FEDERAL PRIVACY ACT In compliance with federal law, you are hereby notified that the request for your social security number on the Wisconsin income tax return is made under the authority of sec. 71.03(6)(a) of the Wisconsin Statutes. The disclosure of this number on your return is mandatory. It will be used for identification purposes throughout the processing, filing and auditing of your return and the issuance of refund checks.

TIPS ON PAPER FILING YOUR RETURN

E-file your return for the fastest processing available. However, if you do paper file, there are several things you can do that will speed-up the processing of your return.

Paper returns are electronically scanned. The processing of the return (and any refund) is delayed when the return cannot be read correctly. **To aid in the scanning process**, be sure to do the following:

- Do not submit photocopies to the department. Photocopies can cause unreadable entries.
- Use BLACK INK. Pencils, colored ink, and markers do not scan well.

• Write your name and address clearly using CAPITAL LETTERS like this →

Your legal last name SMITH	Legal first name JOSEPH	M.I. J
If a joint return, spouse's legal last name SMITH	Spouse's legal first name MARY	M.I. E
Home address (number and street) 2375 N 7 ST		Apt. No.
City or post office ANYWHERE	State WI	Zip code 55555

• Do not use mailing labels.

• NEVER USE COMMAS or dollar signs. They can be misread when scanned.

• Round off amounts to WHOLE DOLLARS – NO CENTS.

• Print your numbers like this: **0123456789** Do not use: **0147**

• Do not add cents in front of the preprinted zeros on entry lines. For example,

20	School property tax credit				
	a Rent paid in 2015–heat included	<u>2345</u>	.00	}	Find credit from table page 12 .. 20a
	Rent paid in 2015–heat not included	<u>5678</u>	.00		
	b Property taxes paid on home in 2015	<u> </u>	.00	▶	Find credit from table page 13 .. 20b
			.00		.00

- Do not cross out entries. Erase or start over.
- Do not write in the margins.
- Always put entries on the lines, not to the side, above, or below the line.
- Lines where no entry is required should be left blank. Do not fill in zeros.
- Do not draw vertical lines in entry fields. They can be read as a “1” when scanned.
- Do not use staples to assemble your return.

When to File / Extension of Time to File

Your return is due April 18, 2016. If you cannot file on time, you can get an extension. You may use any federal extension provision for Wisconsin, even if you are filing your federal return by April 18.

How to Get an Extension You do **not** need to submit a request for an extension to the department prior to the time you file your Wisconsin return. When you file your Form 1A or WI-Z, enclose either:

- a copy of your federal extension application (for example, Form 4868) or
- a statement indicating which federal extension provision you want to apply for Wisconsin (for example, the federal automatic 6-month extension provision).

Note You will owe interest on any tax that you have not paid by April 18, 2016. This applies even though you may have an extension of time to file. If you do not file your return by April 18, 2016, or during an extension period, you are subject to additional interest and penalties. If you expect to owe tax with your return, you can avoid the 1% per month interest charge during the extension period by paying the tax by April 18, 2016. Submit the payment with a 2015 Wisconsin Form 1-ES. You can get this form from our website at revenue.wi.gov or at any Department of Revenue office. (**Exception** You will not be charged interest during an extension period if (1) you served in support of Operation Iraqi Freedom in the United States, (2) you qualify for a federal extension because of service in a combat zone or a contingency operation, or (3) you qualify for a federal extension due to a federally-declared disaster. See Special Conditions below.)

Note

Special Conditions A “Special Conditions” box is located to the right of the Filing Status section on page 1 of Forms 1A and WI-Z. If you have an extension of time to file due to service in support of Operation Iraqi Freedom in the United States, fill in “01” in the Special Conditions box. If you qualify for an extension because of service in a combat zone or a contingency operation, fill in “02” in the box. If you qualify for an extension because of a federally-declared disaster, fill in “03” in the box and indicate the specific disaster on the line provided.

Form WI-Z

Instructions are on the back of the form.

Form 1A

Follow these line instructions to complete your Form 1A. Prepare one copy of Form 1A for your records and another copy to be filed with the department.

→ Use **black** ink to complete the copy that you file with the department.

■ Amended Return

If you already filed your original return and this is an amended return, place a check mark where indicated at the top of Form 1A. For more information, see Amended Returns on page 21 of these instructions. Be sure to enclose a copy of Schedule AR with your amended return.

■ Name and Address

Print or type your legal name and address. Include your apartment number, if any. If you are married filing a joint return, fill in your spouse's name (even if your spouse did not have any income).

If you filed a joint return for 2014 and you are filing a joint return for 2015 with the same spouse, be sure to enter your names and social security numbers in the same order as on your 2014 return.

Fill in your PO Box number only if your post office does not deliver mail to your home.

■ Social Security Number

Fill in your social security number. Also fill in your spouse's social security number if married filing a joint return.

■ Filing Status

Check the appropriate space to indicate your filing status. More than one filing status may apply to you. If it does, choose the one that will give you the lowest tax.

Single You may check "single" if **any** of the following was true on December 31, 2015:

- You were never married, or
- You were legally separated under a **final** decree of divorce or separate maintenance, or
- You were widowed before January 1, 2015, and did not remarry in 2015.

Married filing joint return Most married couples will pay less tax if they file a joint return. Check "married filing joint return" if **any** of the following is true:

- You were married as of December 31, 2015, or
- Your spouse died in 2015 and you did not remarry in 2015, or
- You were married at the end of 2015 and your spouse died in 2016 before filing a 2015 return.

A married couple may file a joint return even if only one had income or if they did not live together all year. However, both persons must sign the return.

Head of household If you qualify to file your federal return as head of household, you may also file as head of household for Wisconsin. Unmarried individuals who paid over half the cost of keeping up a home for a qualifying person (such as a child or parent) may be able to use this filing status. Certain married persons who lived apart from their spouse for the last 6 months of 2015 who paid over half the cost of keeping up a home that was the main home of their child, stepchild, or foster child for more than half of 2015 may also be able to use this status.

Note

If you are married and qualify to file as head of household, be sure to check both the head of household filing status and the married space next to the arrow. Also, fill in your spouse's social security number in the "Spouse's social security number" box at the top of Form 1A.

If you do not have to file a federal return, contact any department office to see if you qualify. If you file your federal return as a qualifying widow(er), you may file your Wisconsin return as head of household.

Note If you are married and your filing status is head of household, you should get Publication 109, *Tax Information for Married Persons Filing Separate Returns and Persons Divorced in 2015*. This publication has information on what income you must report.

■ Tax District

Check either city, village, or town and fill in the name of the Wisconsin city, village, or town in which you lived on December 31, 2015. Also fill in the name of the county.

■ School District Number

See the list of school district numbers on page 23. Fill in the number of the school district in which you lived on December 31, 2015.

Note

■ Special Conditions

Below is a list of the special condition codes that you may need to enter in the special conditions box on Form 1A or WI-Z. Be sure to read the instruction on the page listed for each code before using it. Using the wrong code or not using a code when appropriate could result in an incorrect tax computation or a delay in processing your return.

- 01 Extension – Operation Iraqi Freedom (page 5)
- 02 Extension – Combat zone (page 5)
- 03 Extension – Federally-declared disaster (page 5)
- 04 Divorce decree (page 20)
- 05 Injured spouse (page 20)
- 06 Single decedent or primary taxpayer if joint return (page 22)
- 07 Spouse deceased if joint return (page 22)
- 08 Both taxpayers deceased (page 22)
- 99 Multiple special conditions

If more than one special condition applies, fill in "99" in the Special Conditions box and list the separate code numbers on the line next to the box, in addition to any other information required on the line.

