Withholding, Bond and Cash Deposit Requirements

- The nonresident entertainer provides the employer proof of filing a sufficient bond or deposit with the department at least seven days prior to a performance in Wisconsin, or
- The nonresident entertainer provides the employer a copy of a waiver issued by the department.

Surety bond or deposit – In order to be exempt from withholding, a nonresident entertainer must file a surety bond or cash deposit with the Wisconsin Department of Revenue at least **seven days before** a performance in Wisconsin, if the total contract price for the performance is more than \$7,000.

Definitions

Who is a "Nonresident Entertainer"?

A "nonresident entertainer" is a nonresident person (a person who is not a legal resident of Wisconsin) or a foreign corporation, partnership, or other type of entity, not regularly engaged in business in Wisconsin, that furnishes amusement, entertainment, or public speaking services, or performs in sporting events in Wisconsin for consideration.

A foreign corporation, partnership, or other entity is one organized under the laws of another state or a foreign country.

Who is an "Employer"?

An "employer" is any resident person who contracts for the performance of a nonresident entertainer in Wisconsin. If there is no such person, the "employer" is the resident person having receipt, custody, or control of the proceeds of the event. If there is no resident person, "employer" is any nonresident person having receipt, custody, or control of the proceeds.

What is "Total Contract Price"?

"Total contract price" is the amount of consideration indicated in the contract for the nonresident entertainer's performance, including amounts payable in cash or the cash value of any medium other than cash. It includes amounts previously earned in Wisconsin by the entertainer during the

same calendar year for which no bond or cash deposit has been filed or for which no amounts have been withheld.

Total contract price does not include travel expenses, paid to or on behalf of an entertainer, that are made under an accountable plan for actual transportation, lodging, and meals directly related to the performance.

Filing Methods – Entertainers Filing a Surety Bond or Cash Deposit

The nonresident entertainer must file a surety bond or cash deposit **seven days before** performing in Wisconsin if the total contract price for performance is more than \$7,000. If a bond or deposit is not filed, the employer will withhold 6% (or a lower rate if approved) from the nonresident entertainer's payment.

- To make a cash deposit, please contact the Pass-Through Entity Review Unit at (608) 264-1032 or email dorincomepte@wisconsin.gov.
- Mail surety bonds, or cash deposits made by check or money order, with Form WT-11 signed by the nonresident entertainer/entertainer's representative to:

Wisconsin Department of Revenue
PO Box 8965
Madison WI 53708-8965

If properly submitted, a department representative signs the WT-11 and sends a copy to the nonresident entertainer and the employer as proof that a surety bond or cash deposit has been filed.

The nonresident entertainer claims credit for cash deposits or withholding (but not surety bonds) on the nonresident entertainer's Wisconsin income tax return. The department, upon written request from the nonresident entertainer or surety company, will release surety bonds when the nonresident entertainer's Wisconsin tax liability has been satisfied.

Filing Methods – Employers Withholding from Contract Price

If the employer does not receive proof that a bond or deposit was filed by the nonresident entertainer, the employer is required to withhold 6% (or a lower rate if approved) from the nonresident entertainer's payment. The employer must submit the amount withheld to the Wisconsin Department of Revenue **within five days** of the conclusion of the nonresident entertainer's performance. Payment options include:

- Make payment electronically through [My Tax Account](#) from the "employer's" registered account.
- Mail payment with Form WT-11 to:

Wisconsin Department of Revenue
PO Box 8965
Madison WI 53708-8965

- Deliver payment with Form WT-11 to the department's Madison office at 2135 Rimrock Road. Provide one copy of Form WT-11 to the nonresident entertainer and keep one copy.

Lower Rate Request (WT-12)

The nonresident entertainer may request a bond, cash deposit, or withholding rate to be less than 6% of the total contract price on the basis that the ordinary and necessary deductible expenses in performing the services required by the contract would merit a lower rate. The nonresident entertainer must provide the department a completed lower rate request ([Form WT-12](#)) at least 30 days before the nonresident entertainer's performance date. The department will review the lower rate request and will either notify the nonresident entertainer and the employer of the lower rate or notify the nonresident entertainer that the lower rate is not permitted.

For more information, see the [instructions](#) for Form WT-12.
