## Which Form to File

You must file Form 1 if you were a full-year resident of Wisconsin. You must file Form 1NPR if you:

- Were domiciled\* in another state or country at any time during the year, **OR**
- Are married filing a joint return and your spouse was domiciled\* in another state or country at any time during the year.

\*Your domicile is your true, fixed, and permanent home to which, whenever absent, you intend to return. You can be physically present or residing in one locality but maintain your domicile in another.

Your domicile, once established, does not change unless all three of the following circumstances occur or exist:

- (1) You intend to abandon your old domicile and take actions consistent with that intent
- (2) You intend to acquire a new domicile and take actions consistent with that intent
- (3) You are physically present in the new domicile

**Service members and their spouses** State tax residence for service members and their spouses is controlled in part by [50 U.S.C. 4001](#). See [Publication 128, Wisconsin Tax Information for Military Personnel and Veterans](#), for more information. If you are married and filing jointly, both spouses must be a full-year resident of Wisconsin or elect to claim Wisconsin as their state of residence to file on Form 1.

## Who Must File

Refer to the table to see if you are required to file a return for 2025.

| Filing status                  | Age as of December 31, 2025 | You must file if your gross income* (or total gross income of a married couple) during 2025 was: |
|--------------------------------|-----------------------------|--|
| Single                         | Under 65                    | \$14,260 or more   |
|                                | 65 or older                 | \$14,510 or more   |
| Married-filing joint return    | Both spouses under 65       | \$26,510 or more   |
|                                | One spouse 65 or older      | \$26,760 or more   |
|                                | Both spouses 65 or older    | \$27,010 or more   |
| Married-filing separate return | Under 65                    | \$12,630 or more   |
|                                | 65 or older                 | \$12,880 or more (applies to each spouse individually)   |
| Head of household              | Under 65                    | \$18,220 or more   |
|                                | 65 or older                 | \$18,470 or more   |

\* Gross income means all income (before deducting expenses) reportable to Wisconsin. The income may be received in the form of money, property, or services. It does not include items that are exempt from Wisconsin tax. For example, it does not include social security benefits or U.S. government interest.

## Age

**Note** If your birthday falls on January 1, 2026, you are considered to be a year older as of December 31, 2025. **Example:** If you were born on January 1, 1961, you are considered to be age 65 as of December 31, 2025.

## Other Filing Requirements

You may have to file a return even if your income is less than the amounts shown on the table. You must file a return for 2025 if:

- You could be claimed as a dependent on someone else's return and either of the following applies:
  - (1) Your gross income was more than \$1,350 and it included at least \$451 of unearned income, or
  - (2) Your gross income (total unearned income and earned income) was more than –
    - \$13,560 if single,
    - \$17,520 if head of household,
    - \$25,110 if married filing jointly, or
    - \$11,930 if married filing separately.

Unearned income includes taxable interest, dividends, capital gain distributions, and taxable scholarship and fellowship grants that were not reported to you on a Form W-2. Earned income includes wages, tips, self-employment income, and scholarship and fellowship grants that were reported to you on a Form W-2.

- You owe a penalty on an IRA, retirement plan, Coverdell education savings account (excess contribution), ABLE account, health savings account, or Archer medical savings account.
- You were a nonresident or part-year resident of Wisconsin for 2025 and your gross income was \$2,000 or more. If you were married, you must file a return on Form 1NPR if the combined gross income of you and your spouse was \$2,000 or more. A return does not have to be filed by a nonresident of Wisconsin if all income is exempt from tax as disaster relief work performed during a state of emergency declared by the Governor. For further information, see [Publication 411, Disaster Relief](#).

### Who Should File

Even if you do not have to file, you should file to get a refund if:

- You had Wisconsin income tax withheld from your wages
- You paid estimated taxes for 2025
- You claim the earned income credit or the veterans and surviving spouses property tax credit

### How To Get An Extension Of Time To File

Your return is due April 15, 2026.

If you cannot file on time, you can get an extension. You can use any federal extension provision for Wisconsin, even if you are filing your federal return by April 15.

**How to get an extension** You do *not* need to submit a request for an extension to us prior to the time you file your Wisconsin return. When you file your Form 1 include either of the following:

- A copy of your federal extension application (for example, Form 4868)
- A statement indicating which federal extension provision you want to apply for Wisconsin (for example, the federal automatic 6-month extension provision)

**Note** You will owe interest on any tax that you have not paid by April 15, 2026. This applies even though you may have an extension of time to file. If you do not file your return by April 15, 2026, or during an extension period, you may have to pay additional interest and penalties. If you expect to owe tax with your return, you can avoid the 1% per month interest charge during the extension period by paying the tax by April 15, 2026. Submit the payment with a 2025 Wisconsin Form 1-ES. You can get this form by using our [estimated income tax interactive voucher](#) on our website. Use Form 1-ES to make an extension payment even if you will be filing your return electronically – do not use Form PV. **Exception:** You will not be charged interest during an extension period if (1) you qualify for a federal extension because of service in a combat zone or contingency operation, or (2) you qualify for a federal extension due to a federally declared disaster. See **Special Conditions** below.

If you were a farmer or fisher and you did not make estimated tax payments, you must file your return and pay any tax due by March 2, 2026, to avoid paying interest for underpayment of estimated tax. Farmers and fishers are individuals who earn at least two-thirds of their gross income (gross income of both spouses if married filing a joint return) from farming or fishing.

**Special Conditions** A “Special Conditions” section is located to the right of the Filing Status section on page 1 of Form 1. If you qualify for an extension because of service in a combat zone or contingency operation, enter “02” in the box. If you qualify for a 2-month extension because you live outside or are on duty in military or naval service outside the United States and Puerto Rico on the due date of the return, enter “18” in the box. If you qualify for an extension because of a federally declared disaster, enter “03” in the box and indicate the specific disaster on the line provided.

### Filing Your Return

#### Preparing to file

Before filing your return, follow the steps below in the order listed:

1. **Gather your records** – Make sure that you have all of your income expense records (for example, wage, interest, and dividend statements)
2. **Electronic filing (e-filing) vs. paper filing** – If you e-file, follow the instructions included in your software; otherwise, for paper filing, continue with step 3
3. **Complete federal return** – Complete your federal return and its supporting schedules; however, if you are not required to file a federal return, list the sources and amounts of your income and deductions on a separate sheet

#### Electronic filing (e-filing)

Electronic filing is the fastest way to get your federal and state income tax refunds. We can deposit your Wisconsin refund directly into a financial institution account.

You may pay by electronic funds transfer if you file electronically. File early and schedule payment as late as April 15. Go to [revenue.wi.gov/Pages/FAQs/pcs-e-faq.aspx](#) for more information.

There are several options to file your Wisconsin income tax return electronically:

- **WisTax** – WisTax is the department's free e-file application using My Tax Account. In order to use WisTax to file your individual income tax return, you must meet the requirements below. Go to our website at [revenue.wi.gov/Pages/WisTax/home.aspx](http://revenue.wi.gov/Pages/WisTax/home.aspx) for more information.
  - Full-year Wisconsin resident
  - Have a valid Wisconsin driver's license or identification card and filed a Wisconsin individual income tax return or homestead credit claim within the past five years
  - Only claiming limited additions to income on Schedule AD and/or subtractions from income on Schedule SB
  - Only claiming Wisconsin tax withheld from the following forms: W-2, 1099-R, 1099-MISC, 1099-NEC, and W-2G
  - Only claiming the following credits: school property tax credit, itemized deduction credit, additional child and dependent care credit, blind worker transportation services credit, married couple credit, earned income credit, and/or veterans and surviving spouses property tax credit
- **Note:** A homestead credit claim may be filed separately through WisTax. See Schedule H instructions for qualifications to claim the homestead credit through WisTax.
- **Tax professional** – Visit our website at [revenue.wi.gov/Pages/OnlineServices/city-home.aspx](http://revenue.wi.gov/Pages/OnlineServices/city-home.aspx) for information on finding a tax professional
- **Tax preparation software** – Purchase off-the-shelf tax preparation software to install on your computer (see [revenue.wi.gov/Pages/OnlineServices/offshelf.aspx](http://revenue.wi.gov/Pages/OnlineServices/offshelf.aspx)), or connect to one of the private vendor websites that offer electronic filing (see [revenue.wi.gov/Pages/OnlineServices/webased.aspx](http://revenue.wi.gov/Pages/OnlineServices/webased.aspx))

### **Paper filing**

Electronic filing (e-filing) is the fastest way to receive your refund. However, if you paper file, there are several things you can do to ensure you receive your refund faster.

Important information:

- Send original copies
- Use black ink
- Clearly write your name and address using capital letters (do not use mailing labels)
- Do not use commas and dollar signs as they can be misread when scanned
- Round amounts to whole dollars
- Do not add cents in front of the preprinted zeros on entry lines
- To indicate a negative number, use a negative sign (for example, -8300 not (8300))
- Print your numbers clearly: **0123456789** Do not use: **0147**
- If you make a mistake, erase or start over (do not cross out entries)
- Put entries on the lines and do not write in the margins or above or below the lines
- Lines where no entry is required should be left blank (do not enter zeros)
- Do not draw vertical lines in entry fields (they can be read as an "I" or "1" when scanned)
- Do not staple your return as stapling will delay the processing of your return and any refund

### **Filing your return**

When filing your return, complete the steps below in the order listed:

1. **Complete Wisconsin return** – Follow the line instructions as you fill in your return and sign your complete return (a joint return must be signed by both spouses)
2. **Check and assemble return** – Check your return for any errors or missing documents and see below for information on how to assemble your return
3. **Make a copy** – Make a copy of your return for your records
4. **Mail return** – Mail your return and all required documents (see page 6 for the address)

### **Assembling your return**

Begin by putting the five pages of Form 1 in numerical order. Then, attach, using a **paper clip**, the following in the *order listed*.  
**Note:** If filing Form 804, *Claim for Decedent's Wisconsin Income Tax Refund*, with the return, place Form 804 on top of Form 1.

**Note** Do not attach a Form W-RA if you are filing your return on paper. Form W-RA is used only when submitting information for an electronically filed return.

1. **Payment** – If you owe an amount with your return, **paper clip** your payment to the front of Form 1, unless you are paying by credit card or online.

