Update to Instructions as a Result of 2021 Wisconsin Act 156

On March 7, 2022, Governor Tony Evers signed 2021 [Wisconsin Act 156](#). The law provides the following change to the 2021 tax year:

Grants Received from the Federal Restaurant Revitalization Fund

Income received in the form of a grant issued by the restaurant revitalization fund under section 5003 of [Public Law 117-2](#) (American Rescue Plan Act of 2021), is exempt from Wisconsin income and franchise taxes.

While the income is also excluded from federal adjusted gross income under sec. 9673 of [Public Law 117-2](#), Wisconsin has not adopted this provision, so it is considered a difference between federal and Wisconsin law for purposes of figuring federal adjusted gross income for Wisconsin purposes. The exclusion from federal adjusted gross income must be included in the federal column (column A) on line 15 of [Form 1NPR](#). The amount must also be included on [Schedule M](#), line 1. The subtraction is then taken on [Schedule M](#), line 29.

Taxpayers should amend their Wisconsin returns if they have already filed and included these amounts in income.

Expenses paid for with the grants and deducted in the computation of federal adjusted gross income are not required to be added back on the Wisconsin return.

Resident Status

■ Am I a resident, a nonresident, or a part-year resident of Wisconsin?

The following will help you decide.

Full-year resident You are a full-year resident if you are domiciled in Wisconsin for all of 2021.

Nonresident You are a nonresident if you aren't domiciled in Wisconsin for any part of 2021.

Part-year resident You are a part-year resident if you are domiciled in Wisconsin for part of 2021.

■ What is domicile?

Your domicile is the permanent legal home you intend to use for an indefinite or unlimited period, and to which, when absent, you intend to return. It is not always where you presently live. You can be physically present or residing in one state but maintain a domicile in another. "Domicile" is often referred to as "legal residence." You can have only one domicile at a time.

Note Your domicile, once established, is never lost unless all three of the following occur or exist:

- You specifically intend to abandon your old domicile and take actions consistent with such intent
- You intend to acquire a new domicile and take actions consistent with such intent, such as those listed in question 7 of the questionnaire on page 61
- You are physically present in the new domicile

Your domicile does not change if either of the following occur:

- You leave your state of domicile for a brief rest or vacation
- You leave your state of domicile to complete a particular transaction, perform a particular contract, or fulfill a particular engagement, but you intend to return to your state of domicile whether or not you complete the transaction, contract, or engagement (for example, migrant workers or students)

■ Armed forces personnel

If you were a Wisconsin resident on the date you entered military service, you are considered a Wisconsin resident during your entire military career unless you take positive action to change your domicile to another state as described in the above section entitled "What is domicile?". For more information, get [Fact Sheet 1122, Veterans and Surviving Spouses Property Tax Credit Verification of Eligibility](#).

■ Aliens

If you are considered a nonresident alien for federal tax purposes for the entire taxable year, you are considered a nonresident of Wisconsin. If you are considered a resident alien for federal tax purposes for all or part of the tax year, you may be either a full-year resident, part-year resident, or nonresident of Wisconsin as follows:

- If you are a lawful permanent resident of the United States and you intend to remain permanently in Wisconsin, you are considered a Wisconsin resident. You are a lawful permanent resident of the United States at any time if you have been given the privilege, according to the immigration laws, of residing permanently in the United States as an immigrant.

You generally have this status if the federal government has issued you an alien registration card, also known as Form I-551, green card, or permanent residence card.

- If you are a nonimmigrant (have not been granted immigrant status by the federal government), you are considered a nonresident of Wisconsin. **Exception** If you are a refugee or have been granted asylum and you intend to remain permanently in Wisconsin, you are considered a Wisconsin resident.

Example For Wisconsin tax purposes, you must be a lawful permanent resident of the United States in order to be considered a resident of Wisconsin. On August 1, 2021, you were issued a green card by the federal government. As such, you are considered a Wisconsin resident as of August 1, 2021 (assuming your intent was to establish a domicile in Wisconsin). For the 2021 tax year, you are considered a part-year resident of Wisconsin (a nonresident of Wisconsin from January 1, 2021, through July 31, 2021, and a resident from August 1, 2021, through December 31, 2021). As a part-year resident for 2021, you must file a 2021 Form 1NPR.

Note: Certain tax credits (for example, homestead credit and earned income credit) may not be claimed by part-year residents or nonresidents.

Example A foreign student in this country with an “F” visa under the Immigration and Nationality Act may be classified for federal tax purposes as a nonresident alien or as a resident alien depending on their intended length of stay in this country. Regardless of the student’s alien status, the student maintains their domicile in their homeland. The student is a nonresident of Wisconsin. A student with an “F” visa cannot become domiciled in Wisconsin.

Who Must File

If you are a nonresident or part-year resident of Wisconsin and your gross income (or the combined gross income of you and your spouse) is \$2,000 or more for 2021, you must file a Wisconsin return. A return does not have to be filed by a nonresident of Wisconsin if all income is exempt from tax as disaster relief work performed during a state of emergency declared by the Governor.

Gross income means all income (before deducting expenses) reportable to Wisconsin. The income may be received in the form of money, property, or services. It doesn’t include items that are exempt from Wisconsin income tax. For example, it does not include U.S. government interest. For further information, see [Publication 122, Tax Information for Part-year Residents and Nonresidents of Wisconsin for 2021](#).

■ Other filing requirements

You may have to file a return even if your gross income is less than \$2,000. You must file a Wisconsin income tax return if:

- You can be claimed as a dependent on another person’s income tax return (for example, on your parent’s return) and you have gross income of more than \$1,100 which included at least \$351 of unearned income. Unearned income includes interest, dividends, capital gain distributions, etc., that are reportable to Wisconsin.
- You owe a Wisconsin penalty on an IRA, retirement plan, Coverdell education savings account, health savings account, ABLE account, or Archer medical savings account.

Note: Even if you don’t have to file, if you had Wisconsin income tax withheld from your wages or you paid estimated tax for 2021, you should file a Wisconsin return since this is the only way to get a refund. (Complete lines 1 through 31 of Form 1NPR, fill in a 0 on line 38, and complete lines 57, 58, 66, 68, 69, and 70. If the amount on line 1 differs from your Wisconsin wages on your wage statement (Form W-2), enclose an explanation of the difference and indicate where this income was earned.) If you are a resident of Illinois, Indiana, Kentucky, or Michigan, see the exceptions under the line 1 instructions on page 16.

What Income Does Wisconsin Tax?

Full-year residents Wisconsin taxes your income from all sources.

Nonresidents Wisconsin taxes only your income from Wisconsin sources.

Part-year residents During the time you are a Wisconsin resident, Wisconsin taxes your income from all sources. During the time you aren’t a Wisconsin resident, Wisconsin taxes only your income from Wisconsin sources.

■ What is income from Wisconsin sources?

Income from Wisconsin sources includes:

- Wages, salaries, commissions, and other income for services performed in Wisconsin (see the exceptions under the line 1 instructions on page 16).
- Rents and royalties from real or tangible property located in Wisconsin, such as land, buildings, and machinery.
- Gains or losses from sales or other dispositions of real or tangible property located in Wisconsin, such as land, buildings, and machinery.
- Profits or losses from businesses, professions, and farm operations conducted in Wisconsin, including sole proprietorships, trusts, partnerships, limited liability companies (LLCs), and tax-option (S) corporations. For tax-option (S) corporations, this includes capital gains, interest, and dividends passed through from a tax-option (S) corporation that is engaged in business in Wisconsin.
- Income from the Wisconsin state lottery, a multijurisdictional lottery if the winning lottery ticket or lottery share was purchased from a Wisconsin retailer, or Wisconsin pari-mutuel wager winnings and purses. This includes all income realized from the sale of or purchase and subsequent sale or redemption of lottery prizes if the winning tickets were originally purchased in Wisconsin.
- Winnings from a casino or bingo hall located in Wisconsin and operated by a Native American tribe or band.
- Income derived from a covenant not to compete to the extent the covenant was based on a Wisconsin-based activity.

Service member's spouse A service member's spouse may elect to use the same residence as the service member for purposes of taxation, regardless of the date on which the marriage of the spouse and the service member occurred. However, nontaxable amounts excluded from the Wisconsin column for the service member's spouse must still be included in the federal column. Amounts entered in the federal column are the amounts from your federal return, as adjusted for differences between federal and Wisconsin law. See "Column A and Column B Instructions" on page 14.

Which Form To File

If you are a nonresident or part-year resident of Wisconsin in 2021, you must file Wisconsin Form 1NPR.

If you are a full-year resident of Wisconsin in 2021, you must file Wisconsin Form 1. You can get Form 1 from any Department of Revenue office or from the department's website at revenue.wi.gov.

Exception If you are a full-year Wisconsin resident but your spouse isn't, and you are filing a joint return, you must file Form 1NPR.

When To File

You should file as soon as you can, but not later than **April 18, 2022**. If you file late without an extension, you are subject to interest at 1.5% per month, late filing fees, and penalties.

Farmers and fishers Persons who earn at least two-thirds of their gross income from farming or fishing who don't make payments of estimated income tax (Wisconsin Form 1-ES) must file their 2021 Wisconsin income tax returns and pay any tax due by March 1, 2022, to avoid interest for underpayment of estimated tax.

How To Get An Extension Of Time To File

Your return is due April 18, 2022.

If you cannot file on time, you can get an extension. You can use any federal extension provision for Wisconsin, even if you are filing your federal return by April 18.

You do *not* need to submit a request for an extension to us prior to the time you file your Wisconsin return. When you file your Form 1NPR enclose either of the following:

- A copy of your federal extension application (for example, Form 4868)
- A statement indicating which federal extension provision you want to apply for Wisconsin (for example, the federal automatic 6-month extension provision)

Note: You will owe interest on any tax that you have not paid by April 18, 2022. This applies even though you may have an extension of time to file. If you do not file your return by April 18, 2022, or during an extension period, you may have to pay additional interest and penalties. If you expect to owe tax with your return, you can avoid the 1% per month interest charge during the extension period by paying the tax by April 18, 2022. Submit the payment with a 2021 Wisconsin Form 1-ES. You can get this form from any Department of Revenue office or use our [estimated income tax interactive voucher](#) on our website. Use Form 1-ES to make an extension payment even if you will be filing your return electronically – do not use Form EPV. **Exception:** You will not be charged interest during an extension period if (1) you served in support of Operation Freedom's Sentinel in the United States, (2) you qualify for a federal extension because of service in a combat zone or contingency operation, or (3) you qualify for a federal extension due to a federally-declared disaster. See "Special Conditions" below.

If you were a farmer or fisher and you did not make estimated tax payments, you must file your return and pay any tax due by March 1, 2022, to avoid paying interest for underpayment of estimated tax. Farmers and fishers are individuals who earn at least two-thirds of their gross income (gross income of both spouses if married filing a joint return) from farming or fishing. An extension of the March 1 date is not available.

Special Conditions A "Special Conditions" section is located under the name and address section on page 1 of Form 1NPR. If you have an extension of time to file due to service in support of Operation Freedom's Sentinel in the United States, fill in "01" in the Special Conditions box. If you qualify for an extension because of service in a combat zone or contingency operation, fill in "02" in the box. If you qualify for an extension because of a federally-declared disaster, fill in "03" in the box and indicate the specific disaster on the line provided.

Filing Your Return

■ E-filing (electronic filing)

Electronic filing is the fastest way to get your federal and state income tax refunds. Certain software will allow you to file Form 1NPR electronically.

Check with your tax preparer/software to determine if you can electronically file Form 1NPR, or use the department's free e-file application. For more information on e-filing, go to the department's website at revenue.wi.gov/Pages/OnlineServices/home.aspx.

■ Paper filing

Electronic filing (e-filing) is the fastest way to receive your refund. However, if you paper file, there are several things you can do to ensure you receive your refund faster.

Important information:

- Send original copies
- Use black ink
- Clearly write your name and address using capital letters (do not use mailing labels)
- Do not use commas and dollar signs as they can be misread when scanned
- Round amounts to whole dollars
- Do not add cents in front of the preprinted zeros on entry lines
- To indicate a negative number, use a negative sign (for example, -8300 not (8300))
- Print your numbers clearly: **0 1 2 3 4 5 6 7 8 9** Do not use: **Ø 1 4 7**
- If you make a mistake, erase or start over (do not cross out entries)
- Put entries on the lines, and do not write in the margins, above or below the lines
- Lines where no entry is required should be left blank (do not enter zeros)
- Do not draw vertical lines in entry fields (they can be read as a "I" when scanned)
- Do not staple your return as stapling will delay the processing of your return and any refund

■ Assembling your return

Begin by putting the four pages of Form 1NPR in numerical order. Then, attach, using a **paper clip**, the following in the order listed.

Note Do not attach a Form W-RA if you are filing your return on paper. Form W-RA is used only when submitting information for an electronically-filed return. **Note:** If filing [Form 804](#), *Claim for Decedent's Wisconsin Income Tax Refund*, with the return, place Form 804 on top of Form 1NPR.

