Enter on this schedule only sales to tax-exempt organizations in Wisconsin such as military post exchanges or state or federally operated veterans' hospitals. These sales are not subject to the Wisconsin moist snuff tax. Caution: Sales to Native American Indian Tribes/Retailers in Wisconsin are not exempt.

SCHEDULE 3 – NONTAXABLE SALES

Enter on this schedule only nontaxable sales of moist snuff. Include samples, "free" and promotional product sent to and sales to any person or business in Wisconsin who has a Wisconsin TPD permit. Do not confuse this permit with a retail license for tobacco products.

ADDITIONAL INFORMATION

1. An invoice must accompany the product at the time of delivery.
2. When tobacco products are returned to you by Wisconsin customers, issue a credit invoice and enter the transaction as a negative amount in parentheses () on the appropriate schedule.
3. It is not necessary to enter sales of tobacco products when you cancel the invoice in its entirety before the order is shipped. However, you should retain the invoice and offsetting credit memo in your files.
4. When the tobacco products shipped is less than the amount shown on the invoice, issue a credit invoice for the difference and report it as a negative sale (immediately below the original invoice if possible) and labeled "short."
5. When tobacco products that you reported as short during a prior month are shipped in a subsequent month, issue a new invoice (reference the original invoice) and enter the amount you shipped on the appropriate schedule.