2. **Wisconsin schedules** – Copies of appropriate Wisconsin schedules and supporting documents, such as Schedule H or H-EZ (homestead credit), Schedule FC or FC-A (farmland preservation credit), or Schedule CR. If you are reporting income and expenses of a disregarded entity, attach Schedule DE, *Disregarded Entity Schedule*.
3. **Amended return** – Include Schedule AR, *Explanation of Amended Return*, with your amended return and all supporting forms and schedules for items changed. Don't send a copy of your original return.
4. **Form W-2 or 1099** – The appropriate copy of each of your withholding statements (Forms W-2, W-2G, 1099-G, 1099-R, 1099-MISC, and 1099-NEC).
5. **Federal return** – A complete copy of your federal return (Form 1040 or 1040-SR) and its supporting schedules and forms (such as federal Form 8886, *Reportable Transaction Disclosure Statement*.)
6. **Extension form or statement** – A copy of your federal extension application form or required statement if you are filing under an extension of time to file.
7. **Divorce decree** –
  - *Persons divorced after June 20, 1996, who compute a refund* - If your divorce decree apportions any tax liability owed to the department to your former spouse, include a copy of the decree with your Form 1. Enter "04" in the Special Conditions box on page 1 of Form 1. This will prevent your refund from being applied against such tax liability.
  - *Persons divorced who file a joint return* – If your divorce decree apportions any refund to you or your former spouse, or between you and your former spouse, the department will issue the refund to the person(s) to whom the refund is awarded under the terms of the divorce. Include a copy of the portion of your divorce decree that relates to the tax refund with your Form 1. Enter "04" in the Special Conditions box on page 1 of Form 1.
8. **Injured spouse** – If you are filing federal Form 8379, *Injured Spouse Allocation*, include a copy with your Form 1. Enter "05" in the Special Conditions box on page 1 of Form 1.

**CAUTION** Be sure to file all five pages of Form 1. Send the original of your return. Do not send a photocopy.

### Where to File

Mail your return (an original return or amended return) to the Wisconsin Department of Revenue at:

| (if payment enclosed)                  | (if refund or no payment enclosed)    | (if homestead credit claimed)         |
|--|---------------------------------------|---------------------------------------|
| PO Box 268<br>Madison WI<br>53790-0001 | PO Box 59<br>Madison WI<br>53785-0001 | PO Box 34<br>Madison WI<br>53786-0001 |

Envelopes without enough postage will be returned to you by the post office. Your envelope may need additional postage if it contains more than five pages or is oversized (for example, it is over 1/4" thick). Also, include your complete return address.

**Private Delivery Services** You can use certain private delivery services approved by the Internal Revenue Service (IRS) to meet the timely filing rule. The approved private delivery services are listed in the instructions for your federal tax form. Items must be delivered to Wisconsin Department of Revenue, 2135 Rimrock Rd., Madison WI 53713. Private delivery services cannot deliver items to PO boxes. The private delivery service can tell you how to get written proof of the mailing date.

## Amending Your Return

File an amended return only after you file your original return. Generally, a claim for refund must be filed within 4 years after the unextended due date of your original return (for example, April 15, 2030, for 2025 calendar-year returns). However, a claim for refund to recover all or part of any tax paid as a result of an office or field audit may be filed within 4 years after the date assessed. This applies only if you paid the tax and did not file a petition for redetermination (written appeal).

If you filed an amended return with the IRS or another state, you generally must also file an amended Wisconsin return within 180 days. You must file an amended Wisconsin return if the changes affect your Wisconsin income, any credit, or tax payable. You should also file an amended Wisconsin return to claim a refund or pay any additional tax due even though you are not amending your federal or other state return.

If your original return was filed on Form 1, you would file an amended return using Form 1 and checking the amended return space at the top of page 1. **Exception:** If you incurred a net operating loss (NOL) on your 2025 Form 1 and elect to carry the NOL back to 2023 and/or 2024, you must file Form X-NOL, *Carryback of Wisconsin Net Operating Loss*, for the appropriate year to amend your return and claim a refund.

Be sure to include Schedule AR with your amended return to explain all changes and the reason for the change.

Check the space on Form 1 to indicate your filing status on the amended return. If you are changing from separate returns to a joint return, both of you must sign the amended return. If there is any tax due, it must be paid in full. You cannot change from joint to separate returns after the due date for filing your original return has passed.

If you are changing your filing status, the amount to fill in on line 1 of Form 1 as federal adjusted gross income must be based on the same filing status used for Wisconsin. For example, you and your spouse both originally filed Form 1 as married filing a separate return. You are amending to change your filing status to married filing a joint return. The amount to fill in on line 1 must be taken from a federal return based on a married filing joint status. If you did not file a joint federal return, you should prepare a pro forma federal return using a married filing joint return status. The federal adjusted gross income and other amounts from this pro forma return are then used to complete the amended return. Follow the Form 1 instructions to complete your amended return.

→ If you are changing an amount on any line of Form 1, fill in the corrected amount on that line. If you are not changing an amount on a line, fill in the amount from your 2025 return as originally filed or as you later amended it. If your latest filed return was changed or audited by the department, use the corrected figures from the adjustment notice.

## Credit Repayments

If you are required to repay a Wisconsin credit, you must amend your Wisconsin return for the year in which the disposal of the property occurred to report the amount of the repayment. Report the repayment on line 26. See below for examples of credits which you may have to repay.

- **State historic rehabilitation credit** You may have to repay all or part of the state historic rehabilitation credit if you disposed of the property within 5 years after the date on which the preservation or rehabilitation work was complete or the Wisconsin Historical Society determines that you have not complied with all of the requirements.

If sale, conveyance, or noncompliance of the property on which the historic rehabilitation credit is computed occurs during the 1st, 2nd, 3rd, 4th, or 5th year after the date on which the preservation or rehabilitation is completed, then 100%, 80%, 60%, 40%, or 20%, respectively, of the amount of the credits received for rehabilitating or preserving the property will be calculated and added back into the individual's tax liability, according to sec. [71.07\(9r\)\(k\)](#), Wis. Stats. The repayment is made for the taxable year in which the recapture event occurs.

The IRS created federal [Form 4255](#), *Recapture of Investment Credit*, and the federal [Form 4255 instructions](#) in order to compute the amount of the historic rehabilitation tax credit required to be repaid. While Wisconsin has a separate historic tax credit for personal residences, federal Form 4255 can be used to determine the repayment by substituting the Wisconsin credit for the federal credit.

**Example:** Taxpayer completed \$20,000 of historic rehabilitation expenditures which were approved on November 1, 2023. Taxpayer computes a Wisconsin historic rehabilitation credit of \$5,000 (\$20,000 qualified rehabilitation expenses x 25% credit rate). Taxpayer uses \$1,000 of credit to offset tax in 2023 and \$2,000 of credit to offset tax in 2024. On December 1, 2025, the property is sold. The repayment is figured as follows:

1. Compute the number of full years between the date the property was approved and when it was sold, and use the result to find the recapture percentage in the chart on the next page. The number of full years between November 1, 2023, and December 1, 2025, is two, so the recapture percentage is 60%.

| Number of Full Years from Date Approved to Recapture Date | Recapture Percentage |
|---|----------------------|
| 0   | 100%                 |
| 1   | 80%                  |
| 2   | 60%                  |
| 3   | 40%                  |
| 4   | 20%                  |
| 5   | 0%                   |

2. Determine the recapture amount:

|   |  |         |
|---|--|---------|
| 1 | Total amount of historic credit used to offset tax   | \$3,000 |
| 2 | Less: Historic tax credits not used to offset tax from an additional property              | \$ 0    |
| 3 | Total (subtract line 2 from line 1)  | \$3,000 |
| 4 | Recapture percentage from table above  | 0.60    |
| 5 | Multiply line 3 by line 4. This is the amount of repayment required on the 2025 tax return | \$1,800 |

3. Compute the amount of unused credit carryover available

|   |   |         |
|---|---|---------|
| 1 | Total amount of credit computed                                   | \$5,000 |
| 2 | Less: Amount of credit claimed on tax return                      | \$3,000 |
| 3 | Total (subtract line 2 from line 1)                               | \$2,000 |
| 4 | Enter the inverse of the recapture percentage (1-0.60)            | 0.40    |
| 5 | Multiply line 3 by line 4. This is the available credit carryover | \$ 800  |

4. Reporting the repayment

Enter the repayment on line 26 of Form 1. Include a copy or attach a PDF of the federal Form 4255 used to compute the repayment. Write "Wisconsin" at the top.

- **Supplement to federal historic rehabilitation credit** If you were required to repay to the IRS a portion of the federal historic rehabilitation credit and you claimed the same qualified rehabilitation expenditures for the Wisconsin credit, you must repay to the department a proportionate amount of the Wisconsin credit.

**Note:** The amount of the credit recapture percentage figured for federal purposes is used for the Wisconsin credit repayment percentage, unless a different amount of qualified rehabilitation expenditures is used for the Wisconsin credit. If a different amount is used, substitute those amounts on federal Form 4255 to figure the amount of repayment for Wisconsin. Include a copy or attach a PDF of the refigured federal Form 4255 and write "Wisconsin" at the top.

If you did not claim the federal historic rehabilitation tax credit and only claimed the Wisconsin supplement to federal historic rehabilitation credit, the computation for repayment of the supplement to the federal historic rehabilitation credit is the same as the computation for repayment of the state historic rehabilitation credit shown above.

- **Angel investment credit or early stage seed investment credit** If an investment for which you claimed the angel investment credit or early stage seed investment credit in a prior year was held for less than three years, you must repay the amount of the credit that you received related to the investment. This does not apply if the investment becomes worthless, as determined by WEDC, during the 3-year period or if you kept the investment for at least 12 months and a bona fide liquidity event, as determined by WEDC, occurs during the 3-year period.
- **Low-income housing credit** If the qualified basis of the qualified development is less than the amount of the qualified basis of the last day of the immediately preceding taxable year, you must repay an amount equal to the amount you were required to repay to the IRS for the federal low-income housing credit.

## Penalties for Not Filing Returns or Filing Incorrect Returns

If you do not file an income tax return which you are required to file, or if you file an incorrect return due to negligence or fraud, penalties and interest may be assessed against you. The interest rate on delinquent taxes is 18% per year. Civil penalties can be as much as 100% of the amount of tax not reported on the return. Criminal penalties for failing to file or filing a false return include a fine up to \$10,000 and imprisonment.

