

Index to *Wisconsin Tax Bulletin*, Prior Issues Through October 2015

This index will help you locate reference materials and court case summaries contained in prior issues of the *Wisconsin Tax Bulletin* (WTB). The index references information contained in WTB issues 1 to 191 (through October 2015), regarding taxes administered by the department's Income, Sales, and Excise Tax Division.

The numbers appearing at the end of an entry are the WTB issue number and page number where information appeared. For example, in Section A, "Airline employees ... 39-12,94-32" means that information about airline employees can be found on page 12 of WTB #39, and on page 32 of WTB #94.

The index is divided into the following sections:
