Instructions for 2013 Schedule BC

GENERAL INSTRUCTIONS

Purpose of Schedule BC

Use Schedule BC to claim the biodiesel fuel production credit. The credit is available for taxable years beginning after December 31, 2011, **and before January 1, 2014.**

Who is Eligible to Claim the Credit

Any individual, estate, trust, partnership, limited liability company (LLC), corporation, tax-option (S) corporation, insurance company, or tax-exempt organization may be eligible for the credit based on the number of gallons of biodiesel fuel produced in Wisconsin during the taxable year.

Partnerships, LLCs treated as partnerships, and tax-option (S) corporations cannot claim the credit; instead the credit flows through to the partners, members, or shareholders based on their ownership interests.

Estates and trusts share the credit with their beneficiaries in proportion to the income allocable to each.

Definition

"Biodiesel fuel" means a fuel that is comprised of monoalkyl esters of long chain fatty acids derived from vegetable oils or animal fats. The fuel must (1) be registered as a biodiesel fuel by the manufacturer under 40 CFR Part 79, (2) be pure biodiesel fuel, is identified as such with the alphanumeric B100, and

does not contain any petroleum product, any additive, or other foreign material, and (3) meet all of the applicable requirements of the American Society for Testing and Materials.

Credit is Income

The credit that you compute on Schedule BC is income and must be reported on your Wisconsin franchise or income tax return in the year computed.

Carryforward of Unused Credits

The biodiesel fuel production credit is nonrefundable. Any unused credit may be carried forward for 15 years.

Credit computed but not used prior to the credits expiring January 1, 2014 may be carried forward subject to the 15 year carry forward limitation.

If there is a reorganization of a corporation claiming the biodiesel fuel production credit, the limitations provided by Internal Revenue Code section 383 may apply to the carryover of any unused credit.

SPECIFIC INSTRUCTIONS

The pass-through credit is shown on Schedule 5K-1 for shareholders of tax-option (S) corporations, Schedule 3K-1 for partners and LLC members, and Schedule 2K-1 for beneficiaries of estates or trusts.

Line 6 For estates or trusts, tax-option(S) corporations, partnerships, and LLCs treated as partnerships, show the entire amount of credit on line 6 and prorate that amount among the beneficiaries, shareholders, partners, or members on Schedule 2K-1, 3K-1, or 5K-1.
