## INSTRUCTIONS

### Who may use this form for 2024

Form WT-4A may be filed by an employee who determines that the amount withheld from their wages will be more than the employee's estimated net tax liability for 2024. Form WT-4A is an agreement between the employee and employer that a lesser amount will be withheld from the employee's wages than is provided for in the Wisconsin income tax withholding tables.

Before filing Form WT-4A, you should first determine if your withholding can be reduced a sufficient amount by claiming the maximum number of exemptions allowed on Form WT-4, "Employee's Wisconsin Withholding Exemption Certificate" which you completed when you started employment with your employer. If you are not claiming the maximum number of exemptions allowed, you may decrease your withholding by filing a new Form WT-4 with your employer and claiming an increased number of

exemptions. If you are claiming the maximum number of exemptions allowed and your withholding is still more than your estimated net tax liability for 2024, you should file Form WT-4A.

**Note:** If you incurred no Wisconsin income tax liability for 2023 and anticipate no liability for 2024, you may claim complete exemption from Wisconsin income tax withholding on Form WT-4.

### More than one employer

If you are employed by more than one employer, you may file an Employee Withholding Agreement (Form WT-4A) with each employer, provided that the total amount withheld by all employers approximates your anticipated income tax liability for 2024.

**How to file**

Complete both the WT-4A worksheet and the withholding agreement. Provide one copy of the worksheet and the withholding agreement to your employer. Mail another copy to the Department of Revenue within 10 days after the WT-4A is filed with your employer.

If you do not send a copy of Form WT-4A (including the worksheet) to the department within 10 days, the law provides for a \$10 penalty to be imposed against you.

**Expiration date of Form WT-4A**

Form WT-4A will expire on April 30, 2025 for 2024 calendar year filers. Calendar year filers should place an "X" in the April 30, 2025 box on Form WT-4A. For fiscal year filers, the agreement will expire on the last day of the fourth month following the close of their fiscal year. Fiscal year filers should enter the appropriate expiration date in the space provided on Form WT-4A and place an "X" in the box.

**How to amend your agreement**

If you have already filed Form WT-4A and you have a substantial increase or decrease in your 2024 estimated tax liability, you should fill out a new Form WT-4A. Write the word "AMENDED" at the top of the new form. File one copy of the amended Form WT-4A with your employer and mail one copy to the Department of Revenue within 10 days after it is filed with your employer.

**Revocation and penalties**

If the department determines that the amount to be withheld per the Employee Withholding Agreement, Form WT-4A, is insufficient, the department may void the agreement by notification to the employer and employee.

If an employee enters into an agreement with the intent to defeat or evade the proper withholding of tax, the employee will be subject to a penalty equal to the difference between the amount required to be withheld and the amount actually withheld for the period that the agreement was in effect. Any employee who willfully supplies an employer with false or fraudulent information regarding an Employee Withholding Agreement with the intent to defeat or evade the proper withholding of tax may be imprisoned not more than 6 months, or fined not more than \$500 plus the cost of prosecution, or both.

**Completing the worksheet for the Employee Withholding Agreement**

**Line 2.** Refer to the Wisconsin income reported on line 7 of Form 1 or line 30 of Form 1NPR of your Wisconsin income tax return. Your 2024 Wisconsin estimated income should be computed in the same manner as you computed your 2023 Wisconsin income, taking into account any changes you expect to occur in 2024.

**Line 3.** Your exemptions are \$700 for yourself, \$700 for your spouse if filing a joint return, and \$700 for each dependent. Add \$250 to the total if you are 65 years of age or over and, add \$250 if your spouse is 65 years of age or over. (Exception: If you are claimed as a dependent on someone else's return, you do not qualify for an exemption.) **Nonresidents and part-year residents** prorate the standard deduction as follows: (1) Figure your standard deduction using your federal adjusted gross income instead of your Wisconsin income, and (2) prorate using the ratio of Wisconsin income to federal adjusted gross income. Exemptions must also be prorated using the same ratio.

**Line 6.** Refer to a 2023 Wisconsin Form 1, or Form 1NPR.

You may obtain additional forms and assistance in preparing Form WT-4A at the department's offices. A list of the department's office locations, open hours, and contact information is provided on the department's website: <https://www.revenue.wi.gov/Pages/FAQS/ise-address.aspx>.

\* Nonresidents and part-year residents must prorate the tax brackets (amounts appearing in the first two columns of the 2024 Tax Rate Schedules) based on the ratio of their Wisconsin income to their federal adjusted gross income. For example, for a single individual the tax brackets are \$14,320, \$14,320, and \$286,670. Assuming the individual has a ratio of 20%, the first \$2,864 (\$14,320 x .20) is taxed at 3.50%, the next \$2,864 (\$14,320 x .20) is taxed at 4.40%, and the next \$57,334 (\$286,670 x .20) is taxed at 5.30%. Taxable income over \$63,062 (\$315,310 x .20) is taxed at 7.65%.