1. **Payment** – If you owe an amount with your return, **paper clip** your payment to the front of Form 1NPR, unless you are paying by credit card or online.
2. **Forms W-2 or 1099** – Paper clip the appropriate copy of each of your withholding statements (Forms W-2, W-2G, WT-11, 1042-S, 1099-G, 1099-R, 1099-MISC, and 1099-NEC, and Schedules 2K-1, 3K-1, and 5K-1) to the front of Form 1NPR.
3. **Wisconsin schedules** – Copies of appropriate Wisconsin schedules and supporting documents, such as Schedule H (homestead credit), Schedule FC or FC-A (farmland preservation credit), Schedule CR, or Schedule RT. If you are reporting income and expenses of a disregarded entity, attach [Schedule DE](#), *Disregarded Entity Schedule*.
4. **Amended return** – Enclose [Schedule AR](#), *Explanation of Amended Return*, with your amended return and all supporting forms and schedules for items changed. (Don't send a copy of your original return.)
5. **Federal return** – A complete copy of your federal return (Form 1040, 1040-SR, or 1040NR) and its supporting schedules and forms (such as federal [Form 8886](#), *Reportable Transaction Disclosure Statement*.)
6. **Extension form or statement** – A copy of your federal extension application form or required statement if you are filing under an extension of time to file.

7. Divorce decree –

- *Persons divorced after June 20, 1996, who compute a refund* - If your divorce decree apportions any tax liability owed to the department to your former spouse, enclose a copy of the decree with your Form 1NPR. Fill in "04" in the Special Conditions box on page 1 of Form 1NPR. This will prevent your refund from being applied against such tax liability.
- *Persons divorced who file a joint return* – If your divorce decree apportions any refund to you or your former spouse, or between you and your former spouse, the department will issue the refund to the person(s) to whom the refund is awarded under the terms of the divorce. Enclose a copy of the portion of your divorce decree that relates to the tax refund with your Form 1NPR. Fill in "04" in the Special Conditions box on page 1 of Form 1NPR.

8. Injured spouse – If you are filing federal [Form 8379, Injured Spouse Allocation](#), enclose a copy with your Form 1NPR. Fill in "05" in the Special Conditions box on page 1 of Form 1NPR.

CAUTION Be sure to file all four pages of Form 1NPR. Send the original of your return. Do not send a photocopy.

You may also get information on your refund using our secure website at revenue.wi.gov.

Amending Your Return

File an amended return only after you file your original return. Generally, a claim for refund must be filed within 4 years after the unextended due date of your original return (for example, April 15, 2026, for 2021 calendar-year returns). However, a claim for refund to recover all or part of any tax paid as a result of an office or field audit may be filed within 4 years after the date assessed. This applies only if you paid the tax and did not file a petition for redetermination (written appeal).

If you filed an amended return with the Internal Revenue Service (IRS) or another state, you generally must also file an amended Wisconsin return within 180 days. You must file an amended Wisconsin return if the changes affect your Wisconsin income, any credit, or tax payable. You should also file an amended Wisconsin return to claim a refund or pay any additional tax due even though you are not amending your federal or other state return.

Note

If your original return was filed on Form 1NPR, you would file an amended return using Form 1NPR and checking the amended return space at the top of page 1. **Exception:** If you incurred a net operating loss (NOL) on your 2021 Form 1NPR and elect to carry the NOL back to 2019 and 2020, you must file Form X-NOL for the appropriate year, in addition to a Form 1NPR for each year, to amend your return and claim a refund.

Check the space on Form 1NPR to indicate your filing status on the amended return. If you are changing from separate returns to a joint return, both of you must sign the amended return. If there is any tax due, it must be paid in full. You cannot change from joint to separate returns after the due date for filing your original return has passed.

If you are changing your filing status, the amount reported on line 31 of Form 1NPR as federal adjusted gross income must be based on the same filing status used for Wisconsin. For example, you and your spouse both originally filed Form 1NPR as married filing a separate return. You are amending to change your filing status to married filing a joint return. The amount reported on line 31 must be taken from a federal return based on a married filing joint status. If you did not file a joint federal return, you should prepare a pro forma federal return using a married filing joint return status. The federal adjusted gross income and other amounts from this pro forma return are then used to complete the amended return. Follow the Form 1NPR instructions to complete your amended return.

→ If you are changing an amount on any line of Form 1NPR, fill in the corrected amount on that line. If you are not changing an amount on a line, fill in the amount from your 2021 return as originally filed or as you later amended it. If your latest filed return was changed or audited by the department, use the corrected figures from the adjustment notice.

Sign and date your amended return in the space provided on page 4. Your spouse must also sign if it is a joint return.

Note

Enclose Schedule AR with your amended Form 1NPR to explain the changes you made and the reasons for those changes. If you owe an additional amount, enclose your check or money order for the additional tax and interest, made payable to the Wisconsin Department of Revenue.

Mail your amended return to the address shown on Form 1NPR.

Interest is charged on additional tax owed at the rate of 1% per month from the due date of your 2021 return (April 18, 2022). Figure the interest charge on the additional tax you owe. Enter this amount on line 72b.

Note

Credit Repayments

If you are required to repay a Wisconsin credit, you must amend your Wisconsin return for the year in which you originally claimed the credit to reduce the amount of your credit by your repayment. See below for credits for which you may have to repay.

- **State historic rehabilitation credit** You may have to repay all or part of the state historic rehabilitation credit if you disposed of the property within 5 years after the date on which the preservation or rehabilitation work was complete or the Wisconsin Historical Society determines that you have not complied with all of the requirements. Visit any Department of Revenue office or contact the department's Customer Service Bureau at (608) 266-2486 for information on determining the amount to be repaid.
- **Angel investment credit or early stage seed investment credit** If an investment for which you claimed the angel investment credit or early stage seed investment credit in a prior year was held for less than three years, you must repay the amount of the credit that you received related to the investment. This does not apply if the investment becomes worthless, as determined by WEDC, during the 3-year period or if you kept the investment for at least 12 months and a bona fide liquidity event, as determined by WEDC, occurs during the 3-year period.
- **Supplement to federal historic rehabilitation credit** Were you required to repay to the IRS a portion of the federal historic rehabilitation credit? If yes and you claimed the same qualified rehabilitation expenditures for the Wisconsin credit, you must repay to the department a proportionate amount of the Wisconsin credit. Visit any Department of Revenue office or contact the department's Customer Service Bureau at (608) 266-2486 for information on determining the amount to be repaid.
- **Low-income housing credit** If the qualified basis of the qualified development is less than the amount of the qualified basis of the last day of the immediately preceding taxable year, you must repay an amount equal to the amount you were required to repay to the IRS for the federal low-income housing credit.

Penalties for Not Filing Returns or Filing Incorrect Returns

If you do not file an income tax return which you are required to file, or if you file an incorrect return due to negligence or fraud, penalties and interest may be assessed against you. The interest rate on delinquent taxes is 18% per year. Civil penalties can be as much as 100% of the amount of tax not reported on the return. Criminal penalties for failing to file or filing a false return include a fine up to \$10,000 and imprisonment.

Fraudulent or Reckless Credit Claims

Fraudulent or reckless claims for any refundable credit, including, but not limited to, the earned income credit, homestead credit, or the veterans and surviving spouses property tax credit, are subject to filing limitations. If you file a “fraudulent claim,” you will not be allowed to take any refundable credit for 10 years. “Fraudulent claim” means a claim that is false or excessive and filed with fraudulent intent. If you file a “reckless claim,” you will not be allowed to take any refundable credit for 2 years. “Reckless claim” means a claim that was improper, due to reckless or intentional disregard of income tax law or department rules and regulations. You may also have to pay penalties.

Internal Revenue Service and Other State Adjustments

Note

Did the IRS adjust any of your federal income tax returns? If yes, you may have to notify the Department of Revenue of such adjustments. You must notify the department if the adjustments affect your Wisconsin income, any credit, or tax payable.

The department must be notified within 180 days after the adjustments are final. You must submit a copy of the final federal audit report by either of the following methods:

- (1) Including it with an amended return that reflects the federal adjustments
- (2) Mailing the copy to: Wisconsin Department of Revenue
Audit Bureau
PO Box 8906
Madison WI 53708-8906

If you filed an amended return with the IRS or another state, you generally must also file an amended Wisconsin return within 180 days. An amended Wisconsin return must be filed if the changes affect your Wisconsin income, any credit, or tax payable.

Age

If your birthday falls on January 1, 2022, you are considered to be a year older as of December 31, 2021. **Example:** If you were born on January 1, 1957, you are considered to be age 65 as of December 31, 2021.

Estimated Tax Payments Required for Next Year

If your 2022 Wisconsin income tax return will show a tax balance due to the department of \$500 or more, you must do either of the following:

- Make estimated tax payments for 2022 in installments beginning April 18, 2022, using 2022 Wisconsin Form 1-ES or the [estimated income tax interactive voucher](#) on our website
- Increase the amount of income tax withheld from your 2022 pay

For example, you may have a tax balance due with your return if you have income from which Wisconsin tax is not withheld. If you do not make required installment payments, you may be charged interest.

For more information, contact the department’s Customer Service Bureau at (608) 266-2486 or visit any Department of Revenue office.

If you must file Form 1-ES for 2022 and do not receive a form in the mail, go to our website at revenue.wi.gov to obtain a personalized copy of Form 1-ES. You may also visit or contact the department using one of the methods listed above.

Death of a Taxpayer

A return for a taxpayer who died in 2021 should be filed on the same form which would have been used if they had lived. Include only the taxpayer's income up to the date of their death.

If there is no estate to probate, a surviving heir may file Form 1NPR for the person who died. If there is an estate, the personal representative for the estate must file the return. The person filing the Form 1NPR should sign it and indicate their relationship to the person who died (for example, "surviving heir" or "personal representative"). Be sure to fill in the surviving heir's or personal representative's mailing address in the address area of Form 1NPR.

If the taxpayer did not have to file a return but paid estimated tax or had tax withheld, a return must be filed to get a refund.

If you are filing a return on behalf of a decedent, submit [Form 804](#), *Claim for Decedent's Wisconsin Income Tax Refund*, with the return and check the box below the special conditions box on page 1 of Form 1NPR. If you did not submit Form 804 with the return, you were issued a refund, and you are not able to cash the refund check, complete Form 804 and mail the completed form and refund check to the address shown on Form 804.

If your spouse died during 2021 and you did not remarry in 2021, you can file a joint return. You can also file a joint return if your spouse died in 2022 before filing a 2021 return. A joint return should show your spouse's 2021 income before death and your income for all of 2021. Write "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, they must also sign.

If the return for the decedent is filed as single, head of household, or married filing separate, fill in "06" in the Special Conditions box and indicate the date of death on the line provided. If a joint return is being filed, fill in "06" in the box if it is the primary taxpayer (person listed first on the tax form) who is deceased and the date of death. If it is the spouse who is deceased, fill in "07" in the box and the date of death. If both spouses are deceased, fill in "08" in the box and both dates of death.

If your spouse died before 2021 and you have not remarried, you must file as single or, if qualified, as head of household.

Before starting your Form 1NPR, fill in your federal return and its supporting schedules. If you aren't required to file a federal return, list the types and amounts of your income and deductions on a separate sheet of paper and enclose it with your Form 1NPR.

Follow these line instructions to fill in your Form 1NPR. Prepare one copy to file with the department and another for your records.

■ **Amended return** If you already filed your original return and this is an amended return, place a check mark where indicated at the top of Form 1NPR. For more information, see **Amending Your Return** on page 7 of these instructions. Be sure to enclose a copy of Schedule AR with your amended return.

■ **Period covered** File the 2021 return for calendar year 2021 and fiscal years that begin in 2021. For a fiscal year, a 52-53 week period, or a short-period return, fill in the taxable year beginning and ending dates in the taxable year space at the top of the form. If your return is for a fiscal year, a 52-53 week period, or a short-period, also fill in "11" in the Special Conditions box located under the name and address area on page 1 of Form 1NPR.

■ **Name and address** Print or type your legal name and address. Include your apartment number, if any. Fill in your PO Box number only if your post office does not deliver mail to your home. If you are married filing a joint return, fill in your spouse's name (even if your spouse didn't have any income). If you filed a joint return for 2020 and you are filing a joint return for 2021 with the same spouse, be sure to enter your names and social security numbers in the same order as on your 2020 return.

If you have a foreign address, enter the city name on the appropriate line. Don't enter any other information on that line, but also complete the spaces below that line. Don't abbreviate the country name. Follow the country's practice for entering the postal code and the name of the province, state, or county.

■ **Social security number** Fill in your social security number. Also fill in your spouse's social security number if you are married filing a joint return or if you are married filing a separate return.

If you are an alien who has been issued an individual taxpayer identification number (ITIN), fill in your ITIN wherever your social security number is requested.

Note

■ **Special conditions** Below is a list of the special condition codes that you may need to enter in the special conditions box on Form 1NPR. Be sure to read the instruction on the page listed for each code before using it. Using the wrong code or not using a code when appropriate could result in an incorrect tax computation or a delay in processing your return.

- 99 Multiple special conditions

If more than one special condition applies, fill in "99" in the Special Conditions box and list the separate code numbers on the line next to the box, in addition to any other information required on the line.

■ **Tax district** *Nonresidents* – don't fill in these lines. *Part-year and full-year residents* – check the proper box and fill in the name of the Wisconsin city, village, or town in which you lived on December 31, 2021, or before leaving Wisconsin. Also fill in the name of the county in which you lived.

