

2024 Wisconsin Form PW-2 Instructions

Purpose of Form PW-2

Nonresident owners (partners, members, shareholders, or beneficiaries) use Form PW-2 to request an exemption from Wisconsin's withholding tax on income from pass-through entities. For each taxable year of the nonresident owner, a separate Form PW-2 is required, but a nonresident owner may request an exemption for multiple pass-through entities on one Form PW-2.

Pass-through entities, including tax-option (S) corporations, partnerships, limited liability companies (LLCs) treated as tax-option (S) corporations or partnerships, estates, and trusts, are required to withhold Wisconsin franchise or income taxes on income distributable to a nonresident owner. Section [71.775\(3\)\(a\)3](#), Wis. Stats., provides that a pass-through entity is not required to withhold on income distributable to a nonresident owner who files an approved Form PW-2 with the department or who receives a continuous PW-2 exemption letter from the department.

Who May File Form PW-2?

Any nonresident owner who makes sufficient Wisconsin estimated payments may file Form PW-2. Additionally, in certain situations, detailed in the specific instructions that follow, the nonresident owner may file Form PW-2 even if no estimated payments are made.

Note: Most first year filers are not eligible for the exemption. Also, a nonresident owner whose Wisconsin source income from the pass-through entity is less than \$2,000 is automatically exempt from withholding and should not file Form PW-2.

Due Date for Form PW-2

The filing deadline for Form PW-2 depends on the type of pass-through entity for which the nonresident owner is claiming the exemption.

For tax-option (S) corporations, partnerships, and limited liability companies (LLCs) treated as a tax-option (S) corporation or partnership: Form PW-2 must be filed by the last day of the first month following the close of the pass-through entity's taxable year for which the nonresident owner is requesting the exemption.

Example 1: For a 2024 calendar year tax-option (S) corporation, Form PW-2 is due by January 31, 2025.

Example 2: For a partnership with a fiscal year from October 1, 2024 to September 30, 2025, Form PW- 2 is due by October 31, 2025.

For estates and trusts: Form PW-2 must be filed by the last day of the second month following the close of the pass-through entity's taxable year for which the nonresident beneficiary is requesting the exemption.

2024 Wisconsin Form PW-2 Instructions

Example 1: For a 2024 calendar year trust, Form PW-2 is due by February 28, 2025.

Example 2: For an estate with a fiscal year from October 1, 2024 to September 30, 2025, Form PW-2 is due by November 30, 2025.

Note: If the due date falls on a weekend or holiday, the due date becomes the business day immediately following the weekend or holiday.

Caution: Department Approval Required

The exemption from withholding on Form PW-2 must be approved by the department in order to be valid. Approvals depend on items such as filing history, adequate payments, estimated withholding, and delinquencies. After the nonresident owner files Form PW-2 with the department, the department will notify the nonresident owner whether or not the withholding exemption is approved within approximately 30 days. The department will mail the approved withholding exemption letter or the denial letter to the nonresident owner. The department's determination may not be appealed.

The nonresident owner is responsible for notifying the pass-through entity when an exemption is approved, and a pass-through entity is required to withhold until it receives the approved Form PW-2 from the owner.

Instructions

At the top right corner of Form PW-2, enter the nonresident owner's taxable year of the exemption request.

Example 1: A nonresident shareholder files a calendar year 2024 tax return, but the tax-option (S) corporation for which the shareholder is requesting the exemption files a 2023 Form 5S with a fiscal year of July 1, 2023 through June 30, 2024. The nonresident shareholder must enter "24" in the space provided. If the department approves the request, the tax-option (S) corporation is not required to withhold on the shareholder's share of income from the 2023 Form 5S with a fiscal year of July 1, 2023 through June 30, 2024.

Example 2: A nonresident shareholder files a 2024 tax return with a fiscal year of September 1, 2024 through August 31, 2025, but the tax-option (S) corporation for which the shareholder is requesting the exemption files a 2023 Form 5S with a fiscal year of October 1, 2023 through September 30, 2024. The nonresident shareholder must enter "24" in the space provided. If the department approves the request, the tax-option (S) corporation is not required to withhold on the shareholder's share of income from the 2023 Form 5S with a fiscal year of October 1, 2023 through September 30, 2024.