→ ■ **Rounding Off to Whole Dollars**

The form has preprinted zeros in the place used to enter cents. All amounts filled in the form should be rounded to the nearest dollar. To do so, drop amounts under 50 cents and increase amounts from 50 cents to 99 cents to the next whole dollar. For example, \$129.39 becomes \$129 and \$236.50 becomes \$237.

Round off all amounts. But if you have to add two or more amounts to figure the amount to fill in on a line, include cents when adding and only round off the total. If completing the form by hand, **DO NOT USE COMMAS** when filling in amounts.

■ **Line 1 Wages, Salaries, Tips, Etc.**

Fill in on line 1 the amount from line 7 of your federal Form 1040A or 1040 or line 1 of Form 1040EZ.

If the amount on line 1 of Form 1A includes taxable scholarship or fellowship income not reported on a W-2, write "SCH" and the amount of that income in the space to the left of line 1.

Exceptions

- If the Wisconsin wages shown on your Form W-2 are more than the federal wages on the Form W-2, add the difference between the federal and Wisconsin amounts to the amount to be reported on line 1.
- If you were a member of the Reserves or National Guard and served on active duty, do not include on line 1 any military pay that was included on your W-2 and was (1) received from the federal government, (2) received after being called into active federal service or into special state service authorized by the federal Department of Defense, and (3) paid to you for a period of time during which you were on active duty.

Caution The subtraction only applies to members of the Reserves or National Guard who are called into active federal service under 10 USC 12302(a) or 10 USC 12304 or into special state service under 32 USC 502(f). However, it does not apply to pay that members of the Reserves and National Guard receive for their weekend and two-week annual training or to a person who is serving on active duty or full-time duty in the active guard reserve (AGR) program.

■ **Line 2 Interest**

Fill in on line 2 the amount of taxable interest from line 8a of your federal Form 1040A or 1040 or line 2 of your Form 1040EZ.

Exceptions

- Interest from state and municipal bonds must be included on line 2. (If you were required for federal purposes to allocate expenses to this income, reduce the amount to be filled in by such expenses.)
- Interest from securities of the U.S. government should not be included on line 2.

Worksheet Instructions

Line 2 The amount to fill in as your federal adjusted gross income (FAGI) generally cannot be taken directly from your federal return. The amount to fill in on line 2 is as follows:

- If you filed federal Form 1040EZ, fill in the FAGI from line 4 of your Form 1040EZ.
- If you filed federal Form 1040A or 1040, fill in the FAGI from line 21 of Form 1040A or line 37 of Form 1040 plus any deduction for tuition or fees that may be included on your federal return and plus any amount included on line 1 of Form 1A due to a difference in the federal and Wisconsin amount of wages shown on Form W-2. (**Note** This adjustment to FAGI is required only if federal law is extended to allow these items on the 2015 Form 1040A or Form 1040. The federal treatment was not known at the time these instructions went to print on October 30, 2015).

Line 6 Taxable IRA Distributions, Pensions, and Annuities

Fill in on line 6 the total of your taxable IRA distributions, pensions, and annuities. Use the Retirement Benefit Worksheet on page 9 to determine the amount to fill in.

Caution If you were subject to a federal penalty on an IRA or qualified retirement plan, you may not file Form 1A. You must file Form 1.

Nontaxable retirement benefits The following retirement benefits are not taxable for Wisconsin:

- Wisconsin does not tax railroad retirement benefits. Did you include an amount that you received from the U.S. Railroad Retirement Board in your federal income on line 12b of Form 1040A or line 16b of Form 1040? If yes, fill in such amount on line 4 of the Retirement Benefit Worksheet.
- Wisconsin does not tax military retirement benefits or certain uniformed services retirement benefits. Include on line 4 of the Retirement Benefit Worksheet retirement payments from:
 - (1) The U.S. military retirement system (including payments from the Retired Serviceman's Family Protection Plan and the Survivor Benefit Plan).
 - (2) The U.S. government that relate to service with the Coast Guard, the commissioned corps of the National Oceanic and Atmospheric Administration, or the commissioned corps of the Public Health Service.
- Include on line 4 of the Retirement Benefit Worksheet any payments received from the retirement systems listed in A and B on page 9 provided:
 - (1) You were retired from the system before January 1, 1964, OR
 - (2) You were a member of the system as of December 31, 1963, retiring at a later date and payments you receive are from an account established before 1964, OR

- (3) You are receiving payments from the system as the beneficiary of an individual who met either condition 1 or 2.

The amount you fill in on line 4 of the worksheet cannot be more than the amount of such payments that you included in your federal income.

The specific retirement systems are:

A. Local and state retirement systems Milwaukee City Employees, Milwaukee City Police Officers, Milwaukee Fire Fighters, Milwaukee Public School Teachers, Milwaukee County Employees, Milwaukee Sheriff, and Wisconsin State Teachers retirement systems.

B. Federal retirement systems United States Government civilian employee retirement systems. Examples of such retirement systems include the Civil Service Retirement System and the Federal Employees' Retirement System.

Note Do not include any of the following as a nontaxable retirement benefit on line 4 of the Retirement Benefit Worksheet:

- Payments received as a result of voluntary tax-sheltered annuity deposits made in any of the retirement systems listed in A or B above.

- Payments received from any of the retirement systems listed in A or B if you first became a member after December 31, 1963. This applies even though pre-1964 military service may have been counted as creditable service in computing your retirement benefit.

- Payments from the federal Thrift Savings Plan.

CAUTION Your retirement benefits are exempt only if they are based on qualified membership in one of the retirement systems listed in A or B. Qualified membership is membership that began before January 1964 as explained on page 8. Any portion of your retirement benefit based on membership in other retirement systems (or based on employment that began after December 31, 1963) is taxable.

Example 1 You were a member of the Wisconsin State Teachers Retirement System as of December 31, 1963. You left teaching after 1963 and withdrew the allowable amount from your retirement account. This closed the account. You later returned to teaching. A new retirement account was then established for you. Retirement benefits from this new account (established after 1963) do not qualify for the exemption.

Example 2 You were employed as a teacher from 1960-1965. You were a member of the Wisconsin State Teachers Retirement System during that time. From 1966

until retirement, you were employed by a state agency (not as a teacher). You were then a member of the Wisconsin Retirement System. You receive an annuity from the Department of Employee Trust Funds. The annuity is based on employment in both retirement systems. Only the portion of the annuity that is due to membership in the Wisconsin State Teachers Retirement System is exempt. You may use the following formula to figure the exempt amount:

$$\frac{\text{Years of creditable service in an exempt plan}}{\text{Total years of creditable service}} \times \text{Annuity included in federal income} = \text{Exempt portion of annuity}$$

→ You may have received a separate Form 1099-R for the taxable and exempt portions of your annuity. In this case, you may use the Form 1099-R information instead of the above formula.

Line 8 IRA Deduction

Fill in on line 8 the amount of IRA deduction from line 17 of your federal Form 1040A or line 32 of Form 1040.

Line 9 Student Loan Interest Deduction

Fill in on line 9 the amount from line 18 of your federal Form 1040A or line 33 of Form 1040. You cannot take this deduction if you, or your spouse if filing jointly, are claimed as a dependent on someone's (such as your parent's) 2015 tax return.