■ **School district number** *Nonresidents* – don't fill in this line. *Part-year and full-year residents* – See the list of school district numbers on page 59. Fill in the number of the school district in which you lived on December 31, 2021, or before leaving Wisconsin.

■ **Filing status** Check one of the boxes to indicate your filing status for 2021. More than one filing status may apply to you. If it does, choose the one that will give you the lowest tax.

If you obtained a decree of divorce or separate maintenance during 2021 or are married and will file a separate return, you should get [Publication 109](#), *Tax Information for Married Persons Filing Separate Returns and Persons Divorced in 2021*. This publication has information on what income you must report.

Single You may check the "single" box if any of the following was true on December 31, 2021:

- You were never married
- You were legally separated under a **final** decree of divorce or separate maintenance. **Note:** A decree of separate maintenance in Wisconsin is a judgement of legal separation granted by a judge under sec. 767.35, Wis. Stats.
- You were widowed before January 1, 2021, and did not remarry in 2021

Nonresident aliens filing federal Form 1040NR You can't consider yourself single if you were married but lived apart from your spouse.

Married filing joint return Most married couples will pay less tax if they file a joint return. You may check the "married filing a joint return" box if **any** of the following is true.

- You were married as of December 31, 2021
- Your spouse died in 2021 and you did not remarry in 2021
- You were married at the end of 2021, and your spouse died in 2022 before filing a 2021 return

A married couple may file a joint return even if only one had income or if they did not live together all year. Both spouses must sign the return, and both are responsible for any tax due on the return. This means that if one spouse does not pay the tax due, the other may have to.

You can't file a joint return if either you or your spouse were a nonresident alien at any time during 2021. You also can't file a joint return if you and your spouse have different tax years.

Exception If at the end of 2021 one spouse was a dual-status or nonresident alien and the other spouse was a U.S. citizen or a resident alien, you may be able to file a joint return. In order to file a joint return, you must elect to treat the nonresident alien spouse as a U.S. resident. If you do file a joint return, you and your spouse must report your combined worldwide income as your federal income. **Note:** Even though electing to be treated as a U.S. resident, the nonresident alien spouse is considered a nonresident of Wisconsin.

If you file a joint return, you may not, after the due date for filing that return, amend it to file as married filing separate return.

Married filing separate return A joint return usually produces the lowest tax, but you and your spouse may be among the few married couples for whom separate returns are better. This will require filing two returns, one for each spouse.

If you file a separate return, print or type your spouse's social security number in the space at the top of the form and full name on the line provided. If you file a separate return, you and your spouse can amend it to file as married filing a joint return within four years after the unextended due date of the return.

Head of household If you qualify to file your federal return as head of household, you may also file as head of household for Wisconsin. Unmarried individuals who paid over half the cost of keeping up a home for a qualifying person (such as a child or parent) may be able to use this filing status.

Certain married persons who lived apart from their spouse for the last 6 months of 2021 who paid over half the cost of keeping up a home that was the main home of their child, stepchild, or foster child for more than half of 2021 may be able to use this status. If you do not have to file a federal return, visit any department office or contact the department's Customer Service Bureau at (608) 266-2486 to see if you qualify. If you file your federal return as a qualifying widow(er), you may file your Wisconsin return as head of household.

If you qualify to file as head of household and are NOT married, check "Head of household, NOT married".

If you are married and qualify to file as head of household, be sure to check "Head of household, married". Also, fill in your spouse's social security number in the space next to the name area and fill in your spouse's name in the spaces above the head of household line.

■ **Resident status** Check the resident status to indicate your resident status in 2021. If you are married filing a joint return, also check one of the spaces to indicate your spouse's resident status in 2021. See the definitions on page 3.

If you are a nonresident of Wisconsin, also indicate in the space provided the 2-letter postal abbreviation for your state of legal residence. If you are a resident of a foreign country, fill in "99".

Legal residence (domicile) questionnaire If you changed your domicile from Wisconsin during 2020 or 2021 and you did not previously complete a questionnaire for that change, fill in the questionnaire on page 61.

Column A and Column B Instructions

Form 1NPR has two columns for figures.

Column A

Column A is labeled "Federal column." In this column, lines 1-31, fill in the amounts reported on your federal return.

Note

If you are filing federal Form 1040NR, fill in the amounts from each line on page 1 of Form 1040NR on the corresponding line on Form 1NPR. If there is no corresponding line on Form 1NPR for an income or adjustment item, include the income item on line 15, and the adjustment item on line 28 of Form 1NPR. The amount reported on line 1c of Form 1040NR (income exempt by a treaty) should not be carried over to Form 1NPR.

Exceptions

- If you are using a different filing status for Wisconsin and federal purposes, the amounts you enter in column A cannot be taken from the federal return you file with the IRS. If you file a joint return for Wisconsin but separate returns for the IRS, report in column A the amounts you would report on a federal return using a married filing joint status. (For example, you reported \$15,000 of wages on your separate federal return and your spouse reported \$20,000 of wages on their separate federal return. If you file a joint Wisconsin return, report \$35,000 of wages in column A.) If you file separate returns for Wisconsin but you're filing a joint return for the IRS, report in column A the amounts you would report on a federal return using a married filing separate status.
- The federal income that you must use to complete column A of Form 1NPR may not always be the same as the amount reported on your federal Form 1040 or 1040-SR. Differences between federal and Wisconsin law may occur because Wisconsin uses the federal law as amended to December 31, 2020, with certain exceptions.

A list of certain provisions of federal law that may not be used for Wisconsin purposes for 2021 can be found in the instructions for Wisconsin Schedule I. The following is a list of the items that may affect the largest number of taxpayers.

- Bonus depreciation
- Excess business losses

If any provision of federal law that does not apply for Wisconsin affects your federal adjusted gross income, complete Wisconsin Schedule I and enclose it with your Form 1NPR. The amount you fill in on lines 1 through 31 of Form 1NPR (and amounts filled in on Schedule 1 on page 4 of Form 1NPR) should be the revised amount from Schedule I.

To the extent Schedule I adjustments in a prior year affect income or expense items in 2021, you must also make adjustments on Schedule I for 2021. If an adjustment was made to depreciation, amortization, or sec. 179 expense on your 2014 or later Schedule I, you may also have to make an adjustment on Schedule I for 2021. For example, you had to make an adjustment on Schedule I because Wisconsin did not allow bonus depreciation. You must continue to make an adjustment on Schedule I each year until the depreciable asset is fully depreciated or you sell or otherwise dispose of the asset. This does not apply to property that was being depreciated or amortized and was placed in service in a taxable year beginning before January 1, 2014.

You may also have to fill in Schedule I if you sold property during 2021, and the gain or loss from the sale is different for federal and Wisconsin purposes due to Schedule I adjustments made in a prior year. This does not apply to property that was being depreciated or amortized and was placed in service in a taxable year beginning before January 1, 2014. Gain or loss on such property is the same for federal and Wisconsin tax purposes. See the instructions for Schedule I for more information.

Column A and Column B Instructions – continued

Column B

Column B on Form 1NPR is labeled “Wisconsin column.” In this column, fill in the amounts that apply to Wisconsin.

Your federal income may include items that aren’t taxable or deductible for Wisconsin, or it may not include items that are taxable or deductible for Wisconsin. You may have to add or subtract these items from your federal income to arrive at the correct Wisconsin income.

Those differences between federal and Wisconsin income (called “modifications”) that may affect the amounts you report on more than one line of Form 1NPR are explained below. Differences that affect a particular line of Form 1NPR are explained in the instructions for that line.

Modifications for differences between federal and Wisconsin income

■ **Differences in federal and Wisconsin basis of property** If you sell (or otherwise dispose of) property where the federal basis is greater than the Wisconsin basis due to a previous gain on the sale of an asset being deferred because gain was invested in a “qualified new business venture” or a “qualified Wisconsin business”, you must complete Part I of Wisconsin [Schedule T](#), *Transitional Adjustments*. If gain on the sale of an investment in a “qualified Wisconsin business” qualifies to be excluded from income, you must also complete Schedule QI to determine the nontaxable gain. Enclose the completed Schedule T and/or QI with your Form 1NPR.

If you sell (or otherwise dispose of) property that can’t be depreciated or amortized, such as land, stocks, bonds, or an interest in a partnership, which has a different basis for federal and Wisconsin purposes, you must complete Wisconsin Schedule T. Enclose the completed Schedule T with Form 1NPR.

Caution If the difference in basis is due to the difference in the federal and Wisconsin definition of the Internal Revenue Code (IRC), use Schedule I to adjust for the difference in basis rather than Schedule T.

■ **Differences in federal and Wisconsin reporting of marital property (community) income** If you are married and are filing a separate return for Wisconsin purposes or were divorced during 2021, you may have to report a different amount of income on your Form 1NPR than on your federal return. For more information, get [Publication 109](#), *Tax Information for Married Persons Filing Separate Returns and Persons Divorced in 2021*.

■ **Medical care insurance** You may be able to subtract all or a portion of the cost of your medical care insurance. See instructions for line 23 if you are self-employed or complete Schedule M for all others who paid for medical care insurance.

Note

Rounding off to whole dollars Form 1NPR has preprinted zeros in the place used to enter cents. All amounts filled in on the form should be rounded to the nearest dollar. Drop amounts under 50¢ and increase amounts that are 50¢ or more to the next dollar. For example, \$129.39 becomes \$129 and \$236.50 becomes \$237. When you round off, do so for all amounts. But if you have to add two or more amounts to figure the amount to fill in on a line, include cents when adding and only round off the total.

If completing the form by hand, **do not use commas** when filling in amounts.

Line 1 Wages, Salaries, Tips, Etc.

Column A

Federal column Fill in the amount from line 1 of federal Form 1040 or 1040-SR.

Exception If you were a member of the U.S. uniformed services, do not include military compensation received during a period of time in which you were a nonresident of Wisconsin on line 1, federal column. If you meet this exception, fill in “09” in the Special Conditions box on page 1 of Form 1NPR. Write the amount of military compensation on the line next to the box. This does not apply to Wisconsin residents who are stationed outside Wisconsin. (See page 3 for information on Armed Forces Personnel.)

Column B

Wisconsin column *Nonresidents* – fill in the amount received for working in Wisconsin (see **Exceptions** on the next page). If that amount differs from your Wisconsin wages on your wage statement (Form W-2), enclose an explanation of the difference and indicate where this income was earned. If you are retired on disability, do not fill in any disability income.

Line 1 – Wages, Salaries, Tips, Etc. – continued

Part-year and full-year residents – figure the amount received for working in and outside Wisconsin while a Wisconsin resident. Add to that figure the amount received for working in Wisconsin while a nonresident. If the total differs from your Wisconsin wages on your wage statement (Form W-2), enclose an explanation of the difference and indicate where this income was earned. If you are retired on disability, include the amount of disability income received while you were a Wisconsin resident.

Exceptions

■ **Income of military spouse** Income from services performed in Wisconsin by a nonresident spouse of a service member is not taxable to Wisconsin if the spouse is in Wisconsin solely to be with the service member serving in Wisconsin under military orders (**Note:** Even though the nonresident spouse's wages may not be taxable to Wisconsin, they would be taxable to the nonresident spouse's state of legal residence.) If you meet this exception, fill in "15" in the Special Conditions box on page 1 of Form 1NPR.

Nonresident military spouses may claim an exemption from Wisconsin withholding. See [Form W-221, Nonresident Military Spouse Withholding Exemption](#).

■ **Residents of Illinois, Indiana, Kentucky, or Michigan** Don't include on line 1, column B, wages earned while a resident of one of these states. Under agreements with these 4 states, Wisconsin doesn't tax the wages of their residents.

If your only Wisconsin income is wages earned in Wisconsin while you were a resident of one of the above states, and you are filing to get a refund of Wisconsin tax withheld in error, fill in 0 on lines 1 and 30, column B. Fill in the Wisconsin tax withheld from your wages on lines 57, 68, 69, and 70. Enclose your Wisconsin Form W-2(s). Sign your return (both spouses if filing a joint return).

■ **Disaster relief work** If you are a nonresident of Wisconsin and your only Wisconsin income is from disaster relief work performed in connection with a state of emergency declared by the governor, don't include on line 1, column B, wages earned from the disaster relief work. If you are filing to get a refund of Wisconsin tax withheld in error, fill in 0 on lines 1 and 30, column B. Fill in the Wisconsin tax withheld from your wages on lines 57, 68, 69, and 70. Sign your return (both spouses if filing a joint return). Enclose your Wisconsin Form W-2(s). If you meet this exception, fill in "17" in the Special Conditions box on page 1 of Form 1NPR.

■ **Nonqualified deferred compensation** See the instructions for line 10, column B, for information on the taxation of income received while a nonresident of Wisconsin from a nonqualified deferred compensation plan.

Modifications

■ **Reserve or National Guard members** If you were a member of the Reserves or National Guard and served on active duty, do not include on line 1, column B, any military pay that is included on your Form W-2 and that was (1) received from the federal government, (2) received after being called into active federal service or into special state service authorized by the federal Department of Defense, and (3) paid to you for a period of time during which you were on active duty and called into active federal service or special state service, even if the pay was received after the active duty period ended. If you are claiming this subtraction, fill in "14" in the Special Conditions box on page 1 of Form 1NPR.

