fees and intangible, interest or rental expenses paid, accrued, or incurred to a related entity if that interest was deducted from federal unrelated business taxable income. The “addback” is reported on Schedule T1, line 5. After the exempt organization makes this addition modification, it completes Part II of Schedule RT to determine if it is eligible for a deduction for any of the amount added back. The exempt organization then makes a subtraction modification on Schedule T2, line 4, for the amount it is eligible to deduct. See the Schedule RT instructions for details of the conditions necessary to claim this subtraction.

If the exempt organization is a partner, member, beneficiary, or shareholder of a pass-through entity, also include the amount of modification included on line 21b of Schedule 3K-1, line 14b of Schedule 2K-1, and line 18b of Schedule 5K-1, as applicable.

■ **Line 6. Transitional Adjustments** – Enter any transitional adjustment required by sec. 71.05(13), Wis. Stats., to account for differences between the federal and Wisconsin bases of changing basis assets (those subject to depreciation or amortization). Include a schedule showing the computation of each transitional adjustment.

■ **Line 7. Other Subtractions** – Enter any amount not subject to Wisconsin taxation that was included in federal unrelated business taxable income or any deduction allowed for Wisconsin that wasn't deducted federally (such as development zones investment credit recaptured). Include on line 6 any trust income that was included in federal unrelated business taxable income but not sourced to Wisconsin.

■ **Line 16. Gross Tax** – Compute the tax on the Wisconsin unrelated business taxable income on line 15 using the tax table located in the instructions.

■ **Line 17. Nonrefundable Credits** – Enter any nonrefundable credits the exempt organization is claiming from Schedule CR. However, you may not offset these credits against the economic development surcharge. If you are claiming more than one credit, you must claim the credits in a specific order. To receive any credits, the taxpayer must submit the appropriate credit computation schedules. See the Schedule CR instructions for details.

To determine if the organization qualifies for any credits, see Publication 123, *Business Tax Incentives*, which is available on the Department of Revenue's web site at revenue.wi.gov/html/taxpubs.html.

■ **Line 18. Net Income Tax Paid to Other States** – Wisconsin resident trusts may claim a credit for income tax paid to another state or the District of Columbia, subject to the following requirements.

- The income taxed by the other state must be included in Wisconsin unrelated business taxable income,
- The credit claimed must be for the net amount of tax paid to the other state (this may be more or less than the amount paid as estimated tax), and
- A copy of Wisconsin Schedule OS and the other state's tax return must be submitted with Form 4T.

See Wisconsin Schedule OS for more information.

Lines 22 Through 38

■ **Line 22. Economic Development Surcharge** – Compute the surcharge as explained below. For further information, see [Publication 400, Wisconsin's Economic Development Surcharge](#).

Exempt organizations taxable as corporations: Enter the greater of \$25 or 3% (0.03) of the gross tax on line 8, but not more than \$9,800. **Note:** The economic development surcharge does not apply to exempt organizations taxable as corporations that have less than \$4 million of gross receipts from all unrelated trade or business activities for federal income tax purposes.

■ **Line 23. Endangered Resources Donation** – (For exempt organizations taxable as corporations.) Your donation supports the preservation and management of more than 200 endangered and threatened Wisconsin plants and animals. It also helps protect Wisconsin's finest remaining examples of prairies, forests, and wetlands. Support endangered resources in Wisconsin. Fill in line 23 with the amount you wish to donate. Your gift will either reduce your refund or be added to tax due.

You can make an online donation at the following web site:

dnr.wi.gov/topic/endangeredresources/donate.html

You can also send a check directly to the Endangered Resources Fund, Department of Natural Resources, PO Box 7921, Madison WI 53707-7921.

■ **Line 24. Veterans Trust Fund Donation** – You may designate an amount as a veterans trust fund donation. Your donation will be used by the Wisconsin Department of Veterans Affairs for the benefit of veterans or their dependents. Fill in line 24 with the amount you wish to donate. Your donation will either reduce your refund or be added to tax due.