Line 10 Medical Care Insurance Deduction

You may be able to subtract all or a portion of the amount you paid for medical care insurance.

"Medical care insurance" means a medical care insurance policy that provides surgical, medical, hospital, major medical, or other health service coverage (including dental insurance). The policy may cover you, your spouse, and dependents.

If you received social security benefits, Medicare premiums (for example, Parts B and D) deducted from your benefits are payments for medical care insurance.

"Medical care insurance" does not include premiums for:

- Long-term care insurance,
- Life insurance,
- Policies providing payment for loss of earnings,
- Policies for loss of life, limb, sight, etc.,
- Policies that pay a guaranteed amount each week for a stated number of weeks if you are hospitalized for sickness or injury,
- The part of your car insurance premiums that provides medical insurance coverage for all persons injured in or by your car, and
- Medical care insurance if you elected to pay these premiums with tax-free distributions from a retirement plan. In this case, the premiums would have been paid directly to the insurance provider by the plan.

CAUTION Do not include insurance premiums paid by an employer unless the premiums are included as wages in box 1 of your Form W-2.

Note The amount of employer-provided medical insurance that is identified on your W-2 in Box 12 with Code DD cannot be included in the subtraction for medical care insurance.

→ Premiums that are deducted pre-tax may not be included as payment for medical care insurance.

If you participate in your employer's fringe benefit cafeteria plan and agree to a voluntary salary reduction in return for a medical care insurance benefit, you may not consider the amount of your salary reduction an amount you paid for medical care insurance. You cannot subtract premiums paid with money that has not been included in your gross income. These programs may be known as flexible spending accounts, employee reimbursement accounts, etc. Some employers may identify these amounts on your pay stubs as Internal Revenue Code sec. 125 or as a pre-tax deduction.

Complete the Medical Care Insurance Worksheet below to determine your subtraction.

Note When completing line 1 of the worksheet, if you purchased the insurance through an Exchange (Marketplace), the amount you paid is the amount paid after your premium was reduced for any advance payment of the premium assistance credit.

Medical Care Insurance Worksheet

Line 13 Dependents

→ Check line 13 if your parent (or someone else) can claim you (or your spouse) as a dependent on his or her return. You must check the line even if that person chose not to claim you.

Line 14 Standard Deduction

Use the amount on line 12 to find the standard deduction for your filing status from the Standard Deduction Table on page 31. **But**, if you checked line 13, your standard deduction may be limited. Use the worksheet below to figure the amount to fill in on line 14.

Standard Deduction Worksheet for Dependents

B. Addition amount	B. _____ 350.00

Line 16 Exemptions

Complete lines 16a and 16b. Fill in the number of exemptions on the lines provided. Multiply that number by the amount indicated (\$700 or \$250), and fill in the result on line a or b, as appropriate. Fill in the total of the amounts on lines 16a and 16b on line 16c.

Line 16a

If you filed:

- Federal Form 1040 or 1040A, your number of exemptions is found in box 6d of your federal return.
- Federal Form 1040EZ, your number of exemptions is:
 - 0** - If you are single and you checked the "You" box on line 5 of your federal return, or if you are married filing jointly and you checked both the "You" and "Spouse" boxes on your federal return.
 - 1** - If you are single and did not check the "You" box on line 5 of your federal return, or if you are married filing jointly and you checked only one box (either "You" or "Spouse") on your federal return.
 - 2** - If you are married filing jointly and did not check either box on line 5 of your federal return.

Line 16b

If you or your spouse were 65 or older on December 31, 2015, check the appropriate lines. Your number of exemptions is equal to the number of lines checked.

You may claim the \$250 exemption on line 16b for you or your spouse only if you or your spouse are allowed the \$700 exemption on line 16a.

Line 18 Tax

Use the amount on line 17 to find your tax in the Tax Table on pages 24-29. Fill in the amount of your tax on line 18.

EXCEPTION If the amount on line 17 is \$100,000 or more, use the Tax Computation Worksheet on page 30 to compute your tax.

Line 19 Armed Forces Member Credit

The armed forces member credit is available to certain members of the U.S. armed forces. You may claim the credit if you meet all of the following:

- You were on active duty, and
- You received military pay from the federal government in 2015, and
- The military pay was for services performed **while stationed outside the United States**.

Note You may *not* claim the armed forces member credit if you were on active duty as a member of the Reserves or National Guard and you excluded certain military pay from your income. See the Exception in the line 1 instructions for information on the exclusion.

The credit is equal to the amount of military pay you received for services performed while stationed outside the United States, but not more than \$300. If you are married filing a joint return and both spouses qualify for the credit, each may claim up to \$300.

Line 20 Renter's and Homeowner's School Property Tax Credit

You may claim a credit if you paid rent during 2015 for living quarters used as your primary residence OR you paid property taxes during 2015 on your home.

You are eligible for a credit whether or not you claim home-
stead credit on line 31.

Note You may *not* claim the school property tax credit if you (or your spouse) are claiming the veterans and surviving spouses property tax credit.

Special Cases

If You Paid Both Property Taxes and Rent You may claim both the renter's credit and the homeowner's credit. The total combined credits claimed on lines 20a and 20b (lines 8a and 8b on Form WI-Z) cannot be more than \$300 (\$150 if married filing as head of household).

Married Persons Filing a Joint Return Figure your credit by using the rent and property taxes paid by both spouses.

Married Persons Filing as Head of Household Each spouse may claim a credit. Each of you may use only your own property taxes and rent to figure the credit. The maximum credit allowable to each spouse is \$150.

Persons Who Jointly Own a Home or Share Rented Living Quarters When two or more persons (other than a married couple) jointly own a home or share rented living quarters, each may claim a credit. However, the property taxes and rent paid must be divided between the owners or occupants. See the instructions for lines 20a and 20b.

Line 20a (Line 8a of Form WI-Z) How to Figure the Renter's School Property Tax Credit

Step 1 Rent Paid in 2015 Fill in on the appropriate line(s) the total rent that you paid in 2015 for living quarters (1) where the heat was included in the rent, and (2) where the heat was not included in the rent. These living quarters must have been used as your principal home. Don't include rent paid for housing that is exempt from property taxes (for example, rent for a university dormitory, nonprofit senior housing, or public housing). (Property owned by a public housing authority is considered tax-exempt unless that authority makes payments in place of property taxes to the city or town in which it is located. If you live in public housing, you may wish to ask your manager about this.)

If your rent included food, housekeeping, medical, or other services, reduce your rent paid in 2015 by the value of

these items. If you shared living quarters with one or more persons (other than your spouse or dependents), fill in only the portion of the rent that you paid in 2015.

For example, if you and two other persons rented an apartment and paid a total rent of \$6,000 in 2015, and you each paid \$2,000 of the rent, each could claim a credit based on \$2,000 of rent.

Step 2 Refer to the Renter's School Property Tax Credit Table below to figure your credit. If heat was included in your rent, use Column 1 of the table. If heat was not included in your rent, use Column 2. Fill in your credit on line 20a (line 8a of Form WI-Z).

Exception If you paid both rent where heat was included and rent where heat was not included, complete the worksheet on page 13.

Line 20b (Line 8b of Form WI-Z)
How to Figure the Homeowner's School Property Tax Credit

Step 1 Property Taxes Paid on Home in 2015 Fill in the amount of property taxes that you *paid* in 2015 on your home. Do **not** include:

- Charges for special assessments, delinquent interest, or services that may be included on your tax bill (such as trash removal, recycling fee, or a water bill).
- Property taxes paid on property that is not your primary residence (such as a cottage or vacant land).