Caution This subtraction only applies to members of the Reserves or National Guard who are called into active federal service under 10 USC 12302(a), 10 USC 12304, or 10 USC 12304b or into special state service under 32 USC 502(f). It does not apply to pay that members of the Reserves and National Guard receive for weekend and two-week annual training or to a person serving on active or full-time duty in the Active Guard Reserve (AGR) program.

■ **U.S. Armed Forces active duty pay** If you were a member of the U.S. Armed Forces on active duty, do not include on line 1, column B, any amount of basic, special, and incentive pay received from the federal government under 37 USC chapters 3 and 5 while on active duty. A member of the U.S. Armed Forces includes all regular and reserve components subject to the following jurisdictions, including the Coast Guard and commissioned officers and personnel below the grade of commissioned officers in these forces:

- Secretary of Defense
- Secretary of the Army
- Secretary of the Navy
- Secretary of the Air Force

Caution: Do not exclude any amount excluded under the modification above as a member of the Reserves or National Guard.

For additional information, see [Publication 128, Wisconsin Tax Information for Military Personnel and Veterans](#).

■ **Disability income exclusion for part-year and full-year residents** If you retired on permanent and total disability and have included your disability income on your federal return, you may be able to subtract up to \$5,200 of your disability income.

Line 1 – Wages, Salaries, Tips, Etc. – continued

You must meet all these tests:

1. You didn't reach mandatory retirement age before January 1, 2021
2. You were under age 65 on December 31, 2021
3. You were permanently or totally disabled on one of the following dates:
 - a. The date you retired
 - b. January 1, 1976, or January 1, 1977, if you retired before January 1, 1977, on disability or under circumstances which entitled you to retire on disability
4. If you were married at the end of 2021, you must file a joint return with your spouse
5. You were a Wisconsin resident when you received the disability income
6. You did not in any year prior to 1984 choose to treat your disability income as a pension instead of taking the exclusion
7. Your federal adjusted gross income is less than \$20,200 (\$25,400 if married and both spouses are eligible)

Figure your exclusion on Wisconsin [Schedule 2440W, Disability Income Exclusion](#). See page 11 for information on how to get Schedule 2440W. *Full-year residents* – subtract from the disability income included on your federal Form 1040 or 1040-SR, the exclusion from line 6 of Schedule 2440W. *Part-year residents* – subtract the exclusion from line 8 of Schedule 2440W from the portion of your disability income which is otherwise taxable to Wisconsin. Enclose your completed Schedule 2440W with your Form 1NPR.

Columns A & B

■ **Treaty exemption** If you filed your federal return on Form 1040NR or 1040NR-EZ and have wages that are exempt from federal tax by a treaty, do not include the exempt wages in either column A or column B.

Line 2 Taxable Interest

Column A

Federal column Fill in the amount from line 2b of federal Form 1040 or 1040-SR.

Column B

Wisconsin column Nonresidents – don't fill in any amount of your interest except your share of interest income attributable to Wisconsin and passed through from a tax-option (S) corporation, as reported to you on Wisconsin Schedule 5K-1.

Note: Interest received from a land contract sale is not taxable to a nonresident of Wisconsin. *Part-year and full-year residents* – figure the interest received while a Wisconsin resident. For the period of time you were a nonresident, include your share of interest income attributable to Wisconsin and passed through from a tax-option (S) corporation, as reported to you on Wisconsin Schedule 5K-1. Use the worksheet on the next page to figure the interest taxable by Wisconsin. Save this worksheet for your records.

Note

If you are a shareholder of a tax-option (S) corporation or partner of a partnership that elected to be taxed at the entity level, do not include any amount of interest shown on Schedule 5K-1 or 3K-1 in the Wisconsin column.

Modifications

■ **State and municipal bond interest** If you received any state or municipal bond interest, add to your federal income the amount received from state and municipal bonds while a Wisconsin resident. This will generally be the amount shown on line 2a of your federal Form 1040 or 1040-SR. **Note:** If you were required for federal purposes to allocate expenses to this income, reduce the income by such expenses. For more information, see federal [Publication 550, Investment Income and Expenses](#).

Exception Do not include interest income from:

- (1) Public housing authority or community development authority bonds issued by municipalities located in Wisconsin
- (2) Wisconsin Housing Finance Authority bonds
- (3) Wisconsin municipal redevelopment authority bonds
- (4) Wisconsin Housing and Economic Development Authority bonds issued on or after December 11, 2003, to fund multifamily affordable housing projects or elderly housing projects
- (5) Wisconsin Housing and Economic Development Authority bonds issued before January 29, 1987, except business development revenue bonds, economic development revenue bonds, and CHAP housing revenue bonds
- (6) Public housing agency bonds issued before January 29, 1987, by agencies located outside Wisconsin where the interest therefrom qualifies for exemption from federal taxation for a reason other than or in addition to section 103 of the IRC
- (7) Local exposition district bonds
- (8) Wisconsin professional baseball park district bonds

Line 2 – Taxable Interest – continued

- (9) Bonds issued by the Government of Puerto Rico, Guam, the Virgin Islands, Northern Mariana Islands, or, for bonds issued after October 16, 2004, the Government of American Samoa
- (10) Local cultural arts district bonds
- (11) Wisconsin professional football stadium bonds
- (12) Wisconsin Aerospace Authority bonds

This income isn’t taxable for Wisconsin purposes.

Caution Don’t subtract interest from Ginnie Mae (Government National Mortgage Association) securities and other similar securities which are “guaranteed” by the United States government. You must include interest from these securities in your Wisconsin income if you received the interest while a Wisconsin resident.

For the period of time you were a nonresident, include your share of dividend income attributable to Wisconsin and passed through from a tax-option (S) corporation.

Note If you are a shareholder of a tax-option (S) corporation or partner of a partnership that elected to be taxed at the entity level, do not include any amount of dividends shown on Schedule 5K-1 or 3K-1 in the Wisconsin column.

Do not include any amount on line 5, column A or B. However, for divorce or separation agreements which are executed prior to January 1, 2019, and not modified after that date, include any alimony or maintenance payments received in 2021 on line 5, columns A and/or B.

Line 6 Business Income or (Loss)

Column A

Federal column Fill in the amount from line 3 of federal Schedule 1 (Form 1040).

Note

If there is a difference between the federal and Wisconsin definition of the IRC, the difference may have to be adjusted on Schedule I. The federal column, column A, of Form 1NPR includes the amount of business income or loss allowed for Wisconsin after taking into consideration Schedule I adjustments. Some differences which may apply are:

- Excess business losses
- Limitation on deduction for interest

Column B

Wisconsin column *Nonresidents* – nonresident individuals conducting business within and outside Wisconsin are taxed only on income derived in Wisconsin. The apportionment method must be used to determine income subject to tax unless the department gives permission to use separate accounting. Under this method, a business shows all income and deductions attributable to the business and assigns a part to Wisconsin based on an apportionment percentage. For detailed instructions, see [Publication 122, Tax Information for Part-Year Residents and Nonresidents of Wisconsin for 2021](#). *Part-year and full-year residents* – figure the income or loss from business in and outside Wisconsin while a Wisconsin resident. Combine with that figure the income or loss apportioned to Wisconsin while a nonresident.

Exception Income from an out-of-state business from disaster relief work performed in Wisconsin in connection with a state of emergency declared by the Governor is not taxable to Wisconsin. An out-of-state business means a sole proprietorship that, except for disaster relief work during a disaster period, was not doing business in Wisconsin during the 3 taxable years immediately preceding the disaster period or the current taxable year in which the declared state of emergency occurs. If you meet this exception, fill in "17" in the Special Conditions box on page 1 of Form 1NPR.

Line 7 Capital Gain or (Loss)

Column A

Federal column Fill in the amount from line 7 of federal Form 1040 or 1040-SR.

Column B

Wisconsin column *Nonresidents* – complete Schedule WD if you have capital gain or loss from Wisconsin sources (see definition of Wisconsin sources below.) If you don't, fill in 0 on line 7, column B. *Part-year and full-year residents* – all capital gain or loss received while you are a Wisconsin resident and capital gain or loss received from Wisconsin sources while you are a nonresident is includable in your Wisconsin income. However, you are allowed a 30% (60% in the case of farm assets) exclusion for net long-term capital gain, and your deduction for net capital loss is limited to \$500. If you have any capital gain or loss taxable to Wisconsin, complete Schedule WD to determine your taxable gain or allowable loss.

- If you are a shareholder of a tax-option (S) corporation or partner of a partnership that elected to be taxed at the entity level, do not report the amount of capital gain or loss from Schedule 5K-1 or 3K-1 on Schedule WD and do not include these amounts in the Wisconsin column. See the Schedule WD instructions for more information.
- If the only amount on line 7 of federal Form 1040 or 1040-SR is a capital gain distribution from a mutual fund or real estate investment trust, and you have no Wisconsin capital loss carryover, you do not have to complete Schedule WD. Fill in 70% of the portion of the capital gain distribution received while a Wisconsin resident.

Wisconsin sources Capital gain or loss from Wisconsin sources includes gain or loss from the sale of land, buildings, and machinery located in Wisconsin and your share of capital gain and loss from an estate or trust, partnership, limited liability company (LLC), or tax-option (S) corporation which has been reported to you on Wisconsin Schedule 2K-1, 3K-1, or 5K-1. It also includes gain from the sale of stock acquired under an incentive stock option or employee stock purchase plan to the extent attributable to personal services performed in Wisconsin. It doesn't include losses from nonbusiness bad debts and worthless securities, and gains or losses from sales of stocks (except gain on stock acquired under an incentive stock option or employee stock purchase plan as explained above) while a nonresident.

Modification

Differences in federal and Wisconsin basis of property If the federal basis of your property isn't the same as the Wisconsin basis, see page 15.

Columns A & B

Line 9 IRA Distributions

Column A

Federal column Fill in the amount of IRA distributions reported on line 4b of federal Form 1040 or 1040-SR.

Column B

Wisconsin column *Nonresidents* – don't fill in any amount on line 10, column B. *Part-year and full-year residents* – fill in the taxable amount of pension and annuity income you received while a Wisconsin resident. Wisconsin taxes pension, annuity, profit-sharing, and stock bonus plan distributions received while a Wisconsin resident even though the distributions may relate to work you did in another state.

Exception

Nonqualified retirement and deferred compensation plans Amounts received while a nonresident of Wisconsin from a nonqualified retirement plan or a nonqualified deferred compensation plan must be included in the Wisconsin column to the extent attributable to services performed as an employee in Wisconsin unless one of the following applies:

- (1) The distribution is paid out in annuity form over the life expectancy of the individual or a period of not less than 10 years
- (2) The distribution is paid in either an annuity or lump-sum from arrangements known commonly as "mirror" plans

Modifications

■ **Lump-sum distributions** Did you receive a lump-sum distribution while a Wisconsin resident? If so, and you used federal Form 4972 to figure your federal tax, you must add the amount of your lump-sum distribution to your other pension and annuity income and report it on line 10, column B. Include on line 10, column B, the total of (1) the capital gain part of the lump-sum distribution from line 6 of Form 4972 and (2) the taxable amount from line 10 of Form 4972. You may reduce this amount by any federal estate tax on line 18 of Form 4972.

Note: No portion of a lump-sum distribution may be reported as a capital gain on Wisconsin Schedule WD.

Note

■ **Military and uniformed services retirement benefits** Don't include on line 10, column B, retirement benefits received from:

- (1) The U.S. military retirement system (including payments from the Retired Serviceman's Family Protection Plan and the Survivor Benefit Plan). These retirement benefits are paid from the Defense Finance and Accounting Service.

■ **Other retirement benefits** Don't include on line 10, column B, amounts received from the retirement systems listed on the next page if one of the following applies:

1. You were retired from the system before January 1, 1964
2. You were a member of the system as of December 31, 1963, and retired at a later date and payments you receive are from an account established before 1964
3. You are receiving payments from the system as the beneficiary of a person who met either condition 1 or 2

Line 10 – Pensions and Annuities – continued

The specific retirement systems are:

- A. Local and state retirement systems** – Milwaukee City Employees, Milwaukee City Police Officers, Milwaukee Fire Fighters, Milwaukee Public School Teachers, Milwaukee County Employees, Milwaukee Sheriff, and Wisconsin State Teachers retirement systems.
- B. Federal retirement systems** – United States government civilian employee retirement systems. Examples of such retirement systems include the Civil Service Retirement System and Federal Employees' Retirement System. These retirement benefits are paid from the U.S. Office of Personnel Management.

Note: You must include the following on line 10, column B:

- Payments received as a result of voluntary tax-sheltered annuity deposits made in any of the retirement systems listed in A or B above.
 - Payments received from one of the retirement systems listed in A or B above if you first became a member after December 31, 1963. This applies even though pre-1964 military service may have been counted as creditable service in computing your retirement benefit.
 - Payments from the federal Thrift Savings Plan.
- **Railroad retirement benefits** Don't include on line 10, column B, amounts received from the U.S. Railroad Retirement Board that were included in line 5b of federal Form 1040 or 1040-SR. These benefits aren't taxable by Wisconsin.
- **Disability income exclusion for part-year and full-year residents** if you are retired on permanent and total disability and you have included your disability income on line 5b of your federal Form 1040 or 1040-SR, you may be able to subtract up to \$5,200 of your disability income. See the Modifications for line 1.