■ **Line 26. Estimated Tax Payments** – Enter estimated tax payments made or overpayments applied from prior years' returns. Subtract any "quick refund" applied for on Form 4466W.

■ **Line 27. Wisconsin Tax Withheld** – Enter your share of Wisconsin tax withheld from pass-through entities of which you are a member, as reported on Wisconsin Schedules 2K-1, 3K-1, or 5K-1. Include a copy of the Schedule 2K-1, 3K-1, or 5K-1 with the tax return that you file. Also enter the amount of Wisconsin tax withheld from lottery prizes.

If this is an amended return, enter the Wisconsin tax withheld reported on your original return, unless the amount you originally reported was incorrect.

■ **Line 28. Refundable Credits** – Enter any refundable credits the exempt organization is claiming from Schedule CR. To determine if the organization qualifies for any credits, see Publication 123, *Business Tax Incentives* (available at revenue.wi.gov/html/taxpubs.html). To claim a credit, complete the appropriate credit schedule as instructed by Publication 123, enter the credit amount on the appropriate line of Schedule CR, and submit the credit schedule and Schedule CR with your return.

■ **Line 29. Amended Return - Amount Previously Paid** - Complete this line only if this is an amended 2017 Form 4T. Fill in the amount of tax you paid with your original Form 4T plus any additional amounts paid after it was filed.

If you did not pay the full amount shown on your original Form 4T, fill in only the portion that you actually paid. Also, include any additional tax that may have resulted if your original return was changed or audited. This includes additional tax paid with a previously filed 2017 amended return and additional tax paid as a result of a department adjustment to your return. Do not include payments of interest or penalties.

■ **Line 31. Amended Return - Amount Previously Refunded** - Complete this line only if this is an amended 2017

Form 4T. Fill in the refund from your original 2017 return (not including the amount applied to your 2018 estimated tax).

If your refund was reduced because you owed underpayment interest or any penalties, fill in the amount of your refund before the reduction for underpayment interest or penalty. If your 2017 return was adjusted by the department, fill in the refund shown on the adjustment notice you received. If the adjustment notice shows a tax due rather than a refund, complete line 29 instead of line 31.

■ **Line 33. Interest, Penalty, and Late Fee Due** – Enter any interest, penalty, and late fee due from Form U, line 17 or 26; or Schedule U, line 15 or 29. Check the space after the arrow line if you computed underpayment interest using the annualized income installment method on Form U, page 2.

If you are filing an amended return and you were previously assessed interest for underpayment of estimated taxes, complete an amended Form U, Part I, or Schedule U based on the total of the amounts shown on Form 4T, lines 21 and 22. Enter the difference between the underpayment interest from the amended Form U, line 17, or Schedule U line 15 or 29, and the amount you previously paid on Form 4T, line 33. Show an overpayment as a negative number. File Form U or Schedule U with your amended return. Otherwise, leave line 33 blank. The Department will compute interest on the amount of refund approved or tax owed.

■ **Line 34. Amount Due** – If the total of lines 25 and 33 is larger than line 32, subtract line 32 from the total of lines 25 and 33. Pay by electronic funds transfer or mail your check with a 2017 Form Corp-ES, *Corporation Estimated Tax Voucher*, to the address shown on the voucher. **Otherwise, use paper clips to fasten your check to the front of Form 4T.**

■ **Line 35. Overpayment** – If line 32 is larger than the total of lines 25 and 33, subtract the total of lines 25 and 33 from line 32.

NOTE: If you must recapture development zones investment credits because the property is disposed of or ceases to be qualified property before the end of the recapture period, add the amount from the schedule on page 5 of the Schedule DC instructions to the tax due on line 34 or reduce the overpayment on line 35.

■ **Line 36. 2018 Estimated Tax** – Enter the amount of any overpayment from line 35 that is to be credited to the organization's 2018 estimated tax. The balance of any overpayment will be refunded.

Changing an Election to Apply a Refund to Estimated Tax

Sections 71.09(7) and 71.29(3), Wis. Stats., provide an election to apply all or a portion of a claimed refund to the following year's estimated tax payments, provided the refund has not been paid or applied elsewhere (for example, against a delinquent tax liability).

An election to apply a refund to estimated tax may be changed to:

- request payment of the refund,
- credit the refund against an amended return tax liability for any year, or
- credit the refund against a notice of amount due for any year.

For individual and fiduciary income tax, notification of a change in election must occur on or before the due date of the final estimated tax installment payment (January 16, 2018, for a calendar-year filer).

For corporation franchise and income tax, notification of a change in election must occur on or before the unextended due date of the following year's tax return or before the following year's tax return is filed, whichever is earlier.

The change in election must be in writing. You can file an amended return or send an email, fax, or letter to:

Amended Returns

If this is an amended return and you have already filed your 2018 return, enter the overpayment that you claimed as a credit on your 2018 return from your previously filed original or amended 2017 return. Otherwise, you may allocate the overpayment from line 35 between line 36 and line 37 as you choose.

■ **Line 38. Gross Receipts** – Enter the “gross receipts from all unrelated trade or business activities” including gross receipts, gross sales, the gross sales price from the disposition of capital assets and business assets, gross rents, gross income from unrelated debt-financed property, gross interest, annuities, royalties, and rents from controlled organizations, gross investment income, gross exploited exempt activity income, gross advertising income, gross receipts passed through from other entities, and all other receipts that are included in unrelated business taxable income for Wisconsin tax purposes.

Additional Information, Signatures, and Supplemental Schedules

■ **Additional Information Required** – Provide the requested information and answer the questions in items 1 through 5.

■ **Third Party Designee** – If you want to allow a tax preparer or tax preparation firm, or any other person you choose to discuss your 2017 tax return with the Department of Revenue, check “Yes” in the “Third Party Designee” area of your return. Also, fill in the designee’s name, phone number, and any five digits the designee chooses as his or her personal identification number (PIN). If you check “Yes,” you are authorizing the department to discuss with the designee any questions that may arise during the processing of your return. You are also authorizing the designee to:

- Give the department any information missing from your return,
- Call the department for information about the processing of your return or the status of your refund or payment(s), and
- Respond to certain department notices about math errors, offsets, and return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the department. If you want to expand the designee’s authorization, you must submit Form A-222 (*Power of Attorney*). The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2018 tax return.

■ **Signatures** – An officer or trustee of the exempt organization must sign the form at the bottom of page 2. If the return is prepared by someone other than an employee of the exempt organization, the individual who prepared the return must sign the form, by hand, in the space provided for the preparer’s signature and furnish the preparing firm’s federal employer identification number. A self-employed individual must enter “PTIN” and his or her preparer tax identifi-

cation number in the space for the preparer's federal employer identification number.

■ **Supplemental Schedules** – File the following items as supplemental schedules to your Form 4T:

- Your federal Form 990-T or 4720 with all supporting schedules.
- A list of your solely owned LLCs (complete and submit Schedule DE with your return).

- Any extension of time to file your return.
- Supporting schedules for Form 4T (supporting schedules that are not Department-prescribed forms may be submitted as .pdf documents with electronic returns).

If you are filing Form 4T on paper, **do not staple, fasten or bind these supplemental schedules to your return. Use paper clips instead.**

Wisconsin Income of Multistate Organizations

Who Must Use Apportionment

Under the apportionment method, an exempt organization shows all income and deductions from unrelated trade or business activities for the organization as a whole and then assigns a part to Wisconsin according to a formula that determines Wisconsin unrelated business taxable income.

An exempt organization engaged in unrelated trade or business activities in and outside Wisconsin is required to report a portion of its total unrelated business taxable income to Wisconsin using the apportionment method if its Wisconsin operations are a part of a unitary business, unless the Department gives permission to use separate accounting. To use the apportionment method, an exempt organization must have unrelated trade or business activity sufficient to create nexus in Wisconsin and at least one other state or foreign country.