## Fraudulent or Reckless Credit Claims

Fraudulent or reckless claims for any refundable credit, including, but not limited to, the earned income credit, homestead credit, or the veterans and surviving spouses property tax credit, are subject to filing limitations. If you file a "fraudulent claim," you will not be allowed to take any refundable credit for 10 years. "Fraudulent claim" means a claim that is false or excessive and filed with fraudulent intent. If you file a "reckless claim," you will not be allowed to take any refundable credit for 2 years. "Reckless claim" means a claim that was improper, due to reckless or intentional disregard of income tax law or department rules and regulations. You may also have to pay penalties.

## Internal Revenue Service Adjustments

Did the IRS adjust any of your federal income tax returns? If yes, you may have to notify the Department of Revenue of such adjustments. You must notify the department if the adjustments affect your Wisconsin income, any credit, or tax payable.

The department must be notified within 180 days after the adjustments are final. You must submit a copy of the final federal audit report by doing one of the following:

(1) Including it with an amended return that reflects the federal adjustments

(2) Mailing the copy to: Wisconsin Department of Revenue

Audit Bureau  
PO Box 8906  
Madison WI 53708-8906

## Estimated Tax Payments Required for Next Year

If your 2026 Wisconsin income tax return will show a tax balance due to the department of \$500 or more, you must do one of the following:

- Make estimated tax payments for 2026 in installments beginning April 15, 2026, using Wisconsin Form 1-ES
- Increase the amount of income tax withheld from your 2026 pay

For example, you may have a tax balance due with your return if you have income from which Wisconsin tax is not withheld. If you do not make required installment payments, you may be charged interest.

For more information, contact the department's Customer Service Bureau at (608) 266-2486 or visit any Department of Revenue office. For additional information on making payments, see our [Make a Payment](#) webpage.

If you must file Form 1-ES and do not receive a form in the mail, go to our website to fill out the [Wisconsin Estimated Income Tax Interactive Voucher](#) or contact any Department of Revenue office.

## Armed Forces Personnel

If you were a Wisconsin resident on the date you entered military service, you are considered a Wisconsin resident during your entire military career unless you take action to change your legal residency or qualify to make an election under [50 U.S.C. 4001](#). For more information, get [Publication 128, Wisconsin Tax Information for Military Personnel and Veterans](#).

## Homestead Credit

The Wisconsin homestead credit program provides direct relief to homeowners and renters. You may qualify if you were:

- At least 18 years old on December 31, 2025
- If you were under age 62, and not disabled, you must have earned income to qualify

- A legal resident of Wisconsin for all of 2025
- Not claimed as a dependent on anyone's 2025 federal tax return (unless you were 62 or older on December 31, 2025)
- Not living in tax-exempt public housing for all of 2025 (**Note:** Some exceptions apply to this rule and are explained in the instructions for the homestead credit schedule)
- Not living in a nursing home and receiving medical assistance (Title XIX) when you file for homestead credit
- Had total household income, including wages, interest, social security, and income from certain other sources, below \$24,680 in 2025

If you (or your spouse if married) claim the veterans and surviving spouses property tax credit or farmland preservation credit, you are not eligible for homestead credit.

For more information about homestead credit, contact our Homestead Unit in Madison at (608) 266-8641 or any department office. See page 11 for information on obtaining Schedule H or H-EZ, which you must complete to apply for the credit. Schedules H and H-EZ are also available at many libraries.

### Farmland Preservation Credit

The farmland preservation credit program provides an income tax credit to Wisconsin residents who own farmland in Wisconsin. If you claim homestead credit or the veterans and surviving spouses property tax credit, you are not eligible for farmland preservation credit. For more information about farmland preservation credit, contact our Farmland Preservation Unit in Madison at (608) 266-2442 or visit any department office. See page 11 for information on obtaining Schedule FC or FC-A, which you must complete to apply for the credit.

### Death of a Taxpayer

A return for a taxpayer who died in 2025 should be filed on the same form which would have been used if they had lived. Include only the taxpayer's income up to the date of their death.

If there is no estate to probate, a surviving heir may file Form 1 for the person who died. If there is an estate, the personal representative for the estate must file the return. The person filing the Form 1 should sign it and indicate their relationship to the person who died (for example, "surviving heir" or "personal representative").

Be sure to fill in the surviving heir's or personal representative's mailing address in the address area of Form 1. If the taxpayer did not have to file a return but paid estimated tax or had tax withheld, a return must be filed to get a refund.

If your spouse died during 2025 and you did not remarry in 2025, you can file a joint return. You can also file a joint return if your spouse died in 2026 before filing a 2025 return. A joint return should show your spouse's 2025 income before death and your income for all of 2025. Write "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, they must also sign.

If the return for the decedent is filed as single, head of household, or married filing separate, enter "06" in the Special Conditions box and indicate the date of death on the line provided. If a joint return is being filed, enter "06" in the box if it is the primary taxpayer (person listed first on the tax form) who is deceased and the date of death. If it is the spouse who is deceased, enter "07" in the box and the date of death. If both spouses are deceased, enter "08" in the box and both dates of death.

If your spouse died before 2025 and you have not remarried, you must file as single or, if qualified, as head of household. For more information about the final income tax return to be filed for a deceased person, visit any Department of Revenue office or call the department's Customer Service Bureau at (608) 266-2486.

### Claiming a Refund:

If you are filing a return on behalf of a decedent, submit [Form 804](#), *Claim for Decedent's Wisconsin Income Tax Refund*, with the return and check the box below the special conditions box on page 1 of Form 1. If you did not submit Form 804 with the return, you were issued a refund, and you are not able to cash the refund check, complete Form 804 and mail the completed form and refund check to the address shown on Form 804. **Note:** If there is an estate, the personal representative for the estate must file the return and claim for refund. See Form 804 for more information and required documentation.

### Requesting Copies of Your Returns

Persons requesting copies should complete the online application at [tap.revenue.wi.gov/mta](http://tap.revenue.wi.gov/mta), then click on Request Tax Record Copy under Additional Services. Before completing Form 1, first fill in your federal return and its supporting attachments. If you are not required to file a federal return, list the sources and amounts of your income and deductions on a separate sheet and include it with your Form 1.

Follow these instructions to complete Form 1. Prepare one copy for your records and another to be filed with the department.

Use black ink to complete the copy of Form 1 that you submit to the department. Do not use pencil or red ink.

**Amended Return** If you already filed your original return and this is an amended return, place a check mark where indicated at the top of Form 1. For more information, see **Amending Your Return** on page 7 of these instructions. Be sure to include a copy of Schedule AR with your amended return.

**Period Covered** File your 2025 return for calendar year 2025 and fiscal years that begin in 2025. For a fiscal year (a 52-53 week period) or a short-period return, fill in the taxable year beginning and ending dates in the taxable year space at the top of the form. If your return is for a fiscal year or a short-period, also enter "11" in the Special Conditions box located to the right of the Filing Status section on page 1 of Form 1.

**Name and Address** Print or type your legal name and address. Include your apartment number, if any. If you are married filing a joint return, fill in your spouse's legal name (even if your spouse did not have any income). If you filed a joint return for 2024 and you are filing a joint return for 2025 with the same spouse, be sure to enter your names and social security numbers in the same order as on your 2024 return.

Fill in your PO Box number only if your post office does not deliver mail to your home.

**Social Security Number** Fill in your social security number. You must also fill in your spouse's social security number if you are married filing a joint return or married filing a separate return (including married filing as head of household).

**Filing Status** Check the appropriate space to indicate your filing status. More than one filing status may apply to you. If it does, choose the one that will give you the lowest tax.

→ If you became divorced during 2025 or are married and will file a separate return (including a married person filing as head of household), you should get Publication 109, *Tax Information for Married Persons Filing Separate Returns and Persons Divorced in 2025*, for information on what income you must report.

**Single** You may check "single" if **any** of the following was true on December 31, 2025:

- You were never married
- You were legally separated under a **final** decree of divorce or separate maintenance. **Note:** A decree of separate maintenance in Wisconsin is a judgement of legal separation granted by a judge under sec. 767.35, Wis. Stats.
- You were widowed before January 1, 2025, and did not remarry in 2025

**Married filing joint return** Most married couples will pay less tax if they file a joint return. You may check "married filing joint return" if **any** of the following is true:

- You were married as of December 31, 2025
- Your spouse died in 2025 and you did not remarry in 2025
- You were married at the end of 2025, and your spouse died in 2026 before filing a 2025 return

A married couple may file a joint return even if only one had income or if they did not live together all year. However, both spouses must sign the return. If you file a joint return, you may not, after the due date for filing that return, amend it to file as married filing separately. A joint return cannot be filed if you and your spouse have different tax years.

If you file a joint return, both you and your spouse are responsible for any tax due on the return. This means that if one spouse does not pay the tax due, the other may have to.

**Married filing separate return** If you file separate returns, you will usually pay more state tax than if you file a joint return. Your tax may be higher on separate returns because:

- You cannot take the married couple credit
- If you lived with your spouse at any time in 2025, a greater amount of any unemployment compensation that you received may be taxable
- You will not qualify for the disability income exclusion

**Head of household** If you qualify to file your federal return as head of household, you may also file as head of household for Wisconsin. Unmarried individuals who paid over half the cost of keeping up a home for a qualifying person (such as a child) can use this filing status. Certain married persons who lived apart from their spouse for the last 6 months of 2025 and paid over half the cost of keeping up a home that was the main home of their child, stepchild, or foster child for more than half of 2025 may be able to use this status.

If you qualify to file as head of household and are NOT married, check "Head of household, NOT married".

If you are married and qualify to file as head of household, be sure to check "Head of household, married". Also fill in your spouse's name and social security number in the spaces provided.

If you do not have to file a federal return, contact any Department of Revenue office to see if you qualify. If you file your federal return as a qualifying surviving spouse, you may file your Wisconsin return as head of household.

**Tax District** Check either city, village, or town and fill in the name of the Wisconsin city, village, or town in which you lived on December 31, 2025. Also fill in the name of the county in which you lived.

**School District Number** See the list of school district numbers on page 45. Fill in the number of the school district in which you lived on December 31, 2025.