Line 11 Rental Real Estate, Royalties, Partnerships, S Corporations, Trusts, Etc.

Column A

Federal column Fill in the amount from line 5 of federal Schedule 1 (Form 1040).

CAUTION Wisconsin follows the federal treatment of passive activity losses (PALs). However, if there is a difference in the federal and Wisconsin definition of the IRC, any PAL may have to be adjusted on Schedule I to account for the difference. The federal column of Form 1NPR includes the amount of PAL allowed for Wisconsin after taking into consideration Schedule I adjustments.

Modifications

→ If there is a difference between federal and Wisconsin law, Schedule I should be completed to adjust for these differences. Any federal schedules or forms affected by the Schedule I adjustment (such as federal Schedule E) should be recomputed and attached to the Wisconsin return. Mark these recomputed forms or schedules "Revised for Wisconsin." The amounts recomputed under Wisconsin law are the amounts to enter in the federal column, column A, of line 11.

■ **Tax-option (S) corporation, partnership, estate, or trust modifications** If an adjustment listed on Schedule 2K-1, 3K-1, or 5K-1 is due to a difference between federal and Wisconsin law, such as bonus depreciation, this amount should be adjusted on Wisconsin Schedule I. This revised amount should be reported in the federal column of Form 1NPR.

Required Attachments Submit a copy of your Schedule 2K-1, 3K-1, or 5K-1, and all supplemental schedules by attaching them as PDF documents to your electronically filed return. If you cannot attach and submit the PDF documents with your e-filed return, you can upload the PDF documents through the department's website using Form W-RA at <https://tap.revenue.wi.gov/WRA/>. If you cannot create PDF documents, you can mail the attachments with Form W-RA to the address listed on the form.

Column B

Wisconsin column *Nonresidents* – fill in the amount of rent, royalty, partnership, tax-option (S) corporation, estate, and trust income from Wisconsin sources. *Part-year and full-year residents* – figure the amount of rent, royalty, partnership, tax-option (S) corporation, estate, and trust income from sources in and outside Wisconsin received while a Wisconsin resident. Combine with that figure the amount of rent, royalty, partnership, tax-option (S) corporation, estate, and trust income from Wisconsin sources received while a nonresident.

Line 11 – Rental Real Estate, Royalties, Partnerships, S Corporations, Trusts, Etc. – continued

Rent, royalty, partnership, tax-option (S) corporation, estate, and trust income from Wisconsin sources includes:

- Rents and royalties from real or tangible property located in Wisconsin, such as land, buildings, and machinery.
- Profits and losses from businesses, professions, and farm operations conducted in Wisconsin, including partnerships and tax-option (S) corporations.

■ **Tax-option (S) corporation modifications**

- (1) If you were a shareholder of a tax-option (S) corporation which is required to file a Wisconsin franchise or income tax return, you will receive a Wisconsin Schedule 5K-1 from the tax-option (S) corporation informing you of any adjustments to be made for Wisconsin.
- (2) If you were a shareholder of a federal S corporation that elected not to be treated as a Wisconsin tax-option (S) corporation, you must reverse all items of S corporation income, loss, or deduction included on your federal return and then add your pro rata share of any distributions made by the corporation of earnings and profits which was received while you were a Wisconsin resident.

Caution: Do not reverse any item of S corporation income or loss reported on federal Schedule D. These items were already removed from Wisconsin income when you completed Wisconsin Schedule WD.

- (3) Instead of including the tax-option (S) corporation items deductible on federal Schedule A (Form 1040) in the Wisconsin itemized deduction credit, you may be able to treat these items as subtraction modifications. Your subtraction is limited to the amount actually deductible for federal purposes.
- (4) If you were a shareholder of a tax-option (S) corporation that elected to be taxed at the entity level, do not include the items of income, gain, loss, or deduction from the corporation in the Wisconsin column (column B). See example below. **Note:** If the tax-option (S) corporation made the election, the box will be checked on Schedule 5K-1, Part B, box 3.

Example: Shareholder A was a part-year Wisconsin resident in 2021 and owns 50 percent of Tax-option (S) Corporation. Shareholder A's only sources of Wisconsin income for 2021 are \$15,000 of wages and \$100,000 of federal ordinary business income from the tax-option (S) corporation which is taxable to Wisconsin. Tax-option (S) corporation makes an election under sec. 71.365(4m)(a), Wis. Stats., to pay tax at the entity level for 2021.

Tax-option (S) Corporation's \$100,000 of federal ordinary business income for 2021 has the following Wisconsin differences:

- \$10,000 of additional Wisconsin depreciation expense because of a different depreciable basis of an asset determined under the IRC in effect for Wisconsin purposes
- \$5,000 of Wisconsin tax paid by the tax-option (S) corporation with its 2020 Form 5S deducted on the 2021 federal Form 1120-S

The amounts which must be reported in the federal column (column A) are \$15,000 of wages on line 1 and \$90,000 on line 11. The \$90,000 is the amount of ordinary business income less the Schedule I difference due to depreciation (\$100,000 - \$10,000). The amounts which must be reported in the Wisconsin column (column B) are \$15,000 of wages on line 1 and \$0 on line 11.

Caution:

- Do not reverse any item of tax-option (S) corporation income or loss reported on federal Schedule D. These items were already removed from Wisconsin income when you completed Wisconsin Schedule WD. See the [Schedule WD instructions](#) for more information.
- If the tax-option (S) corporation elected to be taxed at the entity level, do not take a subtraction for charitable contributions reported on Schedule 5K-1. In addition, these amounts may not be used in the computation of the itemized deduction credit.

Required Attachments Submit a copy of your Schedule 5K-1, and all supplemental schedules by attaching them as PDF documents to your electronically filed return. If you cannot attach and submit the PDF documents with your e-filed return, you can upload the PDF documents through the department's website using Form W-RA at <https://tap.revenue.wi.gov/WRA>. If you cannot create PDF documents, you can mail the attachments with Form W-RA to the address listed on the form.

For more information, get [Publication 102](#), *Wisconsin Tax Treatment of Tax-Option (S) Corporations and Their Shareholders*. See page 11 for information on how to get this publication.

Line 11 – Rental Real Estate, Royalties, Partnerships, S Corporations, Trusts, Etc. – continued

■ **Partnership, estate, or trust modifications** If you were a member of a partnership, or you received income from an estate or trust, you will receive a statement from the partnership, estate, or trust notifying you of any modifications to federal income. Increase the amount reported in the federal column by amounts shown as addition modifications. Decrease the amount reported in the federal column by amounts shown as subtraction modifications. The adjusted amount will be the amount shown in the Wisconsin column (column B).

If you were a partner or member of a partnership or LLC treated as a partnership that elected to be taxed at the entity level, do not include the items of income, gain, loss, or deduction from the partnership in the Wisconsin column (column B). See example below.

Note: If the partnership made the election, the box will be checked on Schedule 3K-1, Part C, box 3.

Example: Partner A was a part-year Wisconsin resident in 2021 and owns 50 percent of Partnership. Partner A's only sources of Wisconsin income for 2021 are \$15,000 of wages and \$100,000 of federal ordinary business income from the partnership which is taxable to Wisconsin. Partnership makes an election under sec. 71.21(6)(a), Wis. Stats., to pay tax at the entity level for 2021.

Partnership's \$100,000 of federal ordinary business income for 2021 has the following Wisconsin differences:

- \$10,000 of additional Wisconsin depreciation expense because of a different depreciable basis of an asset determined under the IRC in effect for Wisconsin purposes
- \$5,000 of Wisconsin tax paid by the partnership with its 2020 Form 3 deducted on the 2021 federal Form 1065

The amounts which must be reported in the federal column (column A) are \$15,000 of wages on line 1 and \$90,000 on line 11. The \$90,000 is the amount of ordinary business income less the Schedule I difference due to depreciation (\$100,000 - \$10,000). The amounts which must be reported in the Wisconsin column (column B) are \$15,000 of wages on line 1 and \$0 on line 11.

Caution: Do not reverse any item of partnership gain or loss reported on federal Schedule D. These items have already been removed from Wisconsin income when you completed Wisconsin Schedule WD. See the [Schedule WD instructions](#) for more information.

Required Attachments Submit a copy of your Schedule 3K-1, and all supplemental schedules by attaching them as PDF documents to your electronically filed return. If you cannot attach and submit the PDF documents with your e-filed return, you can upload the PDF documents through the department's website using Form W-RA at <https://tap.revenue.wi.gov/WRA/>. If you cannot create PDF documents, you can mail the attachments with Form W-RA to the address listed on the form.

Line 22 Self-Employed SEP, SIMPLE, and Qualified Plans

Column A

Federal column Fill in the amount from line 16 of federal Schedule 1 (Form 1040).

Column B

Wisconsin column Fill in the amount of the self-employed SEP, SIMPLE, and qualified plan (Keogh) deduction allowable for Wisconsin.

- Use the formula below to figure the amount of your Keogh and self-employed SEP and SIMPLE deduction allowable for Wisconsin.
- If you are married filing a joint return and both you and your spouse had a Keogh or self-employed SEP or SIMPLE deduction, you must figure each spouse's allowable deduction separately. Fill in the total of each spouse's deduction on line 22, column B, of Form 1NPR.
- If you have both a Keogh and self-employed SEP or SIMPLE deduction, figure the allowable deduction for each separately. Fill in the total of the allowable deductions on line 22, column B, of Form 1NPR.

Formula to figure allowable Keogh deduction:

$\frac{\text{Your net earnings from a trade or business* taxable to Wisconsin}}{\text{Your total net earnings from a trade or business*}}$	x	Keogh deduction included in line 15, federal Schedule 1 (Form 1040)	=	Keogh deduction allowable for Wisconsin to line 22, Col. B, Form 1NPR
--	---	---	---	---

* Use net earnings only from the business that has the Keogh plan.

Formula to figure allowable self-employed SEP or SIMPLE deduction:

$\frac{\text{Your wages and net earnings from a trade or business* taxable to Wisconsin}}{\text{Your total wages and net earnings from a trade or business*}}$	x	Self-employed SEP or SIMPLE deduction included in line 15, federal Schedule 1 (Form 1040)	=	Self-employed SEP or SIMPLE deduction allowable for Wisconsin to line 22, Col. B, Form 1NPR
--	---	---	---	---

* Do not reduce your wages by losses from self-employment, and use net earnings only from the business that has the SEP or SIMPLE plan.

Line 23 Self-Employed Health Insurance Deduction*Column A*

Federal column Fill in the amount from line 17 of federal Schedule 1 (Form 1040).

Column B

Wisconsin column You may be able to subtract all or a portion of the cost of your medical care insurance. "Medical care insurance" means a medical care insurance policy that covers you, your spouse, and dependents and provides surgical, medical, hospital, major medical, or other health service coverage (including dental and vision insurance). If you are receiving social security benefits, the amount paid for medical care insurance includes the amount deducted from your monthly benefit for Medicare (for example, Parts B and D). It does not include premiums you pay for:

- Long-term care insurance
- Life insurance policies
- Policies providing payment for loss of earnings
- Policies for loss of life, limb, sight, etc.
- Policies that pay you a guaranteed amount each week for a stated number of weeks if you are hospitalized for sickness or injury
- The part of your car insurance premiums that provides medical insurance coverage for all persons injured in or by your car
- Medical care insurance if you elected to pay these premiums with tax-free distributions from a retirement plan made directly to the insurance provider and these distributions would have otherwise been included in income

CAUTION

- Do not include insurance premiums paid by an employer including amounts paid by you through payroll deductions, unless the premiums are included as wages in Box 1 of your Form W-2. Premiums that are deducted pre-tax are not included in Box 1 of your Form W-2.
- The amount of employer-provided medical insurance that is identified on your Form W-2 in Box 12 with Code DD cannot be included in the subtraction for medical care insurance.
- If you participate in your employer's fringe benefit cafeteria plan and agree to a voluntary salary reduction in return for a medical care insurance benefit, you may not consider the amount of your salary reduction an amount you paid for medical care insurance. Because you are an employee whose insurance premiums are paid with money that is not included in your gross income (premiums are deducted pre-tax), you cannot subtract the premiums paid with that money. Such programs may be known as, for example, flexible spending accounts, employee reimbursement accounts, etc. Some employers may identify these amounts on your pay stubs as IRC sec. 125 or as a pre-tax deduction.

Complete the worksheet on the next page to figure your subtraction.

When completing line 1 of the worksheet, if you purchased the insurance through an Exchange (Marketplace), the amount you paid is the amount paid after your premium was reduced for any advance payment of the premium assistance credit.

Line 36a

The exemptions allowed for you (and your spouse, if married) on line 36a are equal to:

- 0 - If you are single and can be claimed as a dependent on someone else's return, or if you are married filing jointly and both you and your spouse can be claimed as a dependent on someone else's return.
- 1 - If you are single and cannot be claimed as a dependent on someone else's return, or if you are married filing jointly and either you or your spouse (not both) can be claimed as a dependent on someone else's return.
- 2 - If you are married filing jointly and neither you nor your spouse can be claimed as a dependent on someone else's return.