A unitary business is one that operates as a unit and can't be segregated into independently operating divisions or branches. The operations are integrated, and each division or branch is dependent upon or contributory to the operation of the business as a whole. It isn't necessary that each division or branch operating in Wisconsin contribute to the activities of all divisions or branches outside Wisconsin.

To use the apportionment method, an exempt organization must have business activity sufficient to create nexus in Wisconsin and at least one other state or foreign country. "Nexus" means that an exempt organization's business activity is of such a degree that the state or foreign country has jurisdiction to impose an income tax or franchise tax measured by net income.

Under Public Law 86-272, a state can't impose an income tax or franchise tax based on net income on an exempt organization selling tangible personal property if the organization's only activity in the state is the solicitation of orders, which orders are approved outside the state and are filled by delivery from a point outside the state.

What Is the Apportionment Percentage

For unitary, multistate businesses (except direct air carriers, air freight forwarders affiliated with a direct air carrier, motor carriers, railroads, pipeline companies, financial institutions, brokers-dealers, investment advisers, investment companies, underwriters, and telecommunications companies whose incomes are apportioned by special rules of the Department), the apportionment percentage is determined by the ratio of Wisconsin sales to total company sales.

For most companies, the apportionment percentage is computed on Form A-1. However, direct air carriers, air freight forwarders affiliated with a direct air carrier, motor carriers, railroads, pipeline companies, and telecommunications companies should see Form A-2 and its instructions.

What Is Nonapportionable Unrelated Business Taxable Income

Nonapportionable income is that income which is allocable directly to a particular state. It includes income or loss derived from the sale of nonbusiness real or tangible personal property or from rentals and royalties from nonbusiness real or tangible personal property. This income is assigned to the state where the property is located.

All income that is realized from the sale of or purchase and subsequent sale or redemption of lottery prizes if the winning tickets were originally bought in Wisconsin shall be allocated to Wisconsin.

Except for income from lottery prizes described above, the intangible income of a personal holding company is nonapportionable and is assigned to the state of incorporation.

Total nonapportionable income (loss) is removed from total company net income before the apportionment percentage is applied. The Wisconsin nonapportionable income (loss) is then combined with the Wisconsin apportionable income to arrive at Wisconsin net income.

Corporate Partners or LLC Members

An exempt corporation that is a general or limited partner includes its share of the numerator and denominator of the partnership's apportionment factors in the numerator and denominator of its apportionment factors. An exempt corporation that is a member of a limited liability company (LLC) treated as a partnership for federal tax purposes includes its share of the numerator and denominator of the LLC's apportionment factors in the numerator and denominator of its apportionment factors. The exempt corporation should request a detailed breakdown of the partnership's or LLC's items and amounts to be included in the computation of its apportionment factors.

Note: Income from a partnership or LLC may be nontaxable under the principles of the U.S. Supreme Court decision in *Allied-Signal v. Director, Div. of Taxation*, 504 U.S. 768 (1992), if the investment is passive and does not serve an operational function. In this case, the exempt corporation would not include its share of the partnership's or LLC's apportionment factors in the numerator and denominator of its apportionment factors.

Separate Accounting

An exempt organization engaged in a nonunitary business in and outside Wisconsin must determine the amount of income attributable to Wisconsin by separate accounting. The exempt organization uses Form C, *Separate Accounting Data*, to report the amount attributable to Wisconsin by separate accounting. A nonunitary business is one in which the operations in Wisconsin aren't dependent upon or contributory to the operations outside Wisconsin. Under separate accounting, the exempt organization must keep separate records of the sales, cost of sales, and expenses for the Wisconsin business.

A unitary business may use separate accounting only with the approval of the Department. An application for such approval must set forth, in detail, the reasons why separate accounting will more clearly reflect the exempt organization's Wisconsin net income. It should be mailed to the Wisconsin Department of Revenue, Mail Stop 3-107, PO Box 8906, Madison, WI 53708-8906 before the end of the taxable year for which the use of separate accounting is desired.