**Special Conditions** Below is a list of the special condition codes that you may need to enter in the special conditions box on Form 1. Be sure to read the instruction on the page listed for each code before using it. Using the wrong code or not using a code when appropriate could result in an incorrect tax computation or a delay in processing your return.

|                |   |                |  |
|----------------|---|----------------|--|
| <b>Code 02</b> | Extension – Combat zone (page 4)                              | <b>Code 08</b> | Both taxpayers deceased (page 10)  |
| <b>Code 03</b> | Extension – Federally declared disaster (page 4)              | <b>Code 11</b> | Fiscal filer (page 12)   |
| <b>Code 04</b> | Divorce decree (page 6)                                       | <b>Code 16</b> | Schedule RT attached (Schedule SB instructions, line 32)                                 |
| <b>Code 05</b> | Injured spouse (page 6)                                       | <b>Code 18</b> | Extension – Live outside or military naval service outside U.S. and Puerto Rico (page 4) |
| <b>Code 06</b> | Single decedent or primary taxpayer if joint return (page 10) | <b>Code 99</b> | Multiple special conditions  |
| <b>Code 07</b> | Spouse deceased if joint return (page 10)                     |                |  |

If more than one special condition applies, only enter "99" in the Special Conditions box and list the separate code numbers on the line next to the box, in addition to any other information required on the line.

**Rounding Off to Whole Dollars** The form has preprinted zeros in the place used to enter cents. All amounts filled in on the form should be rounded to the nearest dollar. Drop amounts under 50¢ and increase amounts from 50¢ to 99¢ to the next whole dollar. For example, \$129.39 becomes \$129 and \$236.50 becomes \$237.

Round off all amounts. But if you have to add two or more amounts to figure the amount to fill in on a line, include cents when adding and only round off the total. If completing the form by hand, **DO NOT USE COMMAS** when filling in amounts.

## Line 1 Federal Adjusted Gross Income

Fill in your federal adjusted gross income from line 11 of your federal Form 1040 or 1040-SR.

## Line 2 Adjustments to Federal Adjusted Gross Income

If you completed Schedule I, enter the amount from Schedule I, line 3. If the amount is a negative number, place a minus sign (-) in front of the number. Adjustments may be needed because Wisconsin uses the provisions of federal law amended to December 31, 2022, with certain exceptions. Laws enacted after December 31, 2022, may not be used for Wisconsin unless adopted by the Legislature.

A comprehensive list of provisions of federal law that may not be used for Wisconsin for 2025 can be found in the instructions for Wisconsin Schedule I. Following is a partial list of the items that may affect the largest number of taxpayers.

- Bonus depreciation
- Business interest expense deduction limitation
- Student loan forgiveness
- Entertainment, amusement, and recreation expenses

**Note:** Due to law changes which may occur after the [Schedule I instructions](#) have been completed, the Schedule I instructions are not being printed by the department. You may view the Schedule I instructions on our website by visiting [revenue.wi.gov/Pages/Form/2025Individual.aspx](http://revenue.wi.gov/Pages/Form/2025Individual.aspx).

### Line 2 *Adjustments to Federal Adjusted Gross Income – continued*

If any provision of federal law which does not apply for Wisconsin purposes affects your federal adjusted gross income, itemized deductions, or earned income credit, you must complete Wisconsin Schedule I and include it with your Form 1. The amount you fill in on line 2 of Form 1 should be the net adjustment amount determined on Schedule I, line 3. Any revisions to your itemized deductions (Part II of Schedule I) or earned income credit (Part III of Schedule I) should be used to complete Schedule 1 on page 4 of Form 1 or line 30 of Form 1, respectively.

If Schedule I adjustments in any prior year affect income or expense items, depreciation, amortization, or sec. 179 expense in 2025, you must also make adjustments on Schedule I for 2025. For example, you had to make an adjustment on Schedule I because Wisconsin did not allow bonus depreciation. You must continue to make an adjustment on Schedule I each year until the depreciable asset is fully depreciated or you sell or otherwise dispose of the asset.

You may also be required to complete Schedule I if you sold assets during 2025, and the gain or loss from the sale is different for Wisconsin and federal purposes due to Schedule I adjustments made in a prior year. **Note:** The basis of a depreciated or amortized asset owned on December 31, 2013, or on the last day of your tax year beginning in 2013, is the same for federal and Wisconsin purposes and no further Schedule I adjustment is required.

- You (or your spouse if filing a joint return) can be claimed as a dependent on another person's (for example, parent's) income tax return. Use the Standard Deduction Worksheet for Dependents to figure your standard deduction.
- You are filing a short period income tax return or are filing federal Form 4563 to claim an exclusion of income from sources within U.S. possessions. You are not allowed any amount of standard deduction. Enter 0 (zero) on line 8.

## Line 10a

The exemptions allowed for you (and your spouse, if married) on line 10a are equal to:

- 0 – If you are single and can be claimed as a dependent on someone else's return, or if you are married filing jointly and both you and your spouse can be claimed as a dependent on someone else's return.

You may claim the \$250 exemption on line 10b for you and/or your spouse only if you and/or your spouse are 65 years of age or older and are allowed the \$700 exemption on line 10a.

**Line 12 Tax**

Use the amount on line 11 to find your tax in the Tax Table on pages 38-43. Find your income-level bracket and read across to the column showing your filing status to find your tax. Be sure you use the correct column in the Tax Table for your filing status. Fill in your tax on line 12.

**EXCEPTION** If line 11 is \$100,000 or more, use the Tax Computation Worksheet on page 44 to compute your tax.

**Line 13 Itemized Deduction Credit**

If the total of certain federal itemized deductions exceeds your Wisconsin standard deduction, you may be able to claim the itemized deduction credit.

Complete Schedule 1 on page 4 of Form 1 to see if you can claim the credit. Schedule 1 lists the specific deductions to use from federal [Schedule A](#) (Form 1040) (see **EXCEPTIONS** below).

If you did not itemize deductions for federal tax purposes, use the amounts which would be deductible if you had itemized deductions. To determine the amounts to use, complete a federal Schedule A (Form 1040). Write "Wisconsin" at the top of this Schedule A and include it with your Form 1.

**Caution:** If your federal adjusted gross income has been increased or decreased in Part I of Schedule I, itemized deductions which are computed using federal adjusted gross income may require adjustment. The deductible amounts of any such items used to compute the Wisconsin itemized deduction credit must be determined by using the federal adjusted gross income computed on line 3 of Form 1. Complete Part II of Schedule I to figure the amount to enter on Schedule 1 on page 4 of Form 1.

**Example:** You made charitable contributions in 2025 in the amount of \$20,000. Your federal adjusted gross income for federal purposes is \$20,000. Your charitable contributions reported on line 11 of Schedule A are \$12,000 based on an income limitation of 60%. Due to a difference in depreciation allowed for federal and Wisconsin purposes, an adjustment to your federal adjusted gross income is required. The amount of federal adjusted gross income for Wisconsin purposes, as reported on line 3 of Form 1, is \$30,000. The amount of charitable contributions allowed as an itemized deduction for Wisconsin purposes is \$18,000 ( $\$30,000 \times 60\% = \$18,000$ ). Enter \$18,000 on line 3 of Schedule 1. **Note:** The difference in this example also impacts the amount of charitable contributions carried forward to a future year and may require further adjustments on Schedule I and Schedule 1 in those years.

**EXCEPTIONS** Even though Schedule 1 has entry lines for medical expenses, interest paid, and gifts to charity, not all of the amounts of these items that are deducted on federal Schedule A (Form 1040) can be used for the itemized deduction credit. The following describes the portion of these items that may not be used to compute the itemized deduction credit.

- Amounts allocated to you on Schedule 5K-1 or 3K-1 by a tax-option (S) corporation or partnership if the entity elected to be taxed at the entity level.
- Medical expenses – the amount of medical care insurance and long-term care insurance claimed as a subtraction on Schedule SB, lines 6 and 7. If this applies to you, complete the worksheet on the next page to figure the amount allowable, if any, for purposes of the itemized deduction credit.

**Note:** Any reference in the worksheet to an amount from or on federal Schedule A is after accounting for any changes reported on Schedule I for differences in the adopted IRC.

- Interest – Paid to purchase a second home located outside Wisconsin
  - Paid to purchase a residence which is a boat
  - Paid to purchase or hold U.S. government securities
- Contributions and interest allocated to you by a tax-option (S) corporation if you treated the amount as a subtraction on Schedule SB, line 42.

## Line 14 Additional Child and Dependent Care Tax Credit

If you qualify for the federal child and dependent care tax credit, you may claim the additional child and dependent care tax credit. To claim the additional child and dependent care tax credit, complete Schedule WI-2441 and enter the amount from line 14 of the schedule on line 14 of Form 1.

→ You must have been a legal resident of Wisconsin for the entire year to claim the credit. If you are filing a joint return and one spouse is a full-year Wisconsin resident, you may claim the additional child and dependent care tax credit.

**What to include with your return** You must include a copy of your completed Schedule WI-2441 with Form 1. If you have an amount on line 13 of Schedule WI-2441, you must also submit a copy of the completed Worksheet A (found in the Schedule WI-2441 instructions). Failure to provide this information may delay your refund.

**Note** You are not required to send in any documentation of your qualifying expenses with your return; however, including copies of any payment statements received from a care provider or other documentation with your Wisconsin return may speed up the processing of your return if it is selected for review.

## Line 15 Blind Worker Transportation Services Credit

If you (or your spouse if filing a joint return) are blind, employed, and paid for qualifying transportation services to get to work, you may claim a credit for 50% of the expenses paid. The credit may not exceed \$1,500 (\$3,000 of expenses) per qualifying person.

**Blind:** You are considered blind if you meet the definition in sec. 63(f)(4), IRC, to claim the increased federal standard deduction for being blind. See the federal Form 1040 instructions for more information.

**Qualifying transportation services:** Any transportation services provided between a person's home (place of residence) and a place of employment by means of mass transit, paratransit, taxicab, or transportation network company, as defined in sec. 440.40(6), Wis. Stats.

**Caution:** Amounts paid for qualifying transportation services that are reimbursed to you, or that are paid using funds from an ABLE account (sec. 529A, IRC) with the contribution having been subtracted from income under sec. 71.05(6)(b)52., Wis. Stats., do not qualify and may not be used to compute the credit.