- Property taxes that you paid in any year other than 2015.

Property taxes are further limited as follows:

- If you bought or sold your home during 2015, the property taxes of the seller and buyer are the taxes set forth for each in the closing agreement made at the sale or purchase. If the closing agreement does not divide the property taxes between the seller and buyer, divide them on the basis of the number of months each owned the home.
- If you owned a mobile home during 2015, property taxes include the municipal permit fees paid to your municipality and/or the personal property taxes paid on your mobile home. Payments for space rental for parking a mobile home or manufactured home should be filled in as rent on line 20a (line 8a of Form WI-Z).
- If you, or you and your spouse, owned a home jointly with one or more other persons, you may only use that portion of the property taxes that reflects your percentage of ownership. For example, if you and another person (not your spouse) jointly owned a home on which taxes of \$1,500 were paid, each of you would claim a credit based on \$750 of taxes.

* **Caution** The credit allowed certain persons may be less than the amount indicated. See "Special Cases" on page 11.

Step 2 Use the Homeowner’s School Property Tax Credit Table on page 13 to figure your credit. Fill in the amount of your credit on line 20b (line 8b on Form WI-Z).

Caution If you also claimed the renter’s credit on line 20a (line 8a on Form WI-Z), the total of your renter’s and homeowner’s credits may not be more than \$300 (\$150 if married filing as head of household).

Line 21 Married Couple Credit

You may be able to claim the married couple credit if:

- You are married filing a joint return, and
- You and your spouse are both employed.

Fill in the schedule on page 2 of Form 1A to figure your credit. Each spouse must list their earned income separately in column (A) or (B) of the schedule. “Earned income” includes *taxable* wages, salaries, tips, disability income treated as wages, scholarships or fellowships (only amounts reported on a W-2), and other employee compensation. Earned income that is not taxable to Wisconsin cannot be used in computing the credit.

Example You are a member of the National Guard and were called to active duty. You claimed a subtraction on line 1 of Form 1A for the amount of military pay you received for the time during which you were on active duty. Because this military pay is not taxable to Wisconsin, it cannot be used when computing the married couple credit.

Earned income does *not* include interest, dividends, unemployment compensation, IRA distributions, deferred compensation, pensions, annuities, or income that is not taxable to Wisconsin. Do not consider marital property laws, marital property agreements, or unilateral statements in figuring each spouse’s earned income.

Caution Earned income is generally the amount shown on line 1 of Form 1A. However, the following items that may be included on line 1 of Form 1A cannot be used in computing the credit: deferred compensation and scholarship and fellowship income not reported on a W-2.

Fill in the amount of your credit from line 6 of the schedule on line 21 of Form 1A. The maximum credit allowable is \$480.

Line 25 (Line 12 of Form WI-Z) Sales and Use Tax Due on Internet, Mail Order, or Other Out-of-State Purchases

Did you make any taxable purchases from out-of-state firms during 2015 on which sales and use tax was not charged? If yes, you must report Wisconsin sales and use tax on these purchases on line 25 (line 12 of Form WI-Z) if they were stored, used, or consumed in Wisconsin. You must also report sales and use tax on taxable purchases from a retailer located in another country regardless of whether you were charged any tax for that country or any duty by the U.S. Customs Service.

Taxable purchases include furniture, carpet, clothing, computers, books, CDs, DVDs, cassettes, video tapes, certain digital goods (e.g., greeting cards, video games, music, and books, transferred electronically), artwork, antiques, jewelry, coins purchased for more than face value, etc.

Example You purchased \$300 of clothing through a catalog or over the Internet. No sales and use tax was charged. The clothing was delivered in a county with a 5% sales and use tax rate. You owe \$15 Wisconsin tax (\$300 x 5% = \$15) on this purchase.

Complete the worksheet below to determine whether you are liable for Wisconsin sales and use tax.

Worksheet for Computing Wisconsin Sales and Use Tax	
1. Total purchases subject to Wisconsin sales and use tax (i.e., purchases on which no sales and use tax was charged by the seller) 1.	.00
2. Sales and use tax rate (see rate chart below) 2.	x %
3. Amount of sales and use tax due (line 1 multiplied by tax rate on line 2). Round this amount to the nearest dollar and fill in on line 25 of Form 1A (line 12 of Form WI-Z) 3.	.00

Sales and Use Tax Rate Chart	
In all Wisconsin counties except those shown in a through d below, the tax rate was 5.5% for all of 2015.	
a. If storage, use, or consumption in 2015 was in one of the following counties, the tax rate was 5.6%:	Milwaukee Ozaukee Washington
b. If storage, use, or consumption in 2015 was in one of the following counties, the tax rate was 5.1%:	Racine Waukesha
c. If storage, use, or consumption in 2015 was in the following county, the tax rate was 5.5% from January 1, 2015, through September 30, 2015, and 5% thereafter.	Brown
d. If storage, use, or consumption in 2015 was in one of the following counties, the tax rate was 5%:	Calumet Menominee Winnebago Kewaunee Outagamie Manitowoc Sheboygan

Note If you do not include an amount on line 25 (line 12 of Form WI-Z), place a checkmark in the space provided to certify that you do not owe any sales or use tax. Only returns certified as “no use tax due” will be recognized as filing a sales/use tax return.

■ Line 26 Donations

You may designate amounts as a donation to one or more of the programs listed on lines 26a through 26h. Your donation will either reduce your refund or be added to tax due. Add the amounts on lines 26a through 26h and fill in the total on line 26i.

Amended return only – Fill in the amount of your donations from your original return. If you did not make a donation on your original return, but now wish to, or if you want to increase your donation, fill in the new amount on the appropriate line(s). If you want to decrease the amount of your donation, you may only fill in a smaller amount if you file an amended return by October 15, 2017, or if your original return was filed after April 15, 2016, within 18 months of the date your return was filed.

Line 26a Endangered Resources Donation With your gift, the Endangered Resources Program works to protect and manage native plant and animal species, natural communities and other natural features. Gifts up to a predetermined amount will be matched by state general purpose revenue. Fill in the amount you want to donate on line 26a.

Fill in the amount you want to donate on line 26e.

Line 26f Second Harvest/Feeding America Your donation to the food banks supports efforts to feed the hungry and will be divided as follows: 65% to Feeding America Eastern Wisconsin (located in Milwaukee); 20% to Second Harvest Foodbank of Southern Wisconsin (located in Madison); and 15% to Feed My People (located in Eau Claire). The food banks provide food to food pantries, meal programs, shelters, and soup kitchens throughout the state. Fill in the amount you want to donate on line 26f.

Line 26g Red Cross Wisconsin Disaster Relief You may donate an amount to the American Red Cross for its Wisconsin Disaster Relief Fund. Fill in the amount you want to donate on line 26g.

Line 26h Special Olympics Wisconsin You may donate an amount to Special Olympics Wisconsin, Inc. Fill in the amount you want to donate on line 26h.

■ Line 28 Wisconsin Income Tax Withheld

Add the **Wisconsin** income tax withheld shown on your withholding statements. Wisconsin tax withheld is shown in Box 17 of Form W-2 or Box 12 of Form 1099-R, but only if Wisconsin is the state identified in Box 15 of Form W-2 or Box 13 of Form 1099-R. Fill in the total on line 28. Enclose readable copies of your withholding statements. Enclose Form 1099-R only if Wisconsin income tax was withheld.