Additional exemptions are allowed equal to the number of dependents you may claim, which is the number of dependents listed on the front of federal Form 1040 or 1040-SR. Enter an additional exemption for each dependent filled in on federal Form 1040 or 1040-SR.

Line 36b

Note

If you are a shareholder of a tax-option (S) corporation or partner of a partnership that elected to be taxed at the entity level, do not use any amounts from Schedule 5K-1 or 3K-1 in the computation of the itemized deduction credit.

Line 39 – Wisconsin Itemized Deduction Credit – continued

Complete Schedule 1 on page 4 of Form 1NPR to see if you can claim the credit. Schedule 1 lists the specific deductions to use from federal Schedule A (Form 1040) (see **Exceptions** below).

Note If you did not itemize deductions for federal tax purposes, use the amounts which would be deductible if you had itemized deductions. To determine the amounts to use, complete a federal Schedule A (Form 1040). Write “Wisconsin” at the top of this Schedule A and enclose it with Form 1NPR.

Exceptions Even though Schedule 1 has entry lines for medical expenses, interest paid, and gifts to charity, not all of the amounts of these items that are deducted on federal Schedule A (Form 1040) can be used for the Wisconsin itemized deduction credit. The following describes the portion of these items that may not be used to compute the Wisconsin itemized deduction credit.

- Medical expenses – the amount of medical care insurance and long-term care insurance claimed as a subtraction for Wisconsin. If this applies to you, complete the worksheet below to figure the amount which you are allowed, if any, for purposes of the itemized deduction credit.
- Interest –
 - paid to purchase a second home located outside Wisconsin
 - paid to purchase a residence which is a boat
 - paid to purchase or hold U.S. government securities
 - mortgage insurance premiums treated as interest
- Contributions and interest allocated to you by a tax-option (S) corporation if you treated the deduction as a subtraction.

Line 40 School Property Tax Credit

Nonresidents – don’t fill in any amount on these lines. Nonresidents aren’t eligible for the school property tax credit.

Note: If you are filing a joint return and one spouse is a full-year or part-year Wisconsin resident but the other is a nonresident, you can claim the school property tax credit. Figure your credit by using the rent and property taxes of both spouses.

Part-year and full-year residents – read the following instructions if you paid rent during 2021 for living quarters used as your principal home or property taxes during 2021 on your home.

Note: You may not claim the school property tax credit if you are claiming the veterans and surviving spouses property tax credit.

Line 40 – School Property Tax Credit – continued

Special cases

If you paid both property taxes and rent You may claim both the renter’s credit and the homeowner’s credit. The total combined credit claimed on lines 40a and 40b can’t be more than \$300 (\$150 if married filing a separate return or if married filing as head of household).

Married persons filing a joint return Figure your credit by using the rent and property taxes paid by both spouses.

Married persons filing separate returns or married persons filing as head of household Each spouse can claim a credit. Each of you can use only your own property taxes and rent to figure the credit. The maximum credit allowable to each spouse is \$150.

Persons who jointly own a home or share rented living quarters When two or more persons (other than a married couple) jointly own a home or share rented living quarters, each may claim a credit. However, the property taxes and rent paid must be divided among the owners or occupants. See the instructions for lines 40a and 40b.

Line 40a How Do I Figure the Renter’s School Property Tax Credit

Step 1 Rent paid in 2021 Fill in on the appropriate line(s) the total rent that you paid in 2021 for living quarters (1) where the heat was included in the rent, and (2) where the heat was not included in the rent. These living quarters must have been used as your principal home but don’t have to be located in Wisconsin. Don’t include any rent that you may claim as a business expense. Don’t include rent paid for housing that is exempt from property taxes, for example, rent for a university dorm, nonprofit senior housing, or public housing. (Property owned by a public housing authority is considered tax-exempt unless that authority makes payments in place of property taxes to the city or town in which it is located. If you live in public housing, you may wish to ask your manager about this.)

If your rent included food, housekeeping, medical, or other services, reduce your rent paid in 2021 by the value of these items. If you shared living quarters with one or more persons (other than your spouse or dependents), fill in only the portion of the total rent that you paid in 2021. For example, if you and two other persons rented an apartment and paid a total rent of \$6,000 in 2021, and you each paid \$2,000 of the rent, each could claim a credit based on \$2,000 of rent.

Step 2 Use the Renter’s School Property Tax Credit Table on the next page to figure your credit. If heat was included in your rent, use column 1 of the table. If heat was not included, use column 2. Fill in your credit on line 40a.

Exception If you paid both rent where heat was included and rent where heat was not included, complete the worksheet below.

Renter’s Worksheet	
<i>(Complete only if Exception described above applies)</i>	
1. Credit for rent with heat included (from Column 1 of Table on the next page)	1. _____
2. Credit for rent with heat not included (from Column 2 of Table on the next page)	2. _____
3. Add lines 1 and 2. Fill in on line 40a of Form 1NPR*	3. _____
* Do not fill in more than \$300 (\$150 if married filing a separate return or married filing as head of household).

Line 40b How Do I Figure the Homeowner’s School Property Tax Credit

Step 1 Property taxes paid on home in 2021 Fill in the amount of property taxes you *paid* in 2021 on your home. Your home doesn’t have to be located in Wisconsin. Do **not** include:

- Charges for special assessments, delinquent interest, or services that may be included on your tax bill (such as trash removal, recycling fee, or a water bill)
- Property taxes that you can claim as a business expense (for example, farm taxes or rental property taxes)
- Property taxes paid on property that is not your primary residence (such as a cottage or vacant land)
- Property taxes that you paid in any year other than 2021

Property taxes are further limited as follows:

- If you bought or sold your home during 2021, the property taxes of the seller and buyer are the taxes set forth for each in the closing agreement made at the sale or purchase. If the closing agreement does not divide the taxes between the seller and buyer, divide them on the basis of the number of months each owned the home.

Line 40b – How Do I Figure the Homeowner’s School Property Tax Credit – continued

- b. If you owned a mobile home during 2021, property taxes include the municipal permit fees paid to your municipality and/or the personal property taxes paid on your mobile home. (Payments for space rental for parking a mobile home or manufactured home should be filled in as rent on line 40a.)
- c. If you, or you and your spouse, owned a home jointly with one or more other persons, you may only use that portion of the property taxes which reflects your percentage of ownership. For example, if you and another person (not your spouse) jointly owned a home on which taxes of \$1,500 were paid, each of you can claim a credit based on \$750 of taxes.

Step 2 Use the Homeowner’s School Property Tax Credit Table below to figure your credit. Fill in the amount of your credit on line 40b.

Caution If you are also claiming the renter’s credit on line 40a, the total of your renter’s and homeowner’s credits can’t be more than \$300 (\$150 if married filing a separate return or married filing as head of household).

Line 46 Working Families Tax Credit

Nonresidents and part-year residents – don’t fill in any amount. Only full-year residents are eligible for the working families tax credit.

Note: If you are married filing a joint return and one spouse is a full-year Wisconsin resident, the resident spouse may be able to claim the working families tax credit.

Full-year residents – If you are married filing a joint return, read the instructions which follow.

Note: You may not claim the working families tax credit if you may be claimed as a dependent on another person’s (for example, your parent’s) income tax return.

- If the amount on line 30 of Form 1NPR is \$18,000 or less, your credit is equal to the amount on line 45 of Form 1NPR. Fill in the amount of your credit on line 46 of Form 1NPR.
- If the amount on line 30 of Form 1NPR is more than \$18,000 but less than \$19,000, use the worksheet on the next page to compute your credit.
- If the amount on line 30 of Form 1NPR is \$19,000 or more, leave line 46 blank. You do not qualify for the credit.

Working Families Tax Credit Worksheet

Do **not** complete this worksheet if:

- You were a nonresident or part-year resident of Wisconsin for 2021
- Line 30 of Form 1NPR is \$18,000 or less
- Line 30 of Form 1NPR is \$19,000 or more
- You may be claimed as a dependent on another person's return.

6. Subtract line 5 from line 4	6.	_____
7. Divide line 6 by one thousand (1,000). Fill in decimal amount	7.	_____ . _____
8. Multiply line 3 by line 7. This is your working families tax credit. Fill in this amount on line 46 of Form 1NPR	8.	_____

Line 47 Married Couple Credit

You may claim the married couple credit if all of the following apply:

- You are married filing a joint return
- Both you and your spouse have qualified earned income taxable by Wisconsin
- You do not file federal Form 2555 or Form 2555-EZ to claim an exclusion of foreign earned income, or Form 4563 to claim an exclusion of income from sources in United States possessions

To figure the credit, fill in Schedule 2 on page 4 of Form 1NPR. Figure qualified earned income separately for yourself and your spouse on lines 1 through 5 in columns (A) and (B) of Schedule 2.

“Earned income” includes taxable wages, salaries, tips, other employee compensation, scholarships and fellowships (only amounts reported on a Form W-2), disability income treated as wages, and net earnings from self-employment reported to Wisconsin. Earned income doesn’t include deferred compensation (even though it may be reported on a Form W-2), interest, dividends, unemployment compensation, rental income, social security, pensions, annuities, or income that is not taxable to Wisconsin. Don’t consider the Wisconsin marital property law, marital property agreements, or unilateral statements in figuring each spouse’s earned income.

Example You are a member of the National Guard and were called to active duty. You claimed a subtraction on line 1 of Form 1NPR for the amount of military pay you received for the time during which you were on active duty. Because this military pay is not taxable to Wisconsin, it cannot be used when computing the married couple credit.

Line 49 Credit for Net Income Tax Paid to Another State

If, while a Wisconsin resident, you paid a net income tax both to Wisconsin and another state on the same income, you may be able to claim a credit for such tax. Read the Schedule OS instructions to determine if you may claim the credit. If you qualify for the credit, complete Schedule OS. Fill in the amount of your credit from Schedule OS on line 49. Be sure to enter in the space on line 49 the 2-letter postal abbreviation for the other state to which you paid tax. If you paid tax to more than one other state, fill in the number "99" in the space. See the Schedule OS instructions for other situations where additional code numbers may be required. Enclose Schedule OS and copies of the other state's return.

Caution Credit cannot be claimed for taxes paid to **Illinois, Indiana, Kentucky, or Michigan** on income from services (such as wages, salaries, tips, commissions, bonuses, etc.) you received from working in one of those states. Instead, file a return with that state to get a refund of any tax withheld from your wages. Be sure to explain on that state's return that you were a Wisconsin resident when earning the wages in that state. See [Publication 121](#), *Reciprocity*, for more information.

Line 52 Sales and Use Tax Due on Internet, Mail Order, or Other Out-of-State Purchases

If you made any taxable purchases from out-of-state firms during 2021 on which sales and use tax was not charged, you must report Wisconsin sales and use tax on these purchases on line 52 if they were stored, used, or consumed in Wisconsin. You must also report sales and use tax on taxable purchases from a retailer located in another country regardless of whether you were charged any tax for that country or any duty by the U.S. Customs Service if the items were stored, used, or consumed in Wisconsin. Taxable purchases include furniture, carpet, clothing, computers, books, CDs, DVDs, cassettes, video tapes, certain digital goods (e.g., greeting cards, video games, music, and books, transferred electronically), artwork, jewelry, coins purchased for more than face value, etc.

Example You purchased \$300 of clothing through a catalog or over the internet. No sales and use tax was charged. The clothing was delivered in a county with a 5% tax rate. You are liable for \$15 Wisconsin tax ($\$300 \times 5\% = \15) on this purchase.

Note If you do not include an amount on line 52, place a checkmark in the space provided to certify that you do not owe any sales or use tax. Only returns certified as "no use tax due" will be recognized as filing a sales/use tax return.

Complete the worksheet below to determine whether you are liable for Wisconsin sales and use tax. Fill in the amount from line 3 of the worksheet on line 52 of Form 1NPR.

- Tax on excess contributions from line 2 of federal Form 5330.
- Tax on prohibited transactions from lines 3a and 3b of federal Form 5330.

- **Penalty for selling business assets (or assets used in farming) purchased from a related person** Capital gain on the sale or disposition of business assets or on assets used in farming may be excluded from Wisconsin taxation if the assets were held more than one year and the assets are disposed of to certain related persons. The related person who purchases or otherwise receives the assets on which the gain is excluded is subject to a penalty if they sell or otherwise dispose of the assets within two years. The penalty does not apply in the case of an involuntary conversion (for example, assets are destroyed by fire or livestock dies). Visit any department office or contact our Customer Service Bureau at (608) 266-2486 for information on how to compute the penalty.
- **Penalty for underpayment of taxes due to inconsistent estate basis reporting** An inconsistent estate basis reporting occurs if the property basis claimed on a Wisconsin tax return exceeds the property basis determined for federal estate tax purposes. The penalty is equal to 20% of the portion of any underpayment of taxes due to the inconsistent estate basis reporting.

→ Wisconsin tax withheld is shown in Box 17 of Form W-2 or Box 14 of Form 1099-R, but only if Wisconsin is the state identified in Box 15 of Form W-2 or Box 15 of Form 1099-R.

