

NEW FOR 2018

This information is being posted to inform the public that due to the redesign of the 2018 federal Form 1040, and elimination of federal Forms 1040A and 1040EZ, Wisconsin is not developing Forms 1A and WI-Z for the 2018 tax year. All resident taxpayers will file on Form 1, and nonresident and part-year resident taxpayers will file on Form 1NPR.