DO NOT:

- claim credit for tax withheld for other states.
- claim amounts marked social security or Medicare tax withheld.
- claim credit for federal tax withheld.
- include withholding statements from other tax years.
- write on or change or attempt to correct the amounts on your withholding statements.

It is your responsibility to ensure that your employer or other payer has provided withholding statements that:

1. Are clear and easy to read.
2. Show withholding was paid to Wisconsin.

If you do not have a withholding statement or need a corrected statement, contact your employer or other payer.

■ Line 29 2015 Estimated Tax Payments and Amount Applied from 2014 Return

Fill in any payments you made on your estimated Wisconsin income tax (Form 1-ES) for 2015. Include any overpayment from your 2014 return that you were allowed as credit to your 2015 Wisconsin estimated tax.

Note

Check Your Estimated Tax Payments Before filling in line 29, check the amount of your estimated tax payments on the department's website at <https://ww2.revenue.wi.gov/PaymentInquiry/request.html>. Processing of your return will be delayed if there is a difference between the amount of estimated tax payments you claim and the amount the department has on record.

If you are married filing a joint return, fill in the total of:

- any separate estimated tax payments made by each spouse,
- any joint estimated tax payments, and
- any overpayments from your 2014 returns that you and your spouse were allowed as credit to 2015 Wisconsin estimated tax.

Follow these instructions even if your spouse died in 2015 or in 2016 before filing a 2015 return.

Name Change If you changed your name because of marriage, divorce, etc., and you made estimated tax payments using your former name, enclose a statement with Form 1A. On the statement, explain all the payments you and your spouse made for 2015 and the name(s) and social security number(s) under which you made them.

■ Line 30 Earned Income Credit

If you qualify for the federal earned income credit and you have at least one qualifying child, you also qualify for the Wisconsin earned income credit. However, you must have been a legal resident of Wisconsin for the entire year.

➔ If you recklessly or fraudulently claim a false credit, you may be ineligible to claim the credit for up to 10 years and could also owe a penalty.

To claim the Wisconsin earned income credit, complete the following steps and fill in the required information in the spaces provided on line 30.

Step 1 Fill in the **number** of children who meet the requirements of a “qualifying child” for purposes of the federal earned income credit (see the instructions for earned income credit in your federal return for definition of a “qualifying child”).

Step 2 Fill in the **federal earned income credit** from line 42a of your federal Form 1040A or line 66a of Form 1040.

Step 3 Fill in the percentage rate which applies to you.

Number of qualifying children (see Step 1 above)	Fill in this percentage rate
1	4%
2	11%
3 or more	34%

Step 4 Multiply the amount of your federal credit (Step 2) by the percentage determined in Step 3. Fill in the result on line 30. This is your Wisconsin credit.

Note

Enclose With Your Return Enclose a copy of your federal Schedule EIC with Form 1A. If you used a paid preparer to complete your federal return, also enclose federal Form 8867. Failure to provide this may delay your refund.

Note If the IRS is computing your federal earned income credit and you want the department to compute your Wisconsin earned income credit for you, fill in the number of qualifying children in the space provided on line 30. Write EIC in the space to the right of line 30. Complete your return through line 32. Enclose a copy of your federal return (Form 1040A or Form 1040) with Form 1A.

■ Line 31 Homestead Credit

If you are claiming homestead credit, fill in on line 31 the amount of your credit from line 19 of Schedule H or line 14 of Schedule H-EZ, the homestead credit claim form. Attach your completed Schedule H or H-EZ to Form 1A.

Note To see if you may qualify for homestead credit, see the Special Instructions on page 21.

■ Line 32 Eligible Veterans and Surviving Spouses Property Tax Credit

Who May Claim the Credit An eligible unremarried surviving spouse or an eligible veteran may claim the veterans and surviving spouses property tax credit.

➔ If you recklessly or fraudulently claim a false credit, you may be ineligible to claim the credit for up to 10 years and could also owe a penalty.

An “eligible unremarried surviving spouse” means an unremarried surviving spouse of an individual who:

- Served on active duty in the U.S. armed forces or in forces incorporated as part of the U.S. armed forces or in the National Guard or a reserve component of the U.S. armed forces,
- Was a resident of Wisconsin at the time of entry into active service or who had been a resident of Wisconsin for any consecutive 5-year period after entry into that active duty service, and
- Met one of the following conditions:
 1. Died while on active duty and while a resident of Wisconsin,
 2. Was a resident of Wisconsin at the time of his or her death and had either a service-connected disability rating of 100% under 38 USC 1114 or 1134 or a 100% disability rating based on individual unemployability,
 3. In the case of an individual who served in the National Guard or a reserve component, while a resident of Wisconsin died in the line of duty while on active or inactive duty for training purposes, or
 4. Was a resident of Wisconsin at the time of his or her death and following the individual's death, his or her spouse began to receive, and continues to receive dependency and indemnity compensation, as defined in 38 USC 101(14).

The unremarried surviving spouse must be certified by the Wisconsin Department of Veterans Affairs (WDVA).

“Eligible veteran” means an individual who is certified by the WDVA as meeting all of the following conditions:

- Served on active duty under honorable conditions in the U.S. armed forces or in forces incorporated in the U.S. armed forces.
- Was a resident of Wisconsin at the time of entry into active service or who had been a resident of Wisconsin for any consecutive 5-year period after entry into that active duty service.

- Is currently a resident of Wisconsin for purposes of receiving veterans benefits.
- Has a service-connected disability rating of 100% under 38 USC 1114 or 1134 or a 100% disability rating based on individual unemployability.

Computing the Credit The credit is equal to the property taxes paid by the claimant during the year on the claimant's principal dwelling in Wisconsin. The credit is based on real and personal property taxes, exclusive of special assessments, delinquent interest, and charges for service. Do not include any property taxes that are properly includable as a trade or business expense.

“Principal dwelling” means any dwelling and the land surrounding it that is reasonably necessary for use of the dwelling as a primary dwelling, but not more than one acre. It may include a part of a multidwelling or multipurpose building and a part of the land upon which it is built that is used as the primary dwelling.

Complete the worksheet below if your principal dwelling is located on more than one acre of land.

Worksheet If Property Tax Bill Shows More Than 1 Acre of Land	
1. Assessed value of land (from tax bill) . . .	1 _____
2. Number of acres of land	2 _____
3. Divide line 1 by line 2	3 _____
4. Assessed value of principal residence . .	4 _____
5. Add line 3 and line 4	5 _____
6. Total assessed value of all land and improvements (from tax bill)	6 _____
7. Divide line 5 by line 6	7 _____
8. Net property taxes paid	8 _____
9. Multiply line 8 by line 7. This is the amount of property tax allowed for the credit	9 _____

If the principal dwelling is owned by two or more persons or entities as joint tenants or tenants-in-common, use only that part of property taxes paid that reflects the ownership percentage of the claimant. (See Exceptions)

Exceptions

- *Married filing a joint return* If property is owned by an eligible veteran and spouse as joint tenants, tenants-in-common, or as marital property, the credit is based on 100% of property taxes paid on the principal dwelling (subject to the one acre limitation).
- *Married not filing a joint return* If property is owned by an eligible veteran and spouse as joint tenants, tenants-in-common, or as marital property, each spouse may claim the credit based on their respective ownership interest in the eligible veteran's principal dwelling (subject to the one acre limitation).

If the principal dwelling is sold during the taxable year, the property taxes for the seller and buyer are the amount of the tax prorated to each in the closing agreement pertaining to the sale. If not provided in the closing agreement, the tax is prorated between the seller and buyer in proportion to months of ownership.

If you did not own your principal dwelling but were required to pay the property taxes as rent, you may claim the credit based on the property taxes paid during the year if all of the following are met:

- The rental unit must be the principal dwelling of the eligible veteran or surviving spouse,
- The principal dwelling must be located in Wisconsin,
- The eligible veteran or surviving spouse is required to pay the property taxes under the rental agreement or other written agreement entered into with the landlord, and
- The eligible veteran or surviving spouse must pay the property taxes directly to the municipality.

A copy of the agreement with the landlord and proof of payment to the municipality must be included with the Wisconsin income tax return.

If you owned and lived in a mobile home as your principal dwelling, “property taxes” includes monthly mobile home municipal permit fees you paid to the municipality.

Other Limitations The credit must be claimed within 4 years of the unextended due date of the return. The credit is not allowed if you, or your spouse, claim the school property tax credit, homestead credit, or farmland preservation credit.

Certification of Eligibility for the Credit If you did not claim the credit in a prior year, before claiming the credit for 2015 you must request certification from the WDVA indicating that you qualify for the credit. Use Form WDVA 2097 (which you can find in WDVA Brochure B0106) to submit your request, along with a copy of the veteran's DD Form 214 and Veterans Administration disability award letter and, if applicable, the veteran's death certificate, a marriage certificate, and a completed copy of Form WDVA 0001 (if the veteran never previously submitted one). The WDVA 0001 and the brochure are available from your county veterans service officer or on the Internet at dva.state.wi.us. You may submit these forms and supporting documents to your county veterans service officer or mail them to: WDVA, 30 West Mifflin St., PO Box 7843, Madison WI 53707-7843. The WDVA will send you a certification of your eligibility.

Note You do not have to obtain certification from the WDVA for 2015 if you previously received a certification for a prior year. If you still qualify for the credit, you may claim the credit but do not have to enclose certification.

Enclosures Enclose a copy of your property tax bill, proof of payment made in 2015, and a copy of the certification (if required) received from the WDVA with your return.

■ **Line 33 (line 17 of Form WI-Z) – Amended Return Only – Amount Previously Paid**

Complete this line only if this is an amended return. Fill in the amount of tax you paid with your original Form 1A or Form WI-Z plus any additional amounts paid after it was filed.

If you did not pay the full amount shown on your original Form 1A or Form WI-Z, fill in only the portion that you actually paid. Also, include any additional tax that may have resulted if your original return was changed or audited. This includes additional tax paid with a previously filed 2015 amended return and additional tax paid as a result of a department adjustment to your return. Do not include payments of interest or penalties.

■ **Line 34 (line 18 of Form WI-Z)**

Add lines 28-33 (lines 16 and 17 of Form WI-Z).

■ **Line 35 (line 19 of Form WI-Z) – Amended Return Only – Amount Previously Refunded**

Complete this line only if this is an amended 2015 Form 1A or Form WI-Z. Fill in the refund from your original 2015 return (not including the amount applied to your 2016 estimated tax). This is generally the amount from line 38 of Form 1A (line 21 of Form WI-Z).

If your refund was reduced because you owed underpayment interest or any penalties, fill in the amount of your refund before the reduction for underpayment interest or penalties. If your 2015 return was adjusted by the department, fill in the refund shown on the adjustment notice you received. If the adjustment notice shows a tax due rather than a refund, complete line 33 (line 17 of Form WI-Z) instead of line 35 (line 19 of Form WI-Z).

■ **Line 36 (line 20 of Form WI-Z)**

If line 35 (line 19 of Form WI-Z) is less than line 34 (line 18 of Form WI-Z), subtract line 35 (line 19 of Form WI-Z) from line 34 (line 18 of Form WI-Z) and fill in the result on line 36 (line 20 of Form WI-Z). If line 35 (line 19 of Form WI-Z) is more than line 34 (line 18 of Form WI-Z), subtract line 34 (line 18 of Form WI-Z) from line 35 (line 19 of Form WI-Z) and fill in the result on line 36 (line 20 of Form WI-Z) as a negative number by placing a minus sign (-) in front of the number.

■ **Line 37 (line 21 of Form WI-Z) – Amount You Overpaid**

If line 36 (line 20 of Form WI-Z) is more than line 27 (line 15 of Form WI-Z), subtract line 27 (line 15 of Form WI-Z) from line 36 (line 20 of Form WI-Z). Fill in the result on line 37 (line 21 of Form WI-Z). If line 36 (line 20 of Form WI-Z) is a negative number, do not complete line 37 (line 21 of Form WI-Z).

Note If you were required to make estimated tax payments and you did not make such payments timely, you may owe what is called “underpayment interest.” You may owe

underpayment interest even if you are due a refund. Read the line 41 instructions to see if you owe underpayment interest. If you owe underpayment interest and you show an overpayment on line 37, reduce the amount on line 37 by the amount of underpayment interest on line 41.

■ **Line 38 Refund**

Fill in on line 38 the amount from line 37 that you want refunded to you. The amount on line 38 cannot be more than the amount on line 37 less the amount applied to your estimated tax on line 39.

Amended return only – We will figure interest and include it in your refund check. Interest is at a rate of 3% per year from the due date of your 2015 return. However, interest is not allowed on (1) a refund issued within 90 days of the due date of the return or within 90 days of the date the return was filed, whichever is later, (2) a refund due to an increase in homestead credit, or (3) any portion of the refund that is applied to 2016 estimated tax.

Note If you are divorced, see Enclosures on page 20. You may be required to enclose a copy of your judgment of divorce with your return.

■ **Line 39 Amount of Line 37 to be Applied to your 2016 Estimated Tax**

Fill in on line 39 the amount, if any, of the overpayment on line 37 you want applied to your 2016 estimated tax.

If you are married filing a joint return, we will apply the amount on line 39 to your joint estimated tax.

Amended return only – Generally, the amount filled in on line 39 must be the same as the amount shown on line 39 of your original Form 1A (or as adjusted by the department). However, if you file your amended return by January 17, 2017, you may increase or decrease the amount to be applied to your 2016 estimated tax.

■ **Line 40 Amount You Owe**

If line 36 is less than line 27, complete line 40 to determine the amount you owe.

Amended return only – If the total of the amounts on line 27 and line 39 is greater than line 36, you owe additional tax. Subtract line 36 from the total of lines 27 and 39. **CAUTION** If line 36 is a negative number because line 35 exceeds line 34, treat the amount on line 36 as a positive number and add (rather than subtract) line 36 to lines 27 and 39. Interest on the additional tax due is 12% per year from the due date of your 2015 return. Figure the interest on the additional tax you owe. In the area below line 40, write in the amount of interest. Label it “interest charge.”

Note

If the amount you owe with your return is \$500 or more or you made late estimated tax payments, see the line 41 instructions.

To Pay Online Go to the department’s website at <https://tap.revenue.wi.gov/pay>. This is a free service.

To Pay by Check or Money Order Make your check or money order payable to the Wisconsin Department of Revenue. Paper clip it to the front of your Form 1A.

If the name of the taxpayer does not match the printed name on the check, print the taxpayer's name on the memo line of the check.