CAUTION Nonresident entertainers who are claiming credit for cash deposit or withholding from an employer, as shown on Wisconsin Form WT-11, should claim such amounts as withholding on line 57. Do **not** claim such amounts as estimated tax paid on line 58. Submit a copy of Form WT-11 with your Wisconsin income tax return.

DO NOT:

- Claim credit for tax withheld for other states
- Claim amounts marked social security or Medicare tax withheld
- Claim credit for federal tax withheld
- Include withholding statements from other tax years
- Write on, change, or attempt to correct the amounts on your withholding statements
- Claim Wisconsin withholding from a tax-option (S) corporation or partnership, if it elected to be taxed at the entity level and claimed a refund of the pass-through withholding or a written request was submitted to apply the withholding against the tax liability at the entity level

It is your responsibility to ensure that your employer or other payer has provided withholding statements that:

1. Are clear and easy to read
2. Show withholding was paid to Wisconsin

If you do not have a withholding statement or need a corrected withholding statement, contact your employer or other payer.

Line 58 2021 Wisconsin Estimated Tax Paid and Amount Applied From 2020 Return

Fill in any payments you made on your 2021 estimated Wisconsin income tax (2021 Form 1-ES). This includes any extension payments made on 2021 Form 1-ES. Include any overpayment from your 2020 return that you were allowed as credit to your 2021 Wisconsin estimated tax.

Note

Check your estimated tax payments Before filling in line 58, check the amount of your estimated tax payments on the department's website at <https://www.revenue.wi.gov/Pages/apps/taxpaymentinquiry.aspx>. Processing of your return will be delayed if there is a difference between the amount of estimated tax payments you claim and the amount the department has on record.

If you are married filing a joint return, fill in the total of:

- Any separate estimated tax payments made by each spouse
- Any joint estimated tax payments
- Any overpayments from your 2020 returns that you and your spouse were allowed as credit to 2021 Wisconsin estimated tax

Line 58 – 2021 Wisconsin Estimated Tax Paid and Amount Applied From 2020 Return – continued

If you are filing a separate tax return, you may not claim any part of your spouse's separate estimated tax payments or credits. You and your spouse may split your joint estimated tax payments and credits between you as you choose. If you cannot agree on how joint estimated tax payments are to be split between you, the department will split them between you according to your respective income tax liabilities.

Follow these instructions even if your spouse died during 2021.

Name change If you changed your name because of marriage or divorce, and you made estimated tax payments using your former name, paper clip a statement to the front of Form 1NPR. On the statement, explain all the payments you and your spouse made for 2021 and the name(s) and social security number(s) under which you made them.

Note

If you had withholding allocated to you from a pass-through entity, do NOT fill in such amount on line 58. Withholding from a pass-through entity should be included on line 57.

CAUTION Nonresident entertainers should claim credit for cash deposits or withholding by an employer, as shown on Wisconsin Form WT-11, as withholding on line 57. Do **not** claim such amounts on line 58.

Line 59 Earned Income Credit

New

You must use your 2021 federal earned income when computing the Wisconsin earned income credit. See the instructions for Step 2 below.

Nonresidents and part-year residents – don't fill in any amount. Only full-year Wisconsin residents are eligible for the Wisconsin earned income credit.

→ If you are filing a joint return and one spouse is a full-year Wisconsin resident, you may claim the Wisconsin earned income credit if you claimed the federal earned income credit and you had a qualifying child. See instructions for Step 2 below.

Note

If you recklessly or fraudulently claim a false credit, you may be ineligible to claim any refundable credit for up to 10 years and could also owe a penalty.

To claim the Wisconsin earned income credit, complete the following steps and fill in the required information in the spaces provided on line 59.

Step 1 Fill in the **number** of children who meet the requirements of a "qualifying child" for purposes of the federal earned income credit (see the instructions for the earned income credit in your federal return for definition of a "qualifying child").

Step 2 Caution Wisconsin has **not** adopted the following changes to the 2021 federal earned income tax credit made by Public Law 117-2. If any of these federal provisions apply, you must recompute your federal earned income tax credit for Wisconsin purposes. Enter the recomputed federal credit on line 59.

- If your earned income for 2021 is less than your earned income for 2019, you may elect to use your 2019 earned income to compute your 2021 federal earned income tax credit. For Wisconsin, you must use your 2021 earned income to compute your federal earned income tax credit.
- Raised the investment income limit to \$10,000. For Wisconsin, the investment income limit is \$3,650.
- Allows a married individual filing as married filing separate to claim the earned income tax credit if either of the following apply:
 - The individual lived apart from their spouse for the last 6 months of 2021.
 - The individual has a decree of divorce or separate maintenance, a written separation agreement, or a decree requiring a spouse to make payments for the support or maintenance of the other spouse and does not live with the other spouse at the end of 2021.

For Wisconsin, a married individual filing as married filing separate cannot claim the earned income tax credit if either of these situations apply.

Line 59 – Earned Income Credit – continued

Step 3 Fill in the percentage rate which applies to you.

Number of qualifying children (see Step 1 on the previous page)	Fill in this percentage rate
1	4%
2	11%
3 or more	34%

Step 4 Multiply the amount of your federal credit (Step 2) by the percentage determined in Step 3. Fill in the result on line 59. This is your Wisconsin earned income credit.

Enclosures with your return You must enclose a copy of your completed federal Schedule EIC with Form 1NPR. If you used a paid preparer to complete your federal return, also enclose federal Form 8867. Failure to provide this information may delay your refund.

Note: If the IRS is computing your federal earned income credit and you want the department to compute your Wisconsin earned income credit for you, fill in the number of your qualifying children in the space provided on line 59. Write “EIC” in the space to the right of line 59 below the yellow shaded box. Complete your return through line 64 of Form 1NPR. Enclose a copy of your federal return (Form 1040 or 1040-SR) with your Form 1NPR.

Line 60 Farmland Preservation Credit

Nonresidents and part-year residents – don’t fill in any amount. Only full-year Wisconsin residents are eligible for farmland preservation credit.

Note: If you are filing a joint return and one spouse is a full-year Wisconsin resident, the resident spouse may be able to claim farmland preservation credit. Fill in the amount from line 17 of your Schedule FC on line 60a. Fill in the amount from line 13 of Schedule FC-A on line 60b. If you are claiming farmland preservation credit, enclose your completed Schedule FC or FC-A with your Form 1NPR.

Note If you recklessly or fraudulently claim a false credit, you may be ineligible to claim any refundable credit for up to 10 years and could also owe a penalty.

Line 61 Repayment Credit

If you repaid during 2021, an amount that you included in income in an earlier year because at that time you thought you had an unrestricted right to it, you may be able to claim a credit based on the amount repaid. To qualify for the credit, the amount repaid must be over \$3,000 and cannot have been subtracted in computing Wisconsin adjusted gross income or used in computing the Wisconsin itemized deduction credit.

Use the following steps to compute your credit:

- (1) Refigure your tax from the earlier year without including in income the amount you repaid in 2021.
- (2) Subtract the tax in (1) from the tax shown on your return for the earlier year. The difference is the amount of your credit.

Fill in the amount of your credit on line 61 of Form 1NPR. Enclose a statement showing how you computed your credit.

Line 62 Homestead Credit

Nonresidents and part-year residents – don’t fill in any amount. Only full-year Wisconsin residents are eligible for homestead credit.

Note: If you are filing a joint return and one spouse is a full-year Wisconsin resident, the resident spouse may be able to claim homestead credit. Fill in the amount from line 19 of Schedule H on line 62. Enclose your completed Schedule H with Form 1NPR.

Note If you recklessly or fraudulently claim a false credit, you may be ineligible to claim any refundable credit for up to 10 years and could also owe a penalty.

Line 63 Eligible Veterans and Surviving Spouses Property Tax Credit

Nonresidents – don’t fill in any amount. Only full-year and part-year residents of Wisconsin are eligible for the credit. *Part-year and full-year residents* – read the instructions on the next page.

Line 63 – Eligible Veterans and Surviving Spouses Property Tax Credit – continued

Who may claim the credit An eligible unmarried surviving spouse or an eligible veteran may claim the veterans and surviving spouses property tax credit. (**Note:** If you claim the veterans and surviving spouses property tax credit, you or your spouse may **not** claim the school property tax credit, homestead credit, or farmland preservation credit.)

Note If you recklessly or fraudulently claim a false credit, you may be ineligible to claim any refundable credit for up to 10 years and could also owe a penalty.

An “eligible unmarried surviving spouse” means an unmarried surviving spouse, as certified by the Wisconsin Department of Veterans Affairs (WDVA), of an individual who meets all of the following conditions:

Computing the credit The credit is equal to the property taxes paid by the claimant during the year on the claimant’s principal dwelling in Wisconsin. The credit is based on real and personal property taxes, exclusive of special assessments, delinquent interest, and charges for service. Do not include any property taxes that are properly includable as a trade or business expense. “Principal dwelling” means any dwelling and the land surrounding it that is reasonably necessary for use of the dwelling as a primary dwelling, but not more than one acre. It may include a part of a multi-dwelling or multipurpose building and a part of the land upon which it is built that is used as the primary dwelling.

Complete Worksheet 1 if your principal dwelling is located on more than one acre of land.

If the principal dwelling on which the taxes were paid is owned by two or more persons or entities as joint tenants or tenants in common, use only that part of property taxes paid that reflects the ownership percentage of the claimant. (See **Exceptions** below.)

Exceptions

- *Married filing a joint return* If property is owned by an eligible veteran and spouse as joint tenants, tenants in common, or as marital property, the credit is based on 100% of property taxes paid on the principal dwelling (subject to the 1-acre limitation).
- *Married filing a separate return* If property is owned by an eligible veteran and spouse as joint tenants, tenants in common, or as marital property, each spouse may claim the credit based on their respective ownership interest in the eligible veteran’s principal dwelling (subject to the one acre limitation).

If the principal dwelling is sold during the taxable year, the property taxes for the seller and buyer shall be the amount of the tax prorated to each in the closing agreement pertaining to the sale. If not provided for in the closing agreement, the tax shall be prorated between the seller and buyer in proportion to months of ownership.

If you owned and lived in a mobile home as your principal dwelling, “property taxes” include monthly mobile home municipal permit fees you paid to the municipality. If you paid the fee directly to the landowner, or community licensee, include proof of payment by the landowner or community licensee to the municipality.

If you did not own your principal dwelling but were required to pay the property taxes as rent, you may claim the credit based on the property taxes paid during the year if all of the following are met:

- The rental unit must be the principal dwelling of the eligible veteran or surviving spouse
- The principal dwelling must be located in Wisconsin
- The eligible veteran or surviving spouse is required to pay the property taxes under the rental agreement or other written agreement entered into with the landlord
- The eligible veteran or surviving spouse must pay the property taxes directly to the municipality

Line 63 – Eligible Veterans and Surviving Spouses Property Tax Credit – continued

A copy of the agreement with the landlord and proof of payment to the municipality must be included with the Wisconsin income tax return.

The credit must be claimed within 4 years of the unextended due date of the return.

Certification of eligibility for the credit If you did not claim the credit in a prior year, before claiming the credit for 2021, you must request certification from the WDVA indicating that you qualify for the credit. Use Form WDVA 2097 (which you can find in WDVA Brochure B0106) to submit your request, along with a copy of the veteran's DD Form 214 and Veterans Administration disability award letter and, if applicable, the veteran's death certificate, a marriage certificate, and a completed copy of Form WDVA 0001 (if the veteran never previously submitted one). The WDVA 0001 and the brochure are available from your county veterans service officer or on the internet at dva.wi.gov/Pages/home.aspx. You may submit these forms and supporting documents to your county veterans service officer or mail them to: Wisconsin Department of Veterans Affairs, Attn: Wisconsin Veterans Property Tax Credit, 201 W. Washington Ave., PO Box 7843, Madison WI 53707-7843. The WDVA will send you a certification of your eligibility.

Note: You do not have to obtain certification from the WDVA for 2021 if you previously received certification for a prior year. If you still qualify for the credit, you may claim the credit but do not have to enclose a certification with your return.

Enclosures Enclose a copy of your property tax bill, proof of payment made in 2021, and the certification (if required) received from the WDVA with your return.

Line 64 Refundable Credits from Schedule CR

See page 11 for information on obtaining Schedule CR.

- **Schedule EC – Enterprise Zone Jobs Credit** The enterprise zone jobs credit is available to persons doing business in an enterprise zone. The WEDC must certify the business as eligible for the credit and determine the amount of credit. See Schedule EC.

Note

No interest is paid on refunds issued for the enterprise zone jobs credit, jobs tax credit, business development credit, or electronics and information technology manufacturing zone credit.

Line 65 Amount Previously Paid

Amended return only – Complete this line only if this is an amended 2021 Form 1NPR. Fill in the amount of tax you paid with your original Form 1NPR plus any additional amounts paid after it was filed.

If you did not pay the full amount shown on your original Form 1NPR, fill in only the portion that you actually paid. Also, include any additional tax that may have resulted if your original return was changed or audited. This includes additional tax paid with a previously filed 2021 amended return and additional tax paid as a result of a department adjustment to your return. Do not include payments of interest or penalties.

