INSTRUCTIONS FOR FORM WI-Z

Generally, if you file federal Form 1040EZ or file your federal return using TeleFile, you can file Wisconsin Form WI-Z. However, there are some limitations. Read "Which Form to File for 1999" on page 2 of the Form 1A instructions to see which form is right for you.

Prepare one copy of Form WI-Z for your records and another copy to be filed with the Department of Revenue.

Filling in Your Return Because this form is read by a machine, please print your numbers like this:

Do not use red ink or pencil.

You may round off cents to the nearest dollar. You can drop amounts under 50ϕ and increase amounts from 50ϕ through 99ϕ to the next dollar. For example, \$1.39 becomes \$1 and \$2.69 becomes \$3.

Name and Address If a mailing label with your name is on the front cover, remove the label and place it in the name and address area of the tax return that you file. If your name or address is wrong, correct the label by drawing a line through the incorrect information and printing the correct information clearly on the label. Do not use the label if your name is not on it. However, you may still use the forms in the booklet.

If you did not receive a label, print your name and address in the spaces provided.

Social Security Number Fill in your (and your spouse's, if married) social security number in the space provided.

Quick Refund You may qualify to receive your refund in as little as two weeks. See the instruction for Quick Refund on page 4 of the Form 1A instructions.

Filing Status Check one of the boxes to indicate your filing status for 1999.

Tax District Check the proper box and fill in the city, village, or town and county in which you lived on December 31, 1999.

School District Number Refer to page 13 in the Form 1A instructions. Fill in the number of the school district in which you lived on December 31, 1999.

State Election Campaign Fund You may designate \$1 to this fund by checking the box on Form WI-Z. If you are married, your spouse may also designate \$1 to this fund. Checking the box will neither change your tax nor reduce your refund.

Line 2 Dependents Check the box on line 2 if your parent (or someone else) can claim you as a dependent on his or her return (even if that person chose not to claim you). If your income includes more than \$250 of interest income or scholarship or fellowship income not reported on a W-2, use the Special Tax Worksheet for Dependents to figure your tax. See page 14 of the Form 1A instructions.

Line 3 Tax Use the amount on line 1 to find your tax in the Tax Table on pages 15-18 of the Form 1A instructions. Fill in the amount of your tax on line 3. **Exception** If you checked the box on line 2 and are required to use the Special Tax Worksheet for Dependents, fill in on line 3 the amount of your tax from line 8 of the worksheet.

Line 4 Working Families Tax Credit You may claim a credit if your income on line 1 of Form WI-Z is less than \$10,000 (\$19,000 if married filing a joint return) and you do not qualify to be claimed as a dependent on another person's return. See the instructions for line 15 of Form 1A.

Line 5 Married Couple Credit If you are married and you and your spouse were both employed in 1999, you may claim the married couple credit on line 5 of Form WI-Z. To claim the credit, complete the following steps:

- (1) Fill in your 1999 wages on line 5a and your spouse's wages on line 5b. "Wages" includes wages, salaries, and tips from line 1 of federal Form 1040EZ or the total amount reported as wages from your W-2s if you used TeleFile to file your federal return. Do not include scholarships and fellowships unless reported on a W-2.
- (2) Fill in the smaller of line 5a or 5b (but not more than \$14,000) in the space provided on line 5c.
- (3) Multiply the amount determined in Step 2 by .025 (2.5%).
- (4) Fill in the result (but not more than \$350) on line 5c.

Line 8 Sales and Use Tax Due on Out-of-State Purchases If you made purchases from out-of-state firms during 1999 and did not pay a sales and use tax, you may owe Wisconsin sales and use tax. See the instruction for line 20 of Form 1A.

Line 9 Endangered Resources Donation Your donation supports the preservation and management of more than 200 endangered and threatened Wisconsin plants and animals. For further information, see the instruction for line 21 of Form 1A on page 9. Fill in line 9 for the amount you wish to donate.

Line 11 Wisconsin Income Tax Withheld Fill in the total amount of Wisconsin income tax withheld as shown on your withholding statements (W-2s). Do not include income tax withheld for any state other than Wisconsin. Attach your withholding statements to the front of Form WI-Z.

Line 12 or 13 Fill in line 12 or 13 to determine your refund or amount you owe. Amounts under \$1 cannot be refunded. If you owe less than \$1, send in your return, but do not pay the tax. Write your social security number on your check or money order. Paper clip it to Form WI-Z.

Sign and Date Your Return Form WI-Z is not a valid return unless you sign it. If married, your spouse must also sign.