If you e-filed your return and are paying by check or money order, enclose your payment with Form EPV. Mail Form EPV and your payment to the address shown on Form EPV.

Note If you do not pay your Wisconsin income tax, the department may certify the unpaid amount to the Treasury Offset Program. Under federal law, the U.S. Department of Treasury may reduce, or offset, any federal income tax refunds payable to you by the Internal Revenue Service (IRS) to satisfy unpaid state income tax debts. Unpaid amounts remain eligible for this offset until paid.

■ Line 41 Underpayment Interest

You may owe underpayment interest if the amount of Wisconsin income tax withheld from your wages was less than your tax liability, or if you had income that was not subject to withholding and you did not make timely estimated tax payments. This is an interest charge that applies when you have not prepaid enough of your tax through withholding and/or estimated tax payments.

In general, in each quarter of the year you should be paying enough tax through withholding payments and estimated tax payments to cover the taxes you expect to owe for the tax year. For more information, see "Estimated Tax Payments Required for Next Year" on page 21.

Underpayment interest applies if:

- Line 40 is at least \$500 and it is more than 10% of the tax shown on your return, or
- You did not pay enough estimated tax by any of the due dates. This is true even if you are due a refund.

The "tax shown on your return" is the amount on line 24 minus the amounts on lines 30, 31, and 32.

Exceptions You will not owe underpayment interest if your 2014 tax return was for a tax year of 12 full months (or would have been had you been required to file) AND **either** of the following applies.

1. You had no tax liability for 2014 and you were a Wisconsin resident for all of 2014, **or**
2. The amounts on lines 28 and 29 on your 2015 return are at least as much as the tax shown on your 2014 return. Your estimated tax payments for 2015 must have been made on time and for the required amount. This exception does not apply if you did not file a 2014 Wisconsin return.

The tax shown on your 2014 return is the amount on line 24 of 2014 Form 1A minus the amounts on lines 30, 31, and 32.

Figuring Underpayment Interest

If the **Exceptions** above do not apply, see **Schedule U** to find out if you owe underpayment interest and to figure the amount you owe. In certain situations, you may be able to lower your interest. See the Schedule U instructions.

Fill in the underpayment interest from Schedule U on line 41. Add the amount of the underpayment interest to any tax due and fill in the total on line 40. If you are due a refund, subtract the underpayment interest from the overpayment on line 37. Enclose Schedule U with Form 1A.

Note

Fill in the exception code in the space to the left of line 41 only if you qualify for an exception, are enclosing an application for a waiver, or are using the annualized income installment method (Part IV of Schedule U) to compute underpayment interest. See the Schedule U instructions for the exception code to use.

Amended return only—If you were subject to underpayment interest on your original return and you are now changing the amount of such interest, enclose a corrected Schedule U with Form 1A. Fill in the appropriate exception code in the brackets on line 41 only if you are enclosing an application for a waiver, qualify for an exception, or are using the annualized income installment method (Part IV of Schedule U) to compute underpayment interest. See Schedule U instructions for the exception codes. Figure the difference between the amount of underpayment interest as reported on your original return (or as assessed by the department) and the amount of underpayment interest shown on your corrected Schedule U. Fill in the difference on line 41. If the amount of underpayment interest is reduced, put a minus sign (–) in front of the amount on line 41.

If line 37 of Form 1A shows an overpayment and you are reducing the amount of underpayment interest, add the amount on line 41 to the amount on line 37 of Form 1A. Adjust lines 38 and 39 accordingly.

If line 40 of Form 1A shows an amount due and you are increasing the amount of underpayment interest, add the amount on line 41 to the amount on line 40 of Form 1A.

■ Third Party Designee

If you want to allow a tax preparer or tax preparation firm, family member, friend, or any other person you choose to discuss your 2015 tax return with the department, check "Yes" in the "Third Party Designee" area of your return. Also, fill in the designee's name, phone number, and any five digits the designee chooses as a personal identification number (PIN).

If you check "Yes," you, and your spouse if filing a joint return, are authorizing the department to discuss with the designee any questions that may arise during the processing of your return. You are also authorizing the designee to:

- Give the department any information that is missing from your return,
- Call the department for information about the processing of your return or the status of your refund or payment(s), and
- Respond to certain department notices about math errors, offsets, and return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the department. If you want to expand the designee's authorization, you must submit Form A-222 (*Power of Attorney*).

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2016 tax return. This is April 15, 2017, for most people.

■ Sign and Date Your Return

Form 1A is not considered a valid return unless you sign it. If you are filing a joint return, your spouse must also sign. Also fill in your daytime phone number. Keep a copy of your return for your records.

■ Enclosures

For faster refunds, **do not staple** your return.

- Enclose a copy of each of your withholding statements.
- If you owe an amount, **paper clip** your payment to the front of Form 1A (unless paying by credit card or online).
- If you are filing under an extension, see When to File/Extension of Time to File on page 4 for items you must enclose.
- If you are claiming the earned income credit, enclose a copy of federal Schedule EIC with Form 1A. Also enclose federal Form 8867 if you used a paid preparer to complete your federal return.
- If you claimed homestead credit, paper clip Schedule H or H-EZ behind Form 1A.

- If you are filing an amended Form 1A, enclose Schedule AR with an explanation of each change and the reason for each change. Enclose all supporting forms and schedules for items changed. Do not enclose your original return and schedules with your amended return.
- *Persons divorced after June 20, 1996, who compute a refund* – If your divorce decree apportions any tax liability owed to the department to your former spouse, enclose a copy of the decree with your Form 1A (or WI-Z). Fill in "04" in the Special Conditions box on page 1 of Forms 1A and WI-Z. This will prevent your refund from being applied against such tax liability.
- *Persons divorced who file a joint return* – If your divorce decree apportions any refund to you or your former spouse, or between you and your former spouse, the department will issue the refund to the person(s) to whom the refund is awarded under the terms of the divorce. Enclose a copy of the portion of your divorce decree that relates to the tax refund with your Form 1A (or WI-Z). Fill in "04" in the Special Conditions box on page 1 of Forms 1A and WI-Z.
- If you are filing federal Form 8379, *Injured Spouse Claim and Allocation*, enclose a copy with your Form 1A (or WI-Z). Fill in "05" in the Special Conditions box on page 1 of Forms 1A and WI-Z.

■ Where to File

Mail your return (original return or amended return) to the Wisconsin Department of Revenue:

If: ♦	Use this address ♦
<i>refund or no tax due</i>	PO Box 59 Madison WI 53785-0001
<i>tax is due</i>	PO Box 268 Madison WI 53790-0001
<i>homestead credit claimed</i>	PO Box 34 Madison WI 53786-0001

Envelopes without enough postage will be returned to you by the post office. Your envelope may need additional postage if it contains more than five pages or is oversized (for example, it is over ¼" thick). Include your complete return address.

Private Delivery Services You can use certain private delivery services approved by the IRS to meet the timely filing rule. The approved private delivery services are listed in the instructions for your federal tax form. Items must be delivered to Wisconsin Department of Revenue, 2135 Rimrock Rd., Madison WI 53713. Private delivery services cannot deliver items to PO boxes. The private delivery service can tell you how to get written proof of the mailing date.

