## Instructions for Form 3U

**Purpose of Form** – Partnerships, including limited liability companies treated as partnerships, use Form 3U to determine if they are subject to interest for underpayment of estimated recycling surcharge and, if so, the amount of interest. A partnership must have made estimated recycling surcharge payments if its recycling surcharge for the taxable year beginning in 2008 is \$200 or more.

**Part I** – Compute any underpayment of required installments and the amount of interest due in Part I. Required installments are based on the smaller of (1) 90% of 2008 recycling surcharge, (2) 100% of 2007 recycling surcharge, provided the 2007 return covered an entire 12-month period, or (3) 90% of the recycling surcharge figured by annualizing income.

For fiscal year filers, estimated recycling surcharge payments are due the 15th day of the 4th, 6th, and 9th months of the taxable year and the 15th day of the first month following the close of the taxable year.

Line 1. Enter the amount from 2008 Form 3S, line 5.

**Line 6.** Enter the amount of estimated recycling surcharge that you paid for each installment period.

Lines 9 and 10. Complete these lines only if you have an overpayment on line 8 for one or more installment periods. An overpayment may be carried back to the immediately preceding installment period and offset against an underpayment for that period. Any remaining overpayment may be carried back to prior installment periods. If an underpayment does not exist in a prior period, carry forward the overpayment to the next period.

**Line 11.** If line 11 does not show an underpayment, and if line 9 does not show a carryback of an overpayment, you do not need to complete the form because you don't owe any underpayment interest. If line 11 shows an underpayment, or if line 9 shows a carryback of an overpayment, continue with lines 12 through 18.

**Line 18.** Combine the amounts from all of the columns on lines 16 and 17 and enter the total on line 18 and on Form 3S, line 9.

**Part II** – If you compute one or more installments under the annualized income installment method, complete Part II and enter the amounts from line 31 on Part I. line 5.
