

WISCONSIN SCHOOL DISTRICT NUMBER

Appearing below is an alphabetical listing of Wisconsin school districts. Full-year and part-year residents – refer to this listing and find the number of the district in which you lived on December 31, 2002. If you moved out of Wisconsin during 2002, fill in the number of the school district in which you lived before moving. Fill in this number in the name and address area of your return. Failure to include your school district number may delay the processing of your return and any refund due. Nonresidents – don't fill in this line.

The listing is divided into two sections. SECTION I lists all districts which operate high schools. SECTION II lists those districts which operate schools having only elementary grades.

Your school district will generally be the name of the municipality where the public high school is located which any children at your home would be entitled to attend. However, if such high school is a "union high school," refer to SECTION II and find the number of your elementary district.

Note If you can't identify your school district, contact your municipal clerk or local school for help.