### Line 15 Blind Worker Transportation Services Credit – continued

**Step 1** Fill in the amount you paid for qualifying transportation services during 2025 on the line provided next to "Qualifying expenses". Do not enter more than \$3,000 of expenses paid per qualifying person.

**Step 2** Multiply the amount of your qualifying expenses (Step 1) by 50%. Fill in the result on line 15. This is your blind worker transportation services credit.

## Line 16 Renter's and Homeowner's School Property Tax Credit

You may claim a credit if you paid rent during 2025 for living quarters used as your primary residence OR you paid property taxes during 2025 on your home. You are eligible for a credit whether or not you claim homestead credit on line 33.

You may **not** claim the school property tax credit if you or your spouse are claiming the veterans and surviving spouses property tax credit.

### Special Cases

**If You Paid Both Property Taxes and Rent** You may claim both the renter's credit and the homeowner's credit. The total combined credit claimed on lines 16a and 16b may not be more than \$300 (\$150 if married filing a separate return or married filing as head of household).

**Married Persons Filing a Joint Return** Figure your credit by using the rent and property taxes paid by both spouses.

**Married Persons Filing Separate Returns or Married Persons Filing as Head of Household** Each spouse may claim a credit. Each of you may use only your own property taxes and rent to figure the credit. The maximum credit allowable to each spouse is \$150.

**Persons Who Jointly Own a Home or Share Rented Living Quarters** When two or more persons (other than a married couple) jointly own a home or share rented living quarters, each may claim a credit. However, the property taxes and rent paid must be divided among the owners or occupants. See the instructions for lines 16a and 16b.

## Line 16a How to Figure the Renter's School Property Tax Credit

**Step 1 Rent Paid in 2025** Fill in on the appropriate line(s) the total rent that you paid in 2025 for living quarters (1) where the heat was included in the rent, and (2) where the heat was not included in the rent. These living quarters must have been used as your principal home. Do not include rent that you may claim as a business expense. Do not include rent paid for housing that is exempt from property taxes, for example, rent for a university dorm, nonprofit senior housing, or public housing. **Note:** Property owned by a public housing authority is considered tax-exempt unless that authority makes payments in place of property taxes to the city or town in which it is located. If you live in public housing, you may wish to ask your manager about this.

If the rent you paid included food, housekeeping, medical, or other services, reduce the amount filled in for rent paid in 2025 by the value of these items. If you shared living quarters with one or more persons (other than your spouse or dependents), fill in only the portion of the rent which you paid in 2025. For example, if you and two other persons rented an apartment and paid total rent of \$6,000 in 2025, and you each paid \$2,000 of the rent, each could claim a credit based on \$2,000 of rent.

**Step 2** Refer to the Renter's School Property Tax Credit Table below to figure your credit. If heat was included in your rent, use Column 1 of the table. If heat was not included, use Column 2. Fill in your credit on line 16a.

**Exception** If you paid both rent where heat was included and rent where heat was not included, complete the worksheet below.

### Renter's Worksheet

*Complete only if Exception described above applies*

1. Credit for rent with heat included (from Column 1 of Table on page 19) ..... 1. \_\_\_\_\_
2. Credit for rent with heat not included (from Column 2 of Table on page 19) ..... 2. \_\_\_\_\_
3. Add lines 1 and 2. Fill in on line 16a of Form 1\* ..... 3. \_\_\_\_\_

\* Do not enter more than \$300 (\$150 if married filing a separate return or married filing as head of household).

## Line 16b How to Figure the Homeowner's School Property Tax Credit

**Step 1 Property Taxes Paid on Home in 2025** Fill in the amount of property taxes that you *paid* in 2025 on your home. Do **not** include:

- Charges for special assessments, delinquent interest, or services that may be included on your tax bill (such as trash removal, recycling fee, or a water bill)
- Property taxes that you can claim as a business expense (for example, farm taxes or rental property taxes)
- Property taxes paid on property that is not your primary residence (such as a cottage or vacant land)
- Property taxes that you paid in any year other than 2025

**Note:** The date the property taxes are paid is the date the property taxes are received by the municipality.

Property taxes are further limited as follows:

- a. If you bought or sold your home during 2025, the property taxes of the seller and buyer are the taxes set forth for each in the closing agreement made at the sale or purchase. If the closing agreement does not divide the property taxes between the seller and buyer, divide them on the basis of the number of months each owned the home.

## Line 16b How to Figure the Homeowner's School Property Tax Credit – continued

b. If you owned a mobile home during 2025, property taxes include the municipal permit fees paid to your municipality and/or the property taxes paid on your mobile home. (Payments for space rental for parking a mobile home or manufactured home should be filled in as rent on line 16a.)

c. If you, or you and your spouse, owned a home jointly with one or more other persons, you may only use that portion of the property taxes that reflects your percentage of ownership. For example, if you and another person (other than your spouse) jointly owned a home on which taxes of \$1,500 were paid, each of you would claim a credit based on \$750 of taxes.

**CAUTION** Property taxes paid during 2025 must be reduced by any amount received as a refund of such taxes. For example, a taxpayer claimed farmland preservation credit on Schedule FC (which is considered a refund of property taxes) on their 2024 Wisconsin return. The taxpayer received a farmland preservation credit in 2025 of \$600 that was based on 2024 property taxes accrued of \$6,000. The 2024 property taxes were paid in 2025 and 10% of such taxes were allocable to the personal residence and 90% to the farm property. Thus, for tax purposes, property taxes paid on the entire property during 2025 are \$5,400 (\$6,000 less \$600 farmland preservation credit). Of this amount, \$540 (10% of \$5,400) is used to compute the 2025 school property tax credit.

**Step 2** Use the Homeowner's School Property Tax Credit Table below to figure your credit. Fill in the amount of your credit on line 16b.

**CAUTION** If you are also claiming the renter's credit on line 16a, the total of your renter's and homeowner's credits can't be more than \$300 (\$150 if married filing a separate return or married filing as head of household).

## Line 17 Working Families Tax Credit

Do not enter any amount on this line. No credit is allowable for any individual or couple filing this form, since any taxpayer(s) who would qualify will not have a tax to offset.

## Line 18 Married Couple Credit

You can claim the married couple credit if all of the following apply:

- You are married filing a joint return

**Line 18 Married Couple Credit – continued**

- Both you and your spouse have qualified earned income
- You do not file federal Form 2555 or Form 2555-EZ to claim an exclusion of foreign earned income or Form 4563 to claim an exclusion of income from sources in U.S. possessions

To figure the credit, complete Schedule 2 on page 4 of Form 1. Figure earned income separately for yourself and your spouse on lines 1 through 3 in Columns (A) and (B) of Schedule 2.

“Earned income” includes taxable wages, salaries, tips, scholarships or fellowships (only amounts reported on a Form W-2), other employee compensation, disability income treated as wages, and net earnings from self-employment.

**Example** You are a member of the U.S. Armed Forces on active duty. You claimed a subtraction on line 18 of Schedule SB for the amount of military pay you received for active duty. Because this military pay is not taxable to Wisconsin, it cannot be used when computing the married couple credit.

“Earned income” does not include other income such as interest, dividends, IRA distributions, deferred compensation (even though it may be reported on a W-2), unemployment compensation, rental income, social security, pensions, annuities, or income that is not taxable to Wisconsin. Do not consider marital property law, marital property agreements, or unilateral statements in figuring each spouse’s earned income.

The credit is based on qualified earned income. You must figure qualified earned income separately for yourself and your spouse. Figure it on lines 4 and 5 of Schedule 2 by subtracting the total of certain adjustments from earned income. These adjustments (as reported as an adjustment to income on federal Schedule 1 (Form 1040)) are:

- IRA deduction (line 20 of federal Schedule 1)
- Self-employed SEP, SIMPLE, and qualified plans (line 16 of federal Schedule 1)
- Repayment of supplemental unemployment benefits (line 24e of federal Schedule 1)
- Certain business expenses of reservists, performing artists, and fee-basis government officials (line 12 of federal Schedule 1)
- Contributions to secs. 501(c)(18)(D) and 403(b) pension plans (lines 24f and 24g of federal Schedule 1)
- Disability income exclusion (from line 22 of Wisconsin Schedule SB)

## Line 20 Credit for Net Tax Paid to Another State

If you paid tax both to Wisconsin and another state on the same income, you may be able to claim a credit for such tax. Read the Schedule OS instructions to determine if you may claim the credit. If you qualify for the credit, complete Schedule OS. Fill in the amount of your credit from Schedule OS on line 20. Be sure to enter in the brackets on line 20 the 2-letter postal abbreviation for the other state to which you paid tax. If you paid tax to more than one other state, enter the number "99" in the brackets. See Schedule OS for other situations where additional code numbers may be required. Include Schedule OS and copies of the other states' returns.

If you are a shareholder of a tax-option (S) corporation or partner of a partnership that elected to be taxed at the entity level for Wisconsin, you may not claim a credit for taxes paid to other states on your distributive share of income from the pass-through entity since none of it is included in your Wisconsin income.

## Line 20 Credit for Net Tax Paid to Another State – continued

**CAUTION** Credit cannot be claimed for taxes paid to **Illinois, Indiana, Kentucky, or Michigan** on earned income (such as wages, salaries, tips, commissions, bonuses, etc.) you received from working in one of those states. Instead, file a return with that state to get a refund of any tax withheld from your wages. Be sure to explain on that state's return that you were a Wisconsin resident when earning the wages in that state. See Publication 121, *Reciprocity*, for more information.

**Line 23 Sales and Use Tax Due on Internet, Mail Order, or Other Out-of-State Purchases**

Did you make any taxable purchases from out-of-state firms in 2025 on which sales and use tax was not charged? If yes, you must report Wisconsin sales and use tax on these purchases on line 23 if they were stored, used, or consumed in Wisconsin. You must also report sales and use tax on taxable purchases from a retailer located in another country, regardless of whether you were charged any tax for that country or any duty by the U.S. Customs Service.

Taxable purchases include furniture, carpet, clothing, computers, books, CDs, DVDs, video tapes, certain digital goods (e.g., greeting cards, video games, music, and books, transferred electronically), artwork, antiques, jewelry, most coins purchased for more than face value, etc.