Fraudulent or Reckless Credit Claims

Fraudulent or reckless claims for earned income credit, homestead credit, or the veterans and surviving spouses property tax credit are subject to filing limitations. If you file a “fraudulent claim,” you will not be allowed to take the credit for 10 years. “Fraudulent claim” means a claim that is false or excessive and filed with fraudulent intent. If you file a “reckless claim,” you will not be allowed to take the credit for 2 years. “Reckless claim” means a claim that was improper, due to reckless or intentional disregard of income tax law or department rules and regulations. You may also have to pay penalties.

Penalties for Not Filing Returns or Filing Incorrect Returns

If you do not file an income tax return which you are required to file, or if you file an incorrect return due to negligence or fraud, penalties and interest may be assessed against you. The interest rate on delinquent taxes is 18% per year. Civil penalties can be as much as 100% of the amount of tax not reported on the return. Criminal penalties for failing to file or filing a false return include a fine up to \$10,000 and imprisonment.

Note

Estimated Tax Payments Required for Next Year?

If your 2016 Wisconsin income tax return will show a tax balance due to the department of \$500 or more, you must either:

- Make estimated tax payments for 2016 in installments beginning April 18, 2016, using Wisconsin Form 1-ES, or
- Increase the amount of income tax withheld from your 2016 pay.

For example, you may have a tax balance due with your return if you have income from which Wisconsin tax is not withheld.

You may be charged interest if required estimated tax payments are not made. For more information, contact our Customer Service Bureau at (608) 266-2486 or any Department of Revenue office.

If you must file Form 1-ES for 2016 and do not receive a form in the mail, go to the department’s website at revenue.wi.gov to obtain a personalized copy of Form 1-ES, or contact any Department of Revenue office.

Wisconsin Homestead Credit

Wisconsin homestead credit provides direct relief to homeowners and renters. You may qualify if you were:

- At least 18 years old on December 31, 2015,
- A legal resident of Wisconsin for all of 2015,
- Not claimed as a dependent on anyone’s 2015 tax return (unless you were 62 or older on December 31, 2015),
- Not living in tax-exempt public housing for all of 2015 (**Note** Some exceptions apply to this rule and are explained in the instructions for the homestead credit form),

- Not living in a nursing home and receiving medical assistance (Title XIX) when you file for homestead, and
- Had total household income, including wages, interest, social security, and income from certain other sources, below \$24,680 in 2015.

You may not claim homestead credit if you (or your spouse) claim the veterans and surviving spouses property tax credit.

Use Schedule H or H-EZ to claim homestead credit. See page 5 for how to get Schedule H or H-EZ. These schedules are also available at many libraries.

Internal Revenue Service Adjustments

Did the Internal Revenue Service adjust any of your federal income tax returns? If yes, you may have to notify the Department of Revenue of such adjustments. You must notify the department if the adjustments affect your Wisconsin income, any credit, or tax payable.

The department must be notified within 90 days after the adjustments are final. You must submit a copy of the final federal audit report by either:

- (1) Including it with an amended return that reflects the federal adjustments, or
- (2) Mailing the copy to: Wisconsin Department of Revenue, Audit Bureau, PO Box 8906, Madison WI 53708-8906.

Amended Returns

If you filed an amended return with the Internal Revenue Service (IRS), you generally must also file an amended Wisconsin return within 90 days. You must file an amended return if the changes affect your Wisconsin income, any credit, or tax payable. Even if you did not file an amended return with the IRS, if you find that you made an error on your original Form 1A or Form WI-Z, you should amend these forms.

You file an amended return by filing a corrected return using Form 1A or Form WI-Z (see Exception on page 22). Be sure to place a check mark where indicated at the top of Form 1A or WI-Z.

Note If you are changing an amount on any line of Form 1A or WI-Z, fill in the corrected amount on that line. If you are not changing an amount on a line, fill in the amount from your 2015 return as originally filed or as you later amended it. If your latest filed return was changed or audited by the department, use the corrected figures from the adjustment notice.

If you are filing an amended Form 1A or Form WI-Z, enclose Schedule AR to explain each change and the reason for each change. Enclose all supporting forms and schedules for items changed. Do not enclose your original return and schedules with your amended return.

Exception If you filed your original return on Form 1A or WI-Z and you now want to claim an item not allowed on those forms (for example, a subtraction for child care expenses), you must file your amended return using Form 1. Form 1 begins with federal adjusted gross income (FAGI). Your FAGI is generally the amount from line 4 of your federal Form 1040EZ or line 21 of your federal Form 1040A. However, if your Form 1040A includes amounts not allowed for Wisconsin (for example, tuition and fees), you must first complete Wisconsin Schedule I, *Adjustments to Convert 2015 Federal Adjusted Gross Income and Itemized Deductions To The Amounts Allowable for Wisconsin*, to remove these items from federal income and determine your FAGI. Your FAGI is then entered on line 1 of Form 1. Follow the Form 1 instructions to complete your amended return.

Armed Forces Personnel

If you were a Wisconsin resident on the date you entered military service, you remain a Wisconsin resident during your entire military career unless you take positive action to change your legal residence to another state. For more information, get Fact Sheet 1118, *Income Tax Information for Active Military Personnel*.

Death of a Taxpayer

A return for a taxpayer who died in 2015 should be filed on the same form that would have been used if he or she had lived. Include only the income received by the taxpayer up to the date of death.

If there is no estate to probate, a surviving heir may file the return for the person who died. If there is an estate, the personal representative for the estate must file the return. The person filing the return should sign the return and indicate his or her relationship to the person who died (for example, “surviving heir” or “personal representative”). Be sure to fill in the surviving heir’s or personal representative’s mailing address in the address area of the Form 1A or WI-Z.

If the taxpayer did not have to file a return but paid estimated tax or had tax withheld, a return must be filed to get a refund.

If you filed a return on behalf of a decedent and were issued a refund, but you are not able to cash the refund check, complete Form 804, *Claim for Decedent’s Wisconsin Income Tax Refund*. Mail the completed form and refund check to the department. Do not mail Form 804 with the return.

If your spouse died during 2015 and you did not remarry in 2015, you can file a joint return. You can also file a joint return if your spouse died in 2016 before filing a 2015 return. A joint return should show your spouse’s 2015 income before death and your income for all of 2015. Also write “Filing as surviving spouse” in the area where you sign the return. If someone else is the personal representative, he or she must also sign.

If the return for the decedent is filed as single or head of household, fill in “06” in the Special Conditions box and indicate the date of death on the line provided. If a joint return is being filed, fill in “06” in the box if it is the primary taxpayer (person listed first on the tax form) who is deceased and the date of death. If it is the spouse who is deceased, fill in “07” in the box and the date of death. If both spouses are deceased, fill in “08” in the box and both dates of death.

If your spouse died before 2015 and you have not remarried, you must file as single or, if qualified, as head of household.

Requesting Copies of Your Returns

The Department of Revenue will provide copies of your returns for prior years. Persons requesting copies should complete Form P-521, *Request for Copies of Tax Returns or Forms W-2*. Include all required information and fee with Form P-521. Form P-521 is available from the department’s website at revenue.wi.gov.

2015 Tax Table for Forms 1A and WI-Z Filers

Use this Tax Table if your taxable income is less than \$100,000. If \$100,000 or more, use the Tax Computation Worksheet on page 30.

Example: Mr. and Mrs. Smith are filing a joint return. Their taxable income on line 17 of Form 1A is \$28,653. First, they find the \$28,000 heading in the table. Then they find the \$28,600-28,700 income line. Next, they find the column for married filing jointly and read down the column. The amount shown where the income line and the filing status column meet is \$1,401. This is the tax amount they must write on line 18 of their return.