Line 67 Amount Previously Refunded

Amended return only – Complete this line only if this is an amended 2021 Form 1NPR. Fill in the refund from your original 2021 return (not including the amount applied to your 2021 estimated tax). This is generally the amount from line 70 of Form 1NPR.

If your refund was reduced because you owed underpayment interest or any penalties, fill in the amount of your refund before the reduction for underpayment interest or penalty. If your 2021 return was adjusted by the department, fill in the refund shown on the adjustment notice you received. If the adjustment notice shows a tax due rather than a refund, complete line 65 instead of line 67.

Line 69 Amount You Overpaid

If line 68 is more than line 56, subtract line 56 from line 68 and fill in the difference on line 69. This is the amount you overpaid.

Amended return only – If the amount on line 69 (amount you overpaid) is less than the amount applied to your estimated tax on line 71, do not complete line 69. Instead, subtract line 69 from line 71 and fill in the result on line 72a. This is the amount you owe.

Note: If you were required to make estimated tax payments and you did not make such payments timely, you may owe what is called “underpayment interest.” You may owe underpayment interest even if you are due a refund. Read the line 73 instructions to see if you owe underpayment interest. If you owe underpayment interest and you show an overpayment on line 69, reduce the amount on line 69 by the amount of underpayment interest on line 73.

Line 70 Refund

Fill in on line 70 the amount from line 69 that you want refunded to you. The department may not issue a refund before March 1 unless both the individual and the individual’s employer have filed all required returns and forms with the department for the taxable year for which the refund was claimed.

Note: If you are divorced, see item 7 on page 7. You may be required to enclose a copy of your judgment of divorce with your return.

Amended return only – We will figure interest and include it in your refund check. Interest is at a rate of 3% per year from the due date of your 2021 return. However, interest is not allowed on (1) a refund issued within 90 days of the due date of the return or within 90 days of the date the return was filed, whichever is later, (2) a refund due to an increase in homestead credit, enterprise zone jobs credit, jobs tax credit, business development credit, and electronics and information technology manufacturing zone credit, or (3) any portion of the refund that is applied to 2022 estimated tax.

Line 71 Amount Applied to 2022 Estimated Tax

Fill in on line 71 the amount, if any, of the overpayment on line 69 you want applied to your 2022 estimated tax.

If you are married filing a joint return, we will apply the amount on line 71 to your joint estimated tax. If you are married filing a separate return, we will apply the amount on line 71 to your separate estimated tax.

Amended return only – If this is an amended return, the amount to fill in on line 71 will generally be the amount to be applied to your 2022 estimated tax from line 71 of your original Form 1NPR. However, if you file your amended return by January 17, 2023, you may increase or reduce this amount.

Line 72 Amount You Owe

If the amount on line 56 is more than the amount on line 68, subtract line 68 from line 56 and fill in the difference on line 72a. This is the amount you owe with your return.

Note Interest on any tax due is 12% per year from the due date of your 2021 return. If you owe any interest, figure the interest on the amount of tax you owe. Enter the amount of interest on line 72b. Do not include amount of interest in the total on line 72a.

Amended return only – If the amount on line 56 is more than the amount on line 68, subtract line 68 from line 56 and add the amount on line 71 (amount applied to estimated tax) to the result. This is the amount you owe. Fill in the amount you owe on line 72a. Interest on the additional tax due is 12% per year from the due date of your 2021 return. Figure the interest on the additional tax you owe. Enter the amount of interest on line 72b. Do not include this interest in the total on line 72a.

Line 72 – Amount You Owe – continued

Note

If the amount you owe with your return is \$500 or more or you made late estimated tax payments, you may also owe what is called “underpayment interest.” This is an interest charge that applies when you have not prepaid enough of your tax through withholding and/or estimated tax payments. Read the line 73 instructions to see if you owe underpayment interest. If you do, include the underpayment interest from line 73 in the amount you fill in on line 72a.

You can pay online or by check, money order, or credit card. **Do not** include any 2022 estimated tax payments in your check, money order, or amount you charge. Instead, make the estimated tax payments separately.

To pay online Go to the department’s website at: <https://tap.revenue.wi.gov/pay>.

To pay by check or money order Make your check or money order payable to the Wisconsin Department of Revenue. Paper clip it to the front of your Form 1NPR. If the name of the taxpayer does not match the printed name on the check, print the taxpayer’s name on the memo line of the check.

If you e-filed your return and are paying by check or money order, attach your payment to Form EPV. Mail Form EPV and your payment to the address shown on Form EPV.

To pay by credit card You may use your MasterCard®, American Express® Card, Visa® Card, or Discover® Card. To pay by credit card, call toll free or access by internet the service provider and follow the instructions of the provider. A convenience fee of 2.5% (with a minimum of \$1) will be charged by the service provider based on the amount you are paying. You will be told what the fee is during the transaction and you will have the option to either continue or cancel the transaction. **If you pay by credit card before filing your return**, enter on page 1 of Form 1NPR in the upper left corner the confirmation number you were given at the end of the transaction and the amount you charged (not including the convenience fee).

Installment payments If you cannot pay the full amount shown as due on your tax return when you file, you may ask to make installment payments to the Department of Revenue. It is generally to your advantage to pay your liability in full rather than in installments. Installment agreements with the department are subject to a \$20 installment agreement fee. In addition, bills not paid in full by the due date become liable for additional interest of 18% per year and a delinquent tax collection fee of the greater of \$35 or 6 1/2 percent of the unpaid amount.

For more information concerning payments, go to www.revenue.wi.gov/Pages/FAQS/ise-payment.aspx. To obtain the Payment Plan Request (Form A-771) go to www.revenue.wi.gov/DORForms/a-771.pdf. To file an installment agreement request electronically, go to www.revenue.wi.gov/Pages/HTML/payplan.aspx.

Note: Failure to pay your Wisconsin individual income tax may result in certification of your unpaid liability to the Treasury Offset Program. Federal law authorizes the U.S. Department of Treasury to reduce, or offset, any federal income tax refunds payable to you by the IRS to satisfy unpaid state income tax debts. Any unpaid liability will remain eligible for this offset until it is paid.

Line 73 Underpayment Interest

You may owe underpayment interest if the amount of Wisconsin income tax withheld from your wages was less than your tax liability, or if you had income that was not subject to withholding and you did not make timely estimated tax payments. In general, in each quarter of the year you should be paying enough tax through withholding payments and estimated tax payments to cover the taxes you expect to owe for the tax year. For more information on making estimated tax payments, see **Estimated Tax Payments Required for Next Year** on page 9.

Underpayment interest applies if either of the following occurs:

- Line 72a is at least \$500 and it is more than 10% of the tax shown on your return.
- You did not pay enough estimated tax by any of the due dates. This is true even if you are due a refund.

The “tax shown on your return” is the amount on line 51 minus the amounts on lines 59 through 64.

Exceptions You will not owe underpayment interest if your 2020 tax return was for a tax year of 12 full months (or would have been had you been required to file) AND either of the following applies:

1. **You were a Wisconsin resident for all of 2020**, and you had no tax liability for 2020.
2. The amounts on lines 57 and 58 on your 2021 return are at least as much as the tax shown on your 2020 return. This exception does not apply if you did not file a 2020 Wisconsin return. Your estimated tax payments for 2021 must have been made on time and for the required amount.

Line 73 – Underpayment Interest – continued

The “tax shown on your 2020 return” is the amount on line 53 minus the amounts on lines 61 through 66.

Note Fill in the exception code in the brackets to the left of line 73 if you are enclosing an application for a waiver, qualify for an exception, or are using the annualized income installment method (Part IV of Schedule U) to compute underpayment interest. See [Schedule U, Underpayment of Estimated Tax by Individuals and Fiduciaries](#), and its instructions for further information on the exception codes.

Example Farmers and fishers are not subject to underpayment interest if two-thirds of their total gross income (gross income of both spouses if married filing a joint return) is from farming or fishing and they file their return and pay any tax due by March 1, 2022. Qualified farmers and fishers must fill in exception code “04” in the brackets to the left of line 73. Failure to fill in the exception code may result in an assessment for underpayment interest.

Figuring underpayment interest

If the **Exceptions** above do not apply, see Schedule U to find out if you owe underpayment interest. If you do, you can use the schedule to figure the amount. In certain situations, you may be able to lower your underpayment interest. For details, see the instructions for Schedule U. Fill in the underpayment interest from Schedule U on line 73. Add the amount of the underpayment interest to any tax due and fill in the total on line 72a. If you are due a refund, subtract the underpayment interest from the overpayment you show on line 69. Enclose Schedule U with your Form 1NPR.

Amended return only – If you were subject to underpayment interest on your original return and you are now changing the amount of such interest, enclose a corrected Schedule U with Form 1NPR. Fill in the appropriate exception code in the brackets on line 73 only if you are enclosing an application for a waiver, qualify for an exception, or are using the annualized income installment method (Part IV of Schedule U) to compute underpayment interest. See Schedule U instructions for the exception codes. Figure the difference between the amount of underpayment interest as reported on your original return (or as assessed by the department) and the amount of underpayment interest shown on your corrected Schedule U. Fill in the difference on line 73. If the amount of underpayment interest is reduced, put a minus sign (–) in front of the amount on line 73.

If line 69 of Form 1NPR shows an overpayment and you are reducing the amount of underpayment interest, add the amount on line 73 to the amount on line 69 of Form 1NPR. Adjust lines 70 and 71 accordingly.

If line 72a of Form 1NPR shows an amount due and you are increasing the amount of underpayment interest, add the amount on line 73 to the amount on line 72a of Form 1NPR.

■ **Third party designee** If you want to allow a tax preparer or tax preparation firm, family member, friend, or any other person you choose to discuss your 2021 tax return with the Department of Revenue, check “Yes” in the “Third Party Designee” area of your return. Also, enter the designee’s name, phone number, and any five digits the designee chooses as a personal identification number (PIN).

If you check “Yes,” you, and your spouse if filing a joint return, are authorizing the department to discuss with the designee any questions that may arise during the processing of your return. You are also authorizing the designee to:

- Give the department any information that is missing from your return
- Call the department for information about the processing of your return or the status of your refund or payment(s)
- Respond to certain department notices about math errors, offsets, and return preparation

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the department. If you want to expand the designee’s authorization, you must submit [Form A-222, Power of Attorney](#).

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2022 tax return. This is April 18, 2023, for most people.

■ **Sign and date your return** Sign and date your return in the space provided on page 4. Form 1NPR is not considered a valid return unless you sign it. Your spouse must also sign if it is a joint return. Keep a copy of your return for your records.

■ **Wisconsin Identity Protection PIN** If you received a Wisconsin Identity Protection PIN from the Department of Revenue, enter it in the Wisconsin Identity Protection PIN spaces provided to the right of your signature. You must correctly enter all seven characters of your Wisconsin Identity Protection PIN. If you didn’t receive a Wisconsin Identity Protection PIN, leave these spaces blank. **Caution:** This Wisconsin Identity Protection PIN is different from any Identity Protection PIN you may have received from the IRS.

If you and your spouse are filing a claim together and both the claimant and the claimant’s spouse receive a Wisconsin Identity Protection PIN, enter both Wisconsin Identity Protection PINs in the spaces provided. For more information, see our Wisconsin Identity Protection PIN common questions at revenue.wi.gov/Pages/FAQS/IP-PIN.aspx.

2021 TAX TABLE FOR FORM 1NPR FILERS

Use this Tax Table if your income is less than \$100,000. If \$100,000 or more, use the Tax Computation Worksheet on page 58.

Example Mr. and Mrs. Smith are filing a joint return. Their income on line 37 of Form 1NPR is \$28,653. First they find the \$28,000 heading in the table. Then they find the \$28,600 – 28,700 income line. Next, they find the column for married filing jointly and read down the column. The amount shown where the income line and the filing status column meet is \$1,153. This is the tax amount they must write on line 38 of their return.

Appearing below is an alphabetical listing of Wisconsin school districts. *Full-year and part-year residents* – refer to this listing and find the number of the district in which you lived on December 31, 2021. If you moved out of Wisconsin during 2021, fill in the number of the school district in which you lived before moving. Fill in this number in the name and address area of your return. Failure to include your school district number may delay the processing of your return and any refund due. *Nonresidents* – don't fill in this line.

The listing is divided into two sections. **SECTION I** lists all districts which operate high schools. **SECTION II** lists those districts which operate schools having only elementary grades.

Your school district will generally be the name of the municipality where the public high school is located which any children at your home would be entitled to attend. However, if such high school is a "union high school," refer to **SECTION II** and find the number of your elementary district.

The listing has the names of the school districts only to help you find your district number. Don't write in the name of your school district or the name of any specific school. Fill in only your school district's number on the school district line in the name and address area of your return. For example:

1. If you lived in the city of Milwaukee, you will fill in the number 3619 on the school district line.
2. If you lived in the city of Hartford, you would refer to **SECTION II** and find the number 2443, which is the number for Jt. No. 1 Hartford elementary district.

The following are other factors to consider in determining your school district number:

1. If you lived in one school district but worked in another, fill in the district number where you lived.
2. If you were temporarily living away from your permanent home, fill in the district number of your permanent home.

Note If you can't identify your school district, contact your municipal clerk or local school for help.