**Example** You purchased \$300 of clothing through a catalog or over the internet. No sales and use tax was charged. The clothing was delivered in a county with a 5% tax rate. You are liable for \$15 Wisconsin tax ( $\$300 \times 5\% = \$15$ ) on this purchase.

Complete the worksheet that follows to determine the amount of Wisconsin sales and use tax you are liable for on any untaxed purchases.

**Note**

If you do not have sales or use tax to report on line 23, place a checkmark in the space provided to certify that you do not owe any sales or use tax. Only returns certified as "no use tax due" will be recognized as filing a sales/use tax return.

**Note:** The 0.5% county tax rate only applies in Racine County to applicable purchases on or after April, 1, 2025. Prior to that date there was no county tax.

If you were required to file federal Form 5329 or 5330, include a copy of your Form 5329 and/or 5330 with your Form 1.

**Line 26 Other Penalties**

If you are subject to a penalty for selling business or farming assets purchased from a related person or inconsistent estate basis reporting, or repayment of the state historic rehabilitation credit, angel investment credit, early stage seed investment credit, supplement to federal historic rehabilitation credit, or low-income housing credit, fill in the amount of the penalty or repayment on line 26. See page 7 for more information on repayment of the credits. See below for further information on the penalties.

- **Penalty for selling business assets (or assets used in farming) purchased from a related person** Capital gain on the sale or disposition of business or farming assets may be excluded from Wisconsin taxation if the assets were held more than one year and are disposed of to certain related persons. The related person who purchases or otherwise receives the assets on which the gain is excluded is subject to a penalty if they sell or dispose of the assets within two years. The penalty does not apply in the case of an involuntary conversion (for example, assets are destroyed by fire or livestock dies). Visit any Department of Revenue office or contact the department's Customer Service Bureau at (608) 266-2486 for information on how to compute the penalty.
- **Penalty for underpayment of taxes due to inconsistent estate basis reporting** An inconsistent estate basis reporting occurs if the property basis claimed on a Wisconsin tax return exceeds the property basis determined for federal estate tax purposes. The penalty is equal to 20% of the portion of any underpayment of taxes due to the inconsistent estate basis reporting.

**Line 28 Wisconsin Tax Withheld**

Add the Wisconsin income tax withheld shown on your withholding statements (Forms W-2, W-2G, 1099-R, 1099-MISC, and 1099-NEC). Also, if any Wisconsin pass-through entity withholding tax was allocated to you from a tiered pass-through entity of which you are a member, you may include that withholding. Fill in the total on line 28. Include readable copies of your withholding statements with Form 1. (See **Assembling Your Return** on page 5)

→ Wisconsin tax withheld is shown in Box 17 of Form W-2 or Box 14 of Form 1099-R, but only if Wisconsin is the state identified in Box 15 of Form W-2 or Box 15 of Form 1099-R.

DO NOT:

- Claim credit for tax withheld for other states
- Claim amounts marked social security or Medicare tax withheld
- Claim credit for federal tax withheld
- Include withholding statements from other tax years
- Write on, change, or attempt to correct the amounts on your withholding statements
- Claim Wisconsin withholding from a tax-option (S) corporation or partnership, if an election was made to be taxed at the entity level and a refund of the pass-through withholding or a written request to apply the pass-through withholding against the tax liability at the entity level was made by the entity.

It is your responsibility to ensure that your employer or other payer has provided withholding statements that:

1. Are clear and easy to read
2. Show withholding was paid to Wisconsin

If you do not have a withholding statement or need a corrected withholding statement, contact your employer or other payer.

**Line 29 2025 Wisconsin Estimated Tax Payments and Amount Applied From 2024 Return**

Fill in any payments you made on your 2025 estimated Wisconsin income tax (2025 Form 1-ES). This includes any extension payments made on 2025 Form 1-ES. Include any overpayment from your 2024 return that you were allowed as credit to your 2025 Wisconsin estimated tax.

**Note** **Check Your Estimated Tax Payments** Before filling in line 29, check the amount of your estimated tax payments on the department's website at [tap.revenue.wi.gov/eslookup](http://tap.revenue.wi.gov/eslookup). Processing of your return will be delayed if there is a difference between the amount of estimated tax payments you claim and the amount the department has on record.

If you are married filing a joint return, fill in the total of all of the following:

- Any separate estimated tax payments made by each spouse
- Any joint estimated tax payments
- Any overpayments from your 2024 returns that you and your spouse were allowed as credit to 2025 Wisconsin estimated tax.

If you are filing a separate tax return, you may not claim any part of your spouse's separate estimated tax payments or credits. However, you and your spouse may split your joint estimated tax payments and credits between you as you choose on your separate returns. If you cannot agree on how joint amounts are to be split between you, the department will split them between you according to your respective income tax liabilities.

Follow the above instructions even if your spouse died during 2025.

**Name Change** If you changed your name because of marriage, divorce, etc., and made estimated tax payments using your former name, include a statement with Form 1. On the statement, explain all the payments you and your spouse made for 2025 and the name(s) and social security number(s) under which you made them.

**Line 30 Earned Income Credit**

If you qualify for the federal earned income credit and you have at least one qualifying child, you likely qualify for the Wisconsin earned income credit. However, you must have been a legal resident of Wisconsin for the entire year. **Exception:** You are ineligible for the Wisconsin credit if you are married and file a separate return unless you meet the requirements of sec. [7703\(b\)](#), IRC. If this is the case, your filing status for Wisconsin should be head of household, married.

"Federal earned income credit" means the credit computed using the IRC as adopted by Wisconsin. If you had to make adjustments to your income in Part I of Schedule I, complete Part III of Schedule I to show your recomputed federal earned income credit for Wisconsin purposes.

**Note** If you recklessly or fraudulently claim a false credit, you may be ineligible to claim this credit and any other refundable credit for up to 10 years and could also owe a penalty.

To claim the Wisconsin earned income credit, complete the following steps and fill in the required information in the spaces provided on line 30.

**Step 1** Fill in the number of children who meet the requirements of a "qualifying child" for purposes of the federal earned income credit (see the instructions for earned income credit in your federal return for definition of a "qualifying child").

**Step 2** If you entered adjustments to federal adjusted gross income in Part I of Schedule I, fill in the federal earned income credit from Column II of line 1a for Part III of Schedule I. Otherwise, fill in the federal credit from line 27 of federal Form 1040 or 1040SR.

**Step 3** Fill in the percentage rate which applies to you.

| Number of qualifying Children<br>(see Step 1) | Fill in this<br>percentage rate |
|---|---------------------------------|
| 1   | 4%                              |
| 2   | 11%                             |
| 3 or more                                     | 34%                             |

## Line 30 Earned Income Credit – continued

**Step 4** Multiply the amount of your federal credit (Step 2) by the percentage determined in Step 3. Fill in the result on line 30. This is your Wisconsin earned income credit.

**Note** **What to Include With Your Return** You must include a copy of your completed federal Schedule EIC with Form 1. If you used a paid preparer to complete your federal return, also include federal Form 8867. Failure to provide this information may delay your refund.

→ If the IRS is computing your federal earned income credit and you want the department to compute your Wisconsin earned income credit for you, fill in the number of your qualifying children in the space provided on line 30. Write "EIC" in the space to the right of line 30. Complete your return through line 35 of Form 1. Include a copy of your federal return (Form 1040 or 1040-SR) with your Form 1.

### Line 31 Farmland Preservation Credit

If you are claiming farmland preservation credit, include a completed Schedule FC or FC-A with your Form 1. Fill in on line 31a of Form 1 the amount from line 17 of your Schedule FC. Fill in on line 31b of Form 1 the amount from line 13 of Schedule FC-A.

**Note:** For a description of the farmland preservation credit program, see the Special Instructions on page 10. You cannot claim farmland preservation credit if you (or your spouse, if married) claim the veterans and surviving spouses property tax credit or homestead credit.

**Note** If you recklessly or fraudulently claim a false credit, you may be ineligible to claim this credit and any other refundable credit for up to 10 years and could also owe a penalty.

### Line 32 Repayment Credit

If you had to repay during 2025 an amount that you had included in income in an earlier year because at that time you thought you had an unrestricted right to it, you may be able to claim a credit based on the amount repaid. To qualify for the credit, the amount repaid must be over \$3,000 and the amount repaid cannot have been subtracted in computing Wisconsin adjusted gross income.

Use the following steps to compute your credit:

- (1) Refigure your tax from the earlier year without including in income the amount you repaid in 2025.
- (2) Subtract the tax in (1) from the tax shown on your return for the earlier year. The difference is your credit.

Fill in the amount of your credit on line 32 of Form 1. Include a statement showing how you computed your credit.

### Line 33 Homestead Credit

If you are claiming homestead credit, attach Schedule H or H-EZ to your Form 1. Fill in on line 33 the amount from line 19 of your Schedule H or line 14 of Schedule H-EZ.

→ To see if you qualify for homestead credit, refer to the Special Instructions on page 9. You cannot claim homestead credit if you (or your spouse, if married) claim the veterans and surviving spouses property tax credit or farmland preservation credit.

**Note** If you recklessly or fraudulently claim a false credit, you may be ineligible to claim this credit and any other refundable credit for up to 10 years and could also owe a penalty.

### Line 34 Eligible Veterans and Surviving Spouses Property Tax Credit

**Who May Claim the Credit** An eligible unremarried surviving spouse or an eligible veteran may claim the veterans and surviving spouses property tax credit. (Note: If you claim the veterans and surviving spouses property tax credit, you or your spouse may **not** claim the school property tax credit, homestead credit, or farmland preservation credit.)

### Line 34 Eligible Veterans and Surviving Spouses Property Tax Credit – continued

**Note** If you recklessly or fraudulently claim a false credit, you may be ineligible to claim this credit and any other refundable credit for up to 10 years and could also owe a penalty.

An “eligible unmarried surviving spouse” means an unmarried surviving spouse of an individual who meets all of the following requirements:

- Served on active duty in the U.S. Armed Forces or in forces incorporated as part of the U.S. Armed Forces or in the National Guard or a reserve component of the U.S. Armed Forces
- Was a resident of Wisconsin at the time of entry into active service or who had been a resident of Wisconsin for any consecutive 5-year period after entry into that active duty service
- Met one of the following conditions:
  1. Died while on active duty and while a resident of Wisconsin
  2. Was a resident of Wisconsin at the time of their death and had either a service-connected disability rating of 100% under 38 USC 1114 or 1134 or a 100% disability rating based on individual unemployability
  3. In the case of an individual who served in the National Guard or a reserve component, while a resident of Wisconsin died in the line of duty while on active or inactive duty for training
  4. Was a resident of Wisconsin at the time of their death and following the individual’s death, their spouse began to receive, and continues to receive, dependency and indemnity compensation, as defined in 38 USC 101(14)

The unmarried surviving spouse must be certified by the Wisconsin Department of Veterans Affairs.

