# Instructions for Form 1CNP

## General Instructions

### Purpose of Form 1CNP

A partnership, including a limited liability company (LLC) classified as a partnership for federal income tax purposes, having **two or more** qualifying nonresident partners uses Form 1CNP to report and pay the Wisconsin income tax owed by those partners. In order to file Form 1CNP, the partnership and partners must agree to the rules prescribed by the Wisconsin Department of Revenue as set forth below.

The combined return replaces the separate Wisconsin individual income tax return, Form 1NPR, that otherwise would be filed by each of the qualifying and participating nonresident partners.

### Filing Requirements for Nonresidents of Wisconsin

Nonresidents of Wisconsin having \$2,000 or more of Wisconsin gross income during 2001 must file a Wisconsin income tax return, Form 1NPR or Form 1CNP. A nonresident who is married has a Wisconsin filing requirement if the combined Wisconsin gross income of both spouses is \$2,000 or more.

Gross income means all income (before deducting expenses) reportable to Wisconsin which is received in the form of money, property, or services. Gross income includes a distributive share of partnership gross income (before deducting expenses) as reported on Wisconsin Schedule 3K-1, line 21, column d.

If gross income (or the combined gross income of spouses) is less than \$2,000, a Wisconsin income tax return doesn't have to be filed.

### Filing Requirements for Nonresident Fiduciaries

Nonresident estates or trusts that have \$600 or more of gross income from Wisconsin sources must file a Wisconsin fiduciary return, Form 2 or Form 1CNP. In addition, nonresident trusts that have any Wisconsin taxable income for the year must file a Wisconsin fiduciary return, Form 2 or Form 1CNP.

### Who May Participate in Combined Return

A partnership that derives income from business transacted, services performed, or property located in Wisconsin may file Form 1CNP on behalf of its nonresident partners who derive no taxable income or deductible loss from Wisconsin other than their distributive shares of the Wisconsin partnership income or loss.

### Who May Not Participate in Combined Return

A partner may not participate in this combined return in any of the following cases:

- The partner is an estate or trust that has distributable income in the current year.
- The partner is a partnership or corporation.
- The partner files his or her individual or fiduciary income tax return on a fiscal year basis.
- The partner is a Wisconsin resident during any part of 2001.
- The partner derives taxable income from Wisconsin in 2001 other than his or her distributive share of partnership income or loss from one partnership.
- The partner wishes to claim any deductions or tax credits.

Partners who are full-year Wisconsin residents must file Wisconsin Form 1. Part-year resident partners, and nonresident partners who may not participate in Form 1CNP, must file Wisconsin Form 1NPR to report their own income. Estates and trusts that may not participate in Form 1CNP must file Wisconsin Form 2.

### What Income Is Reportable on Form 1CNP

Report each qualifying and participating partner's distributive share of partnership income or loss for the partnership's taxable years ending between January 31, 2001, and December 31, 2001, on a 2001 Form 1CNP.

### When to File

Form 1CNP is due April 15, 2002.

### Extensions of Time to File

The following extensions of time to file are available:

- Any extension allowed by the Internal Revenue Service for filing the partnership's federal return automatically extends the due date of Form 1CNP to the same extended due date, provided a copy of the federal extension is attached to Form 1CNP.
- If the partnership doesn't apply for a federal extension, but needs additional time to file the Wisconsin return, it may obtain an extension available to partnerships under federal law. To receive the Wisconsin extension, attach a completed

copy of the appropriate federal extension application form or a statement explaining the federal extension provision being used to Form 1CNP.

- The partnership may receive an extension of time to file Form 1CNP by attaching a statement to Form 1CNP which includes the following information: the federal extension provision being used (such as the automatic 4-month extension) and the name, address, and signature of each partner covered by the extension.
- Extensions to file allowed by the Internal Revenue Service to individual partners will also give Wisconsin extensions *to those particular partners*, provided a copy of the federal extension is attached to Form 1CNP. Other partners who don't have an extension may be subject to late filing fees and delinquent interest if Form 1CNP is filed after April 15, 2002. A separate \$30 late filing fee may be imposed on each partner who doesn't have an extension.

### Where to File

Mail Form 1CNP to the Wisconsin Department of Revenue, P.O. Box 8912, Madison, WI 53708-8912.

### Estimated Tax Payments

If a partner will owe tax of \$200 or more on his or her 2002 Wisconsin income, estimated tax payments must be made to avoid an interest charge. The partnership may make estimated tax payments on behalf of any or all of the partners who may participate in the combined return. The partnership must use the Forms CN-ES, Wisconsin Composite Estimated Tax Vouchers, included in this booklet. Attach a schedule to Form CN-ES showing the name, address, social security number (federal employer identification number for trusts), and estimated tax payment to be credited to each partner's account.

Send all estimated tax payments for partners who will be participating in a combined return to the Wisconsin Department of Revenue, P.O. Box 8912, Madison, WI 53708-8912.

**Note:** Do not combine payments for residents and nonresidents. Use Form CN-ES only for nonresident partners who will file on Form 1CNP. Full-year residents, part-year residents, and nonresidents who file on Form 1NPR must make their estimated tax payments individually using Form 1-ES.

### Internal Revenue Service Adjustments and Amended Returns

Wisconsin law requires the following information to be provided to the Department of Revenue:

- Adjustments made to a partner's federal tax return by the Internal Revenue Service that affect the Wisconsin net tax payable, a Wisconsin net operating loss carryforward, or a Wisconsin capital loss carryforward must be reported within 90 days after they become final.
- Changes made on a partner's amended return filed with the Internal Revenue Service that affect the Wisconsin net tax payable, a Wisconsin net operating loss carryforward, or a Wisconsin capital loss carryforward must be reported on an amended Wisconsin return within 90 days after filing the amended federal return.

Either the partnership or the partner must report this information as follows:

- The partnership must file an amended Form 1CNP to report federal adjustments or amendments to a partner's federal return that affect the amount of the partner's income or tax reported on the partnership's original Form 1CNP.

To amend Form 1CNP, file another Form 1CNP clearly marked "AMENDED RETURN" at the top of the form. Attach to the amended return a copy of the final federal audit reports if the amended return is being filed as a result of a federal audit. Otherwise, attach an explanation of the changes made and the reasons for the changes. Send the amended return to the Wisconsin Department of Revenue, P.O. Box 8991, Madison, WI 53708-8991. Don't attach it to the return for the current year.

- The partner must file an amended Form 1NPR to report federal adjustments or amendments to the partner's federal return that affect Wisconsin items of income, loss, or credit other than the partnership income or loss reported on Form 1CNP.

To amend Form 1NPR, file a Form 1NPR clearly marked "AMENDED RETURN" at the top of the form. Include any partnership income or loss previously reported on Form 1CNP. Attach to the amended return a copy of the final federal audit report if the amended return is being filed as a result of a federal audit. Otherwise, attach an explanation of the changes made and the reasons for the changes. If claiming credit for taxes previously paid on your behalf on Form 1CNP, include a statement

indicating the partnership's name and federal employer identification number and amount of tax paid. Send the amended return to the Wisconsin Department of Revenue using the address specified in the Form 1NPR instructions.

### Refunds, Assessments, and Correspondence

By filing Form 1CNP, the signing partner declares that the partnership has a power of attorney or other written authorization from each qualifying and participating partner to file a combined return. The Department of Revenue will mail refund checks, assessments, and all correspondence to the partnership at the address indicated on Form 1CNP. If an issue cannot be resolved between the partnership and the department, the partnership must agree to be responsible for the payment of any additional tax due, interest, and penalties, as finally determined. In unusual circumstances, the department may contact the individual partners.

## Wisconsin Taxation of Partnership Income of Nonresidents of Wisconsin

A nonresident partner's portion of the partnership's income attributable to a business located in Wisconsin, services performed in Wisconsin, or real or tangible personal property located in Wisconsin is taxable by Wisconsin. Business income is taxable whether or not

the individual partner conducts business in Wisconsin. However, partnership income derived from personal services, including professional services, is taxable to a nonresident partner only if that nonresident partner personally performs services in Wisconsin. The amount of personal service income attributable to the nonresident partner's services performed in Wisconsin is taxable.

**Example 1.** Two nonresident individuals are partners of a partnership that does business only in Wisconsin. Both nonresidents are taxed on their entire share of the partnership income for Wisconsin income tax purposes.

**Example 2.** Two nonresident individuals and one Wisconsin resident are equal partners in a partnership that does business in Wisconsin and Illinois. The partnership derives 40% of its income from business activities in Wisconsin and 60% from business activities in Illinois. The Wisconsin resident partner operates the Wisconsin business. The nonresident partners operate the Illinois business. Each nonresident partner is taxed on one-third of the 40% of the partnership income attributable to business activities in Wisconsin.