“Eligible veteran” means an individual who is certified by the Wisconsin Department of Veterans Affairs as meeting all of the following conditions:

- Served on active duty under honorable conditions in the U.S. Armed Forces or in forces incorporated in the U.S. Armed Forces
- Was a resident of Wisconsin at the time of entry into active service or who had been a resident of Wisconsin for any consecutive 5-year period after entry into that active duty service
- Is currently a resident of Wisconsin for purposes of receiving veterans benefits under ch. 45, Wis. Stats.
- Has a service-connected disability rating of 100% under 38 USC 1114 or 1134 or a 100% disability rating based on individual unemployability.

**Computing the Credit** The credit is equal to the property taxes paid by the claimant during the year on the claimant’s principal dwelling in Wisconsin. The credit is based on property taxes, exclusive of special assessments, delinquent interest, and charges for service. Do not include any property taxes that are properly includable as a trade or business expense.

**Note:** The date the property taxes are paid is the date the property taxes are received by the municipality.

**Example:** Taxpayer received a property tax bill on the house they owned in the amount of \$3,000 for the 2025 tax year on December 22, 2025. Taxpayer did not pay any of their 2024 property tax bill in 2025. Taxpayer paid their 2025 property tax bill in 2 installments:

- \$1,500 on December 28, 2025
- \$1,500 on April 11, 2026

The amount allowed for purposes of computing the veterans and surviving spouses property tax credit for 2025 is \$1,500, which is the amount they paid on December 28, 2025. The remaining amount paid on April 11, 2026, of \$1,500 may be claimed on the 2026 Wisconsin income tax return if the taxpayer is still eligible for the credit.

“Principal dwelling” means any dwelling and the land surrounding it that is reasonably necessary for use of the dwelling as a primary dwelling, but not more than one acre. It may include a part of a multidwelling or multipurpose building and a part of the land upon which it is built that is used as the primary dwelling. Complete Worksheet 1 below if your principal dwelling is located on more than one acre of land.

## Line 34 Eligible Veterans and Surviving Spouses Property Tax Credit – continued

If your property contains structures in addition to the primary dwelling, provide a copy of the assessor's report with the return.

If the principal dwelling on which the taxes were paid is owned by two or more persons or entities as joint tenants or tenants in common, use only that part of property taxes paid that reflects the ownership percentage of the claimant.

## Exceptions

- *Married filing a joint return* If property is owned by an eligible veteran and spouse as joint tenants, tenants in common, or as marital property, the credit is based on 100% of their combined share of property taxes paid on the principal dwelling (subject to the 1-acre limitation).
- *Married filing a separate return* If property is owned by an eligible veteran and spouse as joint tenants, tenants in common, or as marital property, each spouse may claim the credit based on their respective ownership interest in the eligible veteran's principal dwelling (subject to the 1-acre limitation).

If the principal dwelling is sold during the taxable year, the property taxes for the seller and buyer shall be the amount of the tax prorated to each in the closing agreement pertaining to the sale. If not provided for in the closing agreement, the tax shall be prorated between the seller and buyer in proportion to months of ownership.

### Line 34 Eligible Veterans and Surviving Spouses Property Tax Credit – continued

If you owned and lived in a mobile home as your principal dwelling, “property taxes” include monthly mobile home municipal permit fees you paid to the municipality. If you paid the fee directly to the landowner, or community licensee, include proof of payment by the landowner or community licensee to the municipality.

If you did not own your principal dwelling but were required to pay the property taxes as rent, you may claim the credit based on the property taxes paid during the year if all of the following are met:

- The rental unit must be the principal dwelling of the eligible veteran or surviving spouse
- The principal dwelling must be located in Wisconsin
- The eligible veteran or surviving spouse is required to pay the property taxes under the rental agreement or other written agreement entered into with the landlord
- The eligible veteran or surviving spouse must pay the property taxes directly to the municipality

A copy of the agreement with the landlord and proof of payment to the municipality must be included with the Wisconsin income tax return.

The credit must be claimed within 4 years of the unextended due date of the return. However, you may request an extension of time to file a return to claim the tax credit if the deadline for claiming the credit is approaching and WDVA is reviewing your eligibility for that year. See [Fact Sheet 1122, Veterans and Surviving Spouses Property Tax Credit Verification of Eligibility – Extension of Time to Claim Credit](#), for additional information.

**Certification of Eligibility for the Credit** If you did not claim the credit in a prior year, before claiming the credit for 2025 you must request certification from the Wisconsin Department of Veterans Affairs (WDVA) indicating that you qualify for the credit. Use Form WDVA 2097 (which you can find in WDVA Brochure B0106) to submit your request, along with a copy of the veteran’s DD Form 214 and Veterans Administration disability award letter and, if applicable, the veteran’s death certificate, a marriage certificate, and a completed copy of Form WDVA 0001 (if the veteran never previously submitted one). The WDVA 0001 and the brochure are available from your county veterans service officer or on the internet at [dva.wi.gov/services/housing-and-financial-services/property-tax-credit/](http://dva.wi.gov/services/housing-and-financial-services/property-tax-credit/). You may submit these forms and supporting documents to your county veterans service officer or mail them to: Wisconsin Department of Veterans Affairs, Attn: BRC-PTC Application, 201 West Washington Ave., PO Box 7843, Madison WI 53707-7843. The WDVA will send you a certification of your eligibility.

→ You do not have to obtain certification from the WDVA for 2025 if you previously received certification for a prior year. If you still qualify for the credit, you may claim the credit but do not have to include certification.

**What to Include** Include a copy of your property tax bill, proof of payment made in 2025, and the certification, if required, received from the WDVA with your return.

### Line 35 Refundable Credits From Schedule CR

If you are claiming any of the credits listed below, you must complete Schedule CR. **Include Schedule CR, along with the appropriate schedule for the credit(s) you are claiming and any required approval or certification from the Wisconsin Economic Development Corporation (WEDC).** Fill in the amount from line 40 of Schedule CR on line 35.

- **Schedule EC – Enterprise Zone Jobs Credit** The enterprise zone jobs credit is available to persons doing business in an enterprise zone. The WEDC must certify the business as eligible for the credit and determine the amount of credit. See Schedule EC.
- **Schedule BD – Business Development Credit** The credit is available based on wages paid to an eligible employee; training costs; and investments in personal and real property, workforce housing, and employee childcare programs. The credit is available to taxpayers who are certified by the WEDC. See Schedule BD.
- **Schedule EIT – Electronics and Information Technology Manufacturing Zone Credit** The credit is based on payroll and capital expenditures in the zone. The credit is available to taxpayers who are certified by the WEDC. See Schedule EIT.
- **Schedule R – Research Credits** The research credits are available for increasing research activities in Wisconsin. This includes credits related to internal combustion engines and certain energy efficient products. Complete Schedule R.

 No interest is paid on refunds issued for the enterprise zone jobs credit, business development credit, or electronics and information technology manufacturing zone credit.

**Line 36 Amounts Previously Paid**

**Amended return only** – Complete this line only if this is an amended 2025 Form 1. Fill in the amount of tax you paid with your original Form 1 plus any additional amounts paid after it was filed.

If you did not pay the full amount shown on your original Form 1, fill in only the portion that you actually paid. Also, include any additional tax that may have resulted if your original return was changed or audited. This includes additional tax paid with a previously filed 2025 amended return and additional tax paid as a result of a department adjustment to your return. Do not include payments of interest or penalties.

**Line 38 Amounts Previously Refunded**

**Amended return only** – Complete this line only if this is an amended 2025 Form 1. Fill in the refund from your original 2025 return (not including the amount applied to your 2026 estimated tax). This is generally the amount from line 41 of Form 1.

If your refund was reduced because you owed underpayment interest or any penalties, fill in the amount of your refund before the reduction for underpayment interest or penalties. If your 2025 return was adjusted by the department, fill in the refund shown on the adjustment notice you received. If the adjustment notice shows a tax due rather than a refund, complete line 36 instead of line 38.

**Line 39 Subtraction**

If line 38 is less than line 37, subtract line 38 from line 37 and fill in the result on line 39. If line 38 is more than line 37, subtract line 37 from line 38 and fill in the result on line 39 as a negative number by placing a minus sign (–) in front of the number.

**Line 40 Amount You Overpaid**

If line 27 is less than line 39, subtract line 27 from line 39. Fill in the result on line 40. If line 39 is a negative number, do not complete line 40.

→ If you were required to make estimated tax payments and you did not make such payments timely, you may owe what is called “underpayment interest.” You may owe underpayment interest even if you are due a refund. Read the line 44 instructions to see if you owe underpayment interest. If you owe underpayment interest and you show an overpayment on line 40, reduce the amount on line 40 by the amount of underpayment interest on line 44.

**Line 41 Refund**

Fill in on line 41 the amount from line 40 that you want refunded to you. The department may not issue a refund before March 1 unless both the individual and the individual’s employer have filed all required returns and forms with the department for the taxable year for which the refund was claimed.

**Note:** If you are divorced, see item 7 on page 6. You may need to include a copy of your divorce decree with your return.

The amount on line 41 cannot be more than the amount on line 40 less the amount applied to your estimated tax on line 42.

**Note:** If appropriate, we will figure interest and include it in your refund check. Interest is at a rate of 3% per year from the due date of your 2025 return. However, interest is not allowed on (1) a refund issued within 90 days of the due date of the return or within 90 days of the date an original return was filed, whichever is later, (2) a refund due from the homestead credit, enterprise zone jobs credit, business development credit, and electronics and information technology manufacturing zone credit, or (3) any portion of the refund that is applied to 2026 estimated tax.

**Line 42 Amount Applied to 2026 Estimated Tax**

Fill in on line 42 the amount, if any, of the overpayment on line 40 you want applied to your 2026 estimated tax.

If you are married filing a joint return, we will apply the amount on line 42 to your joint estimated tax. If you are married filing a separate return, we will apply the amount on line 42 to your separate estimated tax.

### Line 42 Amount Applied to 2026 Estimated Tax – continued

**Amended return only** – Generally, the amount filled in on line 42 must be the same as the amount shown on line 42 of your original Form 1 (or as adjusted by the department). However, if you file your amended return by January 15, 2027, you may increase or decrease the amount to be applied to your 2026 estimated tax.

### Line 43 Amount You Underpaid

If line 39 is less than line 27, complete line 43 to determine the amount you underpaid.

Interest on any tax due is 12% per year from the due date of your 2025 return. If you owe any interest, figure the interest on the amount of tax you underpaid. Enter the amount of interest on line 46. Do not include the amount of interest in the total on either line 43 or 45.

**Amended return only** – If the total of the amount on line 27 and line 42 is greater than line 39, you owe additional tax. Subtract line 39 from the total of lines 27 and 42. **CAUTION** If line 39 is a negative number because line 38 exceeds line 37, treat the amount on line 39 as a positive number and add (rather than subtract) line 39 to lines 27 and 42.

If the amount you underpaid with your return is \$500 or more or you made late estimated tax payments, you may also owe what is called “underpayment interest.” This is an interest charge that applies when you have not prepaid enough of your tax through withholding and/or estimated tax payments. Read the line 44 instructions to see if you owe underpayment interest.

If you owe an amount with your return, you can pay online or by check, money order, or credit card. **Do not** include any 2026 estimated tax payments in your check, money order, or amount you charge. Instead, make the estimated tax payments separately.

**To pay by direct debit** Go to the department's website at [tap.revenue.wi.gov/pay](http://tap.revenue.wi.gov/pay). This is a free service.

**To pay by check or money order** Make your check or money order payable to the Wisconsin Department of Revenue. If the name of the taxpayer does not match the printed name on the check, print the taxpayer's name on the memo line of the check. **Paper clip** it to the front of your Form 1.

If you e-filed your return and are paying by check or money order, include your payment with Form PV. Mail Form PV and your payment to the address shown on Form PV. You can get this form by using our [electronic payment interactive voucher](#) on our website.

**Other payment methods** You may also pay by credit card (MasterCard®, American Express®, Visa®, or Discover®), Apple Pay, or PayPal. To pay using one of these methods, go to the department's website at [tap.revenue.wi.gov/pay](http://tap.revenue.wi.gov/pay). You will be redirected to the department's third-party processor at the appropriate step. A \$1 transaction fee plus a processing fee of 2.25% will be charged by the service provider based on the amount you are paying. You will be told what the fee is during the transaction, and you will have the option to either continue or cancel the transaction. For the most up to date information, see the department's webpage for [Credit Card and Other Payment Options](#).

**What if you cannot pay?** If you cannot pay the full amount shown as due on your tax return when you file, you may ask to make installment payments to the Department of Revenue. It is generally to your advantage to pay your liability in full rather than in installments. Installment agreements with the department are subject to a \$20 installment agreement fee. In addition, bills not paid in full by the due date become liable for additional interest of 18% per year and a delinquent tax collection fee of the greater of \$35 or 6.5% of the unpaid amount. For more information concerning payments, go to [revenue.wi.gov/Pages/OnlineServices/Pay.aspx](http://revenue.wi.gov/Pages/OnlineServices/Pay.aspx). To obtain the Payment Plan Request (Form A-771), go to [revenue.wi.gov/DORForms/a-771.pdf](http://revenue.wi.gov/DORForms/a-771.pdf). To file an installment agreement request electronically, go to [revenue.wi.gov/Pages/HTML/payplan.aspx](http://revenue.wi.gov/Pages/HTML/payplan.aspx).

**Note:** Failure to pay your Wisconsin income tax may result in certification of your unpaid liability to the Treasury Offset Program. Federal law authorizes the U.S. Department of Treasury to reduce, or offset, any federal income tax refunds payable to you by the IRS to satisfy unpaid state income tax debts. Any unpaid liability will remain eligible for this offset until paid.

### Line 44 Underpayment Interest

You may owe underpayment interest if the amount of Wisconsin income tax withheld from your wages was less than your tax liability, or if you had income that was not subject to withholding and you did not make timely estimated payments. In general, in each quarter of the year, you should be paying enough tax through withholding payments and quarterly estimated

tax payments to cover the taxes you expect to owe for the tax year. For more information on making estimated tax payments, see **Estimated Tax Payments Required for Next Year** on page 9.

You owe underpayment interest if one of the following applies:

- Line 43 is at least \$500 and it is more than 10% of the tax shown on your return.
- You did not pay enough estimated tax by any of the due dates. This is true even if you are due a refund.

The “tax shown on your return” is the amount on line 22 minus the amounts on lines 30 through 35.

**Exceptions** You will not owe underpayment interest if your 2024 tax return was for a tax year of 12 full months (or would have been had you been required to file) AND **either** of the following applies.

1. You had no tax liability for 2024 and you were a Wisconsin resident for all of 2024.
2. The amounts on lines 28 and 29 of your 2025 return are at least as much as the tax shown on your 2024 return. Your estimated tax payments for 2025 must have been made on time and for the required amount. This does not apply if you did not file a 2024 return.

The tax shown on your 2024 return is the amount on line 22 minus the amounts on lines 30 through 35.

Fill in the exception code in the brackets to the left of line 44 if you are enclosing an application for a waiver, qualify for an exception, or are using the annualized income installment method to compute underpayment interest. See Schedule U, *Underpayment of Estimated Tax by Individuals and Fiduciaries*, and its instructions for further information on the exception codes.

**Example** Farmers and fishers are not subject to underpayment interest if two-thirds of their total gross income (gross income of both spouses if married filing a joint return) is from farming or fishing and they file their return and pay any tax due by March 2, 2026. Qualified farmers and fishers must enter exception code “04” in the brackets to the left of line 44. Failure to fill in the exception code may result in an assessment for underpayment interest.

### Figuring Underpayment Interest

If the **Exceptions** above do not apply, see **Schedule U** to find out if you owe underpayment interest. If you do, you can use the schedule to figure the amount. In certain situations, you may be able to lower your underpayment interest. For details, see the instructions for Schedule U. Fill in the underpayment interest from Schedule U on line 44. If you are due a refund, subtract the underpayment interest from the overpayment you show on line 40 and adjust lines 41 and 42 if necessary. Include Schedule U with your Form 1.

**Amended return only** – If you were subject to underpayment interest on your original return and you are now changing the amount of such interest, include a corrected Schedule U with Form 1. Fill in the appropriate exception code in the brackets on line 44 only if you are enclosing an application for a waiver, qualify for an exception, or are using the annualized income installment method (Part IV of Schedule U) to compute underpayment interest. See Schedule U instructions for the exception codes. Figure the difference between the amount of underpayment interest as reported on your original return (or as assessed by the department) and the amount of underpayment interest shown on your corrected Schedule U. Fill in the difference on line 44. If the amount of underpayment interest is reduced, put a minus sign (–) in front of the amount on line 44.

If line 40 of Form 1 shows an overpayment and you are reducing the amount of underpayment interest, add the amount on line 44 to the amount on line 40 of Form 1. Adjust lines 41 and 42 accordingly.

If line 43 of Form 1 shows an underpayment and you are reducing the amount of underpayment interest, add the amount on line 44 to the amount on line 43 of Form 1. If the sum of lines 43 and 44 is greater than zero, enter the net amount on line 45. If the sum of lines 43 and 44 is less than zero, enter the net amount on line 40 as a positive number and complete lines 41 and 42 accordingly. **Note:** You may still owe interest (line 46) on the amount of tax you underpaid even if the sum of lines 43 and 44 is zero or an overpayment.

### Line 46 Interest

Interest on the amount you underpaid is 12% per year from the due date of your 2025 return. Figure the interest on the additional tax you owe. Enter the amount of interest on line 46. Do not include this interest in the total on line 43 or 45.

- **Third Party Designee** If you want to allow a tax preparer or tax preparation firm, family member, friend, or any other person you choose to discuss your 2025 tax return with the Department of Revenue, check “Yes” in the “Third Party Designee” area of your return. Also, fill in the designee’s name, phone number, and any five digits the designee chooses as their personal identification number (PIN).

If you check “Yes,” you (and your spouse if filing a joint return) are authorizing the department to discuss with the designee any questions that may arise during the processing of your return. You are also authorizing the designee to do all of the following:

- Give the department any information missing from your return
- Call the department for information about the processing of your return or the status of your refund or payment(s)
- Respond to certain department notices about math errors, offsets, and return preparation

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the department. If you want to expand the designee’s authorization, you must submit Form A-222, *Power of Attorney*.

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2026 tax return. This is April 15, 2027, for most people.

- **Sign and Date Your Return** Sign and date your return at the bottom of page 3. Form 1 is not considered a valid return unless you sign it. Your spouse must also sign if it is a joint return. Also fill in your daytime phone number. Keep a copy of your dated return.

- **Wisconsin Identity Protection PIN** If you received a Wisconsin Identity Protection PIN from the Department of Revenue, enter it in the Wisconsin Identity Protection PIN spaces provided to the right of your signature. You must correctly enter all seven characters of your Wisconsin Identity Protection PIN. If you didn’t receive a Wisconsin Identity Protection PIN, leave these spaces blank. **Caution:** This Wisconsin Identity Protection PIN is different from any Identity Protection PIN you may have received from the IRS.

If you are filing a joint return and both taxpayers receive a Wisconsin Identity Protection PIN, enter both Wisconsin Identity Protection PINs in the spaces provided. For more information, see our Wisconsin Identity Protection PIN common questions at [revenue.wi.gov/Pages/FAQS/IP-PIN.aspx](http://revenue.wi.gov/Pages/FAQS/IP-PIN.aspx).

Use this Tax Table if your taxable income is less than \$100,000. If \$100,000 or more, use the Tax Computation Worksheet on page 44.

**Example** The Smiths are filing a joint return. Their taxable income on line 11 of Form 1 is \$28,653. First they find the \$28,000 heading in the table. Then they find the \$28,600 – 28,700 income line. Next, they find the column for married filing jointly and read down the column. The amount shown where the income line and the filing status column meet is \$1,084. This is the tax amount they must write on line 12 of their return.