**Example 3.** A nonresident is a limited partner, with a 1% interest in partnership profits, of a partnership that derives income from real estate located in Wisconsin and in other states. The nonresident limited partner is taxed on 1% of the partnership income attributable to the real estate located in Wisconsin.

**Example 4.** A nonresident is a partner, with a 10% interest in partnership profits, of a certified public accounting firm that operates in and outside Wisconsin. One-fourth of the partnership's income is attributable to professional services performed in Wisconsin and three-fourths is attributable to professional services performed in other states. The nonresident partner doesn't personally perform any services in Wisconsin. The nonresident isn't subject to Wisconsin income tax on his or her proportionate share of the income earned in Wisconsin.

## Line-by-Line Instructions

Complete federal Form 1065 or 1065-B and Wisconsin Form 3, including all supporting schedules, before starting Form 1CNP. Fill in Schedule 2 of Form 1CNP first; then enter the totals from Schedule 2 on Schedule 1.

## Schedule 2

■ **Columns A and B. Name and Address and Identifying Number** – Enter the information requested concerning the nonresident partners who qualify and are participating in this combined return. Complete names, addresses, and identifying numbers are required. For individuals and estates, enter the social security number in column B. For trusts, enter the federal employer identification number. Attach a separate schedule, if necessary.

**Note:** If both spouses are shareholders and they wish to compute their tax jointly, use only one entry line in Schedule 2. Enter both names on that line in column A, list both social security numbers in column B, and combine their incomes in columns C, D, E, and F for purposes of determining the tax to enter in column H.

■ **Column C. Partner's Share of Wisconsin Partnership Income (Loss)** – Using the amounts entered on Schedule 3K-1, column d, compute each partner's Wisconsin net income or loss to enter on Schedule 2, column C. Don't include guaranteed payments in column C; instead, show these payments in column D.

Show income as a positive number. Show losses by putting the amount in parentheses.

The net income or loss may not agree with the total of the amounts on Schedule 3K-1, column d, for the following reasons:

- Only those separately stated deductions of the partnership (Schedule 3K-1, lines 8 through 11 and 13a) that are deductible by the partners in computing federal adjusted gross income are allowed as deductions on Form 1CNP. Amounts that are deductible by the individual partners as itemized deductions (such as charitable contributions from Schedule 3K-1, line 8; deductions relating to portfolio income (loss) from Schedule 3K-1, line 10; and other miscellaneous itemized deductions from Schedule 3K-1, line 11) aren't deductible on Form 1CNP. Use the Wisconsin apportionment percentage to allocate allowable deductions to Wisconsin.
- Passive activity losses may be limited as provided in the Internal Revenue Code.
- 60% of the net capital gain realized on assets held more than 1 year is excludable from income.
- The net capital loss deduction is limited to \$500.

If any of these differences apply, attach a schedule to Form 1CNP showing the computation of net income.

Estates and trusts may be allowed certain deductions used in computing adjusted gross income.

If the partner is claiming a net operating loss carryforward, attach a schedule showing the computation of the carryforward.

**Caution:** An individual or fiduciary generally must have a federal net operating loss in order to have a Wisconsin net operating loss. For exceptions, see the tax release titled "Wisconsin Net Operating Loss When There Is No Federal Net Operating Loss" in *Wisconsin Tax Bulletin* 70 (January 1991, page 19).

■ **Column D. Guaranteed Payments** – Enter each partner's guaranteed payments attributable to Wisconsin from Schedule 3K-1, line 5, column d.

■ **Column E. Total Wisconsin Income (Loss)** – Add the amounts in columns C and D for each partner.

■ **Column F. Federal Adjusted Gross Income** – For each partner who is an individual, enter the partner's federal adjusted gross income from federal Form 1040 on Schedule 2, column F.

**Note:** If this information is not available, you must compute the partner's Wisconsin tax using the alternate method described in the instructions on page 5 for Schedule 2, column H.

■ **Column G. Filing Status** – For each partner whose federal adjusted gross income was reported in column F, enter the appropriate designation for the partner's filing status in 2001: S for single, H for head of a household, MFJ for married filing a joint return, and MFS for married filing a separate return.

**Note:** To use the joint return filing status, the partner's spouse cannot have any income taxable by Wisconsin other than income or loss from this same partnership. If both spouses are partners and they wish to compute their tax jointly, combine their net incomes for purposes of determining the tax to enter in column H.

**Do not** fill in column G for any partner whose tax must be computed under the alternate method.
